Government of the District of Columbia Office of the Chief Financial Officer

Natwar M. Gandhi Chief Financial Officer

Dear Taxpayer:

On behalf of the Government of the District of Columbia, I would like to thank you in advance for paying your personal income taxes promptly. As a taxpayer, your are an important investor in this city. Your taxes support vital services and programs, such as rebuilding our roads, recreation centers and public schools; providing housing and basic shelter; and improving the health of our residents.

The Office of Tax and Revenue (OTR) continues to make it substantially easier for you to file your return and to provide you with the information needed to submit an error-free tax return.

Effective January 1, 2013, OTR will retire the Individual eTSC Internet return filing system. eTSC will be replaced with a new electronic filing program called DCfreefile, based on the IRSfreefile program. With DCfreefile, income-eligible taxpayers can choose one of several online tax software solutions to electronically prepare and e-file both their federal and state returns for free. Additionally, taxpayers who used eTSC last year can use DCfreefile regardless of qualifications to file both federal and DC income tax returns at no cost, and taxpayers new to DC can qualify to use DCfreefile in their first year of residency. Please visit our Website at www.taxpayerservicescenter.com and click on the DCfreefile link to find a list of participating Free File vendors and determine if you are eligible.

e-File your return and receive your refund faster!

I would like to remind you that OTR no longer mails paper individual income tax booklets. Taxpayers can download the forms and instructions, as well as learn where paper returns will be available, at OTR's Website, www.taxpayerservicecenter.com.

Taxpayers requesting assistance may visit OTR's walk-in center at 1101 4th Street, SW, Suite W270, from 8:15 am to 5:30 pm Monday through Friday, call (202) 727-4TAX (4829), or e-mail <u>taxhelp@dc.gov</u>.

Sincerely,

Natwar M. Gandhi

General Instructions for D-40EZ/D-40

Who must file a DC Income tax return?

You must file a 2012 DC Individual Income tax return if -

- You were a District of Columbia (DC) resident in 2012 and were required to file a federal income tax return. (A resident is an individual whose permanent legal residence is within the District during the taxable year); or
- You maintained a place of residence in DC for a total of 183 days or more during 2012 even if your permanent residence was outside DC; or
- You were a member of the United States (US) armed forces and DC was your legal residence for tax purposes for all or part of 2012.

Note that even if you are the spouse/registered partner of someone not required to file, such as a non-resident Congressional appointee, and you meet any of the above requirements, you yourself must file.

You do not need to file a 2012 DC Individual Income tax return if:

- You were not required to file a 2012 federal income tax return.
- You were not considered a resident of DC during 2012.
- You were an elected member of the US government who was not domiciled in DC.
- You were an employee on the personal staff of an elected member of the US Congress and you and the elected member were bona fide residents of the same state.
- You were a member of the US Executive Branch appointed by the President, subject to US Senate confirmation, whose tenure of office is at the pleasure of the President and you were not domiciled in DC during any part of 2012.
- You were a justice of the US Supreme Court and were not domiciled in DC during any part of 2012.

Refund of DC taxes

If you believe you are entitled to a refund and you are not required to file a DC income tax return and:

- You are a DC resident, file a Form D-40, Individual Income Tax Return or D-40EZ, Income Tax Return for Single and Joint Filers with No Dependents; or
- You are not a DC resident, file a Form D-40B, Non-Resident Request for Refund.

Which form should you file?

D-40EZ Income Tax Return for Single and Joint Filers with No Dependents

You may use this simpler form if you meet all of the following:

- Your filing status is single or filing jointly with a spouse or a registered domestic partner. (Domestic partners are registered with the Vital Records Division of the DC Department of Health);
- You were a DC resident from January 1 through December 31, 2012;
- Your taxable income is \$100,000 or less and consists only of wages, salaries and tips; taxable scholarships or fellowship grants; unemployment compensation; and/or interest and dividends (\$1500 maximum);
- You did not make estimated income tax payments;
- You do not claim dependents;
- You do not claim an exemption for being age 65 or older or legally blind;
- You have no federal adjustments to income;
- You do not itemize deductions;
- You do not file DC Schedules S, H, U, I or N;
- You do not claim a deduction for a payment to the DC college savings plan; and
- You do not claim a long-term care insurance premium deduction.

D-40 Individual Tax Return

Use this form if you cannot use the D-40EZ.

D-41 Fiduciary Income Tax Return

Use the D-41 if you are the fiduciary of a DC estate or trust and:

- The gross income for the estate is \$1,675 or more for the year; or
- The gross income for the trust is \$100 or more for the year.

When are your taxes due?

April 15, 2013, is the due date for filing your return and paying any taxes due. If the due date falls on a Saturday, Sunday, or legal holiday, the return is timely if filed on the next business day.

FR-127 Extension of Time to File Income Tax Return

An extension of time to file of six months may be granted if a valid extension of time to file is requested. In order to be valid, a FR-127 Extension of Time to File form is due by April 15, 2013. If the due date falls on a Saturday, Sunday, or legal holiday, the return is timely if filed on the next business day. The submission of the extension of time to file is subject to the following considerations:

- 1. If you expect to have a balance due when you file your D-40, you must pay with your timely filed extension.
- 2. If you do not expect to have a balance due when you file your D-40, you would not be required to file a Form FR-127, if you have:
 - Reasonably estimated your D-40 tax liability and paid the estimated amount of DC income taxes through withholding or estimated tax payment; and
 - b. Filed a request to extend the time to file your federal individual income tax return with the IRS. The timely filed federal extension to file form will satisfy the requirement for filing a Form FR-127 with DC.
- 3. If you do not expect to have a balance due and you have not filed an extension of time to file for your federal individual income tax return and wish to request an extension for your DC income tax return, you should submit a Form FR-127.

Penalty and interest charges are imposed on any tax found owing and not paid on time with the extension request.

How to file your return

This booklet has all the forms and instructions you will need. You are responsible for filing and paying taxes on time whether or not you receive the printed forms.

Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if their form is a DC OTR approved form.

