GOVERNMENT OF THE DISTRICT OF COLUMBIA
OFFICE OF THE CHIEF FINANCIAL OFFICER
OFFICE OF TAX AND REVENUE

Dear Taxpayer:

The Office of Tax and Revenue (OTR) is committed to making it easier for you to file your District tax return, receive your refund or pay any amount owed, get help, and find information you need.

OTR encourages you to file your tax returns electronically. You will save time and get your refund faster. By visiting www.taxpayerservicecenter.com, you will find the tools to file electronically.

Two other programs that may help you are:

- 1) **DCfreefile:** A unique free service that allows you to choose from a number of free tax preparation software that works best for your tax situation.
- 2) **DCfreefile fillable form:** This free online version of form D-40/D-40EZ and schedules allows you to fill in your tax information, sign electronically and e-file your return.

New this year, for 2013 individual income tax refunds is a prepaid Visa card as an alternative to paper checks and direct deposit. The prepaid cards will be available at no cost to you, and no bank account or credit check is required to enroll. You can use the card to pay bills conveniently and securely, make purchases, and make in-person cash withdrawals at most banks.

In addition, the Council of the District of Columbia has enacted legislation repealing the taxation of income from state and municipal bonds for individuals, estates and trusts. Under prior law, the tax was to apply to income from out-of-state bonds acquired on or after January 1, 2013. As a result of the new legislation, interest earned by individuals, estates and trusts from out-of-state bonds remains exempt.

Taxpayers requesting assistance may visit OTR's walk-in center at 1101 4th Street, SW, Suite W270, from 8:15 am to 5:30 pm Monday through Friday, or call (202) 727-4TAX (4829).

New for 2013 Income Tax Returns:

The District of Columbia Tax Refund Visa® Prepaid Card

The DC Office of Tax and Revenue (OTR) is implementing a significant addition to the way individual income tax refunds are issued, and we want to make sure you have the information you need to choose the best way to receive your 2013 refund.

There will be three options on 2013 returns for receiving individual income tax refunds – direct deposit, a new tax refund card, or paper check. All individual income tax returns will require that an option be selected. **If you do not select an option, you will receive a tax refund card.** However, refunds under \$25 or greater than \$2,500 do not qualify for the tax refund card and will be issued by check. The following information will help you understand the new refund card.

The DC OTR issues over 50% of income tax refunds via paper checks each year. The switch to the tax refund cards will save the District money by reducing check printing and mailing costs. The Office of Finance and Treasury has partnered with Citi® Prepaid Services to administer the tax refund card program at no cost to the taxpayer.

What are the benefits of each option for District of Columbia taxpayers? Direct deposit is still the fastest and recommended method for receiving a refund, provided accurate bank account information is entered on the return. So be sure to check your bank information carefully before filing your return. In addition to entering your bank information, you must also select the direct deposit option. For individuals who prefer not to use direct deposit, the tax refund card offers a more secure and convenient alternative to paper checks that also eliminates check-cashing fees.

How can I be sure the DC Tax Refund Visa Prepaid is secure? The DC Tax Refund Visa Prepaid Card is covered by Visa's Zero Liability protection; cardholders are not responsible for fraudulent or unauthorized transactions (terms and conditions apply). The card itself can be activated only by using the recipient's identifying information, including social security number. For additional security, many transactions require a personal identification number (PIN) chosen by the recipient.

How and where can the tax refund card be used? The card can be used to withdraw cash at any Visa member bank, or it can be used at retail stores and ATMs or to make transactions online wherever Visa debit cards are accepted. The DC Tax Refund Visa Prepaid Card is valid only until the refund amount has been exhausted. The card cannot be reloaded.

Are there fees associated with using the tax refund card? Many transactions are free, including retail purchases, in-network ATM withdrawals, "cash back" at participating merchants and one-time withdrawal of funds at a Visa member bank, but there may be fees for some transactions. A complete fee schedule is available on our website, www.taxpayerservicecenter.com.

How will tax refund cards work for a joint refund? In the case of a joint return, a single tax refund card will be issued in the name of both spouses/domestic partners. The refund itself cannot be divided into separate cards between the spouses/domestic partners.

Where can I get more information about the DC Tax Refund Visa Prepaid Card? On the OTR website, www.taxpayerservicecenter.com.

Cards are issued by Citibank, N.A. pursuant to a license from Visa U.S.A. Inc. and managed by Citi Prepaid Services. This card can be used everywhere Visa debit cards are accepted.

The DCfreefile fillable forms e-File program provides an online version of the D-40/D-40EZ and related schedules. The DCfreefile fillable forms program allows you to complete your return online by entering your DC state tax information as if you were filling out a paper return. Once the form is completed, you can e-File your return at no charge or print it for mailing. The DCfreefile fillable forms option is available only to DC residents, but there are no income or age restrictions. The DCfreefile fillable forms program also performs basic calculations. If you usually file on paper forms, the DCfreefile fillable forms e-File Program may be a good choice for you.

DCfreefile is a free federal and state income tax preparation and electronic filing program for eligible taxpayers, developed through a partnership between groups of private sector tax software companies. Eligible taxpayers may prepare and e-File both your 2013 federal and DC income tax returns using one of our DCfreefile vendors. Each participating vendor sets its own eligibility requirements and not all taxpayers will qualify for all companies.

For more information on either option, please visit our website, www.taxpayerservicecenter.com.

General Instructions for D-40EZ/D-40

Who must file a DC Income tax return?

You must file a 2013 DC Individual Income tax return if –

- You were a District of Columbia (DC) resident in 2013 and were required to file a federal income tax return. (A resident is an individual whose permanent legal residence is within the District during the taxable year); or
- You maintained a place of residence in DC for a total of 183 days or more during 2013 even if your permanent residence was outside DC; or
- You were a member of the United States (US) armed forces and DC was your legal residence for tax purposes for all or part of 2013.

Note that even if you are the spouse/registered partner of someone not required to file, such as a non-resident Congressional appointee, and you meet any of the above requirements, you yourself must file.

You do not need to file a 2013 DC Individual Income tax return if:

- You were not required to file a 2013 federal income tax return.
- You were not considered a resident of DC during 2013.
- You were an elected member of the US government who was not domiciled in DC.
- You were an employee on the personal staff of an elected member of the US Congress and you and the elected member were bona fide residents of the same state.
- You were a member of the US Executive Branch appointed by the President, subject to US Senate confirmation, whose tenure of office is at the pleasure of the President and you were not domiciled in DC during any part of 2013.
- You were a justice of the US Supreme Court and were not domiciled in DC during any part of 2013.

Refund of DC taxes

If you believe you are entitled to a refund and you are not required to file a DC income tax return and:

- You are a DC resident, file a Form D-40, Individual Income Tax Return or D-40EZ, Income Tax Return for Single and Joint Filers with No Dependents; or
- You are not a DC resident, file a Form D-40B, Non-Resident Request for Refund.

Which form should you file?

D-40EZ Income Tax Return for Single and Joint Filers with No Dependents

You may use this simpler form if you meet all of the following:

- Your filing status is single or filing jointly with a spouse or a registered domestic partner. (Domestic partners are registered with the Vital Records Division of the DC Department of Health);
- You were a DC resident from January 1 through December 31, 2013;
- Your taxable income is \$100,000 or less and consists only of wages, salaries and tips; taxable scholarships or fellowship grants; unemployment compensation; and/or interest and dividends (\$1500 maximum);
- You did not make estimated income tax payments;
- You do not claim dependents;
- You do not claim an exemption for being age 65 or older or legally blind;
- You have no federal adjustments to income;
- You do not itemize deductions;
- You do not file DC Schedules S, H, U, I or N;

- You do not claim a deduction for a payment to the DC college savings plan; and
- You do not claim a long-term care insurance premium deduction.

D-40 Individual Tax Return

Use this form if you cannot use the D-40EZ.

D-41 Fiduciary Income Tax Return

Use the D-41 if you are the fiduciary of a DC estate or trust and:

- The gross income for the estate is \$1,675 or more for the year; or
- The gross income for the trust is \$100 or more for the year.

When are your taxes due?

April 15, 2014, is the due date for filing your return and paying any taxes due. If the due date falls on a Saturday, Sunday, or legal holiday, the return is timely if filed on the next business day.

FR-127 Extension of Time to File Income Tax Return

An extension of time to file of six months may be granted if a valid extension of time to file is requested. In order to be valid, a FR-127 Extension of Time to File form is due by April 15, 2014. If the due date falls on a Saturday, Sunday, or legal holiday, the return is timely if filed on the next business day. The submission of the extension of time to file is subject to the following considerations:

1. If you expect to have a balance due when you file your D-40, you must pay with your timely filed extension.
2. If you do not expect to have a balance due when you file your D-40, you would not be required to file a Form FR-127, if you have:
 - a. Reasonably estimated your D-40 tax liability and paid the estimated amount of DC income taxes through withholding or estimated tax payment; and
 - b. Filed a request to extend the time to file your federal individual income tax return with the IRS. The timely filed federal extension to file form will satisfy the requirement for filing a Form FR-127 with DC.
3. If you do not expect to have a balance due and you have not filed an extension of time to file for your federal individual income tax return and wish to request an extension for your DC income tax return, you should submit a Form FR-127.

Penalty and interest charges are imposed on any tax found owing and not paid on time with the extension request.

How to file your return

This booklet has all the forms and instructions you will need. You are responsible for filing and paying taxes on time whether or not you receive the printed forms.

Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if their form is a DC OTR approved form.

By mail

- If mailing a return with a payment, send it to:
Office of Tax and Revenue
PO Box 96169
Washington, DC 20090-6169
- If mailing a refund request return or a 'no money due' return, send it to:
Office of Tax and Revenue
PO Box 96145
Washington, DC 20090-6145

There are two adhesive mailing labels on the back flap of your return envelope. If you are sending a payment with your return, use the PO Box 96169 mailing label on your return envelope.

If you are filing a no money due or a refund requested return, use the PO Box 96145 mail label on your return envelope.

Do not include more than one return per envelope.

By DC electronic filing (e-file)

e-File offers most DC individual income taxpayers a full federal/state Electronic Filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

1. Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
2. Through a tax practitioner who is an authorized e-File provider; or
3. Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC for a fee.

The DCfreefile fillable forms e-File program provides an online version of the D-40/D-40EZ and related schedules. The DCfreefile fillable forms program allows the taxpayer to complete the return online by entering the DC state tax information as if the taxpayer were filling out a paper return. The DCfreefile fillable forms option is available only to DC residents, but there are no income or age restrictions. Once the return is completed, it can be e-Filed at no charge or printed for mailing. The DCfreefile fillable forms program also performs basic calculations. If you usually file on paper forms, the DCfreefile fillable forms e-File program may be a good choice for you.

DCfreefile is a free federal and state income tax preparation and electronic filing program for eligible taxpayers, based on the IRS Free File Alliance program. Eligible taxpayers may prepare and e-File their federal and state income tax returns for free using commercial online software provided by specific Free File vendors. Each participating vendor set its own eligibility requirements and not all taxpayers will qualify for all companies. Please select a product from our Free File page to assure yourself the opportunity to e-File both your federal and District returns.

DCfreefile fillable forms and DCfreefile will be available at the same time as the IRS.

If you use one of the e-File options to file your DC return, you also have three options to receive your refund:

1. Direct Deposit;
2. The new DC Tax Refund Visa® Prepaid Card; or
3. Paper Check.

Be sure to make a selection on the return for the refund option that you want. If no choice is made, and your refund is within the threshold of a refund card, you will receive a refund card. However, refund cards will not be mailed to a foreign address. Please review the information at the front of the book. Instructions for direct deposit can be found on pages 10 and 11.

Electronic Filing Instructions

The instructions in this booklet are specifically for filers of paper returns. When you file electronically, note that the instructions may differ. Follow the "on screen" instructions. If you need further explanations, review the instructions in this booklet.

Payment Options

Check or money order

Include a check or money order, payable to the DC Treasurer, with your completed return. Write your social security number, daytime telephone number, "2013" and the type of form filed ("D-40" or "D-40EZ") on your payment. **Attach your payment to the Form D-40P voucher provided in this booklet. Do not attach either to your return.**

Form D-40P, Payment Voucher

Use this form when sending a check or money order. Do not staple the voucher to the D-40 or D-40EZ. Include the D-40P with your D-40 or D-40EZ in the return envelope provided. Use the PO Box 96169 mail label from the back flap of the return envelope.

By Phone

1. Dial 1-800-272-9829 (available 7 days a week, 24 hours a day)
2. Enter code 6000 (District of Columbia's Jurisdiction Code)
3. Complete the telephone transaction directly with the credit card processing vendor or electronic check processing vendor, Official Payments Corporation. You will be given a confirmation number, please keep it with your records.

Electronic Check (e-check)

E-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking information at the time of payment instead of storing the information. There is no fee for e-check payments.

Credit/Debit Card

The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Direct Debit

Electronic filers have the ability to pay their tax due by direct debit. Enter your banking information, including the routing and account numbers, checking or savings account and the date of withdrawal. If you file and pay before the April 15th due date, you may enter any date. After the due date, you can only choose the current date, except for estimated payments.

Visit the website <http://www.taxpayerservicecenter.com> for Credit/Debit Card Payment or Electronic Check (e-check) Payment Information.

Note: Dishonored payments. Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. If you request a refund to be direct deposited into an account outside of the United States, you will receive a paper check.

Your payment cannot be drawn on a foreign account. You must pay by money order (US dollars) or credit card instead.

Penalties and Interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the fee are first applied to the fee, then to the penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Penalties and interest accrued may be reported on Line 17 of the D-40EZ or Lines 37, 43a and/or 43b of the D-40. This will include Estimated Tax Underpayment Penalty, Form D-2210, which can be located at <http://www.taxpayerservicecenter.com>. File the Form D-2210 with your return.

Criminal Penalties

You will be penalized under the criminal provisions of the DC Code, Title 47, if you are required to file a return or report, or to perform any act, and you:

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;
- Willfully fail to file the return or report timely. If convicted, you will be fined not more than \$5,000 or imprisoned for not more than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax; or willfully make fraudulent and false statements or fail to provide information. See DC Official Code §47-4101 through 4107.

These penalties are in addition to penalties under DC Code §22-2405 for false statements (and any other applicable penalties). Corporate officers may be held personally liable for the payment of taxes owed to DC.

Enforcement Actions

OTR may use lien, levy, seizure, collection agencies, and liability offset if the taxpayer fails to pay the District within 20 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com.

Special filing circumstances

Amended return

File an amended DC return if your DC tax liability for a prior open tax year (usually 3 years from date of filing) has changed on the D-40 or D-40EZ for the year you are amending. To file an amended return for the current year, complete another 2013 DC individual income return and fill in the "amended return" oval on the form. Attach a list with explanations of the changes covered by your amended return.

If you are filing an amended return for a prior year, attach a copy of the return filed for that year. You can download forms from www.taxpayerservicecenter.com or call 202-442-6546 to request forms by mail.

If the IRS adjusts your individual federal tax return, you must file an amended DC return within 90 days of receiving notice of the federal adjustment. Attach a copy of the adjusted federal return.

Getting Started

To complete the Forms D-40 or D-40EZ, in general you will need:

- A copy of your completed 2013 federal return, as applicable (Form 1040, 1040A, 1040EZ, 1040NR, or 1040NR-EZ) and any additional forms or worksheets related to the return. You can copy many entries directly from federal forms 1040, 1040A, 1040EZ, 1040NR, or 1040NR-EZ. Please be careful since the line numbers may differ from the District Forms D-40 or D-40EZ line numbers;
- A copy of your completed state returns if you filed an income tax return with another state;
- Your W-2 and applicable 1099 forms with DC withholding tax or taxable income;
- A pen with black ink;
- A calculator.

Not all items will apply. Fill in only those that do. If an amount is zero, make no entry, leave the line blank.

Do not enter cents. Round to the nearest dollar. Examples:

\$10,500.50 rounds to \$10,501

\$10,500.49 rounds to \$10,500

Taxpayer Identification Number(s) (TIN)

You must have a TIN, whether it is a SSN or FEIN.

- **A SSN is a valid number issued by the Social Security Administration (SSA) of the United States Government.** To apply for a SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213;
- **A FEIN is a valid number issued by the Internal Revenue Service (IRS).** To apply for an FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).

You must wait until you receive either number before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid. You could be subject to a balance due or disallowance of credits or exemptions, if your dependents or other qualifying person TIN's are missing, incorrect or invalid.

If you are filing a joint return, or filing separately on the same return, enter the name and SSN shown first on your return, then enter the name and SSN shown second on your return. Incomplete information or failure to follow these instructions will delay processing of your return.

Wages, tips and salaries

Enter the amount from your federal 1040, 1040A, or 1040EZ, or 1040NR, or 1040NR-EZ, plus any unemployment compensation received on Line 1 of the D-40EZ or Line a, Income Information on the D-40.

DC income tax withheld

Add the DC income tax withheld as shown on your 2013 federal Forms W-2 and applicable Forms 1099. Attach all copies of your Forms W-2 and 1099 that show DC tax withheld to the Forms D-40 or D-40EZ.

Filing Status

More than one filing status may apply to you. Use the one that will give you the lowest tax. Please ensure the oval to the left of the filing status is filled in.

Generally, you will use the same filing status on your DC return as that used on your federal return. However, if you used married filing jointly on your federal return, it may be better for you to file your DC return using either *married filing separately* or *filing separately on the same return*. If both have income, figure the tax both ways.

Single (D-40 and D-40EZ)

You were unmarried, divorced or legally separated as of December 31, 2013, or were widowed prior to January 1, 2013, and did not remarry before January 1, 2014.

Filing Jointly (D-40 and D-40EZ)

You were married or have a registered domestic partner and both spouses/domestic partners were DC residents as of December 31, 2013, or your spouse/domestic partner died in 2013 and you did not remarry/register in 2013. If legally separated, do not file jointly. If your spouse died during the year, you are considered married for the whole year for filing status purposes. If you did not remarry before the end of the tax year, you can file a joint return for yourself and your deceased spouse.

If you are filing a joint return or filing separately on the same return, enter the name and SSN shown first on your return, then enter the name and SSN shown second on your return.

Registered domestic partners (D-40 and D-40EZ)

To be considered as a domestic partner for DC tax purposes, the parties must be registered with the Vital Record Division of the DC Department of Health. If you have registered your relationship you may either file a joint return (D-40 or D-40EZ) or file separately on the same return (D-40). You may also file as single.

Domestic partners or other similar relationship registered in other jurisdictions. If you have registered your relationship in another jurisdiction, you may file a joint return, or file separately on the same return, or file a separate return using the single status.

If you are visiting the DC OTR for assistance in preparing your DC Income Tax Return, registered domestic partners must first prepare a "not to be filed" (mock) joint federal return.

- If filing jointly is chosen, enter the spouse/domestic partner's total federal AGI on Line 1 of the Form D-40EZ or Line 3, of the Form D-40.
- If you are same-sex spouses, you may file either a joint return or file separately on the same return. If filing jointly is chosen, enter the total federal adjusted gross income of both spouses/partners on Line 3, Form D-40.
- If filing separately on the same return is chosen, follow the instructions under Married or Registered Domestic Partners filing separately on the same return.

Married filing separately or domestic partner filing separately (D-40)

You are married or have a registered domestic partner and both spouses/partners had income. Include your spouse/domestic partner's name and social security number in the Personal Information section.

You will each report only your own income, exemptions, deductions, and credits. You will each report one-half of the income from any securities, bank accounts, real estate, etc., that are registered or titled in both names.

You must use this filing status if:

- You and/or your spouse/registered domestic partner were part-year residents of DC during different periods of 2013;
- You were a DC resident and your spouse/domestic partner was one of the following:
 - A member of the US armed forces and not considered a DC resident, but you are required to report income in DC;
 - A member of the US Congress or an employee on the personal staff of a member of Congress who is considered a resident of the member's state of residency;
 - An officer of the US Executive Branch whose primary residence was not in DC, who is appointed by the President, confirmed by the US Senate and serves at the pleasure of the President; or

- A justice of the US Supreme Court whose primary residence was not in DC.

Dependent claimed by someone else

If you are claimed as a dependent on someone else's return, fill in the 'dependent claimed' oval on the D-40 or D-40EZ return.

Married or registered domestic partners filing separately on the same return (D-40)

If you claim either status, you and your spouse/domestic partner must combine your separate amounts using Calculation J on Schedule S so that you will either receive one refund or make one tax payment. You may also claim a credit for child and dependent care expenses, which you are not allowed to claim if you file separate returns. Using this filing status may reduce the amount of tax you owe by allowing each spouse/domestic partner to take advantage of lower tax brackets. Before completing Calculation J, and the Form D-40, you will need to figure the following for you and your spouse/domestic partner:

- Each person's federal adjusted gross income;
- Each person's additions to federal income;
- Each person's subtractions from federal income;
- Each person's deductions; and
- Each person's exemptions.

NOTE: If you and your spouse/domestic partner were part-year residents of DC during different periods of 2013, you cannot file separately on the same return. You must file separate returns.

Head of Household (D-40)

You may claim this status if you were unmarried or legally separated as of December 31, 2013, and paid over half of the costs of maintaining a home for a qualifying person, such as a child or parent. Certain individuals who lived apart from the spouse/domestic partner for the last six (6) months of 2013 may also be able to use this filing status. Use the appropriate section of Schedule S to enter the full name, SSN and Date of Birth (DOB) of the qualifying person whether that person is a dependent or the non-qualifying dependent. Failure to provide a Schedule S can delay processing and exclude any exemptions claimed for dependents or other non-qualifying dependent. All the information must be complete, i.e., name, SSN and DOB.

Standard Deduction and Exemption Amounts (D-40 and D-40EZ)

You are not entitled to the standard deduction if you itemize on your federal return. You are entitled to the itemized deductions excluding the state and local taxes and subject to the DC 5 percent limitation.

District Code §47-1803.03 (c) states "Every individual who claims the standard deduction on his or her federal income tax return shall claim the applicable standard deduction specified in District Code §47-1801.04 (44). Every individual who itemizes the deductions on his or her federal income tax return shall itemize the deductions permissible under this chapter. If a husband and wife or domestic partners file separate returns, the applicable standard deduction shall not be allowed to either spouse or domestic partner if the net income of one of the spouses/domestic partners is determined by itemizing deductions." Each spouse/domestic partner can claim only his/her own itemized deduction.

Standard Deduction

Married filing separately or registered domestic partners filing separately are allowed a standard deduction of \$2,050. All other filing statuses are allowed a standard deduction of \$4,100.

Number of Exemptions

If you are a 'dependent claimed by someone else', **do not claim any exemptions.** Leave Lines 18 and 19 blank on the D-40.

If you are filing:

- single and claiming more than one exemption; or
- married or registered domestic partners filing jointly, and claiming more than two exemptions

Complete Calculation G on page 2 of the Schedule S and attach the schedule to the return, Form D-40.

Exemption Amount

Enter \$5,775 if filing status is single on the D-40EZ or multiply \$1,675 by Line 18 of the D-40 number of exemptions. If you do not have exemptions, leave Line 19 blank on the D-40.

Enter \$7,450 if filing jointly on the D-40EZ, for standard deduction and exemption.

Enter \$4,100 on Line 4 of the D-40EZ if you are a dependent claimed by someone else. You are not eligible to claim an exemption. If you are completing the D-40 as a dependent claimed by someone else, leave Lines 18 and 19 blank on the D-40.

Credits

There are two credits offered to DC taxpayers: (1) DC Low Income Credit (LIC) and (2) DC Earned Income Tax Credit (EITC). The LIC is a non-refundable credit, which means it can reduce the DC tax you owe, but it will not directly result in a tax refund. The EITC is a refundable credit. If the IRS is calculating your federal EITC, wait until they notify you of that amount before you determine your DC EITC.

If you take the federal earned income credit, it may be better for you to take the DC Earned Income Tax Credit instead of the DC Low Income Credit. **You cannot take both DC credits.**

DC Low Income Credit (LIC)

To qualify for this credit:

- You cannot have computed your federal income tax using the Alternative Minimum Tax (AMT) calculation;
- The amount of DC taxable income on Line 21 of your D-40 or Line 5 of the D-40EZ is more than zero; and
- Your DC Adjusted Gross Income (AGI) D-40, Line 15 or D-40EZ, Line 3; is greater than the sum of DC personal exemptions and DC standard deduction and is less than or equal to the sum of your federal personal exemptions and your federal standard deduction.

Calculation of Eligibility

If your DC taxable income is greater than zero, complete this chart to determine if you are eligible for the low income credit.

Line 1	DC AGI	\$ _____
Line 2	Federal personal exemptions Amount	\$ _____
	("Dependents claimed by someone else", enter 0)	
Line 3	Federal standard deduction Amount	\$ _____
Line 4	Sum of Line 2 and Line 3	\$ _____
Line 5	If Line 1 is greater than Line 4 You do not qualify	
Line 6	DC personal exemption Amount	\$ _____
Line 7	DC Standard deduction Amount	\$ _____
Line 8	Sum of Line 6 and Line 7	\$ _____
Line 9	If Line 1 is greater than Line 8 continue.	

To determine the low income credit, see the Low Income Credit Table on page 13.

Dependents claimed by someone else should use the calculation at the bottom of page 13 to determine the low income credit available.

Complete Calculation LIC/EITC for D-40EZ or Calculation L on page 23 for D-40 taxpayers to determine which DC credit is better for you.

You must enter the number of federal exemptions to claim the LIC, Forms D-40EZ, Line 7a, or D-40, Line 25a.

DC Earned Income Tax Credit (EITC)

If your filing status is "Married or registered domestic partner filing separately" or "Dependent claimed by someone else", you cannot claim the DC EITC.

Taxpayers who claim the federal EITC may also claim a DC EITC of 40% of the federal credit. Taxpayers who claim the DC LIC credit may not claim the EITC. You may take only one of these DC credits. Complete the calculation on the back of the D-40EZ or Calculation L on page 23 of the D-40.

If you are not entitled to claim a federal EITC, you cannot claim a DC EITC other than the exception below.

DC Law also allows the same 40% of federal EITC to those who are not allowed to claim the EITC at the federal level but who meet other DC requirements, such as a non-custodial parent who is a District resident between the ages of 18 and 30, and paying child support under a court order for a minor child. The taxpayer must have paid the child support of at least the amount due for the year through a government sponsored support collection unit and the order must have been in effect for a least one-half of the year. You must file a D-40

form to use this exception. Complete Schedule N, DC Non-Custodial Parent EITC Claim, and attach to the D-40. Also enter the amount to be claimed on the Schedule U, Part 1B, Line 1.

Please enter the number of qualified EITC dependents on Line 13a of the D-40EZ, or Line 28a of the D-40.

Qualifying Child for EITC Purposes

A qualifying child as defined by the IRS for the EITC is a child who is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, or a descendant of any of them (for example, your grandchild, niece or nephew) and was:

- Under age 19 at the end of 2013; or
- Under age 24 at the end of 2013 and a full-time student; or
- Any age and permanently and totally disabled.

In addition, they must have lived with you in the US for more than half of 2013, unless you are claiming the EITC as a non-custodial parent (see D-40 instructions for Schedule N).

If your child was married at the end of the year, the child is not a qualifying child unless you can claim the child's exemption or you have been given the right to claim the exemption in an agreement signed by the child's custodial parent releasing the dependency exemption.

Contributions

There are three (3) DC contributions. Contributions will be deducted from the refund due or added to the tax due. You can contribute as much as you would like, however the smallest contribution you can make to any one fund is \$1.00.

Public Fund for Drug Prevention and Children at Risk

Enter in Line 9a of the D40-EZ, or Part II Contribution, Line 2 of the Schedule U, and attach to the D-40.

DC Statehood Delegation Fund

Enter in Line 9B of the D-40EZ, or Part II Contribution, Line 1 of the Schedule U, and attach to the D-40.

Tax tables

If your taxable income is \$100,000 or less, use the tax tables on pages 53 - 62 to find the tax on the Line 6 amount of the Form D-40EZ or Line 22 of the D-40.

If your taxable income is greater than \$100,000, for D-40EZ filers, use the Form D-40. D-40 filers use Calculation I on page 23 to determine your tax.

Tax paid with extensions

Report tax paid with extension of time to file or with original return if this is an amended return on Line 12 of the D-40EZ or Line 33 of the D-40.

Refund Options

Beginning with the 2013 individual income tax returns filed in 2014, there will be three refund options offered. All individual income tax returns will require that an option be selected.

1. Direct deposit of refund

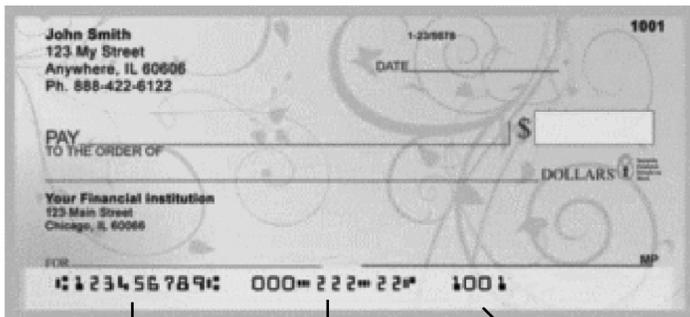

Direct Deposit Facts:

1. It's simple. You don't have to go to the bank to cash your check.
2. It's safe. No more lost, stolen or misplaced checks.
3. It's fast. Your money will be available the morning of the payment.

If you want your refund deposited directly in your bank account, complete the Direct Deposit Information above the signature line on

the D40 or D-40EZ. If the routing or account number begins with zeros, include the zeros.

Fill in the bank routing and account number information. You can obtain this information from the lower left portion of your check (see example below).

CHECK NUMBER

NOTE: Refer to your own check or financial institution for your numbers. The routing and account numbers may be in different places on your check.

Your routing number is the left-most number located on your check, identified as the American Banking Association (ABA) routing number. The ABA number identifies your bank uniquely within the direct deposit system. It must be:

- Nine (9) digits in length, including zeros;
- A current valid bank routing number.

Your account number:

- Is usually just to the right of your ABA routing number including zeros;
- Can be up to 17 digits long; and
- Can be both letters and numbers.

You may want to verify your account and routing numbers with your financial institution before filling in the information.

Fill in the oval to show the type of bank account. If you want the refund to go to a savings account instead of your checking account, you may need to contact your financial institution for the account and routing number information.

Check the ABA routing number and account number carefully. If your bank account information is incorrect or missing digits, the money can be deposited in someone else's account. Please double check your routing and account number. OTR is not liable for any ABA routing and account numbers reported on the return in error.

If you do not select the checking or savings oval, we will assume the refund will be deposited in your checking account. If the funds are returned to OTR, a paper check will be issued.

Refund direct deposit to a foreign account – International ACH Transaction (IAT)

If you request your refund to be direct deposited to an account outside of the United States, you will receive a paper check.

2. DC Tax Refund Visa® Prepaid Card

Beginning with 2013 tax returns, if you do not select direct deposit, your income tax refund will be issued on a tax refund card unless

you choose another option. However, refunds under \$25 or greater than \$2,500 do not qualify for the refund card. Non-qualified refunds will receive a paper check if direct deposit is not selected.

3. Paper Check

A paper check will be issued if the taxpayer selects this option, or direct deposit is not selected, or tax refund card is beyond the threshold, or if the taxpayer uses a foreign address.

Refund status inquiry

To check the status of your refund visit www.taxpayerservicecenter.com. You will need to enter your SSN and the refund amount you requested on your return.

Third Party Designee

If you want to authorize another person to discuss your 2013 tax return with the OTR, check the oval in the Third Party Designee block on page 2 of the D-40, or page 1 of the D-40EZ, and enter the designee's name and phone number. If you want to authorize your paid preparer, enter 'preparer' in the 'third party designee' block. If you are filing a joint return, checking the third party designee block oval constitutes authorization by both filers.

Checking the oval also gives the designee authorization to:

- Give OTR any information missing from your return;
- Contact OTR for information about processing your return and the status of any refund or payment; and
- Request, receive and/or respond to OTR notices related to your return.

The authorization does not:

- Give the designee the right to receive your refund;
- Bind you to any additional tax liability related to your return; or
- Otherwise represent you before OTR.

This authorization automatically ends on April 15, 2014 (without regard to extensions).

Signature

Sign and date your return. If your filing status is married filing jointly or married filing separately on the same return, both spouses/registered domestic partners must sign. If the return is not signed, it will be sent back to you. If the return was prepared by a paid tax preparer, the tax preparer must also sign the return and provide his or her identification (PTIN) and telephone number. You, the taxpayer(s) is/are responsible for the information prepared and submitted by a paid preparer.

Send in your original return and attachments, if applicable; please keep a copy for your records.

Do not understate your taxes

There may be a penalty if an understatement of the tax required to be shown on your return exceeds the greater of:

- 10% of the tax required to be shown on the return; or
- \$2,000

The penalty is 20% of the excess of the amount required to be shown on the return over the tax shown on the return.

Preparer Tax Identification Number (PTIN)

IRS rules have changed. If you are a paid tax preparer, you are required to have an IRS PTIN issued by the IRS. If you use a paid preparer, they are required to have an IRS PTIN issued by the IRS. Although you may use a paid preparer, **you** the taxpayer(s) are responsible for the filing and payment of your tax return. A PTIN is a number issued and authorized by the IRS to file a return on your behalf. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

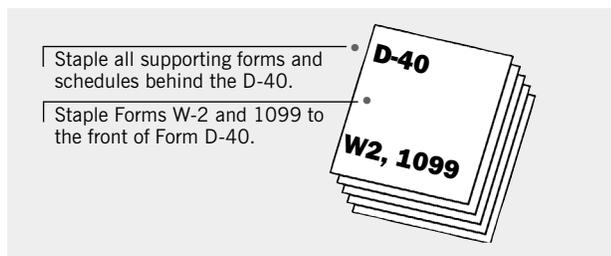

Paid preparers must pay a penalty for understating taxes where:

- The refund or amount due is based on unrealistic information; or
- The preparer should have been aware of a relevant law or regulation; or
- Relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000.

Instructions for the D-40

To complete your D-40 return, you will need to do a series of calculations contained in these instructions and copy many of the line items and totals on your D-40. You may also need to attach DC schedules, forms and worksheets to your D-40 if you complete any of the DC forms. Unless instructed otherwise, if you complete any part of any Schedules H, I, N, S, or U, attach it to your return, in the order defined in General Instructions, page 12.

Schedule H, Homeowners and Renter Property Tax Credit.

This schedule allows eligible residents to claim a property tax credit against their DC income tax liability. Total household gross income cannot exceed \$20,000. **Do not claim this credit for an exempt property owned by a government, a house of worship or a non-profit organization.** See Schedule H in this booklet.

Note: If you are filing a D-40, you must file DC Schedule H with it. If you are not required to file a D-40 (or D-40EZ), the DC Schedule H can be filed by itself.

Schedule I, Additions to and Subtractions from FAGI.

This schedule contains two calculations, one for additions and another for subtractions from federal AGI. See Schedule I in this booklet.

If you took the 30% or 50% federal bonus depreciation and/or the additional Internal Revenue Code (IRC) Section 179 expenses on your federal return, enter the total on Schedule I, Calculation A, Line 3.

Schedule N. DC Non-Custodial Parent EITC Claim.

Use this schedule to determine whether a non-custodial parent making court-ordered child support payments may claim the DC EITC. See Schedule N in this booklet.

Schedule S, Supplemental Information and Dependents.

If claiming exemptions, use Schedule S to list each dependents name, social security number and date of birth. Use Schedule S if reporting dependent or other qualifying dependent, and head of household information. It contains Calculation G for use in determining the number of exemptions you may claim and Calculation J to determine the DC tax amount for married or registered domestic partners filing separately on the same return. You may also use Schedule S for claiming dependents and deductions for being blind and/or over 65. You may claim an exemption for each of your dependents. You may also claim a deduction for being over 65 or blind.

Claiming dependents and deductions for being blind and/or over 65

You may claim an exemption for each of your dependents or other qualifying non-dependent person. If claiming exemptions, use Schedule S to list each dependent's name, SSN, and DOB. You may also claim a deduction for yourself or your spouse/registered domestic partner for being over 65 or blind.

Schedule U, Additional Miscellaneous Credits and Contributions.

This schedule lists certain additional non-refundable and refundable credits you may be able to claim. It also lists several contributions funds to which you may wish to contribute. See Schedule U in this booklet.

Credit for certain DC Government employees who are DC residents and first-time DC homebuyers.

This credit, originally limited to DC police officers who are first-time homebuyers in DC, has been expanded. This \$2,000 credit is now available to all DC government employees, employees of a DC public charter school, and any person who has accepted an offer to be a DC police officer, firefighter, emergency medical technician, public school teacher or a teacher at a DC public charter school. Except for DC police officers, the tax credit is limited to those employees who purchased their first principal residence in DC on or after October 1, 2007, and who are enrolled in the **Employer Assisted Housing Program (EAHP)** offered by the DC Department of Housing and Community Development. The credit is available for a 5-year period. Enter \$2,000 on Schedule U, Part 1a, Line 1.

It includes the amount DC taxpayers may claim as a credit for individual income tax paid to other state(s) if the income taxed by that state is derived from that state and is of a kind taxed by DC. If tax paid to a state is the total state tax liability shown on the state tax return. (It is not the state withholding shown on your Form W-2.)

Complete Calculation K on page 19, to determine your out of state credit. Enter the credit amount on Schedule U, Part 1a, Line 3. If you paid tax to more than one state, enter the respective amounts and other state codes in the spaces provided.

No DC credit is allowed for any other tax imposed by a state, including the following:

- Corporate franchise tax;
- License tax;
- Excise tax;
- Unincorporated business franchise tax; and
- Occupation tax.

Personal Information. Refer to General Instructions, page 8 for directions on completing an amended return.

Complete a D-40 on the correct year's tax return and provide the deceased person's information, not your own. Do not adjust the deceased's income, exemptions or deductions to reflect the date of death, unless a D-41 is being filed for the remainder of the year after the date of death. Part-Year Residents

NOTE: A temporary absence (even a lengthy one) from your permanent home does not make you a part-year resident. If filing as a part-year resident, you will be given guidance for completing your D-40 throughout these instructions.

You are a part-year DC resident if, during the year, you moved out of DC with the intent to permanently leave or moved into DC with the intent to permanently stay.

A DC taxpayer domiciled in DC during the tax year, is a full-time DC resident unless he or she changes domicile during the tax year. In such case, he or she will be a part-year resident for the period not domiciled in DC.

A DC taxpayer present in DC for 183 days or more and not domiciled in DC during the tax year is a part-time resident for the period present in DC. Number of months of DC residency. Divide the number of days lived in DC by 30 to determine the number of months of residency. Any remainder over 15 days counts as a full month.

Example: 196 days of residency in DC divided by 30 = 7 months (6 months plus one month due to the 16 day remainder).

"Domicile" is where a person has his or her permanent home. To change domicile, you have to abandon the previous domicile and establish a new one in another state with the intent to remain. If you resided in DC for only part of 2013, allocate your DC income and deductions attributable to the time of your DC residency. Also prorate your exemptions and credits.

If DC was your home or permanent residence for less than a year, fill in the oval on Line 2 of the D-40, complete the applicable months in the "from" and "to" boxes, and enter the number of months in DC. Complete Calculation C for standard deduction and Calculation D for DC itemized deductions showing the type and amount of income received:

Reduce the DC itemized deduction amount by 5% of DC AGI in excess of \$200,000 (\$100,000 for a separate return filed by a married individual). Line 22 Tax

If Line 21 is \$100,000 or less, use the tax tables on pages 53-62 to determine your tax. If Line 21 is more than \$100,000, use Calculation I on page 23 to determine your tax.

Married or registered domestic partners filing separately on the same return
Before completing Calculation J, the tax computation, on Schedule S, you must determine each person's separate federal AGI, additions to income, subtractions from income, deductions and exemptions. You must combine the separate amounts for each person before making entries on Lines 23-33 of the D-40.

DC tax, credits, and payments

The credits claimed on Lines 23, 24 and 25 are non-refundable, which means they can reduce the taxes you owe, but they will not result in a tax refund. The credits you claim on Lines 28, 29 and 30 are refundable credits, which means if these credits plus any tax payments are greater than your total tax due, you may receive a refund.

Line 23 Credit for child and dependent care expenses

Do not claim this credit if your filing status is married filing separately. If your status is married or registered domestic partner filing separately on the same return, you may claim the credit and divide it between spouses/domestic partners any way you wish.

If you were a full-year DC resident, to figure your DC credit, multiply by .32, the amount from federal Form 2441, Line 9. Enter the result on Line 23 of the D-40. (Do not use the DC Form D-2441.)

If you were eligible for the Child and Dependent Care Credit but did not claim it for federal purposes, complete the DC Form D-2441, multiply the result by .32 and claim the DC credit for child and dependent care expenses.

Instructions for Schedule H

Eligibility requirements for claiming the property tax credit

Renters and homeowners who have a total household gross income of **\$20,000 or less** may be eligible to claim the property tax credit. If you are filing a Form D-40 and claiming this credit, you must file Schedule H with it. If you are not required to file a Form D-40, you may file Schedule H by itself.

You must meet the following requirements to claim this credit:

- You were a DC resident from Jan. 1 through Dec. 31, 2013;
- You rented or owned and lived in your home in DC during all of 2013;
- Your total 2013 household gross income was \$20,000 or less;
- You did not rent from a landlord whose property was either exempt from real property taxes or who paid a percentage of rental income to DC instead of paying a real estate tax;
- If you are not claimed as a dependent on someone else's 2013 federal, state, or DC income tax return and under age 65;
- Your residence is not part of a public housing dwelling; and
- If you are not blind or disabled, you and your registered domestic partner or spouse (if married) provided at least 50% of the total household gross income.

Only one member of a household can claim the property tax credit. A property tax credit may not be claimed on behalf of a taxpayer who died before the end of the tax year.

When is Schedule H due?

If filing a Form D-40, Schedule H must be attached to it and filed by April 15, 2014. If you have an extension of time to file your D-40, you may also file Schedule H by the extended due date.

If you are filing Schedule H by itself, file it by April 15, 2014. There is no extension of time to file a Schedule H by itself. If mailing the Schedule H only, send it to:

Office of Tax and Revenue
PO Box 96145
Washington DC 20090-6145

Personal information

Blind or disabled

If you identify yourself as blind or disabled, your physician must complete the medical certification on page 2 of Schedule H. If a physician's certification of blindness or disability has been submitted previously and the claimant's condition is unchanged, additional certifications are not needed.

Section A or Section B

If you rent your home, use Section A;
if you own your home, use Section B.

Section A—Credit claim based on rent paid

Line 1 Total household gross income

You must report the income of every member of your household including income not subject to DC income tax. Use the worksheet on page 3 of Schedule H to determine total household gross income. **If the total household gross income is more than \$20,000, do not claim the property tax credit, you are not eligible.**

Household members are the people you live with whether or not they are related to you. For example, if you live in an apartment where you share the kitchen and bathroom with one or more people, they are household members. If you are a tenant in a house or apartment where other people live, but you have a separate kitchen and/or bath, you are the sole household member.

On the Schedule H worksheet, list the names and social security numbers of all household members whose income is included in total household gross income. Keep it with your tax records.

Line 2 Rent paid on the property in 2013

Enter the total rent you paid for the property during the year and multiply it by .15. If that amount exceeds the Line 1 amount, you cannot claim the property tax credit. **Note:** If a claimant rents more than one home in the District for the year, rent paid is the amount paid for the last home divided by the number of months paid times 12.

If you sublet part of your residence to another person, the amount to be claimed is the rent you paid minus the rent received from that person. In addition, the rent you received is taxable and must be reported on your D-40.

Line 3 Property tax credit

Using the amounts entered on Lines 1 and 2, find your property tax credit amount using the worksheet on page 39.

Line 4 Rent supplements received in 2013 by you or your landlord on your behalf

Enter any federal or state subsidies you received, or any received on your behalf, during the year. If none, leave the line blank.

Section B—Credit claim based on real property tax paid

Line 7 Total household gross income

Report the income of every member of your household including income not subject to DC income tax. Use the worksheet on page 3 of Schedule H to determine the total of this income. To help you complete the worksheet, refer to your 2013 federal return (Form 1040, 1040A or 1040EZ). **If the total household gross income is more than \$20,000, do not claim the property tax credit.**

Household members are all the people you live with whether or not they are related to you. For example, if you live in a house where you share the kitchen and bathroom with one or more people, they are household members.

If you rent out part of your house and share the kitchen and bath with the tenant, you must report the tenant's income as part of your total household gross income.

Line 8 DC real property tax paid by you in 2013

Enter the amount of DC real property tax you paid on the property (refer to your real property tax bills). In determining your property tax credit, you may include any deferred portion of your real property tax as part of the real property tax paid.

Line 9 Property tax credit

Using the amounts entered on Lines 7 and 8, find your property tax credit amount using the worksheet on page 39.

COMPUTING YOUR PROPERTY TAX CREDIT

This credit may not be claimed with respect to a property owned by a government, a house of worship or a nonprofit organization.

SECTION A - CLAIMANTS UNDER AGE 62 WHO ARE NEITHER BLIND NOR DISABLED.

If total household gross income is:

SCHEDULE I Additions to and Subtractions from Federal Adjusted Gross Income

Calculation A Instructions

Additions to federal adjusted gross income

Line 6 Other is for those items not subject to federal tax but subject to DC tax. Please list.

Calculation B Instructions

Subtractions from federal adjusted gross income

Line 1 Taxable interest from US Treasury bonds and other obligations. This interest is included on your federal Forms 1040 or 1040A, Line 8a or 1040EZ, Line 2. It may be all or part of that amount, or it may be 0. Also see your federal Form 1099-INT, Line 3.

Line 2 Disability income exclusion from DC Form D-2440. Enter the amount from Form D-2440, Line 10. Attach a completed D-2440. If disability payments were included in your federal gross income, you may be able to claim an exclusion for them on your DC return.

Line 5 Excess of DC allowable depreciation over federal allowable depreciation. If you claimed the federal bonus depreciation (30% or 50%) on your federal return, the DC basis for the depreciated property will be more than the federal basis. Use this line to subtract the excess depreciation from the federal AGI to show the proper DC depreciation allowable.

Line 6 Long-term care insurance premiums. Long-term care insurance premiums paid in 2013 are entered on Line 6, Calculation B, Schedule I. The deduction may not exceed \$500 per year, per person.

Line 7 DC College Savings Plan payments. Enter the amount contributed to a qualified DC "529" College Savings Plan. You may deduct up to \$4,000 annually for contributions you made to all qualified college savings accounts of which you are the owner. If you are married and file a joint or combined separate return, each spouse/domestic partner may deduct up to \$4,000 for contributions made to all accounts for which that spouse/domestic partner is the sole owner. A rollover distribution is not a contribution for purposes of this deduction. Contributions made to one or more accounts in excess of the allowable \$4,000 (\$8,000 for eligible joint filers) annual deduction may be carried forward as a deduction (subject to the annual limitation) for up to five years. If you were a part-year DC resident during the tax year, you may deduct only the amount contributed when you resided in DC.

Line 8 Exclusions for DC residents. Income not to exceed \$10,000 is excludable in computing DC gross income for persons determined by the Social Security Administration to be totally and permanently disabled and who are receiving: Supplemental Security Income or Social Security Disability; or railroad retirement disability benefits; or federal or DC government disability benefits; and whose annual household adjusted gross income is less than \$100,000.

Household income includes income received by all household members in the year, even income excluded from federal adjusted gross income.

Adjusted gross income is that of all persons residing in a household, excluding the adjusted gross income of any person who is a tenant under a written lease for fair market value.

Lines 9 and 10 Expenditures by DC teachers. An individual who:

- 1) has been approved by the DC public schools; and
- 2) has been a classroom teacher in a DC public school or public charter school for this entire tax year or the entire prior tax year may deduct:
 - the amount the teacher paid during the year for basic and necessary classroom teaching materials and supplies – up to \$500

per person whether filing individually or jointly.

- the tuition and fees paid during the year for postgraduate education, professional development, or state licensing examination and testing for improving teaching credentials or maintaining professional certification – up to \$1,500 per person whether filing individually or jointly.

Interaction between DC deductions and similar federal deductions.

To prevent a "double deduction" situation – if a DC classroom teacher claims a deduction on his/her federal return for personal expenses, the federal tax deduction claimed **reduces** the amount that may be claimed for those same expenses on the DC return. **For example:** a DC classroom teacher who claims \$1,500 or more for tuition and fees on the federal return (Form 1040, Line 34) **may not** take any deduction for these same expenses on the DC return.

Line 11 Loan repayment awards. "Loan repayment awards" of up to \$120,000 paid over four years by DC to healthcare professionals to reduce their medical education debt are not taxed by DC. (This program is administered by the DC Department of Health.)

Line 12 Healthcare insurance premiums. Any healthcare insurance premium paid by an employer for an employee's domestic partner registered with the Vital Records Division of the DC Department of Health (see DC Code §32-701 (3) and 702) or same sex spouse is deductible, unless on your federal return the employee's registered domestic partner or same sex spouse is considered a dependent pursuant to IRC §152 and a deduction from income was taken for the premium on the employee's federal tax return.

Line 13 DC Poverty Lawyer Loan Assistance. Attach a copy of your document cancelling the debt. Lawyers eligible for this award are those whose legal practice has been certified by the DC OAG as serving the public interest.

Line 14 Other is for those items not subject to DC tax but subject to federal tax. Please list.

Line 15 Military Spouse Residency Relief Act

If you have determined that you are required to file a District of Columbia tax return and you are in one of the U.S. military services, one of the following may apply:

- (1) If a servicemember's legal residence for taxes is not in DC but the servicemember and spouse reside in DC due to military orders, the military compensation and the non-military spouse's compensation should be deducted on Schedule I, Line 15. If this applies to you, a copy of the Department of Defense form providing the servicemember's legal residence for taxes and a copy of the non-military spouse's legal residence for taxes driver's license should be kept with your tax records in case it is subsequently needed.
- (2) If a servicemember's legal residence for taxes is not in DC but the service member resides in DC due to military orders and subsequently marries a DC resident, the servicemember's military compensation should be deducted on Schedule I, Line 15. The non-military spouse's income is not exempt in this case since the non-military spouse is a DC resident and has not moved to DC to be with a transferred servicemember. If this applies to you, a copy of the Department of Defense form providing the servicemember's legal residence for taxes should be kept with your tax records in case it is subsequently needed.
- (3) If a servicemember's legal residence for taxes is in DC and the servicemember and spouse reside in DC in compliance with the servicemember's military orders, they will file Form D-40 and will report all their income in DC, as either married filing jointly or married filing separately.

Instructions for Underpayment of Estimated Income Tax by Individuals

Estimated Tax Penalty

DC law requires every individual or couple filing jointly, to pay estimated tax if they:

- receive taxable income which is not subject to DC withholding; or
- receive wages with insufficient withholding; or
- the tax on this taxable income is expected to be more than \$100.

The law states that anyone required to file and pay estimated tax who fails to pay the amount required by the periodic payment due date is subject to penalty and interest on the underpayment of estimated income tax.

When is a penalty assessed for underpayment of estimated income tax?

A penalty is assessed if your total DC estimated income tax payments (and withheld amounts) compared to your DC tax liability do not equal at least the smaller of:

- 90% of the tax due shown on your 2013 DC return; or
- 110% of the tax due shown on your 2012 DC tax return. You must have been a DC resident during all of 2012 to use the 110% exception.

Are there any exceptions to imposition of the penalty?

You are not subject to the penalty for underpayment of estimated tax if:

- You had no DC income tax liability for the tax year 2012 and in that year, you lived in DC the entire 12 months;
- The tax due for 2013 minus income tax withheld and/or estimated tax payments is less than \$100;
- Your DC estimated tax payments plus any DC income tax withheld equals at least 110% of your 2012 DC income tax liability; or
- Your remaining tax due after totalling all credits, estimated tax payments and withholding, is less than 10% of your total DC tax liability for the year.

When may you use this form?

- You may use this form to calculate your penalty, when submitting your D-40 form. If you do, fill in the oval, attach it to your tax return and add the penalty and any interest to the amount you calculate for Line 37 or 43a of the D-40. If you do not wish to calculate the penalty and interest, the Office of Tax and Revenue (OTR) will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the penalty assessed by OTR for an underpayment of estimated income tax is incorrect.

How do you file this form?

Attach this form D-2210 to your return D-40, if you complete it before filing your D-40 return. If you complete this form after filing and/or receiving a notice of a penalty assessment, send it to:

Office of Tax and Revenue
Attn: Customer Service Administration
1101 4th St SW, 2nd Floor
Washington DC 20024

Completing this form

Line 1

Enter the amount from your D-40, Line 27.

Line 2

Multiply the amount on Line 1 by 90% (.90). Your withheld taxes and/or estimated tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2012 DC Form D-40, Line 27. If your 2012 return was amended or corrected, multiply 110% times the corrected amount. You must have been a DC resident during all of 2012 to use this exception.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC return for 2012, use only the Line 2 amount.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your liability, payable over four periods.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6000 for the 3rd period and \$8000 for the 4th period.

Annualized Income method: If your income was different for each period, you may want to determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts as shown above. Check the "Annualized Income" method box.

Line 7

Enter the amounts withheld and estimated tax payments made for each period. Include the amounts from the previous period in with the 2nd, 3rd and 4th periods. For example, if your withheld and estimated tax payment amount is \$1000 in each period, you would enter \$1000 in the 1st Period, \$2000 in the 2nd Period, \$3000 in the 3rd Period and \$4000 in the 4th Period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no penalty. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Penalty factors These are the penalty factors by period.

Line 10

For each column, multiply the amount on Line 8 by the penalty factor on Line 9. This is your penalty amount by period.

Line 11 Penalty

Add the amounts from each period on Line 10. This is your total underpayment of estimated tax penalty.

- If you are filing the D-2210 with your D-40 return, include the penalty and any interest on the penalty in the amount you owe and pay it with the return.
- If you are filing the D-2210 separately, pay the amount you owe. Attach payment to Form D-40P, Payment Voucher.

Make the check or money order payable to the **DC Treasurer** and mail the D-2210 and D-40P with payment to:

Instructions for Form FR-127

Why file Form FR-127?

Use this form if you cannot file your DC individual income tax return by the April 15, 2014 due date. By filing this form, you can receive an extension of time to file until October 15, 2014.

You must use Form FR-127 to request an extension of time to file a DC individual income tax return.

A filing extension is not an extension of the due date for paying any tax you may owe. Before filing for an extension, estimate the taxes you will owe and pay any part of that amount, not covered by DC withheld tax amounts and/or estimated tax payments. Include your payment with the FR-127 voucher and file it by April 15, 2014.

If filing jointly, or filing separately on same the return, enter the social security number (SSN) and name shown first on your D-40/D-40EZ return, then enter the SSN and name shown second on your return.

Additional extension.

In addition to the 6-month extension, you may receive another 6-month extension if you are living or traveling outside the U.S. You must file for the first 6-month extension by the April 15, 2014 due date before applying for the additional extension of time to file.

When to file.

You must submit your request for an extension along with full payment of any tax due by April 15, 2014.

How to avoid penalties and interest.

You will be charged interest of 10% per year, compounded daily, for any tax not paid on time. Interest is calculated from the due date of the return to the date the tax is paid.

You will be charged a 5% per-month penalty for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount due, equal to 25% of the tax due.

Dishonored Checks.

Make sure your check will clear. You will be charged \$65 for any payment you send to OTR that is not honored by your financial institution.

Raising Kids is Complicated. Saving for College is Not.

The DC College Savings Plan is a great way to save for a child's education, or even your own. *And*, it's a great way to save on taxes.

- The earnings potential on every penny you contribute is enhanced by federal and District¹ tax-free growth.
- Deduct up to \$4,000 annually in plan contributions from your federal adjusted gross income on your D.C. tax return (up to \$8,000 for married couples filing jointly if both own accounts).² (If you contributed in 2013, don't forget to claim your current deduction.)³
- Earnings won't be subject to federal or D.C. income tax when withdrawn for qualifying higher education expenses: tuition, room and board, and supplies.
- Amounts greater than \$4,000 contributed to accounts in any one tax year may be carried forward, subject to the annual limit, as a deduction in subsequent tax years, up to five years from the contribution date.
- A change of the designated beneficiary is not a taxable event if the new beneficiary is a member of the family of the former beneficiary.
- Once the account has been in existence for two years, the account owner may roll over any part of the account balance to another state-sponsored college savings plan, with no tax consequences.⁴

To enroll or learn more, please visit www.dccollegesavings.com or call 800.987.4859.

¹ For D.C. taxpayers. ² Rollovers are not considered contributions for D.C. tax purposes. ³ To be eligible for the 2013 tax-year deduction, contributions must have been postmarked by December 31, 2013. ⁴ The tax deduction is subject to recapture if, within two years of establishing the account, the account is rolled over into another state's qualified tuition program.

General Instructions for D-41

Who must file the Form D-41?

You must file a 2013 DC Fiduciary Income tax return if you are the fiduciary of a DC estate or trust and:

- The gross income for the estate is \$1,675 or more for the taxable year; or
- The gross income for the trust is \$100 or more for the taxable year.

Do not file a D-41 if you were appointed by a judge to receive a trust or estate and represent only a part of the property of an individual.

What other DC tax forms that fiduciaries may need to file

D-40 or D-40EZ (Individual Income Tax Return) for a living person

In addition to the Form D-41, a fiduciary who is responsible for the income of a DC resident, such as a minor or someone else unable to administer his or her own assets, must file an individual income tax return for that person if that person meets the income limits.

D-40 for a deceased person

A fiduciary must file a D-40 for the tax year in which the person died unless a spouse/registered domestic partner has filed a joint return for the tax year.

D-41ES Estimated Payments for Fiduciary Income Tax

If you wish to make estimated fiduciary income tax payments, use the D-41ES forms included in this booklet. Send the D-41ES to:

Office of Tax and Revenue
PO Box 96150
Washington, DC 20090-6150

D-41P Payment Voucher

If you are sending a payment to the Office of Tax and Revenue (OTR), please staple the payment to the D-41P. File the D-41P with the D-41. Use the D-41P forms in this booklet. Send the D-41P to:

Office of Tax and Revenue
PO Box 96153
Washington, DC 20090-6153

D-30 Unincorporated Business Franchise Tax Return

A D-30 must be filed by a trust located outside of DC which has gross income in excess of \$12,000 from DC rental property and/or from a taxable DC trade or business.

FR-127F Extension of Time to File Fiduciary Income Tax Return

An extension of time to file of six months may be granted if a valid extension of time to file is requested. In order to be valid, an FR-127F Extension of Time to File Fiduciary form is due by April 15, 2014. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day. A request for an extension of time to file is subject to the following considerations:

- a. If you expect to have a balance due when you file your D-41, you must pay with your timely filed extension request. If you do not expect to have a balance due when you file your D-41, you are not required to file a Form FR-127F if you have reasonably estimated your D-41 tax liability and paid the estimated amount of DC income taxes through withholding or estimated tax payment; and
- b. You should submit a Form FR-127F if you do not expect to have a balance due and you have not filed a request for an extension of time to file for your federal individual income return but wish to request an extension for your DC income tax return.

Penalty and interest charges are imposed on any tax found owing and not paid on time with the extension request.

An extension of time to file does not extend the due date for paying any tax you may owe. Before you file for an extension, estimate the tax owed and pay it in full with the FR-127F by the due date of the D-41 return. FR-127F forms are in this booklet. Send FR-127F to:

Office of Tax and Revenue
PO Box 96161
Washington, DC 20090-6161

D-76 (D-76EZ) DC Estate Tax Return

A fiduciary must file a DC estate tax return if the gross estate is \$1,000,000 or more, even if the federal Estate Tax Return, Form 706 is not required to be filed.

Federal Forms 1099 and 1096 for payees with DC addresses

Fiduciaries representing estates or trusts must file copies of Forms 1099 and 1096 for payees with DC addresses, if such payments are not covered by DC withholding tax statements. This includes estates or trusts that:

- Are engaged in business and making payments to another person for rent, salaries, wages, premiums, annuities, compensation, or other profits; and
- Have earned income of \$600 or more in the taxable year.

What income must grantors and beneficiaries report on their DC tax returns?

Grantors of a trust must report:

- Income distributed to the grantor;
- Income held or accumulated for future distributions;
- Income applied to the payment of premiums on insurance policies on the grantor; and
- Income received from a revocable trust when:
 - The title to any part of the trust is vested in the grantor or
 - The power to revest in the grantor is vested. (The grantor takes back from his/her designated beneficiary/ies ownership of trust funds or property for himself/herself).

Beneficiaries who are DC residents must report income paid or payable from a resident or non-resident trust.

What period should the D-41 cover?

Your filing period may be a calendar year or a fiscal year. If you file a federal Form 1041, the income you report on the D-41 must be based on the same calendar or fiscal year as your Form 1041. A fiduciary may not change from reporting on a calendar year basis to a fiscal year basis or vice versa without written permission from the OTR. To request a period change, write to:

Office of Tax and Revenue, Audit Division
PO Box 556
Washington, DC 20024-0556

When are your taxes due?

April 15, 2014, is the due date for filing your return and paying any taxes due if you are a calendar filer. Fiscal year filers must file by the 15th day of the fourth month after the end of the fiscal year. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day.

How to file your return

This booklet has all the forms and instructions you will need. You are responsible for filing and paying taxes on time whether or not you receive the printed forms.

Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue. The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by DC OTR.

By mail

If mailing a return with a payment, no money due or a refund request, send it to:

Office of Tax and Revenue
PO Box 96153
Washington, DC 20090-6153

Do not include more than one return per envelope.

Assembling your D-41

- **Do not staple or otherwise damage the Bar Code** located in the upper right hand corner of the form or schedule being attached;
- **Do not cross out the tax year on the 2013 return.** If you are not filing a 2013 fiduciary income tax return, do not use this booklet. Request a booklet for the specific year you are filing by calling our Forms Center at (202) 442-6546, or visit our

Customer Service Center at **1101 4th Street, SW, Washington, DC 20024**. You may also visit our website at <http://www.taxpayerservicecenter.com> for prior year(s) fiduciary income tax booklets/returns;

 - Do staple check or money order to the D-41P, Payment Voucher;
 - Do staple Forms W-2 and applicable 1099 to the front of your return;
 - Do staple any of the other required documents listed on this page above behind the return;
 - Do send in an original, signed DC return with attachments, if applicable, not a copy. Please fold your return only once.
-

Payment Options

Check or money order

Include a check or money order, payable to "DC Treasurer", with your completed return. Write the applicable (decedent's or grantor's) social security number (SSN) or Federal Employer Identification Number (FEIN), daytime telephone number, "2013" and the type of form filed ("D-41") on your payment. Attach your payment to the Form D-41P voucher provided in this booklet. Do not attach either to your return.

Form D-41P, Payment Voucher

Use this form when sending a check or money order. Do not staple the voucher to the D-41. Include the D-41P with your D-41.

Electronic Payment Options

By accessing the DC Electronic Taxpayer Service Center (eTSC)

In addition, we offer an easy way to pay your DC fiduciary income tax return on the Internet directly to OTR. This payment option is available to taxpayers who filed a D-41 return prior to submission of the payment. For more information, visit www.taxpayerservicecenter.com.

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at www.taxpayerservicecenter.com for instructions for electronic payments. eTSC does not allow the use of foreign bank accounts.

Payment options are as follows:

- **Electronic check (e-check).** E-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking information at the time of payment instead of storing the information. There is no fee for business e-check payments.

- **ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be eTSC registered to use this payment type, and does not need access to the website. **Note: When making ACH credit payments through your bank, please use the correct tax type code (00150) and tax period ending date (YYMMDD).**
- **ACH Debit.** ACH debit is for registered eTSC business taxpayers only. There is no fee. The taxpayer's bank routing and account numbers are stored within their on-line eTSC account. They can use this account to pay any existing liability. They give OTR the right to debit the money from their bank account.
- **Credit/Debit Card.** The taxpayer may pay the amount owed using Visa, MasterCard, Discover or American Express. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Note: Dishonored payments. Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. If you request a refund to be direct deposited into an account outside of the United States, you will receive a paper check.

Your payment cannot be drawn on a foreign account. You must pay by money order or credit card instead.

Penalties and Interest

OTR will charge:

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the fee are first applied to the fee, then to the penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Criminal Penalties

You will be penalized under the criminal provisions of the DC Code, Title 47, if you are required to file a return or report, or to perform any act, and you:

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;
- Willfully fail to file the return or report timely. If convicted, you will be fined not more than \$5,000 or imprisoned for not more than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax; willfully make fraudulent or false statements; or fail to provide information. See DC Official Code §47-4101 through 4107.

These penalties are in addition to penalties under DC Code §22-2405 for false statements (and any other applicable penalties). Corporate officers may be held personally liable for the payment of taxes.

Enforcement Actions

OTR may use lien, levy, seizure, collection agencies, and liability offset if the taxpayer fails to pay the District within 20 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com.

Special filing circumstances

Amended return

File an amended DC return if your DC tax liability for a prior open tax year (usually 3 years) has changed on the D-41 for the year you are amending. To file an amended return for the current year, complete another 2013 DC fiduciary individual income return and fill in the "amended return" oval on the form. Attach a list with explanations of the changes covered by your amended return.

If you are filing an amended return for a prior year, attach a copy of the return filed for that year. You can download forms from www.taxpayerservicecenter.com or call 202-442-6546 to request forms by mail.

If the Internal Revenue Service (IRS) adjusts your individual federal tax return, you must file an amended DC return within 90 days of receiving notice of the federal adjustment. Attach a copy of the adjusted federal return.

Final return

If you are not required to continue filing a return for an entity, fill in the "final return" oval on the return. We will then cancel your filing requirement.

Getting Started

To complete the Form D-41, in general you will need:

- A copy of your completed 2013 federal return, as applicable (Form 1041 and any additional forms or worksheets related to the return). You can copy many entries directly from federal Form 1041. Please be careful since the line numbers may differ from the District Form D-41;
- Your applicable 1099 form(s) with DC withholding tax or taxable income;
- The social security number of the owner/decedent if the trust/estate does not have an identification number;
- A pen with black ink;
- A calculator.

Not all items will apply. Fill in only those that do. If an amount is zero, make no entry, leave the line blank.

Do not enter cents. Round to the nearest dollar.

Examples:

\$10,500.50 rounds to \$10,501

\$10,500.49 rounds to \$10,500

Taxpayer Identification Number(s) (TIN)

You must have a TIN, whether it is a Social Security Number (SSN) or Federal Employer Identification Number (FEIN).

- A SSN is a valid number issued by the Social Security Administration (SSA) of the United States Government. To apply for a SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213;
- A FEIN is a valid number issued by the Internal Revenue Service (IRS). To apply for an FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses by clicking on Employer Identification Number (EIN) under Starting a Business. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).

You must wait until you receive either number before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid. You could be subject to a balance due or disallowance of credits or exemptions, if your TIN is missing, incorrect or invalid.

Filling out the form

The diagram shows four examples of how to fill out the form:

- Example 1:** A row of boxes containing the name "ROBERTS". The instruction says "Stay inside the boxes. Use black ink and print in CAPITAL letters." The name is correctly filled in.
- Example 2:** A row of boxes containing "2009" followed by a space and then "JOE". The instruction says "Leave a space between words and between words and numbers." This is the correct way to fill it.
- Example 3:** A row of boxes containing "\$ 57 204". The instruction says "Enter dollar amounts so single dollars are always in the right-most box. Do not enter cents. Round cents to nearest dollar." This is the correct way to fill it.
- Example 4:** A row of boxes containing "37" followed by a space and then "37". The instruction says "Write 3s with a rounded top, not a flat top." The first "37" is correct, but the second "37" has a flat top and is crossed out with a red 'X'. Below it, the instruction says "Write 7s without a middle bar." The "37" has a middle bar and is also crossed out with a red 'X'.

Below the examples, there is a row of three ovals. The first is a solid black oval. The second has a checkmark inside. The third has an 'X' inside. The instruction says "Fill in ovals completely. Do not check or 'X' ovals."

Personal information

Complete the personal information as instructed using CAPITAL letters and black ink. Use one block per letter, including a space between address fields. Please write clearly, as lack of clarity can delay processing of your return.

Entity type

Fill in the oval that describes the entity for which you are filing.

Trust type

Fill in the oval that describes the trust type as applicable.

Signature

The fiduciary or the person authorized to represent the organization controlling the income of the estate or trust must sign the return. If the return was prepared by a paid preparer, he or she must sign the return and provide their identification number.

Attachments

Attach a copy of the will or trust agreement to this return in PDF format on a CD. Also, if you have not already done so, attach a statement listing the amounts of income of the estate or trust taxable to:

- The estate or trust;
- Its beneficiaries; and
- The grantor of the trust.

If you filed these documents before, do not file them again unless they have been amended. If the documents are amended after being filed, a copy of the amendment must be filed with the return for the taxable year in which the amendment is made. A statement must also be filed explaining the effect of the change(s).

Send in your original return and attachments, if applicable; please keep a copy of the filed return for your records.

Do not understate your taxes

There may be a penalty if an understatement of the tax required to be shown on the D-41 return you file exceeds the greater of:

- 10% of the tax required to be shown on the return; or
- \$2,000.

The penalty is 20% of the excess of the amount required to be shown on the return over the tax shown on the return.

Preparer Tax Identification Number (PTIN)

If you are a paid tax preparer, you are required to have an IRS PTIN issued by the IRS. If you use a paid preparer, they are required to have an IRS PTIN issued by the IRS. Although you may use a paid preparer, you the taxpayer(s) are responsible for the filing and payment of your tax return. A PTIN is a number issued and authorized by the IRS to someone who can prepare or submit a return on your behalf. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

Paid preparers must pay a penalty for understating taxes where:

- The refund or amount due is based on unrealistic information; or
- The preparer should have been aware of a relevant law or regulation; or

- Relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000.

Specific Line Instructions

Income

Line 1 Federal total income. Enter the amount from your federal Form 1041.

Line 2 Additions to federal total income. This is income, if any, that is taxed by DC but not by the federal government. It also includes deductions taken on the federal return but not allowed by DC. You must add these items back to your federal total income to compute your DC tax. Complete **Calculation A** on page 5.

Note: Unlike the federal government, DC does not allow the additional bonus depreciation under Internal Revenue Code (IRC) Section 168(K), nor the additional IRC Section 179 expenses. Therefore, any such amounts claimed on the federal return cannot be claimed on the DC return. Also, the Net Operating Loss Carry back allowed for federal tax purposes is not allowed for DC tax purposes.

Line 4 Subtractions from federal total income. This is income, if any, that DC does not tax. Subtract it from your federal total income to determine your DC fiduciary income. Complete **Calculation B** on page 5.

Deductions and Exemptions

Line 9 Other deductions. Add amounts on Lines 12, 13, 14, 15a, 15b and 19 of your federal Form 1041. These include deductions for fiduciary fees; charitable contributions; attorney, accountant, and tax preparer fees; estate tax deductions and other miscellaneous deductions.

Line 10 Exemption. Enter \$1,675 for estates and \$100 for trusts.

If you are filing an estate return and it covers less than a year, you must prorate the exemption amount. Multiply the number of months the estate was active by \$139.58.

To calculate the number of months the estate was active, divide the number of days the estate was active by 30. Any remainder over 15 days counts as a full month.

Example: 196 days divided by 30 = 7 months (6 months plus a remainder of 16 days).

Line 11 Total deductions and exemptions. Add Lines 6-10

Line 12 Taxable fiduciary income. Subtract Line 11 from Line 5.

Line 14 Credit for taxes paid to other states. Add all tax amounts paid to other states that would be deductible for DC tax purposes. To be deductible, taxes paid to other states must be fiduciary income tax paid to another state while a DC resident. In addition, the tax paid must be on income that is of a kind taxable by DC.

Line 15 Net tax on fiduciary income. Line 13 minus Line 14.

Line 16a Income tax withheld. Income tax withheld from the W-2 or 1099 forms.

Line 16b 2013 estimated fiduciary income tax payments.

Line 17 Payments made with extension of time to file from FR-127F calculation, Line 3.

Line 18 If this D-41 is an amended 2013 return, enter payments made with original D-41

Line 19 Total payments. Add Lines 16a-18

Line 20 Amount of overpayment. If Line 19 is more than Line 15, subtract Line 15 from Line 19.

Line 21 Amount, if any, to be applied to 2014 estimated tax.

Line 22 Refund. Subtract Line 21 from Line 20.

Line 23 Amount owed. If Line 19 is less than Line 15, subtract Line 19 from Line 15.

Additional extension for DC residents living or traveling outside the United States.

In addition to the 6-month extension, you may receive an additional 6-month extension. You must file for the first 6-month extension by the due date before applying for the additional extension of time to file. You must use Form FR-127F to request an extension of time to file a DC fiduciary return.

When is the Form FR-127F due?

- Calendar year filers: you must submit your request along with payment in full of any tax due by April 15, 2014.

If you have an extension, when is your fiduciary income tax return due?

You may file your tax return any time before the extension expires.

Extension of time to file the D-41

- October 15, 2014 for calendar year filers; or

General Instructions for the D-20

Who must file a Form D-20?

Generally, every corporation or financial institution must file a Form D-20 (including small businesses, professional and S corporations) if it is carrying on or engaging in any trade, business, or commercial activity in the District of Columbia (DC) and/or receiving income from DC sources including activities in DC that benefit an affiliated entity of the taxpayer.

If you perform services in DC for subsidiary corporations, you are carrying on a trade or business.

A corporation that engages an independent agent or a representative who solicits orders in DC for more than one principal and who holds himself/herself out as such must file a DC Form D-20.

Treat income from sales of tangible personal property or services to the United States Government as income from a DC source unless the:

- Corporation's principal place of business is outside DC;
- Property is delivered from outside DC; and
- Property is for use outside DC.

For District tax purposes, an S corporation is a C corporation. Therefore, it must file form D-20 and prepare all the schedules on the D-20. The fact that an S corporation does not have similar schedules on the federal form should not be considered as a relief for S corporation from completing the schedules on the D-20.

You might not have to file a Form D-20 if the corporation has been granted an exemption by the DC Office of Tax and Revenue (OTR). If you are an exempt organization with unrelated business income, as defined in the Internal Revenue Code (IRC) §512, you must file a Form D-20, by the 15th day of the fifth month after the end of your tax year. You are required to pay at least the minimum tax even if your tax is less than the minimum tax.

Minimum Tax

The minimum tax is \$250 if DC gross receipts are \$1M or less. Minimum tax is \$1,000 if DC gross receipts are greater than \$1M. DC Gross receipts for purposes of minimum tax includes District gross receipts that are derived from any activity such as sales, rents, services, commissions, etc., from any source within the District. Gross receipts are determined without deduction of any expenses.

See Minimum Tax Liability Gross Receipts Worksheet (MTLGR) below. You must complete Schedule F even if your operation is 100% in the District.

Minimum Tax Liability Gross Receipts (MTLGR) Worksheet

DC gross receipts for minimum tax due and only for minimum tax due is computed as follows:

1	Amount from numerator of DC sales apportionment factor from Schedule F, Line 3, Column 2 of D-20 or D-30	1 \$	
2	Add the adjusted basis of property (less depreciation) for which gains reported in Line 1	2 \$	
3	Add Non-Business income allocated to DC reported per D-20 Line 33 or D-30, Line 30	3 \$	
4	Total Gross Receipts (Add Lines 1, 2 and 3)	4 \$	

Minimum Tax

The minimum tax is \$250.00 if the amount on Line 4 above is \$1,000,000 or less

The minimum tax is \$1,000.00 if the amount on Line 4 above is greater than \$1,000,000

Business Non-Refundable and Refundable Credits, Schedule UB

The various non-refundable and refundable credits available to businesses have been consolidated on Schedule UB. The total non-refundable credits from Schedule UB, Line 6 are reported on Line 39 of the D-20. The total refundable credits from Schedule UB, Line 9 are reported on Line 41(c).

FR-128, Extension of Time to File a DC Franchise or Partnership Return

You may request an extension of time to file your return by filing DC Form FR-128 (copy included in this booklet) no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied, and you may be subject to penalties for failure to file or failure to pay. Do not use the federal extension form for DC tax purposes. For combined report filers, the designated agent shall file.

