The warranty shall provide the following:

A Contractual right for the correction of defects, notwithstanding any other requirement of the Contract pertaining to acceptance of the supplies or service by the District; and
A stated period of time or use, or the occurrence of a specified event, after acceptance by the District within which the District may assert a Contractual right for the correction of defects.

Retain the defective item and reduce the Contract price by an amount equitable under the circumstances; or

Arrange for the repair or replacement of the defective item by the District, or by another source, at the Contractor’s expense.

SECTION E  INSPECTION AND ACCEPTANCE

E.2 CONSEQUENCES OF CONTRACTOR’S FAILURE TO PERFORM REQUIRED SERVICES

E.2.1 The Contractor shall be held to the full performance of the Contract. The DBH shall deduct from the Contractor’s invoice, or otherwise withhold payment for any non-conforming service as specified below.

E.2.2 A service task may be composed of several sub-items. A service task may be determined to be partially complete if the Contractor satisfactorily completes some, but not all, of the sub items.

E.2.3 The DBH shall give the Contractor written notice of deductions by providing copies of reports which summarize the deficiencies for which the determination was made to assess the deduction in payment.

E.2.4 In case of non-performed work, DBH shall:

E.2.4.1 Deduct from the Contractor’s invoice all amounts associated with such non-performed work at the rate set out in Section B, or provided by other provisions of the Contract.

E.2.4.2 DBH may, at its option, afford the Contractor an opportunity to perform the non-performed work with a reasonable period subject to the discretion of the Director, Contracts and Procurement Agency Chief Contracting Officer (Director/ACCO) and at no additional cost to the DBH.

E.2.4.3 DBH may, at its option, perform the Contracted services by the DBH personnel or other means.

E.2.5 In the case of unsatisfactory work, DBH:

E.2.5.1 Shall deduct from the Contractor’s invoice all amounts associated with such unsatisfactory work at the rates set out in Section B, or provided by other provisions of the Contract, unless the Contractor is afforded an opportunity to re-perform and satisfactorily completes the work.

E.2.5.2 May, at its option, afford the Contractor an opportunity to re-perform the unsatisfactory work within a reasonable period, subject to the discretion of the Director/ACCO and at no additional cost to the DBH.
E.3 **Termination for Convenience**

E.3.1 The DBH may terminate performance of work under this Contract for the convenience of the Government, in a whole or, from time to time, in part, if the Director/ACCO determines that a termination is in the Government’s best interest.

E.3.2 After receipt of a Notice of Termination and, except as directed by the Director/ACCO, the Contractor shall immediately proceed with the following obligations:

- E.3.2.1 Stop work as specified in the notice.
- E.3.2.2 Place no further subcontracts or orders except as necessary to complete the continued portion of the Contract.
- E.3.2.3 Terminate all applicable subcontracts and cancel or divert applicable commitments covering personal services that extend beyond the effective date of termination.
- E.3.2.4 Assign to DBH, as directed by the Director/ACCO, all rights, titles and interests of the Contractor under the subcontracts terminated; in which case DBH shall have the right to settle or pay any termination settlement proposal arising out of those terminations.
- E.3.2.5 With approval or ratification to the extent required by the Director, Contracts and Procurement Agency Chief Contracting Officer settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; approval or ratification shall be final for purposes of this clause.
- E.3.2.6 Transfer title, if not already transferred and, as directed by the Director, Contracts and Procurement Agency Chief Contracting Officer, deliver to DBH any information and items that, if the Contract had been completed, would have been required to be furnished, including (i) materials or equipment produced, in process, or acquired for the work terminated (ii) completed or partially completed plans, drawings and information.
- E.3.2.7 Complete performance of the work not terminated
- E.3.2.8 Take any action that may be necessary for the protection and preservation of property related to this Contract.

E.4 **Termination for Default**

E.4.1 DBH may, subject to the conditions listed below, by written notice of default to the Contractor, terminate the Contract in whole or in part if the Contractor fails to:

- E.4.1.1 Perform the services within the time specified in the Contract or any extension; or
- E.4.1.2 Make progress as to endanger performance of the Contract; or
- E.4.1.3 Perform any of the other material provisions of the Contract.
E.4.2 The DBH’s right to terminate the Contract may be exercised if the Contractor does not cure such failure within ten (10) days, or such longer period as authorized in writing by the Contracting Officer (CO) after receipt of the notice to cure from the CO, specifying the failure.

E.4.3 If DBH terminates the Contract in whole or in part, it may acquire, under the terms and in the manner the Director/ACCO considers appropriate, supplies and services similar to those terminated and the Contractor shall be liable to DBH for any excess costs for those supplies and services. However, the Contractor shall continue the work not terminated.

E.4.4 Except for default by subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such issues include (i) acts of God, (ii) fires or floods, (iii) strikes and (iv) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

E.4.5 If the failure to perform is caused by the fault of a subcontractor, at any tier and, if the cause of the default is beyond the control of both the Contractor and the subcontractor and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required schedule.

E.4.6 If the Contract is terminated for default, DBH may require the Contractor to transfer title and deliver to DBH as directed by the Director, Contracts and Procurement Agency Chief Contracting Officer, any completed and partially completed supplies and materials that the Contractor has specifically produced or acquired for the terminated portion of the Contract. Upon direction of the Director, Contracts and Procurement Agency Chief Contracting Officer, the Contractor shall also protect and preserve property in its possession in which DBH has an interest.

E.4.7 DBH shall pay the Contract price or a portion thereof, for fully or partially completed or delivered supplies and services that are accepted by DBH.

E.4.8 If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for convenience of DBH.

E.4.9 The rights and remedies of DBH in this clause are in addition to any other rights and remedies provided by law or under the Contract.

I.5.5 All data first produced in the performance of this Contract shall be the sole property of the District. I.5.6 The District shall have restricted rights in data, including computer software and all accompanying documentation, manuals and instructional materials, listed or described in a license or agreement made a part of this Contract, which the parties have agreed shall be furnished with restricted rights, provided however, notwithstanding any contrary provision in any such license or agreement, such restricted rights shall include, as a minimum the right to:
