Organ and Bone Marrow Donor Credit

An employer who provides an employee with paid leave to donate an organ (up to 30 days leave) or to donate bone marrow (up to 7 days leave) is eligible to claim a credit against the franchise tax. The credit is equal to 25% of the salary paid to the employee during the leave period. If you take the credit, you may not also deduct the salary paid to the donor employee for that period. This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.
