OFFICE OF TAX AND REVENUE

The Office of Tax and Revenue (OTR) strives to assess property at 100% of estimated market value. Generally, estimated market value means the most probable price that a buyer would pay a willing seller on the open market. As the property owner, you are given the opportunity to dispute the assessment of your real property through a formal appeal process. The process involves three levels of appeal, beginning with the First Level Administrative Review. Subsequent steps include appealing before the Real Property Tax Appeals Commission and DC Superior Court. You must, however, start at the First Level with OTR before proceeding to the next levels of appeal. In order to appeal the assessment of your property at First level, please complete the First Level Administrative Review Application.

An owner may petition for an administrative review of the proposed assessment on or before April 1st. We conduct both telephone and in-person interviews as well as written petitions. Telephone and in-person interviews are conducted by appointment only. If you fail to appear and have not notified us twenty-four (24) hours in advance of the appointed time, your review will be converted to a written review and only the information furnished with your original petition will be considered in the review.