D-20ES, Declaration of Estimated Franchise Tax for Corporations

A corporation must file a declaration of estimated franchise tax if it expects its DC franchise tax liability to exceed \$1000 for the taxable year. See the Form D-20ES booklet, Declaration of Estimated Franchise Tax for Corporations, for payment vouchers and details. You will automatically be assessed a penalty for any underpayment of DC estimated tax.

Note: Electronic payment required. If your franchise estimated tax liability payment exceeds \$5,000 within a period, you must pay electronically. Visit www.taxpayerservicecenter.com.

D-2220 Underpayment of Estimated Franchise Tax By Businesses

You will be charged 10 percent per year, compounded daily, on underpayments of estimated franchise tax installment payments. The charge is computed from the installment payment due date to the date the tax is paid. It is in addition to the penalty imposed for false statements. The 10 percent penalty will be assessed automatically by OTR's integrated tax system. For additional information, see Form D-2220, Underpayment of Estimated Franchise Tax by Businesses. Attach a completed Form D-2220 with your D-20.

FR-399 Qualified High Technology Companies (QHTC)

If you are a QHTC, you may be eligible for certain tax credits. You must file certain forms to claim these credits. For forms and details, see Publication FR-399, QHTC. FR-399 is available at www.taxpayerservicecenter.com and at our 4th Street location. If you are a QHTC, fill in the QHTC oval on page 1 of the D-20 and attach the QHTC-CERT form from the FR-399 to the D-20.

FR-1500 Ballpark Fee

If you have \$5 million or more in annual DC Gross Receipts, you must file and pay the ballpark fee, Form FR-1500 electronically. For details, visit www.taxpayerservicecenter.com, click on 'Business Tax Service Center', and then click on 'Ballpark-Related Fees and Taxes'. Note: Each member of a combined group is responsible for filing and paying its own ballpark fee.

Combined Reporting

The District of Columbia no longer permits consolidated filing for tax years beginning on and after January 1, 2011. For tax years beginning on and after January 1, 2011, a corporation or unincorporated business entity subject to tax in the District of Columbia, engaged in a unitary business with one or more corporations or unincorporated business entities, is required to file a combined report pursuant to D.C. Official Code §47-1805.02a.

Combined reporting is a tax reporting method where all of the members of a unitary group are required to determine their net income based on the activities of the unitary group as a whole. Unitary group members will calculate their taxable net income derived from the unitary business as its apportioned share of the income or loss of the combined group engaged in the unitary business.

A "Unitary business" means a single economic enterprise that is made up either of separate parts of a single business entity or of a commonly owned or controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts.

The combined reporting regulations are contained in DCMR Title 9, Taxation and Assessments, §§156 through 176. Examples and Schedules for combined reporting are located on our website at www.taxpayerservicecenter.com under the "Combined Reporting for Business Entities" tab.

When are your taxes due?

Non-exempt organizations must file their return and pay any tax due by:

- Calendar year filer – March 15th; or
- Fiscal year filer – the 15th day of the third month after the tax year closes.
- Exempt organizations – the 15th day of the fifth month after the end of your tax year.

If the due date falls on a Saturday, Sunday or legal holiday, the return is due the next business day.

Taxable year

Enter the taxable year ending date on page 1 of the D-20. It can be either a calendar year or a fiscal year. You must receive OTR approval to change your taxable year. Combined report filers shall use the designated agent's tax year.

How to file your return

By mail

- If mailing a return with a payment, make the check or money order payable to the DC Treasurer. Write your FEIN, D-20, and the tax year on the payment. Staple your payment to the voucher Form D-2030P and fill in the oval for D-20 return. Do not attach the D-2030P and payment to the return D-20. Send your return and payment to:

Office of Tax and Revenue
PO Box 96166
Washington, DC 20090-6166

- If mailing a no payment due or refund return, send the return to:
Office of Tax and Revenue
PO Box 96148
Washington, DC 20090-6148

Mail labels for these two post office boxes are on the back flap of the return envelope included in this booklet.

Send in your original DC return with any schedules, not a copy. Fold your return once. Be sure to keep a copy for your records.

By accessing the DC Electronic Taxpayer Service Center (eTSC)

Corporate taxpayers may file the D-20ES, Declaration of Estimated Franchise Tax for Corporations, or the FR-128, Extension of Time to File a DC Franchise or Partnership Return by accessing the DC eTSC website. There is pre-registration required. Allow 5 - 7 business days for processing. Visit www.taxpayerservicecenter.com for information on completing an eTSC application.

Payment options

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at www.taxpayerservicecenter.com for instructions for electronic payments.

Payment options are as follows:

- Electronic check (e-check).** E-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking information at the time of payment instead of storing the information. There is no fee for business e-check payments. eTSC does not allow the use of foreign bank accounts for business e-check.
- ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be eTSC registered to use this payment type, and does not need access to the website.

Note: When making ACH Credit payments through your bank, please use the correct tax type code (00250) and tax period ending date (YYMMDD).

- ACH Debit.** ACH debit is for registered eTSC business taxpayers only. There is no fee. The taxpayer's bank routing and account number are stored within their online eTSC account. They can then use this account to pay any existing liability. In this instance, they give OTR the right to debit the money from their bank account. eTSC does not allow use of foreign bank accounts for business ACH Debit.
- Credit/Debit Card.** The taxpayer may pay the amount owed using Visa, MasterCard, Discover or American Express. You will be charged a fee equal to 2.5% of the tax payment. The fee is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.
- Check or money order.** Include a check or money order, payable to the DC Treasurer, with your completed return. Write your Federal Identification Number (FEIN), daytime telephone number, '2013', and D-20. Attach your payment to the Form D-2030P Payment Voucher provided in this booklet. Mail the D-2030P **with**, but not attached to the D-20 tax return to:

Office of Tax and Revenue
PO Box 96166
Washington, DC 20090-6166

Note: Dishonored payments. Make sure your check will clear. You will be charged a \$65 fee if your check is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. If you request your refund to be direct deposited into an account outside of the United States, you will receive a paper check. Your payment cannot be drawn on a foreign account. Pay by money order or credit card instead.

Penalties and interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payment received by OTR on accounts subject to the fee, then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Special circumstances

Office of Tax and Revenue (OTR) rulings

All rulings issued prior to December 31, 2002 were revoked. Taxpayers cannot rely on these rulings unless they were resubmitted to the OTR for review, and if approved, reissued. Direct any ruling questions to OTR, General Counsel at (202) 442-6500.

Special rules on depreciation and business expenses

For federal tax purposes, businesses may deduct additional bonus depreciation and additional IRC §179 expenses. DC does not allow the additional bonus depreciation deduction nor any additional IRC §179 expenses. Do not claim the 30 or 50 percent federal bonus depreciation deduction or the additional IRC §179 expenses on your DC return. DC limits the IRC §179 expense deductions to \$25,000 (\$40,000 for a Qualified High Technology Company (QHTC)).

Net operating loss (NOL) carry backs

For federal tax purposes, businesses are allowed to carry back a NOL. DC does not allow NOL carry backs. Therefore, you may not claim a NOL carry back for DC tax purposes.

Discharge of indebtedness

The District has decoupled from the section of the American Recovery and Reinvestment Act of 2009 which allows exclusion and deferral from gross income of a discharge of indebtedness. For District tax purposes, a discharge of indebtedness results in income that is includible in gross income.

Amended returns

You must use the D-20 tax form of the year you are amending. If the return is for tax year 2001 or later, fill in the 'Amended Return' oval on Page 1 of the D-20 and complete the 'Tax Year Ending' box. Attach a detailed statement of the adjustment(s) and the amount of any refund received.

If the Internal Revenue Service (IRS) adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days of the IRS notice. If the federal adjustment makes you eligible for a DC tax refund, you must file for the DC refund within 180 days of the adjustment or filing the amended return.

Mail the amended return and any additional attachments to the:
Office of Tax and Revenue
PO Box 96166
Washington, DC 20090-6166

Final return

If you are not required to continue filing a return due to the ending of business operations, shade the 'fill in if final return' oval on the return. We will then cancel your filing requirement. Do not use this oval to indicate the return is the final for the period being reported.

Getting started

To complete the Form D-20, in general you will need:

- Copies of your completed 2013 federal forms, as applicable (1120, 1120S, 4797, 4562, etc.)

- A FEIN must be a number issued by the IRS. To apply for a FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses and click on Employer Identification Number (EIN) under Starting a Business. Corporate tax rate and minimum tax

The tax rate is 9.975 percent on your "Total District taxable income" on Line 36. The minimum tax is \$250 if your DC gross receipts are \$1 million or less. It is \$1,000 if your DC gross receipts are greater than \$1 million, even if you have a loss.

Incomplete forms will delay processing

Complete all items on the D-20 and all applicable schedules including combined schedules, otherwise OTR will send the return back to you for completion and resubmission.

Help us identify your forms and attachments

Write your FEIN, tax period, business name and address on any statements submitted with the return or filed separately. The FEIN is used for tax administration purposes only.

For members filing under combined reporting, please ensure you place your EIN in the 'Federal Employer I.D. Number' field and the designated agent's FEIN in the 'Designated Agent FEIN' field. Fill in the oval for "Combined Report."

Note: The District will allow submission of the D-20 return using a CD. D-20 filers must print and submit pages 1-6, Schedule UB, Worldwide Combined Reporting Election Form and D-2220 if applicable. Signature and verification

An authorized officer or designated agent of the corporation must sign and date the return. A receiver, trustee, or assignee must sign any return that he/she is required to file for the corporation. Any person who prepared the return for compensation must also sign, date and provide the necessary identification number. If a firm or corporation prepares a return, it should be signed in the name of the entity. The signature requirement does not apply when a taxpayer's regular employee prepares the return. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

Preparer Tax Identification Number (PTIN)

IRS rules have changed. If you are a paid preparer, you are required to have a PTIN issued by the IRS. A PTIN is a number issued and authorized by the IRS to file a return on the taxpayers' behalf.

Explanation of terms

Business income

This is income from transactions and activities occurring in the regular course of the trade or business. It includes income from tangible and intangible property if the acquisition, management and disposition of the property are part of the taxpayer's regular trade or business operations. Income of any type — manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating and non-operating income from any class or from any source — is business income if it is from transactions and activities occurring in the regular course of a trade or business. Whether income is business or non-business depends on the underlying transactions and activities — the elements of a particular trade or business. In general, transactions and activities that depend on or contribute to the operation of your enterprise constitute your trade or business.

Commercial domicile

The principal place from which you direct or manage your trade or business.

Compensation

Wages, salaries, commissions and other forms of remuneration paid or accrued to employees for personal services.

Non-business income

All income except business income.

Transportation company

Any business engaged in transporting persons, goods, or property of others for hire.

Sales

All gross receipts which are not required to be allocated.

Taxable in another state

For purposes of allocating and apportioning income among DC and other jurisdictions, you must be subject in that jurisdiction to:

- a net income tax, a franchise tax measured by net income,
- a franchise tax for the privilege of doing business, or
- a corporate stock tax, or
- that state has the jurisdiction to subject the taxpayer to a net income tax regardless of whether in fact, the state does or does not.

Specific Instructions

Negative amounts

If you enter a negative amount on a line, fill in the oval to the left of the entry where it states: "Fill in if minus", **do not enter a minus sign or parenthesis.**

Allocation and apportionment required

You must complete Schedule F even if your operation is 100% in the District. Any corporation carrying on a trade or business in DC and other jurisdiction(s) must apportion its business income among DC and the other jurisdiction(s).

Apportion DC net income from trade or business activities using the appropriate apportionment factor. See D-20, page 4, Schedule F.

Non-business income

All non-business income must be allocated.

Allocating to DC

Allocate items of non-business income to DC. The following gains and losses from sales or other dispositions are allocated to DC:

- Real property located in DC (other than realty used in the trade or business whether held for sale or otherwise);
- Tangible personal property (other than any tangible personal property used in the trade or business whether held for sale or otherwise) if:
 - The property had a situs in DC at the time of sale; or
 - Your principal place of business is in DC and you are not taxable in the situs state; and
- Intangible personal property (other than intangible personal property of any kind used in the trade or business whether held for sale or otherwise) is allocable to DC if the taxpayer's principal place of business is in DC.

Allocate to DC net rents and royalties from real property located in DC.

Allocate to DC any non-business interest and dividends from sources in DC unless specifically excluded from tax and/or subject to apportionment as business income.

Allocate to DC, non-business rents and royalties from patents, copyrights, trademarks, service marks, secret processes and formulas, franchises and other like property (if not used in the trade or business). These royalties are allocated according to the patent's location or use, or where the copyrighted material is published or used. If DC is the principal place of business of a corporate entity, not subject to tax anywhere else, then the rent or royalty income is allocable to DC.

Income from the sale of tangible personal property to the United States Government by a corporation that has its principal place of business outside DC is income from DC sources if the property is delivered from outside DC for use in DC.

All other non-business income derived from sources in DC is allocable to DC.

Where income is allocable among DC and other jurisdictions allocate all expenses, losses and other deductions incurred in the production of the income in the same way. Losses incurred in the production of non-business income are allowable only if profits from the transaction would be taxable.

Gross Income

NOTE: When OTR requests that a statement be attached, the statement should show the source of the items making up the entry.

D-20, page 1, line-by-line

Line 1 Gross receipts, minus returns and allowances

Enter the total gross receipts from sales and operations, minus returns and allowances.

Line 2 Cost of goods sold and/or operations

Enter the figure from D-20, Schedule A, Line 7. If the production, manufacture, purchase, or sale of merchandise is an income-determining factor in the trade or business, you must take inventories of merchandise at the start and end of the tax year. You may value them at cost or cost or market, whichever is lower; or by another IRS-approved method. You must continue to use the method you choose until you get permission from the Office of Tax and Revenue to change. If the inventories do not agree with the balance sheet figures, attach a statement explaining any differences.

Cost of operations (where inventories are not an income-determining factor): If the amount entered on Line 2 includes an amount associated with the cost of operations, attach a detailed statement showing: (1) salaries and wages; and (2) other costs.

Line 3 Gross profit from sales and/or operations

Enter the result of Line 1 minus Line 2.

Line 4 Dividends

Enter the total of all dividends reported on D-20, page 3, Schedule B. Do not include Subpart F income (as defined in IRC §952); and dividends from wholly-owned subsidiaries.

Include on Line 29(a) all dividends from sources outside DC that are not trade or business income. Dividends received by corporations, financial institutions, or investment firms are business income not subject to allocation. Do not include dividends paid on securities issued by the United States or its instrumentalities, if it is non-business income.

Dividends received from the following corporations with their principal place of business in DC are non-business income:

- Corporations subject to this franchise tax;
- Insurance corporations, including bonding companies and real estate title insurance companies; and
- Banks, if the bank dividends were paid to a bank-holding company.

Line 5 Interest

Enter all the interest which the corporation received or is credited with during the tax year, including interest paid on obligations of a State, Territory of the United States, or any of their political subdivisions, except those of DC.

Exclude any interest income on obligations or securities issued by the United States or its instrumentalities which is included in income for federal tax purposes.

Interest received by a corporation not engaged in a trade or business in DC is not considered income from DC sources if it is from one of the following organizations with a principal place of business in DC:

- Corporations subject to this franchise tax;
- Insurance corporations, including bonding companies and real estate title insurance companies; and
- Banks, if the bank interest was paid to a bank-holding company.

Report this non-business interest income on Line 29(a). When interest income is related to trade or business activity, carried on or engaged in, in DC enter it on Line 5, do not enter it on Line 29(a). Attach a statement providing the detailed description and amount.

Line 6 Gross rental income

Enter from D-20, page 5, Schedule I the gross rental income you received from real or personal property rental. Enter expenses such as repairs, interest, taxes and depreciation on the Schedule I. Enter rental income related to a trade or business on Line 6, do not enter it on line 29(a).

Note: DC does not allow the additional bonus depreciation allowed under federal law and limits the additional IRC §179 expenses. If you claimed bonus depreciation on your federal return, adjust the depreciation you claim on the D-20 by that amount. Attach a computation showing that your DC claimed depreciation does not include the federal bonus depreciation and that the basis of the depreciated property for DC tax purposes has not been reduced by the additional federal bonus depreciation amount. DC allows a maximum of \$25,000 in IRC §179 expenses (\$40,000 for a QHTC). If you claimed these additional expenses on your federal return, reduce such expenses taken on your D-20 by that additional amount.

Line 7 Gross royalties

Report royalty income and related expenses on the D-20 in the same manner and detail as rental income and rental expenses. Royalties from patents you developed from the licensing of processes or a trade name and sales of know-how are business income.

Line 8(a) Net capital gain

Capital gains or losses are treated by DC in the same manner as they are for federal corporation income tax purposes. (See detailed instructions on federal Schedule D, Form 1120, U.S. Corporation Income Tax Return.) IRC §1231 gains are business income.

Note: Since the additional federal bonus depreciation is not allowed for DC tax purposes, recalculate the capital gain/loss you reported on your federal return without taking into account the additional federal bonus depreciation. Attach a statement showing the adjustment.

Note: Depreciation recapture is considered ordinary income and is to be reported on the D-20.

Line 8(b) Ordinary gain (loss) from Part II, Federal Form 4797

Enter the total ordinary gain (or loss) from federal Form 4797 Sales of Business Property. Attach a copy of your Form 4797 to the D-20.

Line 9 Other Income (loss)

Enter the total income not reported elsewhere on the return; attach a

detailed statement. Enter any International Banking Facility income on Lines 9 and 29(a); attach a detailed statement listing the source of this income. Do not enter other income related to a trade or business on Line 29(a); enter it on line 9. Attach a statement.

Line 10 Total gross income

Enter the total of Lines 3 - 9.

Deductions

Line 11 Compensation of officers

Enter the total compensation for all officers shown on D-20, page 3, Schedule C. Include compensation for services rendered in any capacity, other than salaries connected with the production of income from U.S. Treasury securities included on Line 29(b).

Line 12 Salaries and wages

Enter all salaries and wages not deducted elsewhere on the return, except salaries connected with the production of income from U.S. Treasury securities. Also, do not include wages connected with computing the Economic Development Zone incentives credit, QHTC wage credit, Bone Marrow Credit and Social Living Credits.

Line 13 Repairs

Enter the cost of incidental repairs, including labor, supplies and other items that do not add to the value of, or appreciably prolong, the property's life. You may charge a capital account for new buildings, machinery, equipment and/or permanent improvements or betterments that increase the value or appreciably prolong the life of the property.

Line 14 Bad debts

Report bad debts in the same manner as you report them for federal tax purposes. Attach a copy of any information you submitted with your federal return.

Line 15 Rent

Enter rent paid or accrued for business property in which you have no equity. If property is leased from an affiliated corporation, or from one of the stockholders, attach a statement giving the lessor's name and address, rent paid and a description of the property.

Line 16 Taxes

Enter taxes reported on D-20, page 3, Schedule D. Note: Taxes reported on your federal Form 1120 must be reported on Schedule D. Do not deduct these taxes:

- Income and excess profit taxes;
- DC franchise tax; and
- Taxes assessed for local benefits of a kind tending to increase the value of the property assessed.

Payments to related parties

(Lines 17 and 22). DC legislation allows the deduction of certain interest and intangible expenses, including royalty expenses paid directly or indirectly to related parties if:

- the principal purpose of the payment was not the avoidance of tax;
- the payments were made at arm's length; and
- the related party paid income tax equal to or greater than 4.5 percent of the amount of interest or intangible expense in another jurisdiction.

