General Instructions for the D-20

Who must file a Form D-20?

Generally, every corporation or financial institution must file a Form D-20 (including small businesses, professional corporations, and S corporations) if it is carrying on or engaging in any trade, business, or commercial activity in the District of Columbia (DC) or receiving income from DC sources.

If you perform services in DC for subsidiary corporations, you are carrying on a trade or business.

A corporation that engages an independent agent or a representative who solicits orders in DC for more than one principal and who holds himself/herself out as such must file a DC Form D-20.

Income from sales of tangible personal property or services to the US Government is treated as income from a DC source unless the:

- Corporation's principal place of business is outside DC;
- Property is delivered from outside DC; and
- Property is for use outside DC.

For District tax purposes, an S corporation is a C corporation. Therefore, it must file Form D-20 and prepare all applicable schedules on the D-20. The fact that an S corporation does not have similar schedules on the federal form should not be considered as a relief for an S corporation from completing the schedules on the D-20.

You might not have to file a Form D-20 if the corporation has been granted an exemption by the DC Office of Tax and Revenue (OTR). If you are an exempt organization with unrelated business income, as defined in the Internal Revenue Code (IRC) §512, you must file a Form D-20, by the 15th day of the fifth month after the end of your tax year. You are required to pay at least the minimum tax even if your tax is less than the minimum tax.

Minimum Tax

The minimum tax is \$250 if DC gross receipts are \$1M or less. Minimum tax is \$1,000 if DC gross receipts are greater than \$1M. DC gross receipts for purposes of minimum tax includes District gross receipts that are derived from any activity such as sales, rents, services, commissions, etc., from any source within the District. Gross receipts are determined without deduction of any expenses.

Note: Each member of a combined group must use the Minimum Tax Liability Gross Receipts (MTLGR) worksheet for the purposes of determining a minimum tax liability of a member whose computed tax is less than the minimum tax.

See Minimum Tax Liability Gross Receipts Worksheet (MTLGR) below. You must complete Schedule F even if your operation is 100% in the District.

Minimum Tax Liability Gross Receipts (MTLGR) Worksheet

DC gross receipts for minimum tax due and only for minimum tax due is computed as follows:

1	Amount from numerator of DC sales apportionment factor from Schedule F, Line 1, Column 2 of D-20 or D-30. Financial institutions must use amount on Schedule F, Line 2, Column 2 of D-20.	1 \$	
2	Add the adjusted basis of any property sold for which the gain is included in Line 1.	2 \$	
3	Add Non-Business income allocated to DC reported per D-20, Line 33 or D-30, Line 30.	3 \$	
4	Total DC Gross Receipts (Add Lines 1, 2 and 3)	4 \$	

Minimum Tax

The minimum tax is \$250.00 if the amount on Line 4 above is \$1,000,000 or less.

The minimum tax is \$1,000.00 if the amount on Line 4 above is greater than \$1,000,000.

Which other DC forms or Schedules may corporations need to file?

To download DC tax forms, visit MyTax.DC.gov.

Business Non-Refundable and Refundable Credits, Schedule UB

The various non-refundable and refundable credits available to businesses have been consolidated on Schedule UB. The total non-refundable credits from Schedule UB, Line 9 are reported on Line 38 of the D-20. The total refundable credits from Schedule UB, Line 12 are reported on Line 41(d).

FR-120, Extension of Time to File a DC Corporation Franchise Tax Return

You may request an extension of time to file your return by filing DC Form FR-120 (copy included in this booklet) no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied and you may be subject to penalties for failure to file or failure to pay. Do not use the federal extension form for DC tax purposes. For combined report filers, the designated agent shall file.

D-20ES, Declaration of Estimated Franchise Tax for Corporations

A corporation must file a declaration of estimated franchise tax if it expects its DC franchise tax liability to exceed \$1000 for the taxable year. See the Form D-20ES and the Declaration of Estimated Franchise Tax for Corporations booklet for payment vouchers and details. You will automatically be assessed interest for any underpayment of DC estimated tax.

Note: Electronic payment required. If the amount of the payment due for a period exceeds \$5,000, you must pay electronically. Visit MyTax.DC.gov.

D-2220 Underpayment of Estimated Franchise Tax By Businesses

You will be charged interest of 10 percent per year, compounded daily, on underpayments of estimated franchise tax installment payments. The charge is computed from the installment payment due date to the date the tax is paid. It is in addition to the penalty imposed for false statements. Interest will be assessed automatically by OTR's integrated tax system. For additional information, see Form D-2220, Underpayment of Estimated Franchise Tax by Businesses. Attach a completed Form D-2220 with your D-20.

FR-399 Qualified High Technology Companies (QHTC)

If you are a Qualified High Technology Company (QHTC), you may be eligible for tax benefits such as certain exemptions, a reduced tax rate, and certain tax credits. For Taxable Years beginning after December 31, 2000, QHTCs which are corporations are granted a reduced corporate franchise tax rate of 6%, except:

- (i) QHTCs certified pursuant to DC Code §47-1805.05 before January 1, 2012, shall not be subject to the tax for 5 years after the date that the QHTC commences business in the District; and
- (ii) QHTCs certified on or after January 1, 2012, shall not be subject to the tax for 5 years after the date that the QHTC has taxable income.

The total amount that each QHTC may receive in franchise tax exemptions shall not exceed \$15 million. After the 5 year period or the \$15 million limit is reached, incorporated QHTCs pay a rate of 6%. The FR-399 is available online at MyTax.DC.gov.

Qualified High Technology Companies Tax, Corporate QHTC Franchise Tax Exemption and Credits Schedule

Incorporated QHTCs report their tax, franchise tax exemption amount, and amount of credits on the Qualified High Technology Companies Tax, Franchise Tax Exemption and Credits Schedule on page 4 of the D-20. If you are a QHTC, fill in the QHTC oval on page 1 of the D-20, attach the Certification of Gross Revenue Worksheet from the FR-399 to the D-20. Follow the line instructions on the QHTC Schedule. If you are seeking QHTC corporate business tax credits, file the D-20CR. Complete the QHTC self-certification online at MyTax.DC.gov. A QHTC cannot be a member of a combined group, and a QHTC cannot be located in the DC Ballpark TIF area. For other forms, credit worksheets, and further details, see the online Publication FR-399, and DC Code §47-1817.01, et seq.

FR-1500 Ballpark Fee

If you have \$5 million or more in annual DC Gross Receipts, you must file and pay the ballpark fee, with Form FR-1500, electronically. For details, visit MyTax.DC.gov, click on 'Business Tax Service Center', and then click on 'Ballpark-Related Fees and Taxes'. Note: Each member of a combined group is responsible for filing and paying its own ballpark fee.

Combined Reporting

The District of Columbia no longer permits consolidated filing for tax years beginning after December 31, 2010. For tax years beginning after December 31, 2010, a corporation or unincorporated business entity subject to tax in the District of Columbia, engaged in a unitary business with one or more corporations or unincorporated business entities, is required to file a combined report pursuant to DC Official Code §47-1805.02a.

Combined reporting is a tax reporting method where all of the members of a unitary group are required to determine their net income based on the activities of the unitary group as a whole. Unitary group members will calculate their taxable net income derived from the unitary business as its apportioned share of the income or loss of the combined group engaged in the unitary business.

A "Unitary business" means a single economic enterprise that is made up either of separate parts of a single business entity or of a commonly owned or controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts.

If you are filing a combined report, enter the designated agent information and fill in the 'if Combined Report' oval on page 1 of the return. In addition, attach all applicable Federal Schedules and Forms.

The combined reporting regulations are contained in DC Municipal Regulations (DCMR) Title 9, Taxation and Assessments, §§156 through 176. Instructions and Schedules for combined reporting are located on our website at MyTax.DC.gov.

When are your taxes due?

Non-exempt organizations must file their return and pay any tax due by:

- Calendar year filer – April 15th; or
- Fiscal year filer – the 15th day of the fourth month after the tax year closes.

Exempt organizations must file their return by the 15th day of the fifth month after the end of their tax year.

If the due date falls on a Saturday, Sunday or legal holiday, the return is due the next business day. For tax year 2018 the filing deadline will be Monday, April 15, 2019.

Taxable year

Enter the tax period ending date on page 1 of the D-20. It can be either a calendar year or a fiscal year. You must receive OTR approval to change your taxable year. Combined report filers shall use the designated agent's tax year.

Filing your return

By mail

- If mailing a return with a payment, make the check or money order (US dollars) payable to the DC Treasurer. Write your Taxpayer Identification Number (TIN), 'D-20', and the tax year on the payment. Staple your payment to the voucher Form D-20P. Do not attach the D-20P and payment to the D-20 return. Send your return and payment to:

Office of Tax and Revenue
PO Box 96166
Washington, DC 20090-6166

- If mailing a no payment due or refund return, send the return to:

Office of Tax and Revenue
PO Box 96148
Washington, DC 20090-6148

Mail labels for these two post office boxes are on the back flap of the return envelope included in this booklet.

Send in your original DC return with any schedules, not a copy. Fold your return once. Be sure to keep a copy for your records.

Substitute forms

You may file your DC Corporation Franchise Tax Return using a computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by DC OTR.

By Modernized e-File (MeF)

MeF offers most DC Corporate taxpayers a full federal/state electronic filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

- Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
- Through a tax practitioner who is an authorized e-File provider; or
- Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC for a fee.

Corporate taxpayers may file the D-20ES, Declaration of Estimated Franchise Tax for Corporations, or the FR-120, Extension of Time to File a DC Corporation Franchise Tax Return. These forms can also be found on MyTax.DC.gov.

Payment options

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at MyTax.DC.gov for instructions for electronic payments.

Payment options are as follows:

- ACH Debit.** There is no fee. Taxpayers' bank routing and account numbers are stored within their online account. This account can be used to pay any existing liability. The taxpayer gives OTR the right to debit the money from their bank account. Foreign bank accounts cannot be used for business ACH Debit.
- Credit/Debit Card.** The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.
- ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be registered to use this payment type, and does not need access to the website.

Note: When making ACH Credit payments through your bank, please use the correct tax type code (00250) and tax period ending date (YYMMDD).

- Check or money order.** Include a check or money order (US dollars), payable to the DC Treasurer, with your completed return. Write your TIN, daytime telephone number, '2018', and 'D-20' on the check or money order. Attach your payment to the Form D-20P Payment Voucher provided in this booklet. Mail the D-20P **with**, but not attached to the D-20 tax return, to:

Office of Tax and Revenue
PO Box 96166

Washington, DC 20090-6166

Note: International ACH Transaction (IAT). Your payment cannot be drawn on a foreign account. Pay by money order (US dollars) or credit card instead.

Dishonored Payments

Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Penalties and interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payment received by OTR on accounts subject to a collection fee are applied first to the collection fee, then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Special circumstances

Office of Tax and Revenue (OTR) rulings

All rulings issued prior to December 31, 2002 were revoked. Taxpayers cannot rely on these rulings unless they were resubmitted to the OTR for review, and if approved, reissued. Direct any ruling questions to OTR, General Counsel at (202) 442-6500.

Special rules on depreciation and business expenses

For federal tax purposes, businesses may deduct additional bonus depreciation and additional IRC §179 expenses. DC does not allow the additional bonus depreciation deduction nor any additional IRC §179 expenses. Do not claim the 30, 50, or 100 percent federal bonus depreciation deduction or the additional IRC §179 expenses on your DC return. DC limits the IRC §179 expense deductions to \$25,000 (\$40,000 for a QHTC).

Net operating loss (NOL) carry backs

For federal tax purposes, businesses are allowed to carry back a NOL. **DC does not allow NOL carry backs.** Therefore, you may not claim a NOL carry back for DC tax purposes.

Discharge of indebtedness

The District has decoupled from the section of the American Recovery and Reinvestment Act of 2009 which allows exclusion and deferral from gross income of a discharge of indebtedness. For District tax purposes, a discharge of indebtedness results in income that is includible in gross income.

DC Ballpark TIF Area

If a business entity claiming to be a QHTC is located in the DC Ballpark TIF Area as specified in DC Code §2-1217.12, fill in the 'if QHTC located in DC Ballpark TIF Area' oval on page 1 of the D-20. A business entity located in the DC Ballpark TIF Area cannot receive QHTC tax benefits, and must complete the D-20 form and schedules the same as a corporation that is not a QHTC.

Getting started

To complete the paper Form D-20, in general you will need:

- Copies of your completed 2018 federal forms, as applicable (1120, 1120S, 4797, 4562, etc.)
- A pen with black ink
- A calculator

Not all items will apply. Fill in only those that do apply. If an amount is zero, make no entry, leave the line blank.

All entries on the return and attachments are whole dollars only. Do not enter cents. Round cents to the nearest dollar. *Examples:*

\$10,500.50 rounds to \$10,501

\$10,500.49 rounds to \$10,500

Taxpayer Identification Number (TIN)

You must have a TIN, whether it is a Federal Employer Identification Number (FEIN), Social Security Number (SSN), Individual Taxpayer Identification Number (ITIN) or Preparer Tax Identification Number (PTIN).

- **An FEIN is a valid number issued by the IRS.** To apply for an FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses and click on Employer Identification Number (EIN) under Starting a Business. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).

- **An SSN is a valid number issued by the Social Security Administration (SSA) of the United States Government.** To apply for an SSN, get form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213.
- **An Individual Taxpayer Identification Number (ITIN) is a valid number issued by the Internal Revenue Service (IRS).** The IRS issues ITINs to individuals who are required to have a U.S. taxpayer identification number but who do not have, and are not eligible to obtain, a Social Security number (SSN) from the Social Security Administration (SSA). ITINs do not serve any purpose other than federal tax reporting.
- **The Preparer Tax Identification Number (PTIN) is an identification number issued by the IRS** that all paid tax preparers must use on tax returns or claims for refund.

Corporate tax rate and minimum tax

The tax rate is 8.25 percent on your 'total district taxable income' on Line 36. If you are a QHTC the tax rate is 6.0 percent. The minimum tax is \$250 if your DC gross receipts are \$1 million or less. It is \$1,000 if your DC gross receipts are greater than \$1 million, even if you have a loss.

- Give OTR any information missing from your return;
- Contact OTR for information about processing your return and the status of any refund or payment; and
- Request, receive and/or respond to OTR notices related to your return.

The authorization does not:

- Otherwise represent you before OTR.

This authorization automatically ends on April 15, 2020 (without regard to extensions).

Signature and verification

An authorized officer or designated agent of the corporation must sign and date the return. A receiver, trustee, or assignee must sign any return that he/she is required to file for the corporation. Any person who prepared the return for compensation must also sign, date and provide the necessary identification number. If a firm or corporation prepares a return, it should be signed in the name of the entity. The signature requirement does not apply when a taxpayer's regular employee prepares the return. Please review the tax return before you allow a paid preparer to issue a return on your behalf.

Explanation of terms

Business income

This is income from transactions and activities occurring in the regular course of trade or business. It includes income from tangible and intangible property if the acquisition, management and disposition of the property are part of the taxpayer's regular trade or business operations. Income of any type — manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating and non-operating income from any class or from any source — is business income if it is from transactions and activities occurring in the regular course of a trade or business. Whether income is business or non-business depends on the underlying transactions and activities — the elements of a particular trade or business. In general, transactions and activities that depend on or contribute to the operation of your enterprise constitute your trade or business.

Commercial domicile

The principal place from which you direct or manage your trade or business.

Compensation

Wages, salaries, commissions and other forms of remuneration paid or accrued to employees for personal services.

Non-business income

All income except business income.

Transportation company

Any business engaged in transporting persons, goods, or property of others for hire.

Sales

All gross receipts which are not required to be allocated.

Taxable in another state

For purposes of allocating and apportioning income among DC and another jurisdiction, you must be subject in that jurisdiction to:

- a net income tax,
- a franchise tax measured by net income,
- a franchise tax for the privilege of doing business, or
- a corporate stock tax, or
- that state has the jurisdiction to subject the taxpayer to a net income tax regardless of whether in fact, the state does or does not.

Specific Instructions

Negative amounts

If you enter a negative amount on a line, fill in the oval to the left of the entry where it states: 'Fill in if minus', **do not enter a minus sign or parenthesis. Also, do not enter a negative number on a line that does not have a "Fill in if minus" indicator.**

Allocation and apportionment required

You must complete Schedule F even if your operation is 100% in the District. Any corporation carrying on a trade or business in DC and other jurisdiction(s) must apportion its business income among DC and the other jurisdiction(s).

Apportion DC net income from trade or business activities using the appropriate apportionment factor. See D-20, page 4, Schedule F.

Note: When using the D-20 to file a combined report, do not use or fill out Schedule F on page 4 to derive the apportionment factor for the combined group. Leave Schedule F blank. Use Combined Reporting Schedule 2A instead. Likewise, when each individual member derives its individual apportionment factor, do not use Schedule F. Individual members should use Combined Reporting Schedule 2B instead to derive their apportionment factor.

Non-business income

All non-business income must be allocated.

Allocating to DC

Allocate to DC items of non-business income from sources in DC. The following gains and losses from sales or other dispositions are allocated to DC:

- Real property located in DC (other than realty used in the trade or business whether held for sale or otherwise);
- Tangible personal property (other than any tangible personal property used in the trade or business whether held for sale or otherwise) if:
 - The property had a situs in DC at the time of sale; or
 - Your principal place of business is in DC and you are not taxable in the situs state; and
- Intangible personal property (other than intangible personal property of any kind used in the trade or business whether held for sale or otherwise) is allocable to DC if the taxpayer's principal place of business is in DC.

Allocate to DC net rents and royalties from real property located in DC.

Allocate to DC any non-business interest and dividends from sources in DC unless specifically excluded from tax and/or subject to apportionment as business income.

Allocate to DC, non-business rents and royalties from patents, copyrights, trademarks, service marks, secret processes and formulas, franchises and other like property (if not used in the trade or business). These royalties are allocated according to the patent's location or use, or where the copyrighted material is published or used. If DC is the principal place of business of a corporate entity, not subject to tax anywhere else, then the rent or royalty income is allocable to DC. Income from the sale of tangible personal property to the United States Government by a corporation that has its principal place of business outside DC is income from DC sources if the property is delivered from outside DC for use in DC.

All other non-business income derived from sources in DC is allocable to DC.

Where income is allocable among DC and other jurisdictions allocate all expenses, losses and other deductions incurred in the production of the income in the same way. Losses incurred in the production of non-business income are allowable only if profits from the transaction would be taxable.

Gross Income

NOTE: When OTR requests that a statement be attached, the statement should show the source of the items making up the entry.

Amended returns

You must use the D-20 tax form of the year you are amending. Fill in the 'Amended Return' oval on Page 1 of the D-20 and complete the 'Tax Year Ending' box. Attach a detailed statement of the adjustment(s) and the amount of any refund received.

If the Internal Revenue Service (IRS) adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days of the IRS notice. If the federal adjustment makes you eligible for a DC tax refund, you must file for the DC refund within 180 days of the adjustment or filing the amended return.

Mail the amended return and any additional attachments to:

Office of Tax and Revenue
PO Box 96166
Washington, DC 20090-6166

Final return

If you are not required to continue filing a return due to the ending of business operations, shade the 'fill in if final return' oval on the return. OTR will then cancel your filing requirement. Do not use this oval to indicate the return is the final for the period being reported.

D-20, page 1, line-by-line

Line 1 Gross receipts, minus returns and allowances

Enter the total gross receipts from sales and operations, minus returns and allowances.

Line 2 Cost of goods sold and/or operations

Enter the figure from D-20, Schedule A, Line 7. If the production, manufacture, purchase, or sale of merchandise is an income-determining factor in the trade or business, you must take inventories of merchandise at the start and end of the tax year. You may value them at cost or market value, whichever is lower; or by another IRS-approved method. You must continue to use the method you choose until you get permission from the OTR to change. If the inventories are not consistent with the balance sheet figures, attach a statement explaining any differences.

Cost of operations (where inventories are not an income-determining factor): If the amount entered on Line 2 includes an amount associated with the cost of operations, attach a detailed statement showing: (1) salaries and wages; and (2) other costs.

Line 3 Gross profit from sales and/or operations

Enter the result of Line 1 minus Line 2.

Line 4 Dividends

Enter the total of all dividends reported on D-20, page 3, Schedule B. Do not include Subpart F income (as defined in IRC §952); and dividends from wholly-owned subsidiaries.

Include on Line 29(a) all dividends from sources outside DC that are not trade or business income. Dividends received by corporations, financial institutions, or investment firms are business income not subject to allocation. Do not include dividends paid on securities issued by the United States or its instrumentalities, if it is non-business income. Dividends received from the following corporations with their principal place of business in DC are non-business income:

- Corporations subject to this franchise tax;
- Insurance corporations, including bonding companies and real estate title insurance companies; and
- Banks, if the bank dividends were paid to a bank-holding company.

Line 5 Interest

Enter all the interest which the corporation received or is credited with during the tax year, including interest paid on obligations of a State, Territory of the United States, or any of their political subdivisions, except those of DC.

Exclude any interest income on obligations or securities issued by the United States or its instrumentalities which is included in income for federal tax purposes.

Interest received by a corporation not engaged in a trade or business in DC is not considered income from DC sources if it is from one of the following organizations with a principal place of business in DC:

- Corporations subject to this franchise tax;
- Insurance corporations, including bonding companies and real estate title insurance companies; and
- Banks, if the bank interest was paid to a bank-holding company.

Report this non-business interest income on Line 29(a). When interest income is related to trade or business activity, carried on or engaged in, in DC enter it on Line 5, do not enter it on Line 29(a). Attach a statement providing the detailed description and amount.

Line 6 Gross rental income

Enter from D-20, page 6, Schedule I the gross rental income received from real or personal property rental. Enter expenses such as repairs, interest, taxes and depreciation on the Schedule I. Enter rental income related to a trade or business on Line 6, do not enter it on line 29(a).

Note: DC does not allow the additional bonus depreciation allowed under federal law and limits the additional IRC §179 expenses. If you claimed bonus depreciation on your federal return, adjust the depreciation you claim on the D-20 by that amount. Attach a computation showing that your DC claimed depreciation does not include the federal bonus depreciation and that the basis of the depreciated property for DC tax purposes has not been reduced by the additional federal bonus depreciation amount. DC allows a maximum of \$25,000 in IRC §179 expenses (\$40,000 for a QHTC). If you claimed these additional expenses on your federal return, reduce such expenses taken on your D-20 by that additional amount.

Line 7 Gross royalties

Report royalty income and related expenses on the D-20 in the same manner and detail as rental income and rental expenses. Royalties from patents you developed from the licensing of processes or a trade name and sales of know-how are business income.

Line 8(a) Net capital gain (loss)

Capital gains or losses are treated by DC in the same manner as they are for federal corporation income tax purposes. (See detailed instructions on federal Schedule D, Form 1120, U.S. Corporation Income Tax Return.) IRC §1231 gains are business income.

Note: Since the additional federal bonus depreciation is not allowed for DC tax purposes, recalculate the capital gain/loss you reported on your federal return without taking into account the additional federal bonus depreciation. Attach a statement showing the adjustment.

Note: Depreciation recapture is considered ordinary income and is to be reported on the D-20.

Line 8(b) Ordinary gain (loss) from Part II, Federal Form 4797

Enter the total ordinary gain (or loss) from federal Form 4797 Sales of Business Property. Attach a copy of your Form 4797 to the D-20.

Line 13 Repairs

Enter the cost of incidental repairs, including labor, supplies and other items that do not add to the value of, or appreciably prolong, the property's life. You may charge a capital account for new buildings, machinery, equipment and/or permanent improvements or betterments that increase the value or appreciably prolong the life of the property.

Line 14 Bad debts

Report bad debts in the same manner as you report them for federal tax purposes. Attach a copy of any information you submitted with your federal return.

Line 15 Rent

Line 16 Taxes

Enter taxes reported on D-20, page 3, Schedule D. Note: Taxes reported on your federal Form 1120 must be reported on Schedule D. Do not deduct these taxes:

- Income and excess profit taxes;
- DC franchise tax; and
- Taxes assessed for local benefits of a kind tending to increase the value of the property assessed.

Payments to related parties

(Lines 17 and 22). DC legislation allows the deduction of certain interest and intangible expenses, including royalty expenses paid directly or indirectly to related parties if:

- the principal purpose of the payment was not the avoidance of tax;
- the payments were made at arm's length; and
- the related party paid income tax equal to or greater than 4.5 percent of the amount of interest or intangible expense in another jurisdiction.

You are allowed ordinary and necessary deductions if the income they are related to is subject to the DC corporation franchise tax and subject to IRC limitations either directly or through the inclusion of this income in the determination of the DC apportionment factor.

Line 17(a) Interest

Enter interest paid or accrued on business debt. Apply any federal limitation under IRC § 163(j) to this deduction. If any interest income is not taxable, then the related interest expense is not deductible.

Subtract the nondeductible payments made to related parties. Refer to **Payments to Related Parties** instructions.

Line 18 Contributions and/or gifts

The total amount claimed cannot be more than 15% of net income (Line 26) computed without regard to any deduction for contributions. Attach a statement with detailed information about contributions and gifts. Contribution and gift carry-overs are not allowed.

Note: A charitable expense incurred by a member of a combined group shall, to the extent allowable as a deduction pursuant to IRC §170 (1986), be subtracted first from the business income of the combined group, subject to the income limitations of that section applied to the entire business income of the group, and any remaining amount shall then be treated as a nonbusiness expense allocable to the member that incurred the expense, subject to the income limitations of that section applied to the nonbusiness income of that specific member.

Line 19 Amortization

Enter the amortization amount from your federal Form 4562 (or 4562FY), Depreciation and Amortization and attach a copy.

Line 20 Depreciation

Use the same depreciation method on your DC return as that used on your federal return. Attach a copy of your Form 4562.

***Note:** If you claimed the additional federal bonus depreciation amount and/or the additional IRC §179 expenses above \$25,000 on your federal return, do not claim them on your D-20. In addition, do not reduce the basis of the depreciable property for DC tax purposes by the additional write off and/or federal bonus depreciation. Attach a statement showing your write off and/or of the depreciation amount.

A QHTC may deduct the lesser of \$40,000 or the actual cost of personal property, as described in IRC §179(d)(1).

Line 21 Depletion

Enter the depletion amount shown on your federal form. Attach an explanation of how you determined the depletion allowance.

Line 22(a) Royalty payments

Form D-20 schedules

Schedule E – Reconciliation of the net income reported on Federal and DC Returns

Complete this schedule, and attach statement(s) to provide details and explain any differences between the net income reported on your federal return and that reported on your D-20.

Schedule F – DC apportionment Factor

All businesses other than financial institutions engaging in a trade or business both in and outside DC must use the single sales factor formula to apportion their business income. Businesses domiciled in DC and not subject to tax elsewhere must report 100% of their net business income as DC income and allocate 100% of their non-business income to DC. Businesses carrying on a trade or business in DC and in other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year. Sales other than sales of tangible personal property shall be apportioned to the District by using the market-based sourcing rules.

Financial institutions must use a two-factor formula, determined by multiplying the financial institution's base (net income for the tax year) by an apportionment fraction. The numerator is the sum of the payroll factor plus the gross income factor; the denominator is 2.

• Sales factor

- The sales factor for all businesses except financial institutions and transportation companies is a fraction. The numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year.

- **Financial institutions** — the sales factor is a fraction. The numerator is the financial institution's gross income in DC during the tax year. The denominator is the financial institution's total gross income during the tax year.

- A financial institution whose commercial domicile is in DC and which is subject to tax in another jurisdiction, includes in the numerator of the DC income factor, any income which the other jurisdiction does not require to be included in the numerator of its income factor.

- If the predominant part of the secured property is or will be located in DC, treat all interest, loan placement fees, discount, net gain and other forms of gross income from each loan, secured primarily by real estate, as located in DC.
- If the loan originated in DC, treat all interest, loan placement fees, discount and net gain from unsecured loans and loans secured primarily by tangible or intangible personal property, or any resulting interest, as located in DC.
- For any financial institution whose commercial domicile is in DC, treat income from securities, investments, money market instruments, or any other source not required to be apportioned to outside DC, as located in DC. This income includes, but is not limited to, interest, dividends and net gains.
- Treat all fees, commissions, service charges and other forms of gross income from sales of depository or financial services as located in DC if the service is performed in DC. Include sales or services performed in two or more tax jurisdictions in the numerator of the jurisdiction where the most income-producing activity is performed, based on performance cost.
 - If the property is located in DC, treat gross income from leases of tangible property as located in DC.
 - If the financial institution's principal office is located in DC, then treat all income (previously described) that is located in a jurisdiction where the financial institution is not subject to tax as being located in DC.
- **Transportation companies** — the sales factor is a fraction: the numerator is the total revenue units the company first received as originating or connecting traffic at a point in DC. Add to this the total of revenue units the company discharged or unloaded at a point in DC, upon termination of the transportation movement or upon transfer to a connecting carrier. The denominator is twice the total revenue units originated everywhere during the tax year. One ton of freight equals one revenue unit; ten passengers equal one revenue unit. If the company's revenue is predominantly from transporting passengers, you may use the number of passengers loaded and discharged, in place of the originating and terminating tonnage.
- **Tangible personal property sales**, including sales to the U.S. Government, are considered as taking place in DC, regardless of where title is transferred, F.O.B. point, or other sales conditions, if the property:
 - Is delivered or shipped to a purchaser in DC; or
 - Has an ultimate destination in DC, after all transportation (including that of the purchaser's) is complete; or
 - Is delivered or shipped from an office, store, factory, warehouse or other storage place in DC to a purchaser in a jurisdiction outside DC — and you are not taxable in that jurisdiction.

Except for transportation companies, non-tangible personal property sales are considered to take place in DC if the income-producing activity or service is performed:

- In DC; or
- The proportion of the income-producing activity or service performed in DC is greater than that performed in any other jurisdiction, based on performance cost.

• Payroll factor

- **Financial institutions** — financial institutions must use a two-factor formula, determined by multiplying the financial institution's base (net income for the tax year) by an apportionment fraction. The numerator is the sum of the payroll factor plus the gross income factor; the denominator is 2.

The payroll factor is a fraction: the numerator is the total compensation the financial institution paid to or accrued for persons performing services in DC during the tax year. The denominator is the total compensation the financial institution paid or accrued elsewhere during the tax year. Compensation is paid in DC if it is paid to an employee located or having a regular presence in DC. Any compensation paid to an employee located in a state where the financial institution is not taxable is treated as paid in DC, if the institution's principal office is in DC.

The value of compensation paid or accrued other than cash is its fair market value on the date of the payment or accrual. Do not include in either the numerator or denominator any compensation paid or accrued to employees for personal services rendered in the production of non-business income. Also, do not include payments to independent contractors.

General

If your use of the income allocation and apportionment rules results in a tax that does not fairly represent your tax liability on income from your trade or business or from non-business sources in DC, you may petition for, or OTR may require, if reasonable:

- a separate accounting, unless the entity is conducting a unitary business;
- exclusion of one or more factors;
- inclusion of one or more factors that reflect the extent of your trade or business in DC; or
- use of any other method to effect a fair allocation and apportionment of income.

Schedule G - Balance sheets (page 5 of Form D-20)

Submit balance sheets for the start and end of the tax year. Conform them to the corporation's books and records and your federal return. Attach an explanation of any variation. For combined reporting you may submit a separate balance sheet for each member.

Schedule H-1 Reconciliation of income (Loss) per Books with income (Loss) per Return and H-2 Analysis of Unappropriated Retained Earnings per Books (page 5 of Form D-20)

Generally, these schedules must conform to the corresponding schedules on the federal form filed for the corporation. Use Schedule H-1 to reconcile the difference between the income (loss) per books with income (loss) per Federal return. Attach statement(s) to provide details.

NOTE: If you filed a federal Schedule M-3, Net Income (Loss) Reconciliation for Corporations with Total Assets of \$10 Million or More, with your Form 1120, attach a copy of it to your D-20.

Remember, attach all requested statements to your D-20 return.

Supplemental Information (page 6 of Form D-20)

Provide all the information requested in this schedule.

Combined Group Members' Schedule

If filing a Combined Report, it is necessary to identify each member of the DC Combined Group subject to the franchise tax. Complete and submit the Combined Group Members' Schedule. Fill in Columns A through F for all members of the group and attach a copy of Federal Forms 851, 5471 and 8975 (including Schedule A). File this schedule each year that a DC Combined Report is filed.

Worldwide Combined Reporting Election Form

If the Worldwide Combined Reporting Election Form is completed and submitted, ensure the "Fill in if Worldwide" oval is shaded on D-20, page 1. Submit this form with the initial year of election.

Schedule UB, Business Credits

Use this schedule to claim: the Economic Development Zone Incentives Credits (see instructions); QHTC credits (see instructions); the Organ and Bone Marrow donor credit (see below); the Job Growth Incentive Act credit (see below); the Alternative Fuel Infrastructure Installation Credit; the Alternative Fuel Vehicle Conversion Credit (see below); the Employer-Assisted Home Purchase Tax Credit (see below); and the Small Retailer Property Tax Relief Credit (see below). The **Organ and Bone Marrow Donor Act of 2006** provides a credit to an employer who allows an employee up to 30 days paid leave to donate an organ and up to 7 days paid leave to donate bone marrow. This is a non-refundable credit equal to 25% of the regular salary paid to the donor-employee during the leave period. This credit may not be used to reduce the required \$250 or \$1,000 minimum tax payment. An employer claiming this credit may not also deduct the salary paid the employee for the same leave period. This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.

The 2011 Budget Support Act of 2010 authorized funds for the **Job Growth Incentive Act tax credits**. The credit must be approved by the Mayor in advance of starting the project. The process for applying for the credit is found in DC Official Code §47-1807.54. The approval will provide the amount of the allowable credit and the periods for which the credit can be claimed if the employer continues to qualify. The allowable approved amount of the credit can be claimed on Schedule UB, Business Credits, Line 4 for D-20 filers or Line 15 for D-30 filers.

In order to apply for the credit, the employer must be planning a project that:

- Will bring a net job growth to DC of at least 10 new jobs with an average yearly wage of at least 120% of the average yearly wage of DC residents;
- Will increase income tax and payroll revenue for DC;
- Will result in a retention of any new positions for at least one year; and
- Would not have occurred but for the job growth tax credit.

Beginning in 2014, through the taxable year ending December 31, 2026, there are 2 non-refundable credits allowed against DC Corporate Franchise Tax for: (1) alternative fuel infrastructure installation; and, (2) alternative fuel vehicle conversion. (See DC Code §47-1807.10 and §47-1807.11)

The **alternative fuel infrastructure credit** is a credit in the amount of 50% of the equipment and labor costs attributable to the purchase and installation of alternative fuel storage and dispensing or charging equipment on a qualified alternative fuel vehicle refueling property. The equipment and labor costs for which this tax credit may be claimed may not include costs associated with the purchase of land, access to land, the purchase of an existing qualified alternative fuel vehicle refueling property, or construction or purchase of any structure.

If the amount of the tax credit exceeds the tax otherwise due, the amount of the credit not used may be carried forward for up to 2 tax years. If the alternative fuel storage and dispensing equipment or charging equipment on a qualified alternative fuel vehicle refueling property is no longer used to dispense or sell alternative fuel to the public, any unused tax credit is forfeited and the taxpayer may not claim a tax credit for the portion of the tax year after the date on which the alternative fuel storage and dispensing equipment was no longer used to dispense or sell alternative fuel to the public.

The **alternative fuel vehicle conversion credit** is a credit in the amount of 50% of the equipment and labor costs attributable to the cost of converting a motor vehicle licensed in the District that operates on petroleum diesel or petroleum derived gasoline to a motor vehicle that operates on an alternative fuel. This credit is limited to \$19,000 per vehicle.