By mail

If mailing a return with a payment, send it to: Office of Tax and Revenue PO Box 96169 Washington, DC 20090-6169 If mailing a refund request return or a 'no money due' return, send it to:

Do not include more than one return per envelope.

By DC electronic filing (e-file)

E-file offers most DC individual income taxpayers a full Federal/State Electronic Filing program. There are two ways in which taxpayers can file their federal and DC returns together electronically:

- 1. Through a tax practitioner who is an authorized e-file provider; or
- Through a commercial on-line filing service, this allows taxpayers to transmit their DC and federal returns from their PC for a fee.

Effective January 1, 2013, the DC WEB application, eTSC will retired for Individual Income filing (D-40 and D-40EZ). eTSC will be replaced with

DCfreefile is a free electronic tax preparation and filing system based on the IRS Free File Alliance program. If you used eTSC to file your individual tax return last year, you automatically qualify to use DCfreefile to prepare and e-file both your 2012 federal and DC income tax returns regardless of the vendor qualifications listed.

Taxpayers who did not use eTSC to e-file last year are eligible to qualify for free electronic tax preparation and filing using one of our DCfreefile vendors.

DCfreefile will be available January 22, 2013.

For more information, visit www.taxpayerservicecenter.com.

If you use one of our e-file options to file your DC return, you may also choose to have your refund deposited directly into your checking or savings account. See the instructions on page 8.

Electronic Filing Instructions

The instructions in this booklet are specifically for filers of paper returns. When you file electronically, note that the instructions may differ. Follow the "on screen" instructions. If you need further explanations, review the instructions in this booklet.

Write your social security number, daytime telephone number, "2012" and the type of form filed ("D-40" or "D-40EZ") on your payment. Attach your payment to the Form D-40P voucher provided in this booklet. Do not attach either to your return.

- 3. Complete the telephone transaction directly with the credit card processing vendor or electronic check processing vendor, Official Payments Corporation. You will be given a confirmation number, please keep it with your records.

Electronic Check (e-check)

E-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking information at the time of payment instead of storing the information. There is no fee for e-check payments.

Credit Card

The taxpayer may pay the amount owed using Visa, MasterCard, Discover or American Express. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Visit the website http://www.taxpayerservicecenter.com for Credit Card Payment or Electronic Check (e-check) Payment Information.

Note: Dishonored payments. Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. If you request a refund to be direct deposited into an account outside of the United States, you will receive a paper check.

Your payment cannot be drawn on a foreign account. You must pay by money order (US dollars) or credit card instead.

Penalties and Interest

OTR will charge -

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 20% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the fee are first applied to the fee, then to the penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Penalties and interest accrued may be reported on Line 17 of the D-40EZ or Lines 37, 43a and/or 43b of the D-40. This will include Estimated Tax Underpayment Penalty, Form D-2210, which can be located at http://www.taxpayerservicecenter.com. File the Form D-2210 with your return.

Criminal Penalties

You will be penalized under the criminal provisions of the DC Code, Title 47, if you are required to file a return or report, or to perform any act, and you:

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;
- Willfully fail to file the return or report timely. If convicted, you
 will be fined not more than \$5,000 or imprisoned for not more
 than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax; or willfully making fraud and false statements or failing to provide information. See DC Official Code §47-4101 through 4107.

These penalties are in addition to penalties under DC Code §22-2405 for false statements (and any other applicable penalties). Corporate officers may be held personally liable for the payment of taxes owed to DC, if not paid.

Enforcement Actions

OTR may use lien, levy, seizure, collection agencies, and liability offset if the taxpayer fails to pay the District within 10 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com. Click "Information", "Collection Division", "Enforcement Actions".

Special filing circumstances

Amended return

File an amended DC return if your DC tax liability for a prior open tax year (usually 3 years from date of filing) has changed on the D-40 or D-40EZ for the year you are amending. To file an amended return for the current year, complete another 2012 DC individual income return and fill in the "amended return" oval on the form. Attach a list with explanations of the changes covered by your amended return.

If you are filing an amended return for a prior year, attach a copy of the return filed for that year. You can download forms from www.taxpayerservicecenter.com or call 202-442-6546 to request forms by mail.

If the Internal Revenue Service (IRS) adjusts your individual federal tax return, you must file an amended DC return within 90 days of receiving notice of the federal adjustment. Attach a copy of the adjusted federal return.

Getting Started

To complete the Forms D-40 or D-40EZ, in general you will need:

- A copy of your completed 2012 federal return, as applicable (Form 1040, 1040A, 1040EZ, 1040NR, or 1040NR-EZ) and any additional forms or worksheets related to the return. You can copy many entries directly from federal forms 1040, 1040A, 1040EZ, 1040NR, or 1040NR-EZ. Please be careful since the line numbers may differ from the District Forms D-40 or D-40EZ line numbers:
- A copy of your completed state returns if you filed an income tax return with another state;
- Your W-2 and applicable 1099 forms with DC withholding tax or taxable income;
- A pen with black ink;
- A calculator.

Not all items will apply. Fill in only those that do. If an amount is zero, make no entry, leave the line blank.

Do not enter cents. Round to the nearest dollar. Examples: \$10,500.50 rounds to \$10,501

\$10,500.49 rounds to \$10,500

Taxpayer Identification Number(s) (TIN)

You must have a TIN, whether it is a SSN or FEIN.

- A SSN must be a valid number issued by the Social Security Administration (SSA) of the United States Government. To apply for a SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213;
- A FEIN must be a valid number issued by the Internal Revenue Service (IRS). To apply for an FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).

You must wait until you receive either number before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid. You could be subject to a balance due or disallowance of credits or exemptions, if your dependents or other qualifying person TIN's are missing, incorrect or invalid.

If you are filing a joint return, or filing separately on the same return, enter the name and SSN shown first on your return, then enter the name and SSN shown second on your return. Incomplete information or failure to follow these instructions will delay processing of your return.

Wages, tips and salaries

Enter the amount from your federal 1040, 1040A, or 1040EZ, or 1040NR, or 1040NR-EZ, <u>plus</u> any unemployment compensation received on Line 1 of the D-40EZ or Line a, Income Information on the D-40.

DC income tax withheld

Add the DC income tax withheld as shown on your 2012 federal Forms W-2 and applicable Forms 1099. Attach all copies of your Forms W-2 and 1099 that show DC tax withheld to the Forms D-40 or D-40EZ.

Filing Status

More than one filing status may apply to you. Use the one that will give you the lowest tax. Please ensure the bubble to the left of the filing status is filled in.

Generally, you will use the same filing status on your DC return as that used on your federal return. However, if you used married filing jointly on your federal return, it may be better for you to file your DC return using either married filing separately or filing separately on the same return. If both have income, figure the tax both ways.

Single (D-40 and D-40EZ)

You were unmarried, divorced or legally separated as of December 31, 2012, or were widowed prior to January 1, 2012, and did not remarry before January 1, 2013.

Filing Jointly (D-40 and D-40EZ)

You were married or have a registered domestic partner and both spouses/domestic partners were DC residents as of December 31, 2012, or your spouse/domestic partner died in 2012 and you did not remarry/register in 2012. If legally separated, do not file jointly. If your spouse died during the year, you are considered married for the whole year for filing status purposes. If you did not remarry before the end of the tax year, you can file a joint return for yourself and your deceased spouse.

If you are filing a joint return or filing separately on the same return, enter the name and SSN shown first on your return, then enter the name and SSN shown second on your return.

Registered domestic partners (D-40 and D-40EZ)

To be considered as a domestic partner for DC tax purposes, the parties must be registered with the Vital Record Division of the DC Department of Health. If you have registered your relationship you may either file a joint return or file separately on the same return. You may also file as single.

Domestic partners or other similar relationship registered in other jurisdictions. If you have registered your relationship in another jurisdiction, you may file a joint return, or file separately on the same return, or file a separate return using the single status.

If you are visiting the DC OTR for assistance in preparing your DC Income Tax Return, registered domestic partners must first prepare a "not to be filed" (mock) joint federal return.

- If filing jointly is chosen, enter the spouse/domestic partner's total federal AGI on Line 1 of the Form D-40EZ or Line 3, of the Form D-40.
- If you are same-sex spouses, you may file either a joint return or file separately on the same return. Same-sex spouses filing a joint DC D-40 may wish to prepare a "not to be filed" (mock) joint federal return solely to calculate the benefits of filing jointly or married filing separately on the same D-40. If filing jointly is chosen, enter the total federal adjusted gross income of both spouses/partners on Line 3, Form D-40.
- If filing separately on the same return is chosen, follow the instructions under Married or Registered Domestic Partners filing separately on the same return.

Married filing separately or domestic partner filing separately (D-40)

You are married or have a registered domestic partner and both spouses/partners had income. Include your spouse/domestic partner's name and social security number in the <u>Personal Information</u> section.

You will each report only your own income, exemptions, deductions, and credits. You will each report one-half of the income from any securities, bank accounts, real estate, etc., that are registered or titled in both names.

You must use this filing status if:

- You and/or your spouse/registered domestic partner were partyear residents of DC during different periods of 2012;
- You were a DC resident and your spouse/domestic partner was one of the following:
 - A member of the US armed forces and not considered a DC resident, but you are required to report income in DC;
 - A member of the US Congress or an employee on the personal staff of a member of Congress who is considered a resident of the member's state of residency;
 - An officer of the US Executive Branch whose primary residence was not in DC, who is appointed by the President, confirmed by the US Senate and serves at the pleasure of the President; or
 - A justice of the US Supreme Court whose primary residence was not in DC.

Dependent claimed by someone else

If you are claimed as a dependent on someone else's return, fill in the 'dependent claimed' oval on the D-40 or D-40EZ return.

Married or registered domestic partners filing separately on the same return (D-40)

If you claim either status, you and your spouse/domestic partner must combine your separate amounts using Calculation J on Schedule S so that you will either receive one refund or make one tax payment. You may also claim a credit for child and dependent care expenses, which you are not allowed to claim if you file separate returns. Using this filing status may reduce the amount of tax you owe by allowing each spouse/domestic partner to take advantage of lower tax brackets. Before completing Calculation J, and the Form D-40, you will need to figure the following for you and your spouse/domestic partner:

- Each person's federal adjusted gross income;
- Each person's additions to federal income;
- Each person's subtractions from federal income;
- Each person's deductions; and
- Each person's exemptions.

NOTE: If you and your spouse/domestic partner were part-year residents of DC during different periods of 2012, you cannot file separately on the same return. You must file separate returns.

Head of Household (D-40)

You may claim this status if you were unmarried or legally separated as of December 31, 2012, and paid over half of the costs of maintaining a home for a qualifying person, such as a child or parent. Certain individuals who lived apart from the spouse/domestic partner for the last six (6) months of 2012 may also be able to use this filling status. Use the appropriate section of Schedule S to enter the full name, SSN and Date of Birth (DOB) of the qualifying person whether that person is a dependent or the non-qualifying dependent. Failure to provide a Schedule S can delay processing and exclude any exemptions claimed for dependents or other non-qualifying dependent. All the information must be complete, i.e., name, SSN and DOB.

Standard Deduction and Exemption Amounts (D-40 and D-40EZ)

You are not entitled to the standard deduction if you itemize on your federal return. You are entitled to the itemized deductions excluding the state and local taxes and subject to the DC 5 percent limitation.

District Code §47-1803.03 (c) states "Every individual who claims the standard deduction on his or her federal income tax return shall claim the applicable standard deduction specified in District Code §47-1801.4 (26). Every individual who itemizes the deductions on his or her federal income tax return shall itemize the deductions permissible under this chapter. If a husband and wife or domestic partners file separate returns, the applicable standard deduction shall not be allowed to either spouse or domestic partner if the net income of one of the spouses/domestic partners is determined by itemizing deductions." Each spouse/domestic partner can claim only his/her own itemized deduction.

Reserved Line 4a (D-40EZ) and Line 17a (D-40)

This is reserved for any subsequent legislative changes enacted after this booklet has gone to print.

Standard Deduction

Married filing separately or registered domestic partners filing separately are allowed a standard deduction of \$2,000. All other filing statuses are allowed a standard deduction of \$4,000.

Number of Exemptions

If you are a 'dependent claimed by someone else', **do not claim any exemptions.** Leave Lines 18 and 19 blank on the D-40.

If you are filing:

- single and claiming more than one exemption; or
- married or registered domestic partners filing jointly, and claiming more than two exemptions

Complete Calculation G on page 2 of the Schedule S and attach the schedule to the return, Form D-40.

Exemption Amount

Enter \$5,675 if filing status is single on the D-40EZ or multiply \$1,675 by Line 18 of the D-40 number of exemptions. If you do not have exemptions, leave Line 19 blank on the D-40.

Enter 7,350 if filing jointly on the D-40EZ, for standard deduction and exemption.

Enter \$4,000 on Line 4 of the D-40EZ if you are a dependent claimed by someone else. You are not eligible to claim an exemption. If you are completing the D-40 as a dependent claimed by someone else, leave Lines 18 and 19 blank on the D-40.

Credits

There are two credits offered to DC taxpayers: (1) DC Low Income Credit (LIC) and (2) DC Earned Income Tax Credit (EITC). The LIC is a non-refundable credit, which means it can reduce the DC tax you owe, but it will not directly result in a tax refund. The EITC is a refundable credit. If the IRS is calculating your federal EITC, wait until they notify you of that amount before you determine your DC EITC.

If you take the federal earned income credit, it may be better for you to take the DC Earned Income Tax Credit instead of the DC Low Income Credit. **You cannot take both DC credits.**

DC Low Income Credit (LIC)

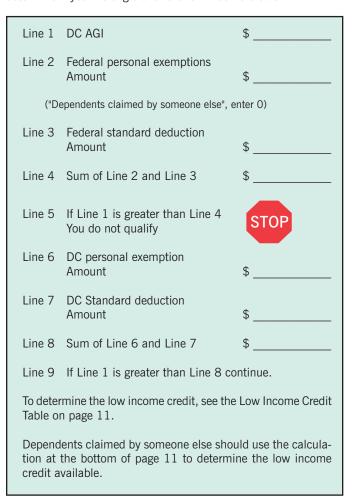

To qualify for this credit:

 You cannot have computed your federal income tax using the Alternative Minimum Tax (AMT) calculation;

- The amount of DC taxable income on Line 21 of your D-40 or Line 5 of the D-40EZ is more than zero; and
- Your DC Adjusted Gross Income (AGI) D-40, Line 15 or D-40EZ, Line 3; is greater than the sum of DC personal exemptions and DC standard deduction and is less than or equal to the sum of your federal personal exemptions and your federal standard deduction.

Calculation of Eligibility

If your DC taxable income is greater than zero, complete this chart to determine if you are eligible for the low income credit.

Complete Calculation LIC/EITC for D-40EZ or Calculation L on page 21 for D-40 taxpayers to determine which DC credit is better for you.

You must enter the number of federal exemptions to claim the LIC, Forms D-40EZ, Line 7a, or D-40, Line 25a.

DC Earned Income Tax Credit (EITC)

If your filing status is "Married or registered domestic partner filing separately" or "Dependent claimed by someone else", you cannot claim the DC EITC.

Taxpayers who claim the federal EITC may also claim a DC EITC of 40% of the federal credit. Taxpayers who claim the DC LIC credit may not claim the EITC. You may take only one of these DC credits. Complete the calculation on the back of the D-40EZ or Calculation L on page 21 of the D-40.

If you are not entitled to claim a federal EITC, you cannot claim a DC EITC other than the exception below.

DC Law also allows the same 40% of federal EITC to those who are not allowed to claim the EITC at the federal level but who meet other

DC requirements, such as a non-custodial parent who is a District resident between the ages of 18 and 30, and paying child support under a court order for a minor child. The taxpayer must have paid the child support of at least the amount due for the year through a government sponsored support collection unit and the order must have been in effect for a least one-half of the year. You must file a D-40 form to use this exception. Complete Schedule N, DC Non-Custodial Parent EITC Claim, and attach to the D-40. Also enter the amount to be claimed on the Schedule U, Part 1B, Line 1.

Please enter the number of qualified EITC dependents on Line 13a of the D-40EZ, or Line 28a of the D-40.

Qualifying Child for EITC Purposes

A qualifying child as defined by the IRS for the EITC is a child who is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, or a descendant of any of them (for example, your grandchild, niece or nephew) and was:

- Under age 19 at the end of 2012; or
- Under age 24 at the end of 2012 and a full-time student; or
- Any age and permanently and totally disabled.

In addition, they must have lived with you in the US for more than half of 2012, unless you are claiming the EITC as a non-custodial parent (see D-40 instructions for Schedule N).

If your child was married at the end of the year, the child is not a qualifying child <u>unless</u> you can claim the child's exemption or you have been given the right to claim the exemption in an agreement signed by the child's custodial parent releasing the dependency exemption.

Contributions

There are three (3) DC contributions. Contributions will be deducted from the refund due or added to the tax due. You can contribute as much as you would like, however the smallest contribution you can make to any one fund is \$1.00.

<u>Public Fund for Drug Prevention and Children at Risk</u> Enter in Line 9a of the D40-EZ, or Part II, Contribution, Line 2 of the Schedule U, and attach to the D-40.

DC Statehood Delegation Fund

Enter in Line 9B of the D-40EZ, or Part II Contribution, Line 1 of the Schedule U, and attach to the D-40.

Anacostia River Cleanup and Protection Fund

Enter in Line 9c of the D-40EZ, or Part II Contribution, Line 3 of the Schedule U, and attach to the D-40.

Tax tables

If your taxable income is \$100,000 or less, use the tax tables on pages 47 - 56 to find the tax on the Line 6 amount of the Form D-40EZ or Line 22 of the D-40.

If your taxable income is greater than \$100,000, for D-40EZ filers, use the Form D-40. D-40 filers use Calculation I on page 21 to determine your tax.

Tax paid with extensions

Report tax paid with extension of time to file or with original return if this is an amended return on Line 12 of the D-40EZ or Line 33 of the D-40.

Direct deposit of refund

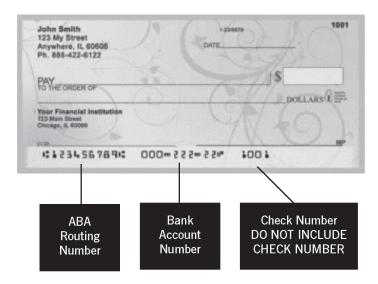

Direct Deposit Facts:

- 1. It's simple. You don't have to go to the bank to cash your check.
- 2. It's safe. No more lost, stolen or misplaced checks.

3. It's fast. Your money will be available the morning of the payment.

If you want your refund deposited directly in your bank account, complete the Direct Deposit Information above the signature line on the D40 or D-40EZ. If the routing or account number begins with zeros, include the zeros.

Fill in the bank routing and account number information. You can obtain this information from the lower left portion of your check (see example below).

NOTE: Refer to your own check or financial institution for your numbers. The routing and account numbers may be in different places on your check.

Your routing number is the left-most number located on your check, identified as the American Banking Association (ABA) routing number. The ABA number identifies your bank uniquely within the direct deposit system. It must be:

- Nine (9) digits in length, including zeros;
- A current valid bank routing number.

Your account number:

- Is usually just to the right of your ABA routing number including zeros;
- Can be up to 17 digits long; and
- Can be both letters and numbers.

You may want to verify your account and routing numbers with your financial institution before filling in the information.

Fill in the oval to show the type of bank account. If you want the refund to go to a savings account instead of your checking account, you may need to contact your financial institution for the account and routing number information.

Check the ABA routing number and account number carefully. If your bank account information is incorrect or missing digits, the money can be deposited in someone else's account. Please double check your routing and account number. OTR is not liable for any ABA routing and account numbers reported on the return in error.

If you do not select the checking or savings oval, we will assume the refund will be deposited in your checking account. If the funds are returned to OTR, a paper check will be issued.

Refund direct deposit to a foreign account – International ACH Transaction (IAT)

Electronic banking rules have changed. If you request your refund to

be direct deposited to an account outside of the United States, you will receive a paper check.

Refund status inquiry

To check the status of your refund visit www.taxpayerservicecenter.com. You will need to enter your SSN and the refund amount you requested on your return.

Third Party Designee

If you want to authorize another person to discuss your 2012 tax return with the OTR, check the oval in the Third Party Designee block on page 2 of the D-40, or page 1 of the D-40EZ, and enter the designee's name and phone number. If you want to authorize your paid preparer, enter 'preparer' in the 'third party designee' block. If you are filing a joint return, checking the third party designee block oval constitutes authorization by both filers.

Checking the oval also gives the designee authorization to:

- Give OTR any information missing from your return;
- Contact OTR for information about processing your return and the status of any refund or payment; and
- Request, receive and/or respond to OTR notices related to your return. The authorization does not:
- Give the designee the right to receive your refund;
- · Bind you to any additional tax liability related to your return; or
- Otherwise represent you before OTR.

This authorization automatically ends on April 15, 2013 (without regard to extensions).

Signature

Sign and date your return. If your filing status is married filing jointly or married filing separately on the same return, both spouses/registered domestic partners must sign. If the return is not signed, it will be sent back to you. If the return was prepared by a paid tax preparer, the tax preparer must also sign the return and provide his or her identification (PTIN) and telephone number. You, the taxpayer(s) is/are responsible for the information prepared and submitted by a paid preparer.

Send in your original return and attachments, if applicable; <u>please</u> keep a copy for your records.

Do not understate your taxes

There may be a penalty if an understatement of the tax required to be shown on your return exceeds the greater of:

- 10% of the tax required to be shown on the return; or
- \$2,000

The penalty is 20% of the excess of the amount required to be shown on the return over the tax shown on the return.

Paid Preparer Tax Identification Number (PTIN)

IRS rules have changed. If you are a paid tax preparer, you are required to have an IRS PTIN issued by the IRS. If you use a paid preparer, they are required to have an IRS PTIN issued by the IRS. Although you may use a paid preparer, **you** the taxpayer(s) are responsible for the filing and payment of your tax return. A PTIN is a number issued and authorized by the IRS to file a return on your behalf. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

Paid preparers must pay a penalty for understating taxes where:

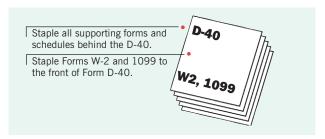

- The refund or amount due is based on unrealistic information; or
- The preparer should have been aware of a relevant law or regulation; or

Relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000.

Instructions for the D-40

To complete your D-40 return, you will need to do a series of calculations contained in these instructions and copy many of the line items and totals on your D-40. You may also need to attach DC schedules, forms and worksheets to your D-40 if you complete any of the DC forms. Unless instructed otherwise, if you complete any part of any Schedules H, I, N, S, or U, attach it to your return, in the order defined in General Instructions, page 3.

Schedule H, Homeowners and Renter Property Tax Credit.

This schedule allows eligible residents to claim a property tax credit against their DC income tax liability. Total household gross income cannot exceed \$20,000. Do not claim this credit for an exampt property owned by a government, a house of worship or a non-profit organization. See Schedule H in this booklet.

Note: If you are filing a D-40, you must file DC Schedule H with it. If you are not required to file a D-40 (or D-40EZ), the DC Schedule H can be filed by itself.

Schedule I, Additions to and Subtractions from FAGI.

This schedule contains two calculations, one for additions and another for subtractions from federal AGI. See Schedule I in this booklet.

