

MyTax.DC.gov

The District's new
state-of-the-art web tax portal

SIMPLER. FASTER. SAFER.

Beginning in November 2016, the District of Columbia Office of Tax and Revenue (OTR) launches a new web portal, MyTax.DC.gov, making it **simpler, faster, and safer** to view and pay Individual Income and Business taxes. For some tax types you can use the portal to file your returns.

SIMPLER

- Process your returns on this simplified, user-friendly site.
- View your refund and return status 24/7.
- Schedule your payments in advance: up to one year for individuals and businesses.
- Use the site's streamlined capabilities to file your business's withholding returns and estimated or extension payments in advance.

FASTER

- Make a payment without logging in by using the Quick Payment option.
- Access your web profile to update your account information quickly.
- Add users and request new accounts, all online.
- Use the site's two-way communication tool to contact customer service for a swift response to your online questions.

SAFER

- Rely on the protection of your data, encrypted to industry standards using an SSL/TLS certificate.
- Control your account information, including authorized users and preferred mailing addresses.
- Store bank accounts for multiple accounts and use credit cards to make secure payments.
- Allow third parties to access your accounts securely.

MyTax.DC.gov allows taxpayers to file, pay, and view the following taxes:
