GOVERNMENT OF THE DISTRICT OF COLUMBIA
OFFICE OF THE CHIEF FINANCIAL OFFICER

Message from CFO Jeffrey DeWitt

Dear Taxpayer:

In my letter to you last year, I told you about our intention to implement a new state-of-the-art tax system.

The first phase of this multi-year project, which includes individual income tax, has been implemented for this tax season. This Modernized Integrated Tax System (MITS) will provide improved and timelier notifications of changes to a taxpayer's return and better fraud detection to protect against identity theft, refund fraud and other tax crimes.

In October 2016, the second phase will allow taxpayers to obtain account information through a Taxpayer Access Portal; design their own payment plans; and file corporate and unincorporated business franchise tax returns electronically.

Also this filing season, the Office of Tax and Revenue is expanding its prepaid Visa card program to include refunds up to \$4,000. You can use the card to make purchases and cash withdrawals at most banks, and pay bills conveniently and securely.

To learn more about what's new this filing season or to request assistance, visit OTR's walk-in center at 1101 4th Street, SW, Suite W270, from 8:15 am to 5:30 pm Monday through Friday, call (202) 727-4TAX (4829), or visit OTR's Web site at www.taxpayerservicecenter.com.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey S. DeWitt".

Jeffrey S. DeWitt

New for 2015 Income Tax Returns:

- **Filing Deadline**

The filing deadline for the Tax Year 2015 income tax return is April 18, 2016. The District of Columbia observes Emancipation Day on Friday, April 15 when April 16 is a Saturday. This makes Monday, April 18, 2016 the deadline for filing income tax returns for Tax Year 2015.

- **Direct Deposit**

All new direct deposit requests (taxpayers requesting a direct deposit for the first time) will receive a paper check. Refer to "Paper Check" section on page 15 for additional information.

- **Standard Deduction and Exemption**

Single individuals, dependents, and married/registered domestic partners filing separately are allowed a standard deduction amount of \$5,200. Head of household filers are allowed a standard deduction of \$6,500. Married/registered domestic partners filing jointly, qualifying widow(ers) with dependent child, and married/registered domestic partners filing separately on the same return are allowed a standard deduction of \$8,350. The exemption amount has increased to \$1,775.

- **Phase out of the Personal Exemption Amount**

The amount of the personal exemption otherwise allowable for the taxable year in the case of an individual whose adjusted gross income exceeds \$150,000 shall be reduced by 2% for every \$2,500 (or fraction thereof) by which the taxpayer's adjusted gross income for the taxable year exceeds \$150,000. No amount of the personal exemption shall be available for an adjusted gross income in excess of \$275,000.

- **New tax rates.** The tax rates for individuals for tax years beginning after 12/31/2014 are:

<u>If the taxable income is:</u>	<u>The tax is:</u>
Not over \$10,000.....	4% of the taxable income
Over \$10,000 but not over \$40,000	\$400, plus 6% of the excess over \$10,000.
Over \$40,000 but not over \$60,000	\$2,200, plus 7% of the excess over \$40,000.
Over \$60,000 but not over \$350,000	\$3,600, plus 8.5% of the excess over \$60,000.
Over \$350,000.....	\$28,250, plus 8.95% of the excess above \$350,000.

- **New option to file the D-40 and D-40EZ on a fiscal year basis.**

- **New filing status added** - Qualifying widow(er) with dependent child.

- **Pension Exclusion Repealed**

The up to \$3,000 exclusion from federal adjusted gross income of military, DC, or federal retirement payments of retirees 62 years or older, has been repealed.

- **DC Earned Income Tax Credit**

The formula for determining the DC Earned Income Tax Credit for childless workers has changed. A DC Earned Income Tax Credit Worksheet for Filers Without A Qualifying Child has been added to the 2015 D-40EZ D-40 Booklet.

- **Low Income Credit**

The credit is not allowable if your net federal adjusted gross income exceeds the federal minimum filing requirements. Also, part-year residents must prorate the credit attributable to the time residing in DC.

- **Underpayment Interest** - The Underpayment penalty has been changed to underpayment interest, Lines 37 and 44; D-40.

- **Schedule H**

Section A, Line 2 has been changed to allow taxpayers to list the source and amount of other money not included in federal adjusted gross income of the tax filing unit that is used to pay rent. Money reported on this line is not used to calculate the amount of the credit, but to assist OTR in determining the reasonableness of the claim.

- **Schedule I**

Line 6, Calculation B has changed. The DC income exclusion for long-term care insurance premiums is no longer a subtraction from federal adjusted gross income. Based on the taxpayer's age, certain amounts of tax qualified long-term care insurance premiums are deductible as itemized deduction medical expenses.

Reminder

- **Alternative Fuel Vehicle Conversion and Infrastructure**

There are two non-refundable credits for alternative fuel vehicle conversion and infrastructure. A credit up to 50% of the costs for purchase and installation of qualified alternative fuel storage and dispensing or charging equipment per qualified alternative fuel vehicle refueling property or private residence. The credit shall not exceed \$1,000 per vehicle charging station for a private residence and \$10,000 per qualified alternative fuel vehicle refueling property or vehicle charging station. The cost of the purchase of the land on which the refueling or charging station will be located or the construction or purchase of any structure is not included in the equipment or labor costs. Any unused credit for infrastructure can be carried over for two future years.

A credit, not to exceed \$19,000 per vehicle, up to the tax liability, for 50% of the cost of equipment and labor per vehicle for vehicle owners who modify their existing petroleum derived gasoline or diesel fuel vehicle into a vehicle capable of operating on one of the following acceptable operating fuels: (a) at least 85% ethanol; (b) natural gas; (c) compressed natural gas; (d) liquefied natural gas; (e) liquefied petroleum gas; (f) biodiesel (excluding kerosene); (g) electricity from a vehicle charging station; or (h) hydrogen.

Any unused credit for vehicle conversion cannot be carried forward.

The District of Columbia Tax Refund Visa® Prepaid Card

The DC Office of Tax and Revenue (OTR) has implemented a significant addition to the way individual income tax refunds are issued, and we want to make sure you have the information you need to choose the best way to receive your 2015 refund.

There will be three options on 2015 returns for receiving individual income tax refunds – direct deposit, a tax refund card, or paper check. All individual income tax returns will require that an option be selected. **If you do not select an option, you will receive a paper check.** Refunds under \$2 or greater than \$4,000 do not qualify for the tax refund card and will be issued by check. The following information will help you understand the refund card.

The DC OTR issues over 50% of income tax refunds via paper checks each year. The **addition of** the tax refund cards saves the District money by reducing check printing and mailing costs. The District Office of Finance and Treasury has partnered with Citi® Prepaid Services to administer the tax refund card program at no cost to the taxpayer.

What are the benefits of each option for District of Columbia taxpayers? Direct deposit is still the fastest and recommended method for receiving a refund, provided accurate bank account information is entered on the return. So be sure to check your bank information carefully before filing your return. In addition to entering your bank information, you must also select the direct deposit option. For individuals who prefer not to use direct deposit, the tax refund card offers a more secure and convenient alternative to paper checks that also eliminates check-cashing fees.

How can I be sure the DC Tax Refund Visa® Prepaid Card is secure? The DC Tax Refund Visa® Prepaid Card is covered by Visa's Zero Liability protection; cardholders are not responsible for fraudulent or unauthorized transactions (terms and conditions apply). The card itself can be activated only by using the recipient's identifying information, including social security number. For additional security, many transactions require a personal identification number (PIN) chosen by the recipient.

How and where can the tax refund card be used? The card can be used to withdraw cash at any Visa® member bank, or it can be used at retail stores and ATMs or to make transactions online wherever Visa® debit cards are accepted. The DC Tax Refund Visa® Prepaid Card is valid only until the refund amount has been exhausted. The card cannot be reloaded.

Are there fees associated with using the tax refund card? Many transactions are free, including retail purchases, in-network ATM withdrawals, "cash back" at participating merchants and one-time withdrawal of funds at a Visa® member bank, but there may be fees for some transactions. A complete fee schedule is available on our website, www.taxpayerservicecenter.com.

How will tax refund cards work for a joint refund? In the case of a joint return, a single tax refund card will be issued in the name of both spouses/registered domestic partners. The refund itself cannot be divided into separate cards between the spouses/registered domestic partners.

Where can I get more information about the DC Tax Refund Visa® Prepaid Card? On the OTR website, www.taxpayerservicecenter.com.

Cards are issued by Citibank, N.A. pursuant to a license from Visa® U.S.A. Inc. and managed by Citi Prepaid Services. This card can be used everywhere Visa® debit cards are accepted.

General Instructions for D-40EZ/D-40

Who must file a DC Income tax return?

You must file a 2015 DC Individual Income tax return if –

- You were a District of Columbia (DC) resident in 2015 and were required to file a federal income tax return. (A resident is an individual whose permanent legal residence is within the District during the taxable year); or
- You maintained a place of residence in DC for a total of 183 days or more during 2015 even if your permanent residence was outside DC (see instructions for part-year residents, page 25); or
- You were a member of the United States (US) armed forces and DC was your legal residence for tax purposes for all or part of 2015.

Note that even if you are the spouse/registered domestic partner of someone not required to file, such as a non-resident Congressional appointee, and you meet any of the above requirements, you yourself must file.

You do not need to file a 2015 DC Individual Income tax return if:

- You were not required to file a 2015 federal income tax return.
- You were not considered a resident of DC during 2015.
- You were an elected member of the US government who was not domiciled in DC.
- You were an employee on the personal staff of an elected member of the US Congress and you and the elected member were bona fide residents of the same state.
- You were a member of the US Executive Branch appointed by the President, subject to US Senate confirmation, whose tenure of office is at the pleasure of the President and you were not domiciled in DC during any part of 2015.
- You were a justice of the US Supreme Court and were not domiciled in DC during any part of 2015.

Which form should you file?

D-40EZ Income Tax Return for Single and Joint Filers with No Dependents

You may use this simpler form if you meet all of the following:

- Your filing status is single, married/registered domestic partners filing jointly, or a dependent claimed by someone else. (Domestic partners are registered with the Vital Records Division of the DC Department of Health);
- You were a DC resident from January 1 through December 31, 2015;
- Your taxable income is \$100,000 or less and consists only of wages, salaries and tips; taxable scholarships or fellowship grants; unemployment compensation; and/or interest and dividends (\$1500 maximum);
- You did not make estimated income tax payments;
- You do not claim dependents;
- You do not claim an exemption for being age 65 or older or legally blind;
- You have no federal adjustments to income;
- You do not itemize deductions;
- You do not file DC Schedules S, H, U, I or N; and
- You do not claim a deduction for a payment to the DC college savings plan.

D-40 Individual Tax Return

Use this form if you cannot use the D-40EZ.

D-41 Fiduciary Income Tax Return

Use the D-41 if you are the fiduciary of a DC estate or trust and:

- The gross income for the **estate** is \$1,775 or more for the year; or
- The gross income for the **trust** is \$100 or more for the year.

Effective January 1, 2016, a fiduciary must have a Federal Employer Identification Number (FEIN).

D-40B Nonresident Request for Refund

If you are not a DC resident and you had DC taxes withheld, file Form D-40B, Nonresident Request for Refund.

FR-329 Consumer Use Tax on Purchases and Rentals

You should file this form if during the tax year you paid a total of more than \$400 for merchandise, services, or rentals on which you did not pay sales tax. Typically you do not pay sales tax on (a) merchandise you ordered through catalogs; (b) merchandise shipped to DC that you bought or rented outside of DC; and (c) merchandise taxed in DC but not in the state where purchased.

When are your taxes due?

April 18, 2016, is the deadline for filing your return and paying any taxes due. If the due date falls on a Saturday, Sunday, or legal holiday, the return is timely if filed on the next business day.

FR-127 Extension of Time to File Income Tax Return

An extension of time to file of six months may be granted if a valid extension of time to file is requested. In order to be valid, a FR-127 Extension of Time to File form is due by April 18, 2016. If the due date falls on a Saturday, Sunday, or legal holiday, the request for extension of time is timely if filed on the next business day. The submission of the extension of time to file is subject to the following considerations:

1. If you expect to have a balance due when you file your D-40, you must pay with your timely filed extension.
2. If you do not expect to have a balance due when you file your D-40, you would not be required to file a Form FR-127, if you have:
 - a. Reasonably estimated your D-40 tax liability and paid the estimated amount of DC income taxes through withholding or estimated tax payment; and
 - b. Filed a request to extend the time to file your federal individual income tax return with the IRS. The timely filed federal extension to file form will satisfy the requirement for filing a Form FR-127 with DC.
3. If you do not expect to have a balance due and you have not filed an extension of time to file for your federal individual income tax return and wish to request an extension for your DC income tax return, you should submit a Form FR-127.

Penalty and interest charges are imposed on any tax found owing and not paid on time with the extension request.

Filing your return

This booklet has all the forms and instructions you will need. You are responsible for filing and paying taxes on time whether or not you receive the printed forms.

• Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if their form is a DC OTR approved form.

- **By mail**

- If mailing a return with a payment, send it to:
Office of Tax and Revenue
PO Box 96169
Washington, DC 20090-6169
- If mailing a refund request return or a 'no money due' return, send it to:
Office of Tax and Revenue
PO Box 96145
Washington, DC 20090-6145

There are two adhesive mailing labels on the back flap of your return envelope. If you are sending a payment with your return, use the PO Box 96169 mailing label on your return envelope.

If you are filing a no money due or a refund request return, use the PO Box 96145 mail label on your return envelope.

Do not include more than one return per envelope.

- **By DC electronic filing (e-File)**

e-File offers most DC individual income taxpayers a full federal/state electronic filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

1. Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
2. Through a tax practitioner who is an authorized e-File provider; or
3. Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC for a fee.

The DCfreefile fillable forms e-File program provides an online version of the D-40/D-40EZ and related schedules. The DCfreefile fillable forms program allows the taxpayer to complete the return online by entering the DC state tax information as if the taxpayer were filling out a paper return. The DCfreefile fillable forms option is available only to DC residents, but there are no income or age restrictions. Once the return is completed, it can be e-Filed at no charge or printed for mailing. The DCfreefile fillable forms program also performs basic calculations. If you usually file on paper forms, the DCfreefile fillable forms e-File program may be a good choice for you.

DCfreefile is a free federal and state income tax preparation and electronic filing program for eligible taxpayers, based on the IRS Free File Alliance program. Eligible taxpayers may prepare and e-File their federal and state income tax returns for free using commercial online software provided by specific Free File vendors. Each participating vendor sets its own eligibility requirements and not all taxpayers will qualify for all companies. Please select a product from our Free File page to assure yourself the opportunity to e-File both your federal and District returns.

DCfreefile fillable forms and DCfreefile will be available at the same time as the IRS.

If you use one of the e-File options to file your DC return, you also have three options to receive your refund:

1. Direct Deposit;
2. DC Tax Refund Visa® Prepaid Card; or
3. Paper Check.

Be sure to make a selection on the return for the refund option that you want. If no choice is made, and your refund is within the threshold of a refund card, you will receive a refund card. However, refund cards will not be mailed to a foreign address. Please review the information about the refund card at the front of the book. Instructions for direct deposit can be found on page 15. Note: All new direct deposit requests (taxpayers requesting a direct deposit for the first time) will receive a paper check.

Electronic Filing Instructions

The instructions in this booklet are specifically for filers of paper returns. When you file electronically, note that the instructions may differ. Follow the "on screen" instructions. If you need further explanations, review the instructions in this booklet.

Payment Options

Check or money order (US dollars)

Include a check or money order (US dollars), payable to the DC Treasurer, with your completed return. Write your social security number, daytime telephone number, tax year "2015" and the type of form filed ("D-40" or "D-40EZ") on your payment. **Attach your payment to the Form D-40P voucher provided in this booklet. Do not attach either to your return.**

Form D-40P, Payment Voucher

Use this form when sending a check or money order. Do not staple the voucher to the D-40 or D-40EZ. Include the D-40P with your D-40 or D-40EZ in the return envelope provided. Use the PO Box 96169 mail label from the back flap of the return envelope.

By Phone

1. Dial 1-800-272-9829 (available 7 days a week, 24 hours a day)
2. Enter code 6000 (District of Columbia's Jurisdiction Code)
3. Complete the telephone transaction directly with the credit card processing vendor or electronic check processing vendor. You will be given a confirmation number, please keep it with your records.

Electronic Check (e-check)

e-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking information at the time of payment instead of storing the information. There is no fee for e-check payments.

Credit/Debit Card

The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Direct Debit

Electronic filers have the ability to pay their tax due or estimated payment by direct debit. Enter your banking information, including the routing and account numbers, checking or savings account and the date of withdrawal. The date of withdrawal cannot be greater than thirty (30) days from the due date of the return.

Visit the website <http://www.taxpayerservicecenter.com> for Credit/Debit Card Payment or Electronic Check (e-check) Payment Information.

Note: International ACH Transaction (IAT). Your payment cannot be drawn on a foreign account. You must pay by money order (US dollars) or credit card instead.

Penalties and Interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the collection fee are first applied to the collection fee, then to the penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Penalties and interest accrued may be reported on Line 17 of the D-40EZ or Lines 36, 43a and/or 43b of the D-40. For Estimated Tax Underpayment Interest, Form D-2210, use Line 37 or Line 44. The form can also be located at www.taxpayerservicecenter.com. File the Form D-2210 with your return.

Criminal Penalties

You will be penalized under the criminal provisions of the DC Code, Title 47, if you are required to file a return or report, or to perform any act, and you:

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;
- Willfully fail to file the return or report timely. If convicted, you will be fined not more than \$5,000 or imprisoned for not more than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax; or willfully make fraudulent and false statements or fail to provide information. See DC Official Code §47-4101 through 4107.

These penalties are in addition to penalties under DC Code §22-2405 for false statements (and any other applicable penalties).

Enforcement Actions

OTR may use lien, levy, seizure, collection agencies, and liability offset if the taxpayer fails to pay the District within 20 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com.

Special filing circumstances

Amended return

File an amended DC return if your DC tax liability for a prior open tax year (usually 3 years from date of filing) has changed on the D-40 or D-40EZ return **for the tax year** you are amending. To file an amended return for the current year, complete another 2015 DC individual income return and fill in the "amended return" oval on the form. Attach a list with explanations of the changes covered by your amended return.

If you are filing an amended return for a prior year, attach a copy of the original and any amended returns filed for that tax year. You can download forms from www.taxpayerservicecenter.com or call 202-442-6546 to request forms by mail.

If the IRS adjusts your individual federal tax return, you must file an amended DC return within 90 days of receiving notice of the federal adjustment. Attach a copy of the adjusted federal return and/or determination letter.

Joint Returns After Separate Returns

You can change your filing status from a separate return to a joint return by filing an amended return. You generally can change a joint return anytime within three (3) years from the due date of the separate return or returns. This does not include any extensions. A separate return includes a return filed by you or your spouse/registered domestic partner claiming married filing separately, registered domestic partners filing separately, single, or head of household filing status.

Separate Returns After Joint Return

Once you file a joint return, you cannot choose to file separate returns for that year after the due date of the return. **Exception.** A personal representative for a decedent can change from a joint return elected by the surviving spouse to a separate return for the decedent. The personal representative has one (1) year from the due date of the return (including extensions) to make this change.

Getting Started

To complete the paper Forms D-40 or D-40EZ, in general you will need:

- A copy of your completed 2015 federal return, as applicable (Form 1040, 1040A, 1040EZ, 1040NR, or 1040NR-EZ) and any additional forms or worksheets related to the return. You can copy many entries directly from federal forms 1040, 1040A, 1040EZ, 1040NR, or 1040NR-EZ. Please be careful since the line numbers may differ from the District Forms D-40 or D-40EZ line numbers;
- A copy of your completed state returns if you filed an income tax return with another state;
- Your W-2 and applicable 1099 forms with DC withholding tax or taxable income;
- A pen with black ink;
- A calculator.

Not all items will apply. Fill in only those that do. If an amount is zero, make no entry, leave the line blank.

- **An ITIN is a valid number issued by the Internal Revenue Service (IRS).** To apply for an ITIN, get Form W-7, Application for IRS Individual Taxpayer Identification Number online at www.irs.gov. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).

You must wait until you receive either number before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid. Generally, you will use the same filing status on your DC return as that used on your federal return. However, if you used married filing jointly on your federal return, it may be better for you to file your DC return using either *married filing separately* or *filing separately on the same return*. If both have income, figure the tax both ways.

Single (D-40 and D-40EZ)

You were unmarried, divorced or legally separated as of December 31, 2015, or were widowed prior to January 1, 2015, and did not remarry before January 1, 2016.

Filing Jointly (D-40 and D-40EZ)

You were married or have a registered domestic partner and both spouses/registered domestic partners were DC residents as of December 31, 2015, or your spouse/registered domestic partner died in 2015 and you did not remarry/register in 2015. If legally separated, do not file jointly. If your spouse died during the year, you are considered married for the whole year for filing status purposes. If you did not remarry before the end of the tax year, you can file a joint return for yourself and your deceased spouse.

If you are filing a joint return or filing separately on the same return, enter the name and SSN shown first on your previous year return, then enter the name and SSN shown second on your previous year return.

Registered domestic partners (D-40 and D-40EZ)

To be considered as a registered domestic partner for DC tax purposes, the parties must be registered with the Vital Record Division of the DC Department of Health. If you have registered your relationship you may either file a joint return (D-40 or D-40EZ) or file separately on the same return (D-40). You may also file separately using the single filing status.

Domestic partners or other similar relationship registered in other jurisdictions. If you have registered your relationship in another jurisdiction, you may file a joint return, or file separately on the same return, or file a separate return using the single status.

If you are visiting the DC OTR for assistance in preparing your DC Income Tax Return, registered domestic partners must first prepare a "not to be filed" (mock) joint federal return.

- If filing jointly is chosen, enter the total federal adjusted gross income of both registered domestic partners on Line 1 of the Form D-40EZ or Line 3 of the Form D-40.
- If you are married or registered domestic partners, you may file either a joint return or file separately on the same return. If filing jointly is chosen, enter the total federal adjusted gross income of both spouses/partners on Line 3, Form D-40.
- If filing separately on the same return is chosen, follow the instructions under Married or Registered Domestic Partners filing separately on the same return.

Married filing separately or registered domestic partner filing separately on separate returns (D-40)

If you are married or have a registered domestic partner and both spouses/partners had income, you can use this filing status. Include your spouse/registered domestic partner's name and social security number in the Personal Information section.

You will each report only your own income, exemptions, deductions, and credits. You will each report one-half of the income from any securities, bank accounts, real estate, etc., that are registered or titled in both names.

Registered domestic partners who choose to file as married and married individuals must use this filing status if:

- You and/or your spouse/registered domestic partner were part-year residents of DC during different periods of 2015;

- You were a DC resident and your spouse/registered domestic partner was one of the following:
 - A member of the US armed forces and not considered a DC resident, but you are required to report income in DC;
 - A member of the US Congress or an employee on the personal staff of a member of Congress who is considered a resident of the member's state of residency;
 - An officer of the US Executive Branch whose primary residence was not in DC, who is appointed by the President, confirmed by the US Senate and serves at the pleasure of the President; or
 - A justice of the US Supreme Court whose primary residence was not in DC.

Dependent claimed by someone else

If you are claimed as a dependent on someone else's return, fill in the 'dependent claimed' oval on the D-40 or D-40EZ return.

Married or registered domestic partners filing separately on the same return (D-40)

If you claim either status, you and your spouse/registered domestic partner must combine your separate amounts using Calculation J on Schedule S so that you will either receive one refund or make one tax payment. You may also claim a credit for child and dependent care expenses, which you are not allowed to claim if you file separate returns. Using this filing status may reduce the amount of tax you owe by allowing each spouse/registered domestic partner to take advantage of lower tax brackets.

Before completing Calculation J, and the Form D-40, you will need to figure the following for you and your spouse/registered domestic partner:

- Each person's federal adjusted gross income;
- Each person's additions to federal income;
- Each person's subtractions from federal income;
- Each person's deductions; and
- Each person's exemptions.

NOTE: If you and your spouse/registered domestic partner were part-year residents of DC during different periods of 2015, you cannot file separately on the same return. You must file separate returns.

Injured Spouse Protection

If either spouse/registered domestic partner has an outstanding liability for prior DC taxes, DC unemployment compensation debt, or child support, the non-liaible party may request that his/her portion of the refund, if any, not be offset to satisfy the other spouse's/registered domestic partner's debt by requesting "injured spouse" protection. To request injured spouse protection, please attach DC Schedule S, Calculation J and IRS form 8379 (Injured Spouse Allocation) to your return and mail to:

Office of Tax and Revenue
PO Box 96145
Washington, DC 20090-6145

Head of Household (D-40)

You may claim this status if you were unmarried or legally separated as of December 31, 2015, and paid over half of the costs of maintaining a home for a qualifying person, such as a child or parent. Certain individuals who lived apart from the spouse/domestic partner for the last six (6) months of 2015 may also be able to use this filing status. Use the appropriate section of Schedule S to enter the full name, SSN, relationship and Date of Birth (DOB) of the qualifying person whether that person is a dependent or the non-qualifying dependent. Failure to provide a Schedule S can delay processing and exclude any exemptions claimed for dependents. All the information must be complete, i.e., name, SSN, relationship and DOB.

Qualifying Widow(er) with Dependent Child

If your spouse/registered domestic partner died in 2015, you can use married filing jointly as your filing status for 2015 if you otherwise qualify to use this status. The year of death is the last year for which you can file jointly with your deceased spouse. You may be eligible to use qualifying widow(er) with dependent child as your filing status for 2 years following the year your spouse/registered domestic partner died. For example, if your spouse/registered domestic partner died in 2013, and you have not remarried, you may be able to use this filing status for 2015.

This filing status entitles you to use joint return tax rates and the highest standard deduction amount (if you do not itemize deductions) but it does not entitle you to file a joint return.

Eligibility rules. You are eligible to file your 2015 return as a qualifying widow(er) with dependent child if you meet all of the following tests:

- You were entitled to file a joint return with your spouse/registered domestic partner for the year your spouse/registered domestic partner died. It does not matter whether you actually filed a joint return.
- Your spouse/registered domestic partner died in 2013 or 2014 and you did not remarry by the end of 2015.
- You have a child or stepchild for whom you can claim an exemption. This does not include a foster child.
- Your child lived in your home all year, except for temporary absences. There are exceptions for a child who was born or died during the year and for a kidnapped child.
- You paid more than half the cost of keeping up your home for the year.

Standard Deduction and Exemption Amounts (D-40 and D-40EZ)

You are not entitled to the standard deduction if you itemize on your federal return. You are entitled to the itemized deductions excluding the state and local taxes and subject to the DC 5 percent limitation.

District Code §47-1803.03 (c) states "Every individual who claims the standard deduction on his or her federal income tax return shall claim the applicable standard deduction specified in District Code §47-1801.04 (44). Every individual who itemizes the deductions on his or her federal income tax return shall itemize the deductions permissible under this chapter. If a husband and wife or registered domestic partners file separate returns, the applicable standard deduction shall not be allowed to either spouse or registered domestic partner if the net income of one of the spouses/registered domestic partners is determined by itemizing deductions." Each spouse/registered domestic partner can claim only his/her own itemized deduction.

Standard Deduction

Single individuals, dependents, and married/registered domestic partners filing separately are allowed a standard deduction amount of \$5,200. Head of household filers are allowed a standard deduction of \$6,500. Married/registered domestic partners filing jointly, qualifying widow(ers) with dependent children, and married/registered domestic partners filing separately on the same return are allowed a standard deduction of \$8,350.

Number of Exemptions

If you are a 'dependent claimed by someone else', **do not claim any exemptions.** Leave Lines 17 and 18 blank on the D-40.

If you are filing:

- single and claiming more than one exemption;
- married or registered domestic partners filing jointly, and claiming more than two exemptions; or
- Head of household and claiming more than one exemption; or
- Qualifying widow(er) with dependent child.

Complete Calculation G on page 2 of the Schedule S and attach the schedule to the return, Form D-40.

Exemption Amount

Multiply \$1,775 by Line 17 of the D-40 number of exemptions. If you do not have exemptions, leave Line 18 blank on the D-40.

See D-40EZ form for standard deduction and exemption amounts.

Taxpayers with adjusted gross income greater than \$150,000 must reduce the Line 18 exemption amount by 2% for every \$2,500 (or fraction thereof) by which the taxpayer's adjusted gross income for the taxable year exceeds \$150,000. No amount of the personal exemption shall be available for an adjusted gross income in excess of \$275,000.

DC Low Income Credit (LIC) and DC Earned Income Tax Credit

The LIC is a non-refundable credit, which means it can reduce the DC tax you owe, but it will not directly result in a tax refund. The EITC is a refundable credit. If you have a qualifying child, calculate your federal EITC according to the federal 1040, 1040A, or 1040EZ, before you determine your DC EITC.

If you do not have a qualifying child, you must use the DC Earned Income Tax Credit (EITC) Worksheet For Filers Without A Qualifying Child on page 12, to determine your DC EITC.

If you take the federal earned income credit, it may be better for you to take the DC Earned Income Tax Credit instead of the DC Low Income Credit. **You cannot take both DC credits.**

DC Low Income Credit (LIC)

To qualify for this credit:

- You cannot have computed your federal income tax using the Alternative Minimum Tax (AMT) calculation;
- You cannot have net federal adjusted gross income in excess of the minimum federal income tax filing requirements;
- The amount of DC taxable income on Line 20 of your D-40 or Line 5 of the D-40EZ is more than zero; and
- Your DC Adjusted Gross Income (AGI) D-40, Line 14 or D-40EZ, Line 3; is greater than the sum of DC personal exemptions and DC standard deduction and is less than or equal to the sum of your federal personal exemptions and your federal standard deduction.

The LIC for part-year residents must be prorated to the time of residency.

Calculation of Eligibility

If your DC taxable income is greater than zero, complete this chart to determine if you are eligible for the low income credit.

Line 1	Net federal AGI	\$ _____
Line 2	Federal personal exemptions Amount	\$ _____
("Dependents claimed by someone else", enter 0)		
Line 3	Federal standard deduction Amount	\$ _____
Line 4	Sum of Line 2 and Line 3	\$ _____

Line 6	DC AGI	\$ _____
Line 7	DC personal exemption Amount	\$ _____
Line 8	DC standard deduction Amount	\$ _____
Line 9	Sum of Line 7 and Line 8	\$ _____
Line 10 If Line 6 is greater than Line 9 continue.		
To determine the low income credit, see the Low Income Credit Table on page 17.		
Dependents claimed by someone else should use the calculation at the bottom of page 17 to determine the low income credit available.		

Complete Calculation LIC/EITC for D-40EZ or Calculation L on page 27 for D-40 taxpayers to determine which DC credit is better for you.

You must enter the number of federal exemptions to claim the LIC, Forms D-40EZ, Line 7a, or D-40, Line 24a.

The LIC shall not be allowed to a resident:

- who has computed their federal income tax using the Alternative Minimum Tax (AMT) calculation;
- who has net federal adjusted gross income in excess of the minimum federal income tax filing requirements. Net federal adjusted gross income means federal adjusted gross income less: (i) taxable refunds, credits, or offsets of state and local income tax; (ii) tax-exempt municipal bond interest income; and (iii) federal taxable amount of social security or tier 1 railroad retirement income; or
- who has elected to claim the earned income tax credit

DC Earned Income Tax Credit (EITC)

If your filing status is "Married or registered domestic partner filing separately" or "Dependent claimed by someone else", you cannot claim the DC EITC.

Taxpayers who claim the DC LIC credit may not claim the EITC. You may take only one of these DC credits. Complete the calculation on the back of the D-40EZ or Calculation L on page 27 of the D-40.

Taxpayers with a Qualifying Child

Taxpayers with a qualifying child who are eligible for and who claim the federal EITC may also claim a DC EITC of 40% of the federal credit.

*DC Law also allows the same 40% of federal EITC to those who are not allowed to claim the EITC at the federal level but who meet other DC requirements, such as a non-custodial parent who is a District resident between the ages of 18 and 30, and paying child support under a court order for a minor child. The taxpayer must have paid the child support of at least the amount due for the year through a government sponsored support collection unit and the order must have been in effect for at least one-half of the year. **You must file a D-40 form to use this exception.** Complete Schedule N, DC Non- Custodial Parent EITC Claim, and attach to the D-40. Also enter the amount to be claimed on the Schedule U, Part 1B, Line 1. Please enter the number of qualified EITC dependents on Line 13a of the D-40EZ, or Line 27a of the D-40.*

Qualifying Child for EITC Purposes

A qualifying child as defined by the IRS for the EITC is a child who is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, or a descendant of any of them (for example, your grandchild, niece or nephew) and was:

- Under age 19 at the end of 2015; or
- Under age 24 at the end of 2015 and a full-time student; or
- Any age and permanently and totally disabled.

In addition, they must have lived with you in the US for more than half of 2015, unless you are claiming the EITC as a non-custodial parent (see D-40 instructions for Schedule N).

If your child was married at the end of the year, the child is not a qualifying child unless you can claim the child's exemption or you have been given the right to claim the exemption in an agreement signed by the child's custodial parent releasing the dependency exemption.

Taxpayers Without A Qualifying Child

Taxpayers without a qualifying child must use the DC Earned Income Tax Credit (EITC) Worksheet For Filers Without a Qualifying Child on page 12 to determine the DC EITC. You may need information from the federal instruction booklet concerning the Earned Income Credit to determine your eligibility for the DC Earned Income Tax Credit. If you do not have a qualifying child for the EITC and did not qualify for the federal credit due to your income, you may still qualify for the DC EITC.

Refund Options

There are three refund options offered for individual income tax returns. All individual income tax returns require that one of three refund options be selected.

1. Direct deposit of refund

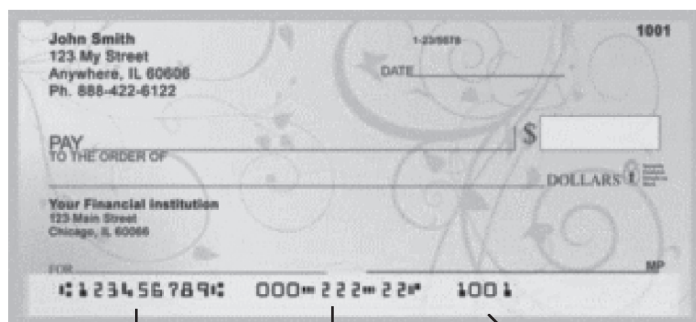

Direct Deposit Facts:

1. It's simple. You don't have to go to the bank to cash your check.
2. It's safe. No more lost, stolen or misplaced checks.
3. It's fast. Your money will be available the morning of the payment.

All new direct deposit requests (taxpayers requesting a direct deposit for the first time) will receive a paper check.

If you want your refund deposited directly in your bank account, complete the Direct Deposit Information above the signature line on the D-40 or D-40EZ. If the routing or account number begins with zeros, include the zeros.

Fill in the bank routing and account number information. You can obtain this information from the lower left portion of your check (see example below).

CHECK NUMBER

NOTE: Refer to your own check or financial institution for your numbers. The routing and account numbers may be in different places on your check.

Your routing number is the left-most number located on your check, identified as the American Banking Association (ABA) routing number. The ABA number identifies your bank uniquely within the direct deposit system. It must be:

- Nine (9) digits in length, including zeros;
- A current valid bank routing number.

Your account number:

- Is usually just to the right of your ABA routing number including zeros;
- Can be up to 17 digits long; and
- Can be both letters and numbers.

You may want to verify your account and routing numbers with your financial institution before filling in the information.

Fill in the oval to show the type of bank account. If you want the refund to go to a savings account instead of your checking account, you may need to contact your financial institution for the account and routing number information.

Check the ABA routing number and account number carefully. If your bank account information is incorrect or missing digits, the money can be deposited in someone else's account. Please double check your routing and account number. OTR is not liable for any ABA routing and account numbers reported on the return in error.

If you do not select the checking or savings oval, we will assume the refund will be deposited in your checking account. If the funds are returned to OTR, a paper check will be issued.

In the event of a rejection of direct deposit, **refunds will be re-issued on a paper check.**

Note: Identify theft and fraud using direct deposit has grown significantly nationally and locally in recent years. To minimize direct deposit/identity theft refund fraud, OTR is converting new direct deposit refund requests to paper checks mailed to the taxpayer's address of record. Also see number 3, Paper Check section below for when paper checks will be issued.

Refund direct deposit to a foreign account – International ACH Transaction (IAT)

If you request your refund to be direct deposited to an account outside of the United States, you will receive a paper check.

2. DC Tax Refund Visa® Prepaid Card

If you want your refund on a **Visa® Prepaid Card**, choose **Tax Refund Card** under the Refund Options on the D-40 or D-40EZ form. However, refunds under \$2 or greater than \$4,000 do not qualify for the refund card. Non-qualified refunds will receive a paper check if direct deposit is not selected. If taxpayer is a first time filer, they can receive a refund card if it is within the threshold.

3. Paper Check

A paper check will be issued if:

- **no refund option is selected;**
- the taxpayer selects this option, or direct deposit is not selected **or if the taxpayer selects "Tax Refund Card" and the tax refund card is beyond the threshold for a refund card;**
- taxpayer is a first time filer, even if they select direct deposit;
- there is a gap between filing i.e., filed in 2012 and 2013, but did not file in 2014; or
- the bank account changes from one year to the next.

Refund status inquiry

To check the status of your refund visit www.taxpayerservicecenter.com. You will need to enter your SSN and the refund amount you requested on your return.

Third Party Designee

If you want to authorize another person to discuss your 2015 tax return with the OTR, check the oval in the Third Party Designee block on page 2 of the D-40, or page 1 of the D-40EZ, and enter the designee's name and phone number. If you want to authorize your paid preparer, enter 'preparer' in the 'third party designee' block. If you are filing a joint return, checking the third party designee block oval constitutes authorization by both filers.

Checking the oval also gives the designee authorization to:

- Give OTR any information missing from your return;
- Contact OTR for information about processing your return and the status of any refund or payment; and
- Request, receive and/or respond to OTR notices related to your return.

The authorization does not:

- Give the designee the right to receive your refund;
- Bind you to any additional tax liability related to your return; or
- Otherwise represent you before OTR.

This authorization automatically ends on April 18, 2016 (without regard to extensions).

Signature

Sign and date your return. If your filing status is married filing jointly or married filing separately on the same return, both spouses/registered domestic partners must sign. If the return is not signed, it will be sent back to you. If the return was prepared by a paid tax preparer, the tax preparer must also sign the return and provide his or her identification (PTIN) and telephone number. You, the taxpayer(s) is/are responsible for the information prepared and submitted by a paid preparer.

Send in your original return and attachments, if applicable; please keep a copy for your records.

Do not understate your taxes

There may be a penalty if an understatement of the tax required to be shown on your return exceeds the greater of:

- 10% of the tax required to be shown on the return; or
- \$2,000

The penalty is 20% of the excess of the amount required to be shown on the return over the tax shown on the return.

Preparer Tax Identification Number (PTIN)

If you are a paid tax preparer, you are required to have an IRS PTIN issued by the IRS. If you use a paid preparer, they are required to have an IRS PTIN issued by the IRS. Although you may use a paid preparer, **you** the taxpayer(s) are responsible for the filing and payment of your tax return. A PTIN is a number issued and authorized by the IRS to file a return on your behalf. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

Paid preparers must pay a penalty for understating taxes where:

- The refund or amount due is based on unrealistic information; or
- The preparer should have been aware of a relevant law or regulation; or
- Relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000.

Assembling your D-40EZ or D-40 return

- **Do not staple or otherwise damage the Bar Code located in the upper right hand corner of the form or schedule being attached;**
- **Do not cross out the tax year on the 2015 return.** If you are not filing a 2015 individual income tax return, do not use this booklet. Instructions for the D-40

To complete your D-40 return, you will need to do a series of calculations contained in these instructions and copy many of the line items and totals on your D-40. You may also need to attach DC schedules, forms and worksheets to your D-40 if you complete any of the DC forms. Unless instructed otherwise, if you complete any part of any Schedules H, I, N, S, or U, attach it to your return, in the order defined in General Instructions, page 16.

Schedule H, Homeowners and Renter Property Tax Credit.

This schedule allows eligible residents to claim a property tax credit against their DC income tax liability. The total 2015 federal adjusted gross income (AGI) of your "tax filing unit" cannot exceed \$40,000 (under age 70) or \$60,000 (age 70 or older). **Do not claim this credit for an exempt property owned by a government, a house of worship or a non-profit organization.** See Schedule H in this booklet.

Note: If you are filing a D-40, you must file DC Schedule H with it. If you are not required to file a D-40 (or D-40EZ), the DC Schedule H can be filed by itself.

Schedule I, Additions to and Subtractions from Federal AGI.

This schedule contains two calculations, one for additions and another for subtractions from federal AGI. See Schedule I in this booklet.

Part-Year Residents

NOTE: A temporary absence (even a lengthy one) from your permanent home does not make you a part-year resident. If filing as a part-year resident, you will be given guidance for completing your D-40 throughout these instructions.

You are a part-year DC resident if, during the year, you moved out of DC with the intent to permanently leave or moved into DC with the intent to permanently stay.

A DC taxpayer domiciled in DC during the tax year, is a full-time DC resident unless he or she changes domicile during the tax year. In such case, he or she will be a part-year resident for the period not domiciled in DC.

A DC taxpayer present in DC for 183 days or more and not domiciled in DC during the tax year is a part-time resident for the period present in DC. Number of months of DC residency. Divide the number of days lived in DC by 30 to determine the number of months of residency. Any remainder over 15 days counts as a full month.

Example: 196 days of residency in DC divided by 30 = 7 months (6 months plus one month due to the 16 day remainder).

"Domicile" is where a person has his or her permanent home. To change domicile, you have to abandon the previous domicile and establish a new one in another state with the intent to remain. If you resided in DC for only part of 2015, allocate your DC income and deductions attributable to the time of your DC residency. Also prorate your exemptions and credits.

If DC was your home or permanent residence for less than a year, fill in the oval on Line 2 of the D-40, complete the applicable months in the "from" and "to" boxes, and enter the number of months in DC. Complete Calculation C for standard deduction and Calculation D for DC itemized deductions showing the type and amount of income received:

- During the time you resided in DC;
- During the time you were a non-resident; and
- The total income reported on your federal return.

Before completing the D-40, calculate the following:

- Income received when you were a resident of DC, and when you resided outside of DC; and
- Deductible expenses paid when you resided in DC and when you resided outside of DC. The same allocation is required for exemptions, credits, and other deductions.

If you received a state income tax refund while not a resident of DC; do not include it in DC income.

If you claimed itemized deductions on your federal income tax return, include, for DC purposes, only those relating to the time you were a DC resident. Your federal worksheet will assist you in completing Schedule I (Calculations A and B) and Calculation D (if applicable). Keep a copy of your worksheet, a copy of your tax return and all calculations.

If you resided in DC for only part of 2015, allocate your DC income and deductions attributable to the time of your DC residency. Also prorate your exemptions and credits.

Standard deduction for part-year DC residents. Adjust your standard deduction to reflect the number of months you were a DC resident. Complete Calculation C on page 24.

Itemized deductions for part-year DC residents. If your DC AGI is \$200,000 or less and you were a part-year resident, complete Calculation D on page 24.

Reduce the DC itemized deduction amount by 5% of DC AGI in excess of \$200,000 (\$100,000 for a separate return filed by a married individual). The itemized deductions that are not subject to the 5% limitation are medical and dental expenses, expenses incurred in the production of investment interest and casualty or theft loss deduction.

If your DC deductions are limited and you were a part-year DC resident, complete Calculation D on page 24.

Standard deduction. Reference page 9 of the General Instructions. Part-year DC residents, reference page 25.

Itemized deductions. Do not copy the amount from your federal return. DC amounts are different from those allowed on your federal return.

Clarification: To the extent that a taxpayer's itemized deductions are limited at the federal level because IRS Form 1040 Line 38 is greater than \$150,000, only the pro rata amount of the state and local tax deduction that was actually allowed after the limitation, should be subtracted from the federal Schedule A Line 29 amount. The only time 100% of the state and local taxes should be subtracted from the federal itemized deductions allowed is when the amount on Line 38 of the Form 1040 is equal to or less than \$150,000.

If your DC AGI is \$200,000 or less, complete Calculation F on page 26. DC income taxes paid are not deductible on your DC return. Therefore, reduce your federal itemized deductions amount by those taxes before entering the total on your DC return.

Effective January 1, 2011, DC Official Code §47-1803.03 (b-4) provides that certain DC itemized deductions of DC taxpayers with over \$200,000 of DC AGI (\$100,000 for a separate return filed by a married individual) will be limited. Reduce the DC itemized deduction amount by 5% of DC AGI in excess of \$200,000 (\$100,000 for a separate return filed by a married individual). The itemized deductions that are not subject to the 5% limitation are medical and dental expenses, expenses incurred in the production of investment interest and casualty or theft loss deduction.

Instructions for Schedule H

(Note: These instructions are for tax year 2015 only.)

Homeowner and Renter Property Tax Credit

Home Defined

The term “home” refers to houses, apartments, rooming houses, and condominiums.

Eligibility

You must meet the following requirements to claim this credit:

- You were a District of Columbia (DC) resident from Jan 1. through Dec. 31, 2015;
- Your residence is not part of a public housing dwelling;
- You rented or owned and lived in your home, apartment, rooming house, or condominium in DC during all of 2015;
- The total 2015 federal adjusted gross income (AGI) of your “tax filing unit” was \$40,000 or less (\$60,000 or less if you are age 70 or older);
- You did not rent from a landlord whose property was either exempt from real property taxes or who paid a percentage of rental income to DC instead of paying a real estate tax;
- You must not be claimed as a dependent on someone else’s federal, state, or DC income tax return unless you reached age 65 on or before December 31, 2015.

Additional Information:

- Only one claimant per “tax filing unit” can claim the property tax credit and the claimant must have lived in the property during all of 2015, unless the claimant moved to a new address within the District of Columbia during 2015. (See instructions for “Line 3: Rent paid on property”).
- A Homeowner and Renter Property Tax Credit cannot be claimed on behalf of a taxpayer who died on or before December 31, 2015.

Tax Filing Unit Defined

A tax filing unit is defined as an individual or married couple that would –were their income above the federal filing threshold— file one individual income tax return. The tax filing unit also includes any persons who would be claimed as dependents on that tax return. Refer to the federal Forms 1040, 1040A or

1040EZ and use the Schedule H pages 2, 3 and 4 to determine the federal adjusted gross income of each person included in your tax filing unit. If any individual did not file a federal income tax return, enter amounts based on the federal instructions. Combine the federal adjusted gross incomes of all persons in the tax filing unit to determine the total federal adjusted gross income of the tax filing unit. If you are required to file a DC individual income tax return attach Schedule H to your D-40 return. If you are not required to file an individual income tax return because you are below the income tax filing threshold, you can file Schedule H as a standalone return.

A tax filing unit can consist of the following combinations:

1. An individual, including a registered domestic partner, who files an individual income tax return using the single status, (or would file if their income was above the federal filing threshold). Also included would be all other persons who are claimed as dependents on the individual tax return, or who would be claimed as dependents on an individual tax return if that claimant had income above the filing threshold to file an income tax return;
2. A married couple, whether filing jointly, separately on the same return, or who lived together and file separately on separate returns, who files (or would file if their income was above the federal filing threshold). Also included would be all other persons who are claimed as dependents on the individual income tax return, or who would be claimed as dependents on an individual income tax return if that claimant had income above the filing threshold to file an income tax return;
3. Registered domestic partners filing jointly or separately on the same return, who file (or would file if their income was above the federal filing threshold). Also included would be all other persons who are claimed as dependents on the individual income tax return, or who would be claimed as dependents on an individual income tax return if that claimant had income above the filing threshold to file an income tax return.

In the case of spouses or domestic partners who, during the entire calendar year for which this claim is filed, maintain separate homes, apartments, rooming houses or condominiums, each spouse or registered domestic partner is considered to be in a separate tax filing unit for the purpose of claiming the credit on each respective home that spouse or partner lived in and maintained. In such cases, if each claimant has income above the filing threshold, each spouse or registered domestic partner must file a separate income tax return to claim the credit for their respective tax filing unit. Any claimant below the filing threshold can file a Standalone Schedule H.

An individual who is claimed as a dependent on someone else's individual income tax return is eligible to file the claim for his/her tax filing unit only if the individual is 65 years of age or older.

There can be more than one tax filing unit in a home, apartment, rooming house or condominium.

When is Schedule H due?

The Schedule H is due by April 18, 2016.

Where to Mail Schedule H

If you are required to file a DC income tax return, attach Schedule H to your DC income tax return. Whether mailing a DC income tax return with Schedule H attached, or mailing Schedule H as a standalone return only, send it to:

Office of Tax and Revenue
PO Box 96145
Washington, DC 20090-6145

Do I Use Section A or Section B?

If you **rent** your home, apartment, rooming house or condominium, use Section A.

If you **own** your home, apartment, rooming house or condominium, use Section B.

Section A—Credit claim based on rent paid

Line 1 Total federal AGI of the tax filing unit

Report the federal AGI of every member of your tax filing unit including income subject to federal but not DC income tax. Use pages 2, 3 and 4 to determine the federal AGI of the tax filing unit. To help you complete the page, refer to the federal Forms 1040, 1040A or 1040EZ. **If the federal AGI of the tax filing unit is more than \$40,000, (\$60,000 if you are age 70 or older) do not claim the property tax credit, you are not eligible.**

On the Schedule H pages 2, 3 and 4, list the name, social security number, and date of birth of all persons whose income is included in the federal AGI of the tax filing unit.

Line 2 Money from other sources used to pay rent

If you are claiming the property tax credit based upon rent paid, report the source of money or income not included in AGI that is used to pay rent. Money reported on this line is not used to calculate the amount of the credit, but to assist OTR in determining the reasonableness of the claim. Examples of money or income that is not included in AGI are: money in a bank account; money acquired by bequest, devise, inheritance or gift; veteran and disability payments not subject to federal tax; TANF; money received as damages on account of physical injuries or sickness; life insurance proceeds paid on death of the insured; social security and railroad retirement benefits that are excluded from federal AGI; Supplemental Security (SSI) payments and other sources of non-taxable income.

Line 3 Rent paid on the property in 2015

Enter the total rent you paid for the property during the year and multiply it by .20. If you sublet part of your home to another person, the rent that you received is gross income and must be

reported on your D-40, or D-30 if gross rental income is greater than \$12,000.

Note: If a claimant rents more than one home in the District in the same calendar year, rent paid by the claimant during the year is determined by dividing the rent paid pursuant to the last rental agreement in force during the year by the number of months during the year for which this rent was paid and by multiplying the result by 12. Multiply the rent entered by .20.

Line 4 Property tax credit

Using the amounts entered on Lines 1 and 2, calculate your property tax credit amount using the "Computing Your Property Tax Credit Worksheet".

Line 5 Rent supplements received in 2015 by you or your landlord on your behalf

Enter the amount of any federal or state rental housing subsidies you received, or any received on your behalf by your landlord during the year. If the rental housing subsidy is \$1,000 or more, do not claim the property tax credit. If no subsidies were received, leave the line blank.

Section B—Credit claim based on real property tax paid

Line 8 Total federal AGI of the tax filing unit

Report the federal AGI of every member of your tax filing unit including income subject to federal but not subject to DC income tax. Use pages 2, 3 and 4 to determine the federal AGI of the tax filing unit. To help you complete those pages, refer to the federal Forms 1040, 1040A or 1040EZ.

If the federal AGI of the tax filing unit is more than \$40,000, (\$60,000 for a claimant age 70 or older) do not claim the property tax credit.

Line 9 DC real property tax paid by you in 2015

Enter the amount of DC real property tax you paid on the property in 2015 (refer to your real property tax bills). Do not include interest or penalties paid and do not include taxes paid for earlier tax periods. In determining your property tax credit, you may include any deferred portion of your real property tax as part of the real property tax paid. If a home is an integral part of a larger unit such as a multi-purpose building or a multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the home bears to the total value of the property.

REMINDER: If you rent out part of your residence to another person, the rent you receive is gross income and needs to be reported on your federal and DC tax returns. If gross rental income is greater than \$12,000, you will need to file a DC Form D-30.

Line 10 Property tax credit

Using the amounts entered on Lines 8 and 9, find your property tax credit amount using the "Computing Your Property Tax Credit Worksheet".

SCHEDULE I Additions to and Subtractions from Federal Adjusted Gross Income

Calculation A Instructions

Additions to federal adjusted gross income

Line 6 Other is for pass through losses from DC unincorporated businesses that exceed the \$12,000 threshold (reported as a loss on federal 1040 return).

Line 7 Other is for those items not subject to federal tax but subject to DC tax. Please attach a list.

Calculation B Instructions

Subtractions from federal adjusted gross income

Line 1 Taxable interest from US Treasury bonds and other obligations. This interest is included on your federal Forms 1040 or 1040A, Line 8a or 1040EZ, Line 2. It may be all or part of that amount, or it may be 0. Also see your federal Form 1099-INT, Line 3.

Line 2 Disability income exclusion from DC Form D-2440. Enter the amount from Form D-2440, Line 10. Attach a completed D-2440. If disability payments were included in your federal gross income, you may be able to claim an exclusion for them on your DC return.

Line 5 Excess of DC allowable depreciation over federal allowable depreciation. If you claimed the federal bonus depreciation (30% or 50%) on your federal return, the DC basis for the depreciated property will be more than the federal basis. Use this line to subtract the excess depreciation from the federal AGI to show the proper DC depreciation allowable.

Line 6 DC College Savings Plan payments. Enter the amount contributed to a qualified DC "529" College Savings Plan. You may deduct up to \$4,000 annually for contributions you made to all qualified college savings accounts of which you are the owner. If you are married and file a joint or combined separate return, each spouse/domestic partner may deduct up to \$4,000 for contributions made to all accounts for which that spouse/domestic partner is the sole owner. A rollover distribution is not a contribution for purposes of this deduction. Contributions made to one or more accounts in excess of the allowable \$4,000 (\$8,000 for eligible joint filers) annual deduction may be carried forward as a deduction (subject to the annual limitation) for up to five years. If you were a part-year DC resident during the tax year, you may deduct only the amount contributed when you resided in DC.

Line 7a Exclusions for DC residents. Income not to exceed \$10,000 is excludable in computing DC gross income for persons determined by the Social Security Administration to be totally and permanently disabled and who are receiving: Supplemental Security Income or Social Security Disability; or railroad retirement disability benefits; or federal or DC government disability benefits; and whose annual household adjusted gross income is less than \$100,000.

Line 7b Household income includes income received by all household members in the year, even income excluded from federal adjusted gross income. Adjusted gross income is that of all persons residing in a household, excluding the adjusted gross income of any person who is a tenant under a written lease for fair market value. Do not add Line 7b as a subtraction under Calculation B.

Lines 8 and 9 Expenditures by DC teachers. An individual who:

- 1) has been approved by the DC public schools; and
- 2) has been a classroom teacher in a DC public school or public charter school for this entire tax year or the entire prior tax year may deduct:
 - the amount the teacher paid during the year for basic and necessary classroom teaching materials and supplies – up to \$500 per person whether filing individually or jointly.

- the tuition and fees paid during the year for postgraduate education, professional development, or state licensing examination and testing for improving teaching credentials or maintaining professional certification – up to \$1,500 per person whether filing individually or jointly.

Interaction between DC deductions and similar federal deductions.

To prevent a "double deduction" situation – if a DC classroom teacher claims a deduction on his/her federal return for personal expenses, the federal tax deduction claimed **reduces** the amount that may be claimed for those same expenses on the DC return. **For example:** a DC classroom teacher who claims \$1,500 or more for tuition and fees on the federal return (Form 1040, Line 34) **may not** take any deduction for these same expenses on the DC return.

Line 10 Loan repayment awards. "Loan repayment awards" of up to \$120,000 paid over four years by DC to healthcare professionals to reduce their medical education debt are not taxed by DC. (This program is administered by the DC Department of Health.)

Line 11 Healthcare insurance premiums. Any healthcare insurance premium paid by an employer for an employee's domestic partner registered with the Vital Records Division of the DC Department of Health (see DC Code §32-701 (3) and 702) or same sex spouse is deductible, unless on your federal return the employee's registered domestic partner or same sex spouse is considered a dependent pursuant to IRC §152 and a deduction from income was taken for the premium on the employee's federal tax return.