You are allowed ordinary and necessary deductions if the income they are related to is subject to the DC corporation franchise tax; and,

subject to IRC limitations either directly or through the inclusion of this income, in the determination of the DC apportionment factor.

Line 17(a) Interest

Enter interest paid or accrued on business debt. If any interest income is not taxable, then the related interest expense is not deductible.

Line 17(b) Minus nondeductible payments to related entities

Subtract the nondeductible payments made to related parties. Refer to **Payments to Related Parties** instructions.

Line 18 Contributions and/or gifts

Schedule E – Reconciliation of the Net Income Reported on Federal and DC Returns

Complete this schedule to explain any differences between the net income reported on your federal return and that reported on your D-20.

Schedule F – DC Apportionment Factor

Corporations engaging in a trade or business both in and outside DC must use the property, payroll and sales factor formula to apportion their business income. Corporations domiciled in DC and not subject to tax elsewhere must report 100% of their net business income as DC income and allocate 100% of their non-business income to DC.

Corporations carrying on a trade or business in DC and in other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the property factor plus the payroll factor plus the double weighted sales factor. The denominator is four, reduced by the number of factors without a denominator.*

Financial institutions must use a two-factor formula, determined by multiplying the financial institution's base (net income for the tax year) by an apportionment fraction. The numerator is the sum of the payroll factor plus the gross income factor; the denominator is 2.

• **Property Factor**

- The property factor is a fraction; the numerator is the average value of real and tangible personal property you owned or rented and used in DC during the tax year to produce business income. The denominator is the average value of real and tangible personal property you owned or rented everywhere and used during the tax year to produce business income. Do not include in the numerator or the denominator any property or portion of property, not used to produce business income.

- **Transportation companies**, in addition to that stated above, have a numerator which also includes the portion of the average value of its vehicles, rolling stock, aircraft, watercraft and other equipment used during the taxable period to transport persons and property both in and outside DC. This portion is determined by comparing the total miles per unit of its equipment traveled in DC with the total mileage traveled everywhere by each class of its property.
- **Railroad companies** – the classes of property are those you must report for DC personal property tax purposes (DC Code §47-1512).

For property used in any activities where the income from which is allocable or apportionable, you may use any method that properly reflects the portion of the average value used to arrive at the property factor. This is subject to the approval of OTR.

Property you own is valued at its original cost to you plus the cost of any additions and improvements you made. If you cannot determine your original cost or if the cost is zero, value the property at its market value when you acquired it.

Property rented to you is valued at eight times the net annual rental rate. This is the annual rental paid by you minus any annual rental received from sub-rentals, if the rental and sub-rental rates are reasonable. Net annual rental also includes the amounts paid or accrued for property use or rental of facilities of another. This applies whether paid as rent, as reasonable compensation for use or under any other designation, pursuant to statutory enactment, lease, or rental agreement of any kind, contract, or otherwise. Payments for leased property capitalized as rent for federal tax purposes are includible in this factor only to the extent of their capitalized value for federal tax purposes. If OTR determines that any net annual rental rate or sub-rental rate is unreasonable, or if a nominal or zero rate is charged, OTR may determine and apply a rate that reasonably reflects the property's rental value.

To determine the property's average value, average its value at the start and at the end of the tax period. You may use monthly or quarterly values during the tax period, if necessary, to properly reflect the average value of the property (subject to OTR approval).

- **Payroll Factor**

- The payroll factor is a fraction: the numerator is the total compensation you paid to or accrued for persons performing services in DC during the tax year. The denominator is the total compensation you paid or accrued everywhere during the tax year. The value of compensation paid or accrued other than in cash is its fair market value on the date of payment or accrual. Do not include in either the numerator or denominator any compensation paid or accrued to employees for personal services rendered in the production of non-business income. Also, do not include payments to independent contractors.
- **Transportation companies** — the numerator of the payroll factor also includes the total compensation paid or accrued to employees employed on vehicles, rolling stock, aircraft, watercraft and other equipment you used during the taxable period to transport persons and property between DC and other jurisdictions. To determine this amount, apply the percentage computed (as described in the property factor)

to the total compensation.

If compensation is paid or accrued for services the income from which can be allocated or apportioned, you may use any method that properly reflects the portion of the average value of the compensation used to arrive at the payroll factor. The method used is subject to OTR approval.

Compensation is paid or accrued in DC if:

- The individual's services are performed entirely in DC; or
- The individual's services are performed in DC and other jurisdictions, but the services performed outside DC are incidental to the individual's services in DC; or
- Some of the individual's services are performed in DC and:
 - (1) the base of operations is in DC or if there is no base of operations in DC, the place from which services are directed or controlled is in DC; or
 - (2) the base of operations or place from which services are directed or controlled is not in DC, or in any state where some part of the services are performed, but the individual's residence is in DC.

- **Financial institutions** — the payroll factor is a fraction: the numerator is the total the financial institution paid or accrued in DC as compensation. The denominator is the total compensation the financial institution paid or accrued everywhere during the tax year. Compensation is paid in DC if it is paid to an employee located or having a regular presence in DC. Any compensation paid to an employee located in a state where the financial institution is not taxable is treated as paid in DC, if the institution's principal office is in DC.

- **Sales Factor**

- The sales factor, except for transportation companies, is a fraction: the numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year (using UDITPA rules).
- **Transportation companies** — the sales factor is a fraction: the numerator is the total revenue units the company first received as originating or connecting traffic at a point in DC. Add to this the total of revenue units the company discharged or unloaded at a point in DC, upon termination of the transportation movement or upon transfer to a connecting carrier. The denominator is twice the total revenue units originated everywhere during the tax year. One ton of freight equals one revenue unit; ten passengers equal one revenue unit. If the company's revenue is predominantly from transporting passengers, you may use the number of passengers loaded and discharged, in place of the originating and terminating tonnage.
- **Tangible personal property sales**, including sales to the U.S. Government, are considered as taking place in DC, regardless of where title is transferred, F.O.B. point, or other sales conditions, if the property:
 - Is delivered or shipped to a purchaser in DC; or
 - Has an ultimate destination in DC, after all transportation (including that of the purchaser's) is complete; or
 - Is delivered or shipped from an office, store, factory, warehouse or other storage place in DC to a purchaser in a jurisdiction outside DC — and you are not taxable in that jurisdiction.

Except for transportation companies, non-tangible personal property sales are considered to take place in DC if the income-producing activity or service is performed:

- In DC; or
 - The proportion of the income-producing activity or service performed in DC is greater than that performed in any other jurisdiction, based on performance cost.
- **Financial institutions** — the sales factor is a fraction: the numerator is the financial institution's gross income in DC during the tax year. The denominator is the financial institution's total gross income during the tax year.
- A financial institution whose commercial domicile is in DC and which is subject to tax in another jurisdiction, includes in the numerator of the DC income factor, any income which the other jurisdiction does not require to be included in the numerator of its income factor.
 - If the predominant part of the secured property is or will be located in DC, treat all interest, loan placement fees, discount, net gain and other forms of gross income from each loan, secured primarily by real estate, as located in DC.
 - If the loan originated in DC, treat all interest, loan placement fees, discount and net gain from unsecured loans and loans secured primarily by tangible or intangible personal property, or any resulting interest, as located in DC.
 - For any financial institution whose commercial domicile is in DC, treat income from securities, investments, money market instruments, or any other source not required to be apportioned to outside DC, as located in DC. This income includes, but is not limited to, interest, dividends and net gains.
 - Treat all fees, commissions, service charges and other forms of gross income from sales of depository or financial services as located in DC if the service is performed in DC. Include sales or services performed in two or more tax jurisdictions in the numerator of the jurisdiction where the most income-producing activity is performed, based on performance cost.
 - If the property is located in DC, treat gross income from leases of tangible property as located in DC.
 - If the financial institution's principal office is located in DC, then treat all income (previously described) that is located in a jurisdiction where the financial institution is not subject to tax as being located in DC.

General

If your use of the income allocation and apportionment rules results in a tax that does not fairly represent your tax liability on income from your trade or business or from non-business sources in DC, you may petition for, or OTR may require, if reasonable:

- a separate accounting, unless the entity is conducting a unitary business;
- exclusion of one or more factors;
- inclusion of one or more factors that reflect the extent of your trade or business in DC; or
- use of any other method to effect a fair allocation and apportionment of income.

Schedule G - Balance sheets (page 4 of Form D-20)

Submit balance sheets for the start and end of the tax year. Conform them to the corporation's books and records and your federal return. Attach an explanation of any variation.

Schedule H-1 Reconciliation of income (Loss) per Books with income (Loss) per Return and H-2 Analysis of Unappropriated Retained Earnings per Books (page 5 of Form D-20)

Supplemental Information (page 6 of Form D-20)

Provide all the information requested in this schedule.

Worldwide Combined Reporting Election Form

If the Worldwide Combined Reporting Election Form is completed and submitted, ensure the "Fillin if Worldwide" oval is shaded on D-20, page 1. Submit this form with the initial year of election.

Schedule UB, Business Credits

Use this schedule to claim: the Economic Development Zone Incentives Credit (see instructions); QHTC credit (see instructions); the Organ and Bone Marrow donor credit (see below); and the Job Growth Incentive Act credit (see below).

The Organ and Bone Marrow Donor Act of 2006 provides a credit to an employer who allows an employee up to 30 days paid leave to donate an organ and up to 7 days paid leave to donate bone marrow. This is a non-refundable credit equal to 25% of the regular salary paid to the donor-employee during the leave period. This credit may not be used to reduce the required \$250 or \$1,000 minimum tax payment. An employer claiming this credit may not also deduct the salary paid the employee for the same leave period. This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.

The 2011 Budget Support Act of 2010 authorized funds for the Job Growth Incentive Act tax credits. The credit must be approved by the Mayor in advance of starting the project. The process for applying for the credit is found in DC Official Code §47-1807.54. The approval will provide the amount of the allowable credit and the periods for which the credit can be claimed if the employer continues to qualify. The allowable approved amount of the credit can be claimed on Schedule UB, Business Credits, Line 4 for D-20 filers or Line 12 for D-30 filers.

In order to apply for the credit, the employer must be planning a project that will:

- Bring a net job growth to DC of at least 10 new jobs with an average yearly wage of at least 120% of the average yearly wage of DC residents;
- Increase income tax and payroll revenue for DC;
- Result in a retention of any new positions for at least one year; and
- The project would not have occurred but for the job growth tax credit.

NOTE: If you filed a federal Schedule M-3, Net Income (Loss) Reconciliation for Corporations with Total Assets of \$10 Million or More, with your Form 1120, attach a copy of it to your D-20.

Remember, attach all requested statements to your D-20 return.

Economic Development Zone Incentives Credit

Supporting Documentation Required If you are claiming an Economic Development Zone Incentives (EDZI) credit against your DC franchise tax liability, you **MUST** attach to your return:

1. A copy of the DC Council resolution approving the qualification for any credits claimed;
2. A certification of eligible employees issued by the DC Department of Employment Services; and
3. A completed EDZI Credit Worksheet.

If you do not have items 1 and 2, you do not qualify for this credit.

The EDZI Amendment Act allows a qualified business, under certain circumstances, to take various credits against its franchise tax liability. (The maximum annual credit is \$7500.) A qualified business is one that is approved as qualified under Section 5 of EDZI by the DC Office of Economic Development. You **MUST** complete the worksheet below and include it with the other attachments to your return. The following credits are allowed under EDZI to qualified businesses:

1. A credit against the franchise tax in an amount equal to 50 percent of the wages of all certified employees who meet the requirements of Section 10(b) of EDZI;
2. A credit against the franchise tax in an amount equal to 50 percent of the insurance premiums attributable to all employees for whom it obtains employer liability insurance under the District of Columbia Workers Compensation Act of 1979; and
3. A rent credit for lessors against the franchise tax. The credit allowed is the difference between the rental market value of the space leased to a licensed non-profit child care center and the actual rent stated in the lease agreement as indicated in the DC Council resolution approving the qualification of the business. A non-profit child care center is a child development center as defined in Section 10 of EDZI.

A credit carry forward for five years is available for any EDZI credit not used in a previous year. The maximum amount that may be claimed in any year is \$7500, including any carry forward.

Instructions for Underpayment of Estimated Tax by D-20 or D-30 Filers

Estimated Tax Penalty

DC law requires any business that expects its DC franchise tax liability to exceed \$1001 for the tax year to file a declaration of estimated franchise tax using the payment vouchers in:

- D-20ES – Declaration of Estimated Franchise Tax for Corporations; or
- D-30ES – Declaration of Estimated Franchise Tax for Unincorporated Businesses.

The law states that any business required to file and pay estimated tax that fails to pay the amount required by the due date is subject to an underpayment of estimated franchise tax penalty and interest.

When is a penalty assessed for Underpayment of Estimated Franchise Tax?

A 10% penalty, compounded daily, is assessed if your total DC estimated franchise tax payments compared to your DC franchise tax liability do not equal at least the smaller of:

- 90% of the tax due (Line 38) on your 2013 DC franchise tax return; or
- 110% of the tax due (Line 38) on your 2012 DC franchise tax return (consisting of 12 months).

You must have filed a 2012 DC franchise tax return to use the 110% exception.

A penalty will be assessed if any statement made on an estimated tax payment voucher is not true and accurate to the best of the signatory's knowledge.

Are there any exceptions?

You are not subject to the penalty for underpayment of estimated franchise tax if:

- You had no DC franchise tax liability for the tax year 2012 and in that year, you did business in DC for the entire 12 months;
- The franchise tax due for 2013, minus any estimated tax payments, is less than \$1001;
- Your total DC estimated franchise tax payments are equal to or greater than 110% of your 2012 DC franchise tax liability for the entire year; or
- Your remaining tax due after totaling all credits and estimated tax payments is less than 10% of your total DC franchise tax liability (Line 43 of the D-20 and D-30) for the year.

When do you use this form?

- You may use this form to calculate your penalty. If you do, attach it to your tax return and add any penalty and interest you calculate to the amount on Line 41(b) of Forms D-20 or D-30. Fill-in the oval if the D-2220 is attached. If you do not wish to calculate the penalty and interest, OTR will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the penalty amount assessed by OTR for underpayment of estimated franchise tax is incorrect.

How do you file this form?

Attach it to your return if you complete the form before filing your tax return. If you complete the D-2220 after filing and receiving a notice of penalty assessment, send it to:

Office of Tax and Revenue
1101 4th St SW, 2nd Floor
Washington DC 20024

Completing this form

Line 1

Enter the amount from your 2013 D-20 or D-30 (Line 38).

Line 2

Multiply the amount on Line 1 by 90% (.90). Your estimated franchise tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2012 DC Forms D-20 or D-30, Line 37. If your 2012 return was amended or corrected, multiply 110% times the corrected amount.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC franchise tax return for 2012, you may only use Line 2. This is your minimum estimated franchise tax payment for 2013.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your tax liability over the four periods of the tax year.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6,000 for the 3rd period and \$8,000 for the 4th period.

Annualized income method: If your income was different for each period, determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts earned by period on Line 6. Accumulate the periodic amounts as shown above. Check the "Annualized Income" box.

Line 7

Enter the amount of estimated franchise tax payments made in each period. Include the amounts from the previous period with the 2nd, 3rd and 4th periods. For example, if your estimated payment amount is \$1,000 in each period, you would enter \$1,000 in the 1st period, \$2,000 in the 2nd period, \$3,000 in the 3rd period and \$4,000 in the 4th period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no penalty. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Penalty Factors

These are the penalty factors by period.

Line 10

For each period, multiply the amount on Line 8 by the factor on Line 9. This is your penalty by period.

Line 11 Penalty

Add the amounts on Line 10 for each period. This is your total underpayment of estimated franchise tax penalty.

- If you are filing the D-2220 with your D-20 or D-30 return, include the penalty and any interest on the penalty in the amount you owe, enter the amount on Line 41(b), and pay the total amount with the return. Attach the D-2220 to the return.
- If you are filing the D-2220 form separately, pay the amount you owe and attach to the D-2030P Payment Voucher, using the applicable mailing address.

Make the check or money order payable to the **DC Treasurer**.

General Instructions for the D-30

Who must file Form D-30?

Generally, an unincorporated business, with gross income (Line 10) more than \$12,000 from District sources, must file a D-30 (whether or not it has net income). This includes any business carrying on and/or engaging in any trade, business, or commercial activity in DC with income from DC sources.

- To determine if you need to file, please note that gross income includes revenue from all DC sources after deducting the cost of goods sold, but before taking expenses and other deductions allowed when calculating net income.
- The act of carrying on or engaging in a trade or business in DC is determined by the nature and extent of the unincorporated business' activities in DC conducted by: its owners; members; or through employees, consultants, agents or other representatives.

An unincorporated business with gross income in DC of over \$12,000 from any of (but not limited to) the activities listed below, must also file a D-30 return.

- Rental of real or tangible personal property; or
- Leasing of real or tangible personal property; or
- Any other similar arrangement.

If a business is terminated as the result of the sale of its assets, even if there is no tax due, the business is required to file a final D-30.

If the sale of a business' assets results in termination of the business – the owner(s) must report gain/loss on their individual return. (There may also be depreciation recapture to report on a D-30.)

NOTE: An unincorporated business with gross income of \$12,000 or less is not required to file a D-30 return nor pay the \$250 minimum franchise tax.

You may have to file other DC returns if you have other business activities with gross income of \$12,000 or less and you operated as:

- A partnership, you must file a Form D-65;
- A DC resident sole proprietor, you must file a Form D-40; or
- A DC resident trust, you must file a Form D-41.

Multiple businesses

If an individual or group of individuals carries on two or more distinct unincorporated businesses in DC (none of which are exempt), they must be reported on one return. Include all income and expenses on that one return. You may provide separate computations to show the net income or loss of each business.

Taxicab/Limo Drivers

Any non-resident taxicab/limo driver who operates a motor vehicle for hire in the District must file a Form D-30. The filing of the D-30 is a requirement for operating or continuing to operate a motor vehicle for hire in the District by a non-resident.

Minimum Tax

The minimum tax is \$250 if DC gross receipts are \$1M or less. Minimum tax is \$1,000 if DC gross receipts are greater than \$1M. DC Gross receipts for purposes of minimum tax includes District gross receipts that are derived from any activity such as sales, rents, services, commissions, etc., from any source within the District. Gross receipts are determined without deduction of any expenses.

Use Minimum Tax Liability Gross Receipts Worksheet (MTLGR) below. You must complete Schedule F even if your operation is 100% in the District.

Minimum Tax Liability Gross Receipts (MTLGR) Worksheet

DC gross receipts for minimum tax due and only for minimum tax due is computed as follows:

1	Amount from numerator of DC sales apportionment factor from Schedule F, Line 3, Column 2 of D-20 or D-30	1 \$	
2	Add the adjusted basis of property (less depreciation) for which gains reported in Line 1	2 \$	
3	Add Non-Business income allocated to DC reported per D-20 Line 33 or D-30, Line 30	3 \$	
4	Total DC Gross Receipts (Add Lines 1, 2 and 3)	4 \$	

Minimum Tax

The minimum tax is \$250.00 if the amount on Line 4 above is \$1,000,000 or less

The minimum tax is \$1,000.00 if the amount on Line 4 above is greater than \$1,000,000

Who does not have to file Form D-30?

