NOTE: Class 3 and 4 properties sold at the October 2021 sale are being excluded from the 2022 annual sale.

**DISTRICT OF COLUMBIA  
2022 REAL PROPERTY TAX SALE  
INFORMATIONAL GUIDE**

**7. What is the threshold?**

The tax sale threshold is generally \$2,500. Thus, no property with an improvement can be sold for less than \$2,500 in delinquent taxes (prior to inclusion of a tax sale fee). True vacant land has a threshold of \$200 in delinquent taxes (prior to inclusion of a tax sale fee).

\* Advertised properties may be removed based on updates, including, without limitation, payments made which may cause properties to owe less than the threshold amount. As a result, not all the properties listed may be auctioned.

4. Type in 4 digits for Square (*e.g.*: 0111), 1 or 2 letters for Suffix (*e.g.* W), and 4 digits for Lot (*e.g.* 0001).

**10. Can a property be inspected prior to the tax sale?**

It is recommended, but not required, that anyone interested in purchasing a property at the Tax Sale locate and identify it before bidding. However, the advertisement or sale of a property at Tax Sale does not grant a right of entry to a potential bidder or the tax sale purchaser. The entry onto a property for any purpose, whatsoever, by a potential bidder or the tax sale purchaser may be subject to the laws on trespass.

**11. Can a delinquent taxpayer participate in the Tax Sale?**

DC Official Code § 47-1346(a)(5) provides that:

- A potential purchaser, including a natural person or business entity, who is delinquent in payment of *in rem* taxes to the District or who has been convicted of a felony involving fraud, deceit, moral turpitude, or anti-competitive behavior, may not bid on or otherwise acquire an interest in real property offered at the Tax Sale.
- A “potential purchaser” includes a person owning a 10% or more equity interest in, or an officer of, an entity that owns a 10% or more equity interest in real property on which taxes are delinquent.
- A potential purchaser must certify under oath, subject to penalties of perjury, that the potential purchaser is not more than one year in arrears in any other jurisdiction in payment of *in rem* taxes not being contested in good faith and may not have been convicted of a felony involving fraud, deceit, moral turpitude, or anti-competitive behavior.
- If it is determined that a bidder violated any of the foregoing, the certificate of sale issued to such purchaser is voidable. If such certificate of sale is voided, *all monies paid will be forfeited*.

**12. Who is prohibited from participating in the Tax Sale?**

- In addition to delinquent taxpayers as described in Paragraph 11, above, District of Columbia government employees and contractors, or the family members or business associates of District government employees and contractors, under the following classifications or employed in the following offices or positions, are not permitted to register for or bid on properties at any tax sale:
- Executive Service employees as described in D.C. Official Code § 1.610.51(2016 Repl.);
- Office of the City Administrator.
- Office of the Deputy Mayor for Planning and Economic Development, and

**INFORMATIONAL GUIDE**

the following subordinate organizations thereunder: Department of Consumer and Regulatory Affairs, Department of Housing and Community Development, and the Office of Planning;

- Office of the Chief Financial Officer; and
- Mayor, Councilmember, Advisory Neighborhood Commissioner, or a staff member thereof.

The phrase “family member” means:

- a. A person to whom the employee is related by blood, legal custody, or marriage;
- b. A child who lives with the employee and for whom the employee permanently assumes and discharges parental responsibility;
- c. A person with whom the employee shares or has shared, within the last year, a mutual residence and with whom the employee maintains a committed relationship;
- d. A foster child;
- e. A domestic partner; or
- f. A dependent child of a domestic partner, which includes an unmarried person under 22 years of age, an unmarried person under 25 years of age who is a full-time student, or an unmarried person regardless of age who is incapable of self-support because of a mental or physical disability that existed before age 22. A dependent child of a domestic partner includes a natural child, adopted child, stepchild, foster child, or child in the legal custody of a domestic partner.

The phrase “business associate” means:

- a. An organization in which the employee, elected official, or contractor serves as an officer, director, trustee, or employee; or
- b. Any person or organization with whom the employee, elected official, or contractor is negotiating employment or has any arrangement concerning prospective employment.

### **13. What is the minimum deposit required to bid?**

- The required minimum deposit in order to bid is 20% of the total purchase price.

*For example:* if your budget (purchase price total) is \$20,000, a minimum deposit of \$4,000.00 is required.

- This deposit should be paid immediately after receiving the registration confirmation notice with the payment voucher.
- The potential purchaser/bidder can pay the deposit at the following location and times:

- **Location:**

Cashier's Office of the DC Treasurer  
1101 4<sup>th</sup> Street, SW  
1st Floor, Suite W1665

**DISTRICT OF COLUMBIA

INFORMATIONAL GUIDE**

Washington, DC 20024

- **Time:**  
8:15 a.m. to 4:15 p.m.  
Monday through Friday or, until all properties advertised for that day are sold.

**Payment Method:**

Payments can be made by cash, certified check, money order, cashier's check, bank check (personal or business checks will not be accepted), or *electronic wire*.

For electronic wiring instructions, please contact [Pretena.Brydson-Ingram@dc.gov](mailto:Pretena.Brydson-Ingram@dc.gov).

