WHAT **DCRA Small Business Resource Center (SBRC)
2nd Annual Food Industry Forum 2014**

GOAL The Department of Consumer and Regulatory Affairs' (DCRA) Small Business Resource Center (SBRC) will be hosting its second annual "Entrée Food & Drink Forum" on August 25, 2014 at the Walter E. Washington Convention Center. We are excited to announce that the Mayor Vincent C. Gray will provide remarks during the event.

This year's event will expand its focus to include breakout sessions which focus on catering, vending, delis, bakeries, and restaurants to offer support to a broader array of stakeholders. District government subject-matters experts will be on hand to provide overviews of the regulatory process in areas like business licensure, zoning, sidewalk cafes, and alcohol and beverage licensure—and to answer any questions attendees might have.

To host and organize the event, SBRC is collaborating with the Washington DC Economic Partnership, the District of Columbia Chamber of Commerce, U.S. Small Business Administration (SBA), non-profit organizations, private-sector companies, and District government agencies. The event will use the Money Smart Small Business Program, which the SBRC has worked with the Federal Deposit Insurance Corporation (FDIC) to promote. The overall goal for the event is to provide business education services to current and prospective entrepreneurs in food-related businesses.