Line 12 DC Poverty Lawyer Loan Assistance. Attach a copy of your Form 1099C (Cancellation of Debt) issued by the DC Office of the Attorney General (OAG). Lawyers eligible for this award are those whose legal practice has been certified by the DC OAG as serving the public interest.

Line 14 Military Spouse Residency Relief Act

If you have determined that you are required to file a District of Columbia tax return and you are in one of the U.S. military services, one of the following may apply:

(1) If a servicemember's legal residence for taxes is not in DC but the servicemember and spouse reside in DC due to military orders, the military compensation and the non-military spouse's compensation should be deducted on Schedule I, Line 14. If this applies to you, a copy of the Department of Defense form providing the servicemember's legal residence for taxes and a copy of the non-military spouse's legal residence for taxes driver's license should be kept with your tax records in case it is subsequently needed.

(2) If a servicemember's legal residence for taxes is not in DC but the servicemember resides in DC due to military orders and subsequently marries a DC resident, the servicemember's military compensation should be deducted on Schedule I, Line 14. The non-military spouse's income is not exempt in this case since the non-military spouse is a DC resident and has not moved to DC to be with a transferred servicemember. If this applies to you, a copy of the Department of Defense form providing the servicemember's legal residence for taxes should be kept with your tax records in case it is subsequently needed.

(3) If a servicemember's legal residence for taxes is in DC and the servicemember and spouse reside in DC in compliance with the servicemember's military orders, they will file Form D-40 and will report all their income in DC, as either married filing jointly or married filing separately.

Instructions for Underpayment of Estimated Income Tax by Individuals

Estimated Tax Interest

DC law requires every individual or couple filing jointly, to pay estimated tax if they:

- receive taxable income which is not subject to DC withholding; or
- receive wages with insufficient withholding; or
- the tax on this taxable income is expected to be more than \$100.

The law states that anyone required to file and pay estimated tax who fails to pay the amount required by the periodic payment due date is subject to interest on the underpayment of estimated income tax.

When is interest assessed for underpayment of estimated income tax?

Underpayment interest is assessed if your total DC estimated income tax payments (and withheld amounts) compared to your DC tax liability do not equal at least the smaller of:

- 90% of the tax due shown on your 2015 DC return; or
- 110% of the tax due shown on your 2014 DC tax return. You must have been a DC resident during all of 2014 to use the 110% exception.

Are there any exceptions to imposition of interest?

You are not subject to interest for underpayment of estimated tax if:

- You had no DC income tax liability for the tax year 2014 and in that year, you lived in DC the entire 12 months;
- The tax due for 2015 minus income tax withheld and/or estimated tax payments is less than \$100;
- Your DC estimated tax payments plus any DC income tax withheld equals at least 110% of your 2014 DC income tax liability; or
- Your remaining tax due after totaling all credits, estimated tax payments and withholding, is less than 10% of your total DC tax liability for the year.

When may you use this form?

- You may use this form to calculate your underpayment interest, when submitting your D-40 form. If you do, fill in the oval, attach it to your tax return and add the underpayment interest to the amount you calculate for Line 37 or 44 on the D-40. If you do not wish to calculate the interest, the Office of Tax and Revenue (OTR) will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the underpayment interest assessed by OTR for an underpayment of estimated income tax is incorrect.

How do you file this form?

Attach this form D-2210 to your return D-40, if you complete it before filing your D-40 return. If you complete this form after filing and/or receiving a notice of an underpayment interest assessment, send it to:

Office of Tax and Revenue
Attn: Customer Service Administration
1101 4th St SW, 2nd Floor
Washington DC 20024

Completing this form

Line 1

Enter the amount from your D-40, Line 26.

Line 2

Multiply the amount on Line 1 by 90% (.90). Your withheld taxes and/or estimated tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2014 DC Form D-40, Line 27. If your 2014 return was amended or corrected, multiply 110% times the corrected amount. You must have been a DC resident during all of 2014 to use this exception.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC return for 2014, use only the Line 2 amount.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your liability, payable over four periods.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6000 for the 3rd period and \$8000 for the 4th period.

Annualized Income method: If your income was different for each period, you may want to determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts as shown above. Check the "Annualized Income" method box.

Line 7

Enter the amounts withheld and estimated tax payments made for each period. Include the amounts from the previous period in with the 2nd, 3rd and 4th periods. For example, if your withheld and estimated tax payment amount is \$1000 in each period, you would enter \$1000 in the 1st Period, \$2000 in the 2nd Period, \$3000 in the 3rd Period and \$4000 in the 4th Period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no underpayment interest. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Underpayment interest factors These are the underpayment interest factors by period.

Line 10

For each column, multiply the amount on Line 8 by the penalty factor on Line 9. This is your underpayment interest amount by period.

Line 11 Underpayment interest

Add the amounts from each period on Line 10. This is your total underpayment interest for your estimated income tax underpayment.

- If you are filing the D-2210 with your D-40 return, include the underpayment interest on Lines 37 and 44 on page 2 of the D-40 in the amount you owe and pay it with the return.
- If you are filing the D-2210 separately, pay the amount you owe. Attach payment to Form D-40P, Payment Voucher.

Make the check or money order payable to the **DC Treasurer** and mail the D-2210 and D-40P with payment to:

2015 FR-127 P1
Extension of Time to File a DC Income Tax Return

Instructions for Form FR-127

Why file Form FR-127?

Use this form if you cannot file your DC individual income tax return by the April 18, 2016 deadline. By filing this form, you can receive an extension of time to file until October 18, 2016.

You must use Form FR-127 to request an extension of time to file a DC individual income tax return.

A filing extension is not an extension of the due date for paying any tax you may owe. Before filing for an extension, estimate the taxes you will owe and pay any part of that amount, not covered by DC withheld tax amounts and/or estimated tax payments. Include your payment with the FR-127 voucher and file it by April 18, 2016.

If filing jointly, or filing separately on same the return, enter the social security number (SSN) and name shown first on your D-40/D-40EZ return, then enter the SSN and name shown second on your return.

Additional extension.

In addition to the 6-month extension, you may receive another 6-month extension if you are living or traveling outside the U.S. You must file for the first 6-month extension by the April 18, 2016 deadline before applying for the additional extension of time to file.

When to file.

You must submit your request for an extension along with full payment of any tax due by April 18, 2016.

How to avoid penalties and interest.

You will be charged interest of 10% per year, compounded daily, for any tax not paid on time. Interest is calculated from the due date of the return to the date the tax is paid.

You will be charged a 5% per-month penalty for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount due, equal to 25% of the tax due.

Raising Kids is Complicated. Saving for College is Not.

The **DC College Savings Plan** is a great way to save for a child's education, or even your own. *And*, it's a great way to save on taxes.

- The earnings potential on every penny you contribute is enhanced by federal and District¹ tax-free growth.
- Deduct up to \$4,000 annually in plan contributions from your federal adjusted gross income on your D.C. tax return (up to \$8,000 for married couples filing jointly if both own accounts).² (If you contributed in 2013, don't forget to claim your current deduction.)³
- Earnings won't be subject to federal or D.C. income tax when withdrawn for qualifying higher education expenses: tuition, room and board, and supplies.
- Amounts greater than \$4,000 contributed to accounts in any one tax year may be carried forward, subject to the annual limit, as a deduction in subsequent tax years, up to five years from the contribution date.
- A change of the designated beneficiary is not a taxable event if the new beneficiary is a member of the family of the former beneficiary.
- Once the account has been in existence for two years, the account owner may roll over any part of the account balance to another state-sponsored college savings plan, with no tax consequences.⁴

To enroll or learn more, please visit www.dccollegesavings.com or call 800.987.4859.

¹ For D.C. taxpayers. ² Rollovers are not considered contributions for D.C. tax purposes. ³ To be eligible for the 2013 tax-year deduction, contributions must have been postmarked by December 31, 2013. ⁴ The tax deduction is subject to recapture if, within two years of establishing the account, the account is rolled over into another state's qualified tuition program.

A Program Disclosure Booklet that describes specific terms and conditions will be mailed to you on request. The Government of the District of Columbia does not guarantee investments in the program. Investment involves risk, including possible loss of principal.

For more information on the DC College Savings Plan, please visit www.dccollegesavings.com, call 800.987.4859 (800.368.2745 for non-District residents, or 800.541.1524 for Telecommunications Device for the Deaf), or contact your financial advisor.