If you took the 30% or 50% federal bonus depreciation and/or the additional Internal Revenue Code (IRC) Section 179 expenses on your federal return, enter the total on Schedule I, Calculation A, Line 3.

Schedule N. DC Non-Custodial Parent EITC Claim.

Use this schedule to determine whether a non-custodial parent making court-ordered child support payments may claim the DC EITC. See Schedule N in this booklet.

Schedule S, Supplemental Information and Dependents.

If claiming exemptions, use Schedule S to list each dependents name, social security number and date of birth. Use Schedule S if reporting dependent or other qualifying dependent, and head of household information. It contains Calculation G for use in determining the number of exemptions you may claim and Calculation J to determine the DC tax amount for married or registered domestic partners filing separately on the same return. You may also use Schedule S for claiming dependents and deductions for being blind and/or over 65. You may claim an exemption for each of your dependents. You may also claim a deduction for being over 65 or blind.

Claiming dependents and deductions for being blind and/or over 65

You may claim an exemption for each of your dependents or other qualifying non-dependent person. If claiming exemptions, use Schedule S to list each dependent name, SSN, and DOB. You may also claim a deduction for yourself or your spouse/registered domestic partner for being over 65 or blind.

Schedule U, Additional Miscellaneous Credits and Contributions. This schedule lists certain additional non-refundable and refundable credits you may be able to claim. It also lists several contributions funds to which you may wish to contribute. See Schedule U in this booklet.

Credit for certain DC Government employees who are DC residents and first-time DC homebuyers. This credit, originally limited to DC police officers who are first-time homebuyers in DC, has been expanded. This \$2,000 credit is now available to all DC government employees, employees of a DC public charter school, and any person who has accepted an offer to be a DC police officer, firefighter, emergency medical technician, public school teacher or a teacher at a DC public charter school. Except for DC police officers, the tax credit is limited to those employees who purchased their first principal residence in DC on or after October 1, 2007, and who are enrolled in the **Employer Assisted Housing Program (EAHP)** offered by the DC Department of Housing and Community Development. The credit is available for a 5-year period. Enter \$2,000 on Schedule U, Part 1a, Line 1.

It includes the amount DC taxpayers may claim as a credit for individual income tax paid to other state(s) if the income taxed by that state is derived from that state and is of a kind taxed by DC. If tax paid to a state is the total state tax liability shown on the state tax return. (It is not the state withholding shown on your Form W-2.)

Complete Calculation K on page 17, to determine your out of state credit. Enter the credit amount on Schedule U, Part 1a, Line 3. If you paid tax to more than one state, enter the respective amounts and other state codes in the spaces provided.

No DC credit is allowed for any other tax imposed by a state, including the following:

- Corporate franchise tax;
- License tax:
- Excise tax;
- · Unincorporated business franchise tax; and
- Occupation tax.

Part-Year Residents

NOTE: A temporary absence (even a lengthy one) from your permanent home does not make you a part-year resident. If filling as a part-year resident, you will be given guidance for completing your D-40 throughout these instructions.

You are a part-year DC resident if, during the year, you moved out of DC with the intent to permanently leave or moved into DC with the intent to permanently stay.

A DC taxpayer domiciled in DC during the tax year, is a full-time DC resident unless he or she changes domicile during the tax year. In such case, he or she will be a part-year resident for the period not domiciled in DC.

A DC taxpayer present in DC for 183 days or more and not domiciled in

DC during the tax year is a part-time resident for the period present in DC. Number of months of DC residency. Divide the number of days lived in DC by 30 to determine the number of months of residency. Any remainder over 15 days counts as a full month.

Example: 196 days of residency in DC divided by 30 = 7 months (6 months plus one month due to the 16 day remainder).

"Domicile" is where a person has his or her permanent home. To change domicile, you have to abandon the previous domicile and establish a new one in another state with the intent to remain. If you resided in DC for only part of 2012, allocate your DC income and deductions attributable to the time of your DC residency. Also prorate your exemptions and credits.

If DC was your home or permanent residence for less than a year, fill in the oval on Line 2 of the D-40, complete the applicable months in the "from" and "to" boxes, and enter the number of months in DC. Complete Calculation C for standard deduction and Calculation D for DC itemized deductions showing the type and amount of income received:

- During the time you resided in DC;
- During the time you were a non-resident; and
- The total income reported on your federal return.

Before completing the D-40, calculate the following:

- Income received when you were a resident of DC, and when you resided outside of DC; and
- Deductible expenses paid when you resided in DC and when you

If you received a state income tax refund while not a resident of DC; do not include it in DC income.

If you claimed itemized deductions on your federal income tax return, include, for DC purposes, only those relating to the time you were a DC resident. Itemized deductions for part-year DC residents. If your DC AGI is \$200,000 or less and you were a part-year resident, complete Calculation D on page 18.

Reduce the DC itemized deduction amount by 5% of DC AGI in excess of \$200,000 (\$100,000 for a separate return filed by a married individual). The itemized deductions that are not subject to the 5% limitation are medical and dental expenses, expenses incurred in the production of investment interest and casualty or theft loss deduction.

If your DC deductions are limited and you were a part-year DC resident, complete Calculation D on page 18.

Instructions for Schedule H

Eligibility requirements for claiming the property tax credit

Renters and homeowners who have a total household gross income of \$20,000 or less may be eligible to claim the property tax credit. If you are filing a Form D-40 and claiming this credit, you must file Schedule H with it. If you are not required to file a Form D-40, you may file Schedule H by itself.

You must meet the following requirements to claim this credit:

- You were a DC resident from Jan. 1 through Dec. 31, 2012;
- You rented or owned and lived in your home in DC during all of 2012;
- Your total 2012 household gross income was \$20,000 or less;
- You did not rent from a landlord whose property was either exempt from real property taxes or who paid a percentage of rental income to DC instead of paying a real estate tax;
- If you are not claimed as a dependent on someone else's 2012 federal, state, or DC income tax return and under age 65;
- Your residence is not part of a public housing dwelling; and
- If you are not blind or disabled, you and your registered domestic partner or spouse (if married) provided at least 50% of the total household gross income.