You do not have to file if –

- Total gross income (Line 10) is \$12,000 or less.
- The trade or business is by law, custom or ethics, unable to incorporate.
- It is a trade or business licensed by DC to a blind person, for operating a stand in a federal building.
- It is a trade, business or professional organization where:
 - 80 percent or more of its gross income comes from personal services actually rendered by owners **and** members of the business; and
 - Capital is not a material income-producing factor.
- You are:
 - An organization recognized as exempt from DC taxes and has unrelated business taxable income, as defined in Internal Revenue Code (IRC) §512, is subject to the DC franchise tax and a Form D-20, Corporation Franchise Tax Return, must be filed.
 - A professional corporation, incorporated under the DC Professional Corporation Act and, therefore, you must file a Form D-20.

NOTE: The 80 percent requirement is met if the activities of your employees, consultants and agents have or are presumed to have produced gross income for the business in an amount at least equal to the gross amount paid them. The 80 percent test is not satisfied if the amount paid these persons exceeded 20 percent of the business' gross income. If this test is not met, the business is not exempt from DC tax and must file a D-30 return.

NOTE: If an individual or group of individuals is engaged in two or more separate and distinct businesses during the tax year, each business is separate when determining tax-exempt status.

Which other DC forms or schedules may unincorporated franchise businesses need to file?

To download DC tax forms, visit www.taxpayerservicecenter.com and click on Tax Forms/Publications.

Business Non-Refundable and Refundable Credits, Schedule UB

The various non-refundable and refundable credits available to businesses have been consolidated on Schedule UB. The total non-refundable credits from Schedule UB, Line 14 are reported on Line 39 of the D-30. The total refundable credits from Schedule UB, Line 17 are reported on Line 41(c).

FR-128, Extension of Time to File a DC Franchise or Partnership Return

You may request an extension of time to file your return by filing DC Form FR-128 (copy included in this booklet) no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied. Do not use the federal extension form for DC tax purposes. For Combined report filers, the designated agent shall file.

D-30ES, Declaration of Estimated Franchise Tax for Unincorporated Business

An unincorporated business must file a declaration of estimated

franchise tax if it expects its DC unincorporated business franchise tax liability to exceed \$1000 for the taxable year. See the Form D-30ES, Declaration of Estimated Franchise Tax for Unincorporated Businesses booklet for payment vouchers and details. You will automatically be assessed a penalty for any underpayment of DC estimated tax.

Note: Electronic payment required. If your franchise estimated tax liability payment exceeds \$5,000 within a period, you must pay electronically. Visit www.taxpayerservicecenter.com.

D-2220, Underpayment of Estimated Tax Installments

You will be charged 10 percent per year, compounded daily, on underpayments of estimated franchise tax installment payments. The charge is computed from the installment payment due date to the date the tax is paid. It is in addition to the penalty imposed for false statements. The 10 percent penalty will be assessed automatically by OTR's integrated tax system. For additional information, see Form D-2220, Underpayment of Estimated Franchise Tax by Businesses. Attach a completed Form D-2220 with your D-30.

FR-399, Qualified High Technology Company (QHTC)

If you are a QHTC, you may be eligible for certain tax credits. You must file certain forms to claim these credits. For forms and details, see Publication FR-399, QHTC. FR-399 is available at www.taxpayerservicecenter.com and at our 4th Street location. If you are a QHTC, fill in the 'QHTC' oval on Page 1 of the D-30 and attach the QHTC-CERT form from the FR-399 to the Form D-30. If you are claiming a QHTC retraining credit, attach completed Forms D-30CR and FP-332.

If your company is a certified QHTC, please fill in the certified QHTC oval on page 1 of the D-30 and complete Lines 1-37 of the D-30. A QHTC is liable for paying the required \$250 minimum tax. Attach a completed QHTC-Cert form to the D-30.

FR-1500 Ballpark Fee

If you have \$5 million or more in annual DC Gross Receipts, you must file and pay the ballpark fee, with Form FR-1500 electronically. For additional details, visit www.taxpayerservicecenter.com, click on 'Business Tax Service Center', and then click on 'Ballpark-Related Fees and Taxes'. Note: Each member of a combined group is responsible for filing and paying its own ballpark fee.

Combined Reporting

The District of Columbia no longer permits consolidated filing for tax years beginning on and after January 1, 2011. For tax years beginning on and after January 1, 2011, a corporation or unincorporated business entity subject to tax in the District of Columbia, engaged in a unitary business with one or more corporations or unincorporated business entities, is required to file a combined report pursuant to D.C. Official Code §47-1805.02a.

Combined reporting is a tax reporting method where all of the members of unitary group are required to determine their net income based on the activities of the unitary group as a whole. Unitary group members will calculate their taxable net income derived from the unitary business as its apportioned share of the income or loss of the combined group engaged in the unitary business.

A "Unitary business" means a single economic enterprise that is made up either of separate parts of a single business entity or of a commonly owned or controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide synergy and mutual benefit that produces

a sharing or exchange of value among them and significant flow of value to the separate parts.

The combined reporting regulations are contained in DCMR Title 9, Taxation and Assessments, §§156 through 176. Examples and Schedules for combined reporting are located on our website at www.taxpayerservicecenter.com under the “Combined Reporting for Business Entities” tab.

When are your taxes due?

If you are a calendar year filer, file your return and pay any tax due by April 15th. If you are a fiscal year filer, file your return and pay by the fifteenth day of the fourth month after your tax year closes. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day.

Taxable year

Enter your taxable year ending date on page 1 of the D-30. It may be either a calendar year or fiscal year. You must receive OTR approval to change your taxable year. Combined report filers shall use the designated agent's tax year.

NOTE: The District has decoupled from the section of the American Recovery and Reinvestment Act of 2009 which allows an exclusion and deferral from gross income of a discharge of indebtedness. For District tax purposes, a discharge of indebtedness results in income that is includible in gross income.

How to file your return

By mail

- If mailing a return with a payment, make the check or money order payable to the DC Treasurer. Write your FEIN, D-30, and the tax year on the payment. Staple your payment to the voucher Form D-2030P and fill in the oval for D-30 return. Do not attach the D-2030P and payment to the return D-30. Send your return and payment to:
Office of Tax and Revenue
PO Box 96165
Washington, DC 20090-6165
- If mailing a no payment due or refund return, send the return to:
Office of Tax and Revenue
PO Box 96193
Washington, DC 20090-6193

Mail labels for these two post office boxes are on the back flap of the return envelopes included in this booklet.

Send in your original DC return with any schedules, not a copy. Fold your return once. Be sure to keep a copy for your records.

By accessing the DC Electronic Taxpayer Service Center (eTSC)

Unincorporated business taxpayers may file the D-30ES, Declaration of Estimated Franchise Tax for Unincorporated Businesses, or the FR-128, Extension of Time to File a DC Franchise or Partnership Return by accessing the DC eTSC website. There is pre-registration required. Allow 5-7 days for processing. Visit www.taxpayerservicecenter.com for information on completing an eTSC application.

Payment Options

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at www.taxpayerservicecenter.com for instructions for electronic payments.

Payment options are as follows:

- **Electronic check (e-check).** E-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking information at the time of payment instead of storing the information. There is no fee for business e-check payments. eTSC does not allow the use of foreign bank accounts for business e-check.
- **ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be eTSC registered to use this payment type, and does not need access to the website.

Note: When making ACH Credit payments through your bank, please use the correct tax type code (00260) and tax period ending date (YYMMDD).

- **ACH Debit.** ACH debit is for registered eTSC business taxpayers only. There is no fee. The taxpayer's bank routing and account number are stored within their online eTSC account. They can then use this account to pay any existing liability. In this instance, they give OTR the right to debit the money from their bank account. eTSC does not allow use of foreign bank accounts for business ACH Debit.
- **Credit/Debit Card.** The taxpayer may pay the amount owed using Visa, MasterCard, Discover or American Express. You will be charged a fee equal to 2.5% of the tax payment. The fee is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.
- **Check or money order.** Include a check or money order, payable to the DC Treasurer, with your completed return. Write your Federal Identification Number (FEIN), daytime telephone number, '2013', and D-30. Attach your payment to the Form D-2030P Payment Voucher provided in this booklet. Mail the D-2030P **with**, but not attached to the D-30 tax return to:
Office of Tax and Revenue
PO Box 96165
Washington, DC 20090-6165

Note: Dishonored payments. Make sure your check will clear. You will be charged a \$65 fee if your check is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. If you request your refund to be direct deposited into an account outside of the United States, you will receive a paper check.

Your payment cannot be drawn on a foreign account. Pay by money order or credit card instead.

Penalties and interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal

to 25% of the tax due;

- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payment received by OTR on accounts subject to the fee are first applied to the fee then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Special circumstances

Special rules on depreciation and §179 property

For federal tax purposes, businesses are allowed to deduct additional bonus depreciation and additional Internal Revenue Code (IRC) §179 expenses.

For DC tax purposes, you may not claim the 30 or 50 percent federal bonus depreciation or additional expenses allowed under IRC §179.

Similarly, DC does not allow the acceleration of depreciation deductions currently allowed under the 2008 Economic Stimulus Act.

Office of Tax and Revenue (OTR) rulings

All rulings issued prior to December 31, 2002 were revoked. Taxpayers cannot rely on these rulings unless they were re-submitted to the OTR for review, and if approved, reissued. Direct any ruling questions to OTR, General Counsel at (202) 442-6500.

Amended returns

You must use the D-30 tax form of the year you are amending. If the return is for tax year 2001 or later, fill in the 'Amended Return' oval on Page 1 of the D-30 and complete the 'Tax Year Ending' box. Attach a detailed statement of the adjustment(s) and the amount of any refund received.

If the Internal Revenue Service (IRS) adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days of the date of the IRS notice. If the federal adjustment makes you eligible for a DC tax refund, you must file for the DC refund within 180 days of notice of the adjustment.

Mail the amended return with payment and any additional attachments to the

Office of Tax and Revenue
PO Box 96165
Washington, DC 20090-6165

Mail the amended return if no payment due or refund and any additional attachments to the

Office of Tax and Revenue
PO Box 96193
Washington, DC 20090-6193

Final return

If you are not required to continue filing a return due to the ending of business operations, shade the 'fill in if final return' oval on the

return. We will then cancel your filing requirement. Do not use this oval to indicate the return is the final for the period being reported.

Getting started

To complete the Form D-30, in general you will need:

- A pen with black ink
- A calculator

Not all items will apply. Fill in only those that do apply. If an amount is zero, make no entry, leave the line blank.

An authorized officer or designated agent of the corporation must sign and date the return. A receiver, trustee, or assignee must sign any return that he/she is required to file for the corporation. Any person who prepared the return for compensation must also sign, date and provide the necessary identification number. If a firm or corporation prepares a return, it should be signed in the name of the entity. The signature requirement does not apply when a taxpayer's regular employee prepares the return. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

Explanation of terms**Business income**

Income from transactions and activities in the regular course of the taxpayer's trade or business is business income. This includes income from tangible and intangible property if the acquisition, management and disposition of the property are part of the taxpayer's regular trade or business operations. Income of any type — manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating and non-operating income from any class or from any source — is business income if it arises from transactions and activities occurring in the regular course of a trade or business. Whether income is business or non-business depends on the underlying transactions and activities which are the elements of a particular trade or business. In general, transactions and activities that depend on or contribute to the operation of your enterprise constitute your trade or business.

Commercial domicile

The principal place from which you direct or manage your trade or business.

Compensation

Wages, salaries, commissions and other forms of remuneration paid or accrued to employees for personal services.

Non-business income

All income except business income.

Transportation company

Any business engaged in transporting persons, goods or property of others for hire.

Sales

All gross receipts, including dividends, interest and royalties, considered to be business income which are not required to be allocated.

Taxable in another state

For purposes of allocating non-business income and apportioning business income to another state, you must be subject to

- a net income tax,
- a franchise tax measured by net income,
- a franchise tax for the privilege of doing business,
- a corporate stock tax in that state, or
- that state has the jurisdiction to subject the taxpayer to an income tax regardless of whether, in fact, the state does or does not.

Specific Instructions**Negative amounts**

If you enter a negative amount on a line, fill in the oval to the left of the entry where it states "Fill in if minus". **Do not enter a minus sign or parenthesis.**

Allocation and apportionment of income

You must complete Schedule F even if your operation is 100% in the District. Any unincorporated business carrying on a trade or business in DC and other jurisdictions must apportion its business income among DC and the other jurisdictions. Apportion the net income

from trade or business activities using the appropriate apportionment factor. See Schedule F, page 4 of the D-30. You must allocate your non-business income.

Non-business income allocation

Non-business income

Allocate items of non-business income to DC. The following gains and losses from sales or other dispositions of property are allocated to DC:

- Real property located in DC (other than realty used in the trade or business whether held for sale or otherwise);
- Tangible personal property (other than any tangible personal property used in the trade or business whether held for sale or otherwise) if:
 - The property had a situs in DC at the time of sale or other disposition; or
 - Your principal place of business is in DC and you are not taxable in the situs state.
- Intangible personal property (other than intangible personal property of any kind used in the trade or business whether held for sale or otherwise) is allocable to DC if your principal place of business is in DC.

Allocate to DC net rents and royalties from DC located real property.

Allocate to DC interest and dividends from sources in DC unless specifically excluded from taxation and/or subject to apportionment as business income.

Allocate to DC income from rents and royalties, patents, copyrights, trademarks, service marks, secret processes and formulas, franchises and similar property (if not used in the trade or business). These royalties are allocated according to the patent's location or place of use, or where the copyrighted material is published or used. If DC is the principal place of business of a business entity, not subject to tax anywhere else, then the rent or royalty income is allocable to DC.

Income from the sale of tangible personal property to the United States Government by a business that has its principal place of business outside DC is income from DC sources if the property is delivered from outside DC for use in DC.

All other non-business income from DC sources is allocable to DC.

Where income is allocable among DC and other jurisdictions, you must allocate all expenses, losses and other deductions incurred in the production of the income in the same way. Losses incurred in the production of non-business income are allowable if any profit from the transaction would have been taxable.

Gross Income

Note: When OTR requests that a statement be attached, the statement should show the source of the items making up the entries.

D-30, page 1, line-by-line

Line 1 Gross receipts, minus returns and allowances

Enter the total gross receipts from sales and operations, minus returns and allowances.

Line 2 Cost of goods sold and/or operations

Enter the figure from D-30, Schedule A, Line 8. If the production, manufacture, purchase, or sale of merchandise is an income-

determining factor in the trade or business, you must inventory merchandise at the start and end of the tax year. You may value it at your cost or at the lower of cost or market, or by another IRS-approved method. You must continue to use the method chosen until you get permission from the Office of Tax and Revenue to change. If the inventories do not agree with the balance sheet figures, attach an explanation.

Cost of Operations (where inventories are not an income-determining factor). If the amount entered on Line 2, page 1, includes an amount applicable to the cost of operations, attach a statement showing in detail: (1) salaries and wages; and (2) other costs.

Line 3 Gross profit

Line 1 minus Line 2. Enter the result on Line 3.

Line 4 Dividends

Enter the total of all taxable dividends. You may deduct Subpart F income (as defined in IRC §952). Attach a detailed statement showing the calculation of the taxable amount.

Line 5 Interest

Expenses incurred in the purchase or production of income from U.S. Treasury securities are included on Line 26(b). (Attach a detailed statement.)

Line 6 Gross rental income

Enter the amount received from the rental of real or personal property.

NOTE: DC does not allow the additional federal bonus depreciation. Attach a computation showing that your DC claimed depreciation does not include the federal bonus depreciation and that the basis of the property, for DC tax purposes, has not been reduced by any bonus depreciation amount claimed on your federal return. DC also does not allow the additional IRC §179 expenses above \$25,000 (\$40,000 for a QHTC). If you claimed these additional expenses on your federal return, reduce such expenses claimed on your D-30 by that amount.

Line 7 Gross royalties

Report royalty income in the same manner and detail as rental income. Royalties from patents you developed, from the licensing of processes or a trade name and sales of know-how are business income. Enter royalty income from line 4 of federal Form 1040, Schedule E, Supplemental Income and Loss. Please attach Schedule E.

Line 8(a) Net capital gain

Capital gains or losses are treated in the same manner as they are for federal corporation income tax purposes. (See detailed instructions on Federal Schedule D, Form 1120, Corporation Income Tax Return.) Report IRC §1231, Property Used in the Trade or Business and Involuntary Conversions, gains as business income on Line 8(a).

NOTE: Since the 30 and 50 percent federal bonus depreciation are not allowed for DC tax purposes, recalculate the capital gain/loss reported

on your federal return without taking into account the federal bonus depreciation amount. Attach a statement showing the adjustments.

Line 8(b) Ordinary gain (loss) from Part II, Federal Form 4797. Enter the total ordinary gain (or loss) from your federal Form 4797, Sales of Business Property. Attach a copy of your Form 4797.

- the related party paid income tax equal to or greater than 4.5 percent of the amount of interest or intangible expense in another jurisdiction.

Line 14 (a) Royalty payments

Royalty payments to related entities are not an allowable deduction. Exceptions to the disallowance of such payments may be found in DC Code §47-1803.03(d)(7)(B). You must recapture depreciation on your D-30 from the sale of an asset.

***NOTE:** If you claimed the federal bonus depreciation amount or additional IRC §179 expenses above \$25,000 (\$40,000 for QHTC) on your federal return, do not claim these amounts on your D-30. Recompute the depreciation taken for DC tax purposes without the federal bonus depreciation. Attach a statement showing the recomputation.

Lines 47 FAS 109 Deduction from worksheet**Other Form D-30 schedules****Schedule F – DC Apportionment Factor**

An unincorporated business engaging in a trade or business both in and outside DC must use the property, payroll and sales factor formula to apportion its business income. The sales factor shall be double weighted.

Unincorporated businesses domiciled in DC and not subject to tax elsewhere must report 100 percent of their net business income and allocate 100 percent of their non-business income to DC.

Unincorporated businesses carrying on a trade or business in DC and in other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the property factor plus the payroll factor plus the double weighted sales factor. The denominator is four, reduced by the number of factors without a denominator.

- **Property Factor**

The property factor is a fraction; the numerator is the average value of real and tangible personal property you owned or rented and used in DC during the tax year to produce business income. The denominator is the average value of all real and tangible personal property you owned or rented and used everywhere during the tax year to produce business income. Do not include in the numerator or the denominator, any property or portion of property, not used to produce business income.

Transportation companies – the numerator also includes the portion of the average value of its vehicles, rolling stock, aircraft, watercraft and other equipment used during the taxable period to transport persons and property both in and outside DC. This portion is determined by comparing the total miles per unit of its equipment traveled in DC compared to the total mileage traveled everywhere by each class of its property.

Railroad companies – the classes of property included are those you report for DC personal property tax purposes (DC Code §47-1512).

Where property is used in any activity, the income from which is allocable or apportionable, you may use (or OTR may require) any method that properly reflects the portion of the average value used to arrive at the property factor. This is subject to OTR approval.

Property you own is valued at its original cost to you plus the cost of any additions and improvements. If you cannot determine your original cost or if the cost is zero, value the property at its market value when you acquired it.