**Payment must be made payable to the "DC Treasurer"**

**14. What happens if the Tax Sale bidder wins a property, and the bidder has a deposit of less than 20% of the winning bid?**

- The sale is not complete if the bidder's deposit (or remaining amount on deposit) is less than 20% of the successful bid.
- If the required deposit is not remitted prior to bidding, the property will be re-auctioned immediately or as soon as possible.
- Bidders may increase deposits at any time during the Tax Sale by making payments at the Cashier's Office of the DC Treasurer on the 1st Floor, Suite W1665, of 1101 4<sup>th</sup> Street, SW, Washington, DC using the voucher provided on the original registration form.

*NOTE: We encourage printing additional vouchers*

- The Office of Tax and Revenue will not delay bidding to allow a bidder to increase a deposit.
- In cases where the Tax Sale bidder bids on multiple properties, the deposit on record will be applied to the winning bid amounts in the order that the bids were placed. If a Tax Sale buyer bids on a property for which he or she has an insufficient deposit, that property for which there is insufficient deposit will be re-auctioned.

**For example:** Purchaser C places the winning bid on three properties and has a deposit of \$2,000. Therefore, Purchaser C's total bid amount may not exceed \$10,000. The winning bid for Property 1 was \$5,000; the winning bid for Property 2 was \$8,000 and the winning bid for Property 3 was \$4,500.

There is a sufficient amount on deposit to cover the first bid on Property 1, and that bid will become final. However, there is not enough money on deposit to cover the first and second bids once they are combined. Since the total amount of the first two bids (\$5,000 + \$8,000 = \$13,000) exceeds the \$10,000 bid limit

**DISTRICT OF COLUMBIA  
2022 REAL PROPERTY TAX SALE  
INFORMATIONAL GUIDE**

based on the \$2,000 deposit, the second bid will be cancelled, and Property 2 will be re-auctioned. Since the amount of the third bid would not cause the total amount of the bids to exceed the \$10,000 bid limit, the third bid also would become final. The sales for Property 1 and Property 3 would become final.

**15. What will a bidder receive after paying the deposit?**

- A bidder number will be assigned to each Tax Sale bidder at the time of registration completion.
- A copy of the Tax Sale Registration Notice must be presented to receive a “number card.” Each potential purchaser will receive a “number card” that will be used during the bidding process. The potential purchaser must turn in the number card to the Tax Sale Registration Desk at the end of each session.

**16. What is the bidding process at the Tax Sale?**

- The opening bid for each property will be the amount of delinquent taxes for which the property may be sold, including penalties and interest, plus a \$200 tax sale fee. The bids will be raised by increments of \$25, \$100, \$500, \$1,000, \$10,000, etc., until the property is sold to the highest bidder. All sales are final.

Properties will be sold in the order they are listed in the newspapers and will be announced by square, suffix and lot numbers. Advertised properties may be subject to change based on, without limitation, updates and payments. As a result, not all the properties listed may be auctioned. It is very important to be aware of the property being auctioned and to follow along with the auctioneer. *Note: Pictures and videotaping are prohibited during the bidding process.*

**17. When is a bid entered?**

- A bid is entered when a potential purchaser/bidder raises the “number card” high enough so the auctioneer can see it.
- The auctioneer will state the number of the successful bidder before the auction proceeds to the next listed property. Failure to immediately contest the winning bid may result in a bidder becoming the successful buyer of a property, even if it was not the bidder's intention to enter the final bid. The auction will be recorded to ensure the accuracy of the bidding process.

**18. Will the District delay the bidding process to allow a bidder to increase a deposit?**

No. Bidding *will not* be delayed to allow a bidder to increase a deposit.

**19. When is the payment due for the property purchased at the Tax Sale?**

By law, payment in full, also referred to as the final payment, is due from a successful

2022 REAL PROPERTY TAX SALE  
INFORMATIONAL GUIDE**

**24. Where can a buyer obtain a duplicate invoice for the payment due?**

- Via [www.mytax.dc.gov](http://www.mytax.dc.gov) purchaser account
  - More tab
  - 1. Messages & Letters
  - 2. View Letters

**25. What happens to the property sold if the District does not receive the final payment due on the property within five (5) business days after the last day of the Tax Sale?**

- If final payment is not received by the prescribed date, 20% of the deposit will be forfeited to the District and the sale of the property will be voided.
- If the Tax Sale buyer has purchased multiple properties and can only make a partial payment, the Office of Tax and Revenue will only select as sold to the Tax Sale buyer as many properties as sold in consecutive order whose combined purchase price does not exceed the partial payment and 80% of the deposit.
- The remaining, subsequently sold properties to which the partial payment and 80% of the deposit were not applied will be “bid back” to the District.

**26. What will the District issue to the Tax Sale purchaser once the payment of the purchase price has been processed?**

Approximately 4 to 6 weeks after the Tax Sale, the Office of Tax and Revenue, Real Property Tax Administration, will issue a Certificate of Sale for each property sold at the Tax Sale and for which the purchase price has been paid and reconciled.