Only one member of a household can claim the property tax credit. A property tax credit may not be claimed on behalf of a taxpayer who died before the end of the tax year.

When is Schedule H due?

If filing a Form D-40, Schedule H must be attached to it and filed by April 15, 2013. If you have an extension of time to file your D-40, you may also file Schedule H by the extended due date.

If you are filing Schedule H by itself, file it by April 15, 2013. There is no extension of time to file a Schedule H by itself. If mailing the Schedule H only, send it to:

Office of Tax and Revenue PO Box 96145 Washington DC 20090-6145

Personal information

Blind or disabled

If you identify yourself as blind or disabled, your physician must complete the medical certification on page 2 of Schedule H. If a physician's certification of blindness or disability has been submitted previously and the claimant's condition is unchanged, additional certifications are not needed.

Section A or Section B

If you rent your home, use Section A; if you own your home, use Section B.

Section A—Credit claim based on rent paid

Line 1 Total household gross income

You must report the income of every member of your household including income not subject to DC income tax. Use the worksheet on page 3 of Schedule H to determine total household gross income. If the total household gross income is more than \$20,000, do not claim the property tax credit, you are not eligible.

Household members are the people you live with whether or not they are related to you. For example, if you live in an apartment where you share the kitchen and bathroom with one or more people, they are household members. If you are a tenant in a house or apartment where other people live, but you have a separate kitchen and/or bath, you are the sole household member.

On the Schedule H worksheet, list the names and social security numbers of all household members whose income is included in total household gross income. Keep it with your tax records.

Line 2 Rent paid on the property in 2012

Enter the total rent you paid for the property during the year and multiply it by .15. If that amount exceeds the Line 1 amount, you cannot claim the property tax credit. **Note:** If a claimant rents more than one home in the District for the year, rent paid is the amount paid for the last home divided by the number of months paid times 12.

If you sublet part of your residence to another person, the amount to be claimed is the rent you paid minus the rent received from that person. In addition, the rent you received is taxable and must be reported on your D-40.

Line 3 Property tax credit

Using the amounts entered on Lines 1 and 2, find your property tax credit amount using the worksheet on page 33.

Line 4 Rent supplements received in 2012 by you or your landlord on your behalf

Enter any federal or state subsidies you received, or any received on your behalf, during the year. If none, leave the line blank.

Section B—Credit claim based on real property tax paid

Line 7 Total household gross income

Report the income of every member of your household including income not subject to DC income tax. Use the worksheet on page 3 of Schedule H to determine the total of this income. To help you complete the worksheet, refer to your 2012 federal return (Form 1040, 1040A or 1040EZ). If the total household gross income is more than \$20,000, do not claim the property tax credit.

Household members are all the people you live with whether or not they are related to you. For example, if you live in a house where you share the kitchen and bathroom with one or more people, they are household members.

If you rent out part of your house and share the kitchen and bath with the tenant, you must report the tenant's income as part of your total household gross income.

Line 8 DC real property tax paid by you in 2012

Enter the amount of DC real property tax you paid on the property (refer to your real property tax bills). In determining your property tax credit, you may include any deferred portion of your real property tax as part of the real property tax paid.

Line 9 Property tax credit

Using the amounts entered on Lines 7 and 8, find your property tax credit amount using the worksheet on page 35.

SCHEDULE I Additions to and Subtractions from Federal Adjusted Gross Income

Calculation A Instructions

Additions to federal adjusted gross income

Line 6 Other is for those items not subject to federal tax but subject to DC tax. Please list.

Calculation B Instructions

Subtractions from federal adjusted gross income

- Line 1 Taxable interest from US Treasury bonds and other obligations. This interest is included on your federal Forms 1040 or 1040A, Line 8a or 1040EZ, Line 2. It may be all or part of that amount, or it may be 0. Also see your federal Form 1099-INT, Line 3.
- Line 2 Disability income exclusion from DC Form D-2440. Enter the amount from Form D-2440, Line 10. Attach a completed D-2440. If disability payments were included in your federal gross income, you may be able to claim an exclusion for them on your DC return.
- **Line 5** Excess of DC allowable depreciation over federal allowable depreciation. If you claimed the federal bonus depreciation (30% or 50%) on your federal return, the DC basis for the depreciated property will be more than the federal basis. Use this line to subtract the excess depreciation from the federal AGI to show the proper DC depreciation allowable.
- **Line 6 Long-term care insurance premiums.** Long-term care insurance premiums paid in 2011 are entered on Line 6, Calculation B, Schedule I. The deduction may not exceed \$500 per year, per person.
- Line 7 DC College Savings Plan payments. Enter the amount contributed to a qualified DC "529" College Savings Plan. You may deduct up to \$4,000 annually for contributions you made to all qualified college savings accounts of which you are the owner. If you are married and file a joint or combined separate return, each spouse/domestic partner may deduct up to \$4,000 for contributions made to all accounts for which that spouse/domestic partner is the sole owner. A rollover distribution is not a contribution for purposes of this deduction. Contributions made to one or more accounts in excess of the allowable \$4,000 (\$8,000 for eligible joint filers) annual deduction may be carried forward as a deduction (subject to the annual limitation) for up to five years. If you were a part-year DC resident during the tax year, you may deduct only the amount contributed when you resided in DC.
- Line 8 Exclusions for DC residents. Income not to exceed \$10,000 is excludable in computing DC gross income for persons determined by the Social Security Administration to be totally and permanently disabled and who are receiving: Supplemental Security Income or Social Security Disability; or railroad retirement disability benefits; or federal or DC government disability benefits; and whose annual household adjusted gross income is less than \$100,000.

Household income includes income received by all household members in the year, even income excluded from federal adjusted gross income.

Adjusted gross income is that of all persons residing in a household, excluding the adjusted gross income of any person who is a tenant under a written lease for fair market value.