Property rented to you is valued at eight times the net annual rental. (The annual rental you paid is decreased by any annual rental you receive from sub-rentals, provided the rental and sub-rental rates are reasonable.) Include in the annual rental, amounts paid or accrued for the use or rental of property or facilities of another. This net annual rate includes amounts whether paid as rent, as reasonable compensation for use or under any other designation, pursuant to statutory enactment, lease, or rental agreement of any kind, contract, or otherwise. You may only include in this factor payments for leased property

capitalized for federal tax purposes to the extent of their capitalized value for federal tax purposes. If OTR determines that any net annual rental rate or sub-rental rate is unreasonable, or if a nominal or zero rate is charged, OTR may determine and apply a rental rate that reasonably reflects the property's rental value.

To determine the property's average value, average the values at the start and end of the tax period. You may, if necessary, use monthly or quarterly values (subject to OTR approval) during the tax period, to properly reflect the average value of the property.

- **Payroll Factor**

The payroll factor is a fraction; the numerator is the total compensation you paid to or accrued for persons performing services for you in DC during the tax year. The denominator is the total compensation you paid or accrued everywhere during the tax year. Do not include in the numerator or denominator, compensation paid or accrued to employees for personal services in the production of non-business income. Compensation other than in cash, is valued at its fair market value on the date of payment or accrual. Do not include payments to independent contractors in this factor.

Transportation companies. The numerator also includes that portion of the total compensation paid or accrued to employees employed on vehicles, rolling stock, aircraft, watercraft and other equipment you used during the taxable period to transport persons and property between DC and other jurisdictions. To determine this factor, apply the percentage computed (as in the property factor) to the total compensation.

If you pay or accrue compensation for services, which generate income that can be allocated or apportioned, you may use any method that will properly reflect the average value used to calculate the payroll factor. The method used is subject to OTR approval.

Compensation is paid or accrued in DC if:

- the individual's services are performed entirely in DC; or
- the individual's services are performed in DC and other jurisdictions, but the services performed outside DC are incidental to the individual's services performed in DC; or
- some of the individual's services are performed in DC and:
 - (1) the base of operations or, if there is no base of operations, the place from which services are directed or controlled is in DC; or
 - (2) the base of operations or place from which services are directed or controlled is not in DC, or in any state where some part of the services are performed, but the individual's residence is in DC.

- **Sales Factor**

The sales factor, except for transportation companies, is a fraction; the numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year (using UDITPA rules).

Transportation companies – the sales factor is a fraction; the numerator is the total revenue units the company first received as originating or connecting traffic at a point in DC. Add to this

the total revenue units the company discharged or unloaded at a point in DC, at the termination of the transportation movement or for transfer to a connecting carrier. The denominator is twice the total revenue units originated everywhere during the tax year. One ton of freight equals one revenue unit; ten passengers equal one revenue unit. If the company's revenue is predominantly from transportation of passengers, you may use the number of passengers loaded and discharged, in place of originating and terminating tonnage.

Tangible personal property sales, including sales to the United States Government, are considered to occur in DC, no matter where title is transferred, F.O.B. point, or other sales conditions, if the property:

- Is delivered or shipped to a purchaser in DC; or
- Has an ultimate destination in DC, after all transportation (including any by the purchaser) is completed; or
- Is delivered or shipped from an office, store, warehouse, factory, or other storage place in DC to a destination outside DC – and is not taxable in the state to which the property is shipped or delivered.

Except for transportation companies – non-tangible personal property sales are considered as occurring in DC if the income-producing activity or service is performed:

- In DC; or
- The proportion of the income-producing activity or service performed in DC is greater than that performed in any other jurisdiction, based on performance cost.

General

If using the income allocation and apportionment rules results in a tax that does not fairly represent the tax liability arising from your trade or business in DC or from non-business sources in DC, you may petition for, or OTR may require, if reasonable:

- a separate accounting, unless the entity is conducting a unitary business;
- exclusion of one or more of the factors;
- inclusion of one or more additional factors that fairly reflect the extent of your trade or business in DC; or
- use of any other method to effect a fair allocation and apportionment of your income.

New Markets Tax Credit

DC taxable income does not include the gross income of a qualified community development entity as defined in IRC section 45D(c)(1) that has received an allocation or suballocation of new markets tax credits from the federal government under IRC section 45D(f). This exclusion applies to the extent the gross income is derived from one or more qualified low-income community investments as defined in IRC section 45D(d)(1). Complete Schedule G and enter on line 21, Other allowable deductions.

Schedule G – Other Allowable Deductions

Schedule J – Distribution and Reconciliation of Net Income (or Loss) (Page 5 of Form D-30)

Under provisions of DC Code §47-1805.01(a), you must enter the SSN of each of the owners. The SSN is necessary for the proper identification of an owner's tax account with DC and will be used only for tax administration purposes. Any additional names, SSNs, etc. may be listed on an attachment filed with the return.

Worldwide Combined Reporting Election Form

If the Worldwide Combined Reporting Election Form is completed and submitted, ensure the "Fill in if Worldwide" oval is shaded. Submit this form with the initial year of election.

Schedule UB, Business Credits

Use this schedule to claim: the Economic Development Zone Incentives Credit (see instructions); QHTC credits (see instructions); the Organ and Bone Marrow donor credit (see below); and the Job Growth Incentive Act credit (see below).

The Organ and Bone Marrow Donor Act of 2006 provides a credit to an employer who allows up to 30 days paid leave to an employee who donates an organ and up to 7 days paid leave for donating bone marrow.

This is a non-refundable credit equal to 25% of the regular salary paid to the donor-employee during the leave period. This credit may not be used to reduce the \$250 or \$1,000 minimum tax. An employer claiming this credit may not also deduct the salary paid the donor-employee for the same leave period.

This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.

The 2011 Budget Support Act of 2010 authorized funds for the **Job Growth Incentive Act** tax credits. The credit must be approved by the Mayor in advance of starting the project. The process for applying for the credit is found in DC Official Code §47-1807.54. The approval will provide the amount of the allowable credit and the periods for which the credit can be claimed if the employer continues to qualify. The allowable approved amount of the credit can be claimed on Schedule UB, Business Credits, Line 4 for D-20 filers or Line 12 for D-30 filers.

In order to apply for the credit, the employer must be planning a project that will:

- Bring a net job growth to DC of at least 10 new jobs with an average yearly wage of at least 120% of the average yearly wage of DC residents;
- Increase income tax and payroll revenue for the DC;
- Result in a retention of any new positions for at least one year; and
- The project would not have occurred but for the job growth tax credit.

Supplemental information (page 6 of Form D-30)
Please provide all the information requested in this schedule.

Note: If you filed a federal Schedule M-3, net income (loss) reconciliation with total assets of \$10M or more, attach a copy of it with your DC return.

Economic Development Zone Incentives Credit

Supporting Documentation Required If you are claiming an Economic Development Zone Incentives (EDZI) credit against your DC franchise tax liability, you MUST attach to your return:

1. a copy of the DC Council resolution approving the qualification for any credits claimed;
2. a certification of eligible employees issued by the DC Department of Employment Services; and
3. a completed EDZI Credit Worksheet.

If you do not have items 1 and 2, you do not qualify for this credit.

The EDZI Amendment Act allows a qualified business, under certain circumstances, to take various credits against its franchise tax liability. (The maximum annual credit is \$7500.) A qualified business is one that is approved as being qualified under Section 5 of EDZI by the DC Office of Economic Development. You MUST complete the worksheet below and include the necessary attachments with your return. The following credits are available under EDZI to qualified businesses:

1. a credit against the franchise tax in an amount equal to 50 percent of the wages of all certified employees who meet the requirements of Section 10(b) of EDZI;
2. a credit against the franchise tax in an amount equal to 50 percent of the insurance premiums attributable to all employees for whom it obtains employer liability insurance under the District of Columbia Workers Compensation Act of 1979; and
3. a rent credit for lessors against the franchise tax. The credit allowed is the difference between the rental market value of the space leased to a licensed non-profit child care center and the actual rent stated in the lease agreement as indicated in the DC Council resolution approving the qualification of the business. A non-profit child care center is a child development center as defined in Section 10 of EDZI.

A credit carry forward for five years is available for any EDZI credit not used in a previous year. The maximum amount that may be claimed in any year is \$7500, including any carry forward.

Instructions for Underpayment of Estimated Tax by D-20 or D-30 Filers

Estimated Tax Penalty

DC law requires any business that expects its DC franchise tax liability to exceed \$1001 for the tax year to file a declaration of estimated franchise tax using the payment vouchers in:

- D-20ES – Declaration of Estimated Franchise Tax for Corporations; or
- D-30ES – Declaration of Estimated Franchise Tax for Unincorporated Businesses.

The law states that any business required to file and pay estimated tax that fails to pay the amount required by the due date is subject to an underpayment of estimated franchise tax penalty and interest.

When is a penalty assessed for Underpayment of Estimated Franchise Tax?

A 10% penalty, compounded daily, is assessed if your total DC estimated franchise tax payments compared to your DC franchise tax liability do not equal at least the smaller of:

- 90% of the tax due (Line 38) on your 2013 DC franchise tax return; or
- 110% of the tax due (Line 38) on your 2012 DC franchise tax return (consisting of 12 months).

You must have filed a 2012 DC franchise tax return to use the 110% exception.

A penalty will be assessed if any statement made on an estimated tax payment voucher is not true and accurate to the best of the signatory's knowledge.

Are there any exceptions?

You are not subject to the penalty for underpayment of estimated franchise tax if:

- You had no DC franchise tax liability for the tax year 2012 and in that year, you did business in DC for the entire 12 months;
- The franchise tax due for 2013, minus any estimated tax payments, is less than \$1001;
- Your total DC estimated franchise tax payments are equal to or greater than 110% of your 2012 DC franchise tax liability for the entire year; or
- Your remaining tax due after totaling all credits and estimated tax payments is less than 10% of your total DC franchise tax liability (Line 43 of the D-20 and D-30) for the year.

When do you use this form?

- You may use this form to calculate your penalty. If you do, attach it to your tax return and add any penalty and interest you calculate to the amount on Line 41(b) of Forms D-20 or D-30. Fill-in the oval if the D-2220 is attached. If you do not wish to calculate the penalty and interest, OTR will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the penalty amount assessed by OTR for underpayment of estimated franchise tax is incorrect.

How do you file this form?

Attach it to your return if you complete the form before filing your tax return. If you complete the D-2220 after filing and receiving a notice of penalty assessment, send it to:

Office of Tax and Revenue
1101 4th St SW, 2nd Floor
Washington DC 20024

Completing this form

Line 1

Enter the amount from your 2013 D-20 or D-30 (Line 38).

Line 2

Multiply the amount on Line 1 by 90% (.90). Your estimated franchise tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2012 DC Forms D-20 or D-30, Line 37. If your 2012 return was amended or corrected, multiply 110% times the corrected amount.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC franchise tax return for 2012, you may only use Line 2. This is your minimum estimated franchise tax payment for 2013.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your tax liability over the four periods of the tax year.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6,000 for the 3rd period and \$8,000 for the 4th period.

Annualized income method: If your income was different for each period, determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts earned by period on Line 6. Accumulate the periodic amounts as shown above. Check the "Annualized Income" box.

Line 7

Enter the amount of estimated franchise tax payments made in each period. Include the amounts from the previous period with the 2nd, 3rd and 4th periods. For example, if your estimated payment amount is \$1,000 in each period, you would enter \$1,000 in the 1st period, \$2,000 in the 2nd period, \$3,000 in the 3rd period and \$4,000 in the 4th period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no penalty. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Penalty Factors

These are the penalty factors by period.

Line 10

For each period, multiply the amount on Line 8 by the factor on Line 9. This is your penalty by period.

Line 11 Penalty

Add the amounts on Line 10 for each period. This is your total underpayment of estimated franchise tax penalty.

- If you are filing the D-2220 with your D-20 or D-30 return, include the penalty and any interest on the penalty in the amount you owe, enter the amount on Line 41(b) and pay the total amount with the return. Attach the D-2220 to the return.
- If you are filing the D-2220 form separately, pay the amount you owe and attach to the D-2030P Payment Voucher, using the applicable mailing address.

Make the check or money order payable to the **DC Treasurer.**

Who must file a Form D-4?

Every new employee who resides in DC and is required to have DC income taxes withheld, must fill out Form D-4 and file it with his/her employer.

If you are not liable for DC income taxes because you are a nonresident or military spouse, you must file Form D-4A, Certificate of Nonresidence in the District of Columbia, with your employer.

When should you file?

File Form D-4 whenever you start new employment. Once filed with your employer, it will remain in effect until you file a new certificate. You may file a new withholding allowance certificate any time the number of withholding allowances you are entitled to increases. You must file a new certificate within 10 days if the number of withholding allowances you claimed decreases.

How many withholding allowances should you claim?

Use the worksheet on the front of this form to figure the number of withholding allowances you should claim. If you want less money withheld from your paycheck, you may claim additional allowances by completing Section B of the worksheet, Lines j through o. However, if you claim too many allowances, you may owe additional taxes at the end of the year.

Should I have an additional amount deducted from my paycheck?

In some instances, even if you claim zero withholding allowances, you may not have enough tax withheld. You may, upon agreement with your employer, have more tax withheld by entering on Line 3, a dollar amount of your choosing.

What to file

After completing Form D-4, detach the top portion and file it with your employer. Keep the bottom portion for your records.

Instructions

Who must file a Form D-4A?

If you are not a resident of DC you must file a Form D-4A with your employer to establish that you are not subject to DC income tax withholding. You qualify as a nonresident if:

- Your permanent residence is outside DC during all of the tax year **and** you do not reside in DC for 183 days or more in the tax year.
- You are a service member's spouse.

Employees who are residents of DC should file a Form D-4, Employee Withholding Allowance Certificate.

What if your resident status changes?

If you become a DC resident any time after you have filed a Form D-4A with your employer, you must file a Form D-4 promptly so that the proper amount of DC income tax can be withheld from your wages.

How do you file the Form D-4?

After completing this form, give it to your employer to keep on file.

OTR TAX NOTICE 2011-7

November 17, 2011

**GUIDANCE ON APPLICATION FOR EXEMPTION FROM DISTRICT OF
COLUMBIA FRANCHISE, SALES AND USE, AND PERSONAL PROPERTY
TAXES**

Nonprofit organizations intending to conduct activities in the District of Columbia that may subject them to liability for franchise, sales and use, or personal property taxes are advised to submit an application for exemption from these taxes no later than the time that those activities commence.¹

An Application Is Required to Obtain an Exemption

Under District law, a determination of exempt status by the Internal Revenue Service (“IRS”) does not by itself confer exemption from these taxes. Applicable exemptions from District of Columbia taxes must be secured from the Office of Tax and Revenue (“OTR”). The statutes governing each of these taxes provide that an organization cannot claim the available exemptions from these taxes unless the organization first obtains a letter (in the case of the franchise and personal property taxes) or a certificate (in the case of the sales and use taxes) from OTR stating that it is entitled to an exemption. D.C. Code secs. 47-1508 (personal property tax); 47-1802.01 (franchise taxes); 47-2005(3) (sales and use taxes). It should be noted that the tax exemptions conferred by these statutes generally apply only with respect to activities in furtherance of an organization’s exempt purposes, and no exemption is provided with respect to business activities that are not related to an organization’s exempt purposes. Such unrelated business activities remain subject to tax.

Application Procedures

In order to apply for exemption from these taxes, an organization must submit Form FR-164 to OTR. Filing instructions are provided with the form, which is available through OTR’s Taxpayer Service Center. If an application is hand-delivered to an OTR unit authorized to receive the filing, it is considered filed on the date shown by the OTR date

¹ This notice does not address the process of securing exemption from real property or other District taxes.

stamp placed on the filing. If a properly addressed application is delivered to OTR by mail or private delivery service, it is considered filed on the postmark date shown on the envelope or wrapper. If a properly addressed application is received by OTR via facsimile, it is considered filed on the date that the facsimile is received by OTR.

Effective Date of Exemption

For franchise tax purposes, the exemption, if granted, is effective on the effective date of the exemption determination letter issued for the organization by the Internal Revenue Service.

The sales and use tax exemption, if granted, becomes effective when the exemption certificate is issued.

The personal property tax exemption, if granted, becomes effective on the July 1 following the date of the filing of Form FR-164.

Procedure for Organizations That Do Not Promptly File an Application

OTR encourages any organization that has commenced activities in the District, or that has become liable for franchise, sales and use, or personal property tax prior to filing an application for exemption, to promptly file Form FR-164 so as to help forestall the accumulation of additional tax liability. OTR has instituted a Voluntary Disclosure Program under which noncompliant taxpayers are permitted to pay certain tax liabilities and interest without imposition of civil penalties or fees. An organization that has delayed filing an application for exemption, but that has not been contacted by OTR or its representatives, should consider entering this program to clear outstanding liabilities.

- (2) Sales to a state or any of its political subdivisions if such state grants a similar exemption to the District. As used in this paragraph, the term "state" means the several states, territories, and possessions of the United States;
- (3) Sales to semipublic institutions; provided, however, that such sales shall not be exempt unless:
 - (A) Such institution shall have first obtained a certificate from the Mayor stating that such institution is entitled to such exemption;

Instructions for Form FR-329

Who should file Form FR-329?

File Form FR-329 if during tax year 2013 you paid a total of more than \$400 for merchandise, services, or rentals on which you did not pay sales tax. Typically, you do not pay sales tax on:

- Merchandise you ordered through catalogs;
- Merchandise shipped to DC that you bought or rented outside DC; and
- Merchandise taxed in DC but not in the state where purchased.

Do not file Form FR-329 for a business. Businesses should file a Form FR-800A (annual return), Form FR-800Q (quarterly return), or a Form FR-800M (monthly return) to report sales tax (in the “use tax” section) on such purchases and rentals.

Taxpayer Identification Number(s) (TIN)

You must have a TIN, whether it be a SSN or FEIN.

- **A SSN, is a valid number issued by the Social Security Administration (SSA) of the United States Government.** To apply for a SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213.

You must wait until you receive your SSN before you file a DC return. Your return may be rejected if your SSN is missing or incorrect.

Dishonored payment

You will be charged \$65 for any payment not honored by your financial institution and returned to OTR.

International ACH Transaction (IAT)

For electronic payers, in order to comply with banking rules, you will be asked the question “Will the funds for this payment come from an account outside the United States?”. If the answer is yes, you will be required to pay by check or credit card. Please notify this agency if your response changes in the future.

Penalty and interest charges

OTR will charge -

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is a failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment.
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the fee are first applied to the fee then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §§47-4212).

Enforcement actions

OTR may use lien, levy, seizure, collection agencies and liability offset if a taxpayer fails to pay the District within 20 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com. click “Information”, Collection Division”, “Enforcement Actions”.

Criminal penalties

You will be penalized under the criminal provisions of the DC Code, Title 47 if you are required to file a return or report, or perform any act and you –

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;
- Willfully fail to file the return or report timely. If convicted, you will be fined not more than \$5,000 or imprisoned for not more than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax; or willfully making fraud and false statements or failing to provide information. See DC Code §§47-4101 through 4107.

These penalties are in addition to penalties under DC Code §22-2405 for false statements (and any other applicable penalties). Corporate officers may be held personally liable for the payment of taxes owed to DC, if not paid.