**27. Does the buyer own the property purchased at the Tax Sale once a Certificate of Sale has been issued for the property?**

- No. The Certificate of Sale does not grant to the Tax Sale purchaser legal title to the property, or any right to enter the property. The Certificate of Sale entitles the Tax Sale Purchaser to institute legal proceedings to foreclose the right of redemption beginning six (6) months after the last day of the sale if the taxes remain unpaid.
- *Note that the property owner has the right to redeem the property at any time prior to the issuance of a final order in the foreclosure case.*
- The tax sale purchaser may appeal the valuation of Class 3 or Class 4 Properties that were sold at any discount sale.

**DISTRICT OF COLUMBIA  
2022 REAL PROPERTY TAX SALE  
INFORMATIONAL GUIDE**

**28. What is the process for issuing a refund to the non-winning bidders or surplus deposit for winning bidders?**

Approximately 4 to 6 weeks after the Tax Sale, the Office of Tax and Revenue will refund to winning bidders the deposit paid and to winning bidders any surplus deposit paid in excess of his or her winning bid(s).

**29. Where and when does the buyer post the Post-Tax Sale Notice?**

- The buyer must post a copy of the post-tax sale notice (Sold Notice) on a place on the premises where it can be conveniently read. The notice must be posted no sooner than 4 months after the date of the tax sale and at least 45 days before the filing of a complaint for Foreclosure pursuant to D.C. Code § 47-1370.
- A copy of the Sold Notice can be obtained on the property account via [www.mytax.dc.gov](http://www.mytax.dc.gov)

**30. Notifying OTR when a Complaint is filed in Superior Court**

- The tax sale purchaser is required to notify OTR and the Real Property Tax Ombudsman of filing of the Complaint to Foreclose the Right of Redemption within thirty (30) days the filing.
- Such notification must be submitted to OTR electronically via the tax sale purchaser's account at [www.mytax.dc.gov](http://www.mytax.dc.gov), as a Notification of Foreclose Filing. The electronic mail sent to the Real Property Tax Ombudsman via [Realproperty.dc@dc.gov](mailto:Realproperty.dc@dc.gov) must contain as attachments copies of the complaint and certificate of sale.

**31. What is the process for issuing a refund once a Certificate of Sale has been issued?**

- OTR will issue a refund once the taxes on the real property tax bill (including amounts certified pursuant to D.C. Code § 47-1340), BID taxes and vault rents have been paid to current. The real property's account shall be deemed to have been brought to current if the amounts payable to OTR, including tax, interest, penalties, and expenses falls below \$100. The remaining balance shall remain due and owing and any remaining expenses shall thereafter be deemed a real property tax.
- In addition to the items required pursuant to Paragraph 39, the Tax Sale purchaser should provide a copy of the Certificate of Sale to the Office of Tax and Revenue to initiate the refund process.
- Processing of Tax Sale refunds takes approximately 4 to 6 weeks, if all supporting documentation required by OTR to process a Tax Sale refund is timely and completely provided by the Tax Sale purchaser (see Paragraph 39).

**32. What is the rate of interest that a buyer will receive on property?**

**DISTRICT OF COLUMBIA  
2022 REAL PROPERTY TAX SALE  
INFORMATIONAL GUIDE**

**redeemed by the owner?**

- Interest is paid at a rate of 1.5% per month or portion thereof on the sale amount, exclusive of surplus, beginning on the first day of the month immediately following the date of the tax sale until the date the real property taxes, BID taxes and vault rents have been paid to current, to less than \$100, or to the date of cancellation.
- Interest is not paid on the surplus amount, which is defined as the amount that is bid over and above the opening bid (amount of the delinquent taxes, penalty, interest and costs).

**33. Why does the District cancel a sale and what happens when a sale is cancelled?**

- A Tax Sale may be cancelled to prevent an injustice to the owner or person with an interest in the real property.
- If the sale is cancelled by the District, the amount of interest to be refunded will be at the rate of *1.5% per month* or portion thereof on the sale amount, exclusive of surplus beginning on the first day of the month immediately following the date of the tax sale until the date of the cancellation of the tax sale.
- The Office of Tax and Revenue may terminate a tax sale if, *inter alia*, the property was sold with incorrect ownership or the owner is in bankruptcy under protection of a stay. If a tax sale buyer discovers incorrect ownership or a bankruptcy filing when he or she obtains the title report, the tax sale buyer should not file a lawsuit. The tax sale buyer should contact the Office of Tax and Revenue to begin the termination process. The Office of Tax and Revenue generally will not reimburse the tax sale buyer for any expenses in excess of the \$300.00 title search expense, \$31.50 certificate of sale recording expense and \$50 posting expense if the property was sold with incorrect ownership or the owner is in bankruptcy under protection of a stay.
- Other examples of circumstances in which the District may cancel a sale may include, without limitation:
  - i. where the record owner pays the amount set forth in the Notice of Delinquency to Avoid the Tax Sale as required under § 47-1341(a) or otherwise pays the outstanding taxes before the Tax Sale;
  - ii. payment was applied to an incorrect tax year;
  - iii. payment was applied to incorrect property account;