Lines 9 and 10 Expenditures by DC teachers. An individual who:

- 1) has been approved by the DC public schools; and
- 2) has been a classroom teacher in a DC public school or public charter school for this entire tax year or the entire prior tax year may deduct:
 - the amount the teacher paid during the year for basic and necessary classroom teaching materials and supplies up to \$500

- per person whether filing individually or jointly.
- the tuition and fees paid during the year for postgraduate education, professional development, or state licensing examination and testing for improving teaching credentials or maintaining professional certification up to \$1,500 per person whether filing individually or jointly.

Interaction between DC deductions and similar federal deductions. To prevent a "double deduction" situation – if a DC classroom teacher claims a deduction on his/her federal return for personal expenses, the federal tax deduction claimed reduces the amount that may be claimed for those same expenses on the DC return. For example: a DC classroom teacher who claims \$1,500 or more for tuition and fees on the federal return (Form 1040, Line 34) may not take any deduction for these same expenses on the DC return.

- **Line 11 Loan repayment awards.** "Loan repayment awards" of up to \$120,000 paid over four years by DC to healthcare professionals to reduce their medical education debt are not taxed by DC. (This program is administered by the DC Department of Health.)
- Line 12 Healthcare insurance premiums. Any healthcare insurance premium paid by an employer for an employee's domestic partner registered with the Vital Records Division of the DC Department of Health (see DC Code §32-701 (3) and 702) or same sex spouse is deductible, unless on your federal return the employee's registered domestic partner or same sex spouse is considered a dependent pursuant to IRC §152 and a deduction from income was taken for the premium on the employee's federal tax return.
- **Line 13 DC Poverty Lawyer Loan Assistance.** Attach a copy of your document cancelling the debt. Lawyers eligible for this award are those whose legal practice has been certified by the DC OAG as serving the public interest.
- **Line 14 Other** is for those items not subject to DC tax but subject to federal tax. Please list.

Line 15 Military Spouse Residency Relief Act

If you have determined that you are required to file a District of Columbia tax return and you are in one of the U.S. military services, one of the following may apply:

- (1) If a servicemember's legal residence for taxes is not in DC but the servicemember and spouse reside in DC due to military orders, the military compensation and the non-military spouse's compensation should be deducted on Schedule I, Line 15. If this applies to you, a copy of the Department of Defense form providing the servicemember's legal residence for taxes and a copy of the non-military spouse's legal residence for taxes driver's license should be kept with your tax records in case it is subsequently needed.
- (2) If a servicemember's legal residence for taxes is not in DC but the service member resides in DC due to military orders and subsequently marries a DC resident, the servicemember's military compensation should be deducted on Schedule I, Line 15. The non-military spouse's income is not exempt in this case since the non-military spouse is a DC resident and has not moved to DC to be with a transferred servicemember. If this applies to you, a copy of the Department of Defense form providing the servicemember's legal residence for taxes should be kept with your tax records in case it is subsequently needed.
- (3) If a servicemember's legal residence for taxes is in DC and the servicemember and spouse reside in DC in compliance with the servicemember's military orders, they will file Form D-40 and will report all their income in DC, as either married filing jointly or married filing separately.

2012 FR-127 P1 Extension of Time to File a DC Income Tax Return

Revised 03/12

Instructions for Form FR-127

Why file Form FR-127?

Use this form if you cannot file your DC individual income tax return by the April 15, 2013 due date. By filing this form, you can receive an extension of time to file until October 15, 2013.

You must use Form FR-127 to request an extension of time to file a DC individual income tax return.

A filing extension is <u>not an extension</u> of the due date <u>for paying</u> any tax you may owe. Before filing for an extension, estimate the taxes you will owe and pay any part of that amount, not covered by DC withheld tax amounts and/or estimated tax payments. Include your payment with the FR-127 voucher and file it by April 15, 2013.

If filing jointly, or filing separately on same the return, enter the social security number (SSN) and name shown first on your D-40/D-40EZ return, then enter the SSN and name shown second on your return.

Additional extension.

In addition to the 6-month extension, you may receive another 6-month extension if you are living or traveling outside the U.S. You must file for the first 6-month extension by the April 15, 2013 due date before applying for the additional extension of time to file.

When to file.

You must submit your request for an extension along with full payment of any tax due by April 15, 2013.

How to avoid penalties and interest.

You will be charged <u>interest</u> of 10% per year, compounded daily, for any tax not paid on time. Interest is calculated from the due date of the return to the date the tax is paid.

You will be charged a 5% per-month <u>penalty</u> for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount due, equal to 25% of the tax due.

Dishonored Checks.

Make sure your check will clear. You will be charged \$65 for any payment you send to OTR that is not honored by your financial institution.

Raising Kids is Complicated. Saving for College is not.

The DC College Savings Plan is a great way to save for a child's education, or even your own. And, it's a great way to save on taxes.

- The earnings potential on every penny you contribute is enhanced by federal and District¹ tax-free growth.
- Deduct up to \$4,000 annually in plan contributions from your federal adjusted gross income on your D.C. tax return (up to \$8,000 for married couples filing jointly if both own accounts).² (If you contributed in 2012, don't forget to claim your current deduction.)³
- Earnings won't be subject to federal or D.C. income tax when withdrawn for qualifying higher education expenses: tuition, room and board, and supplies.
- Amounts greater than \$4,000 contributed to accounts in any one tax year may be carried forward, subject to the annual limit, as a deduction in subsequent tax years, up to five years from the contribution date.
- A change of the designated beneficiary is not a taxable event if the new beneficiary is a member of the family of the former beneficiary.
- Once the account has been in existence for two years, the account owner may roll over any part of the account balance to another state sponsored college savings plan, with no tax consequences.⁴

^{1.} For D.C. taxpayers. ^{2.} Rollovers are not considered contributions for D.C. tax purposes. ^{3.} To be eligible for the 2012 tax-year deduction, contributions must have been postmarked by December 31, 2012. ^{4.} The tax deduction is subject to recapture if, within two years of establishing the account, the account is rolled over into another state's qualified tuition program.
