Which other DC form may sales and use taxpayers need to file?

Combined Registration Application for Business DC Taxes/Fees/Assessments (FR-500)

Before making taxable sales in the District of Columbia (the "District"), you must file a Combined Registration Application for Business DC Taxes/Fees/Assessments (Form FR-500) with OTR. There is no charge for registering. You may obtain the FR-500 from our website:

www.taxpayerservicecenter.com or you may call 202-442-6546. The form is also available at the OTR Customer Service Center, 1101 4th Street, SW, 2nd Floor, Washington, DC 20024. You may also complete the registration on-line.

List on the FR-500 all locations in the District from which you will be making taxable sales. The OTR will issue a Certificate of Registration for each location listed. Each location must display its own Certificate of Registration.

If you make taxable sales without a Certificate of Registration, you may be fined up to \$50 for each day you do business in the District without a certificate.

Claim for Refund (FP-331)

To claim a refund for a previous period, you must file a claim using Form FP-331, Claim for Refund. DC Form OTR-368, Certificate of Resale must accompany the FP-331. If you need more information, please call (202) 442-6546 or visit www.taxpayerservicecenter.com.

When are your taxes due?

You must file your return and pay any tax due on or before the 20th day of October.

If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day. You must file a return, even if you did not make any sales or no sales and use tax is due. Otherwise, you will receive a delinquency notice.

If you are not filing a 2013 (October 2012 through September 2013) sales and use annual tax return, do not use this booklet. Request a booklet for the specific year you are filing by calling our Forms Center (202) 442-6546 or visit our Customer Service Administration (CSA) at 1101 4th Street, SW, Washington, D.C. 20024. You may also visit our website www.taxpayerservicecenter.com.

How to file your return

This booklet has all the forms and instructions you will need. It is mailed to each registered taxpayer except those who file electronically or use a substitute form. It also contains a mailing label. You are responsible for filing and paying taxes on time whether or not you receive the printed forms.

Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the OTR. The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if their form is a DC OTR approved form.

By mail

If mailing a return with a payment, make the check or money order payable to the DC Treasurer. Write your Federal Employer Identification Number (FEIN) or Social Security Number (SSN), FR-800A, and the tax year on the payment.

If mailing a return with or without a payment, send your return and/or payment to:

Office of Tax and Revenue
PO Box 96384
Washington, DC 20090-6384

Electronic payment options

If your liability is greater than \$5,000 per period, **you shall pay electronically.**

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at www.taxpayerservicecenter.com for instructions for electronic payments. eTSC does not allow the use of foreign bank accounts.

Payment options are as follows:

- **ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be eTSC registered to use this payment type, and does not need access to the website.

Note: When making ACH credit payments through your bank, please use the correct tax type code (00350) and tax period ending date (YYMMDD).

- **Credit/Debit Card.** The taxpayer may pay the amount owed using Visa, MasterCard, Discover or American Express. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Note: Dishonored payments. Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. If you request a refund to be direct deposited into an account outside of the United States, you will receive a paper check.

Your payment cannot be drawn on a foreign account. You must pay by money order or credit card instead.

Penalties and interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts are first applied to the collection fee, then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Official Code §47-4212).

Criminal penalties

You will be penalized under the criminal provisions of the DC Official Code, Title 47 and any other applicable penalties, if you are required to file a return or report, or perform any act and you –

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;
- Willfully fail to file the return or report timely. If convicted, you will be fined not more than \$5,000 or imprisoned for not more than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax or willfully make fraudulent or false statements.

Corporate officers may be held personally liable for the payment of taxes owed to DC.

Enforcement actions

OTR may use lien, levy, seizure, collection agencies and liability offset if a taxpayer fails to pay the District within 20 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com. Click “Information”, “Collection Division”, “Enforcement Actions”.

Taxpayer Identification Number(s) (TIN)

You must have a TIN, whether it is a Social Security Number (SSN) or a Federal Employer Identification Number (FEIN).

Complete the identification section and then complete all applicable sales and use Lines 1 through 15 on the FR-800A, otherwise processing your return will be delayed.

Calculation of the use tax

Multiply the purchase price of the taxable tangible personal property or taxable service by the applicable use tax rate.

Purchases subject to the use tax

For purchases subject to sales tax on which a sales tax has not been paid to the District or another jurisdiction in the US or to a US territory, see the applicable 6% rates below.

Rules for reporting use tax

You must report the cost of all personal property and taxable services used or consumed by you in DC on which sales tax has not been paid to any state. This includes the costs of items purchased under a DC Certificate of Resale (OTR-368) and withdrawn from stock for personal use or for use in the conduct of your business.

Exempt and/or nontaxable use tax

The use tax exemption is the same as the sales tax exemption. Also exempt are purchases on which a sales tax has been paid to the District, or another tax jurisdiction in the US or a US territory.

Calculation of sales tax

Sales tax is calculated by multiplying the sales price of a taxable item by the applicable rate.

You can obtain the tax tables of the different District sales tax rates from the OTR Customer Service Center, 2nd Floor, 1101 4th Street, SW, Washington, DC 20024 or by calling 202-442-6546.

The tax is based on the sales price. Sales price is the total amount paid by a purchaser to a vendor for a taxable item without deducting the cost of the item sold. Sales price does not include: (1) cash discounts allowed and taken on sales; (2) separately stated installation charges; and (3) sales tax collected by the vendor from the purchaser.

Rules for reporting sales taxes

You must calculate tax on the actual selling price. Report cash, credit and charged sales, including conditional sales, for each period each sale took place, even if you have not collected part of the sales price.

Do not deduct:

- Refunds you issued for previously reported sales. See Claim for Refund of Sales and Use Tax (FP-331) for detailed instructions on how to claim overpayments.
- Amounts for any sale of property that was later repossessed.

You may deduct bad debts. Subsequent collections of deducted bad debts must be reported in full in the period you collected them. Expenses incurred in collecting bad debts are not deductible on your sales tax form. They may be deductible on your business franchise tax forms D-20 or D-30. (See Title 9 of the DC Municipal Regulations available for purchase from: Office of Documents and Administrative Issuances, 441 4th Street, NW #520S, Washington, DC 20001-2714.)

Line 10: 2% of 911 sales receipts less 3% discount: Enacted legislation authorizes sellers to collect from consumers a charge of a 2% fee of the sales price of prepaid wireless telecommunication services. This charge will be in addition to the 10% sales tax already being charged on telecommunication retail transactions and must be separately stated on the invoice, receipt or other similar document given to the customer.

The additional 2% charge was applicable as of October 1, 2010. Under the new law, the 2% charge will be for the sale of prepaid wireless services that allow a caller to dial 911. This is the equivalent of the 911 fee charge to non prepaid cell phone users by the wireless service pro-

viders. The charge applies to wireless telecommunication services whether they are provided on a card, via remote sales such as internet or telephone purchase, or by other means, such as an authorization code on a receipt.

Exemptions from the 2% tax rate

The charge will not apply to:

- The purchase of wireless telecommunication services which are made for purposes of being resold; and
- An amount of service of 10 minutes or less, or valued at \$5 or less when the service is sold with a prepaid wireless device for a single, non-itemized price.

Procedures for remitting collected funds for the 2% tax rate

The additional 2% charge applied as of October 1, 2010. The pre-paid wireless 911 charge is the liability of the consumer, but the seller is liable for remitting the pre-paid wireless 911 charges collected to the OTR. The seller is entitled to retain 3% of the total pre-paid wireless 911 charges collected. The Form 800 series, sales and use tax return, is the vehicle for submitting the collected fees.

Use the worksheet below to determine the amount to be entered on Line 10C. Multiply the 911 prepaid wireless telecommunications sales receipts by 2% for the period being reported. Multiply the result by 3% and then subtract the 3% discount to get the net charges to be submitted to the OTR.

Prepaid Wireless Telecommunications Worksheet

- a Enter the amount of sales on 911 prepaid wireless telecommunication services for the period being reported.
- b Multiply the amount by .02 X .02
- c Enter the result here
- d Multiply the amount on Line c by .03 X .03
- e Enter the result here. This is the 3% discount you retain.
- f Net Charges
Subtract Line e from Line c.
Enter this amount on Line 10C of the form.

Line 11: Disposable bag fee: Effective January 1, 2010, the *Anacostia River Cleanup and Protection Act of 2009* (also known as the District's Bag Law) requires all District businesses that sell food or alcohol to charge a \$.05 fee for every disposable paper or plastic carryout bag provided to customers.

Business retain \$0.01 (or \$0.02 if the business offers a rebate when customers bring their own bag), and the remaining \$0.03 or \$0.04 goes to the Anacostia River Clean Up and Protection Fund administered by the District Department of the Environment (DDOE).

The Act requires all businesses that collect the bag fee to report their net bag fee collections on the DC Sales and Use Tax Returns – FR-800 series forms – to the Office of Tax and Revenue (OTR) by completing the “Disposable Carryout Bag Fee (Net of discount)” line item on the form.

To calculate your business’ net bag fee, tally the number of bags sold by reviewing your customer receipts or your electronic sales management system. For instance, if your business sell 1,000 bags, your business should remit \$40 (1000 bags x \$0.04 = \$40) or \$30 if your business offers a \$0.05 credit to customers who bring their own bags (1000 bags x \$0.03 = \$30). Please note that the amounts retained by a business are not considered revenue and are tax exempt.

DDOE is auditing businesses for bag fee compliance and assessing penalties where appropriate. If you are unclear about how remit fees, please contact DDOE at 202-645-6988. For more information on the District’s Bag Law, please visit: green.dc.gov/bags.

NEW U.S. DEPARTMENT OF STATE DIPLOMATIC TAX EXEMPTION CARDS

A New Design/Multiple Security Features/Faster Validation

In June 2011, the U.S. Department of State will begin issuing a newly designed *Diplomatic Tax Exemption Card* to eligible foreign diplomatic and consular missions, and in most cases to their personnel and eligible family members. Such missions and their members use these cards to obtain exemption from sales, occupancy, restaurant, and other similar taxes imposed on either their official or personal purchases in the United States or its territories.

The newly designed cards incorporate state-of-the-art security features as well as other elements intended to assist with the validation of the cardholder's entitlement to tax exemption privileges. The validity of a *Diplomatic Tax Exemption Card* can be verified on-line at <https://ofmapps.state.gov/tecvt/> or by contacting OFM by telephone at (202) 895-3500, x2. Please visit www.state.gov/ofm/tax/ for additional information.