The term "alternative fuel" means a fuel used to power a motor vehicle that consists of one or more of the following:

- a. At least 85% ethanol;
- b. Natural gas;
- c. Compressed natural gas;
- d. Liquefied natural gas;
- e. Liquefied petroleum gas;
- f. Biodiesel, excluding kerosene;
- g. Electricity provided by a vehicle-charging station; or
- h. Hydrogen.

The term "qualified alternative fuel vehicle refueling property" means a property in the District that contains equipment available for use by the public for storing and dispensing alternative fuel, including charging electrically.

If you are claiming one of these credits complete the Commercial Form, Alternative Fuel Vehicle Conversion and Infrastructure Credits, available online at MyTax.DC.gov. Attach it to the D-20, Schedule UB.

The **Employer-Assisted Home Purchase Tax Credit** is a credit equal to 1/2 of the amount of the homeownership assistance provided by the employer to its eligible employees during the taxable year; provided, that: (a) the credit shall not exceed \$2,500 for any one eligible employee who receives homeownership assistance; (b) the assistance is provided through a certified employer-assisted home purchase program; (c) the assistance is used for the purchase of a qualified residential real property; and (d) the eligible employee is a new homebuyer. "Homeownership assistance" means money provided to an eligible employee for the down payment or other acquisition costs for the purchase of the principal place of residence of the employee. "New homebuyer" means an employee (and, if married or in a registered domestic partnership, the employee's spouse or registered domestic partner) who did not own a principal place of residence in the District during the previous 12 months. "Certified employer-assisted home purchase program" means a program: (a) through which an employer provides homeownership assistance to its employees; (b) which is provided uniformly to its employees; provided, that the employer may limit eligibility for the program by establishing a maximum income limit and may limit assistance to new homebuyers; and (c) which is certified by the Mayor.

To claim the credit, the employer shall attach to its tax return a statement certifying, for each person for whom the employer is claiming the credit: (i) the person is an eligible employee of the employer; (ii) the employer provided homeownership assistance to the employee under a certified employer-assisted home purchase

program; (iii) the amount of homeownership assistance provided to the employee; (iv) the employee used the homeownership assistance to purchase qualified residential property; (v) the household size and household income of the employee; (vi) the address of the qualified residential real property; and (vii), the employee intends to reside in the property for at least 5 years. A copy of the certification by the Mayor of the employer's employer- assisted affordable homeownership program must be provided. See DC Code §47-1807.07 for further details. A worksheet for computation of the credit is on the reverse side of Schedule UB.

Small Retailer Property Tax Relief Credit. For taxable years starting January 1, 2018, a business that has less than \$2.5 million in federal gross receipts or sales, may claim a credit against corporate or unincorporated business franchise tax equal to the total class 2 real property taxes paid by the business for a retail owned location in the District not to exceed \$5,000; or 10% of the rent paid by

the business for rental retail location not to exceed \$5,000. The Small Retailer Property Tax Relief Credit does not apply if the business is exempt from or receives any tax credits towards its real property tax; or the rental retail location or the owned retail location is otherwise exempt from real property tax.

To be eligible for the credit, the business must own or lease a building or part of a building in the District that: is classified, in whole or in part as Class 2 Property as defined in DC Code §47-813; is the primary place of the retail business; has a Certificate of Occupancy for commercial use; and is a retail establishment from which the business of selling tangible personal property is conducted, or in or from which any retail sales are made. In addition, the business must file a Sales and Use Tax return, and must be current on all District of Columbia tax filings and payments. See Schedule SR with instructions, and DC. Code §§ 47-1807.14 and 47-1808.14 for further details.

- D-30ES – Declaration of Estimated Franchise Tax for Unincorporated Businesses.

The law states that any business required to file and pay estimated tax that fails to pay the amount required by the due date is subject to interest on the underpayment of estimated franchise tax.

When is interest assessed for Underpayment of Estimated Franchise Tax?

A 10% interest, compounded daily, is assessed if your total DC estimated franchise tax payments compared to your DC franchise tax liability do not equal at least the smaller of:

- 90% of the tax due on your 2018 DC franchise tax return; or
- 110% of the tax due on your 2017 DC franchise tax return (consisting of 12 months).

You must have filed a 2017 DC franchise tax return to use the 110% exception.

A penalty will be assessed if any statement made on an estimated tax payment voucher is not true and accurate to the best of the signatory's knowledge.

Are there any exceptions?

You are not subject to interest for underpayment of estimated franchise tax if:

- You had no DC franchise tax liability for the tax year 2017 and in that year, you did business in DC for the entire 12 months;
- The franchise tax due for 2018, minus any estimated tax payments, is less than \$1001;
- Your total DC estimated franchise tax payments are equal to or greater than 110% of your 2017 DC franchise tax liability for the entire year; or
- Your remaining tax due after totaling all credits and estimated tax payments is less than 10% of your total DC franchise tax liability for the year.

When do you use this form?

- You may use this form to calculate your underpayment interest. If you do, attach it to your tax return and enter the underpayment interest on Line 44 of Forms D-20 or D-30. Fill-in the oval if the D-2220 is attached. If you do not wish to calculate the interest, OTR will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the interest amount assessed by OTR for underpayment of estimated franchise tax is incorrect.

How do you file this form?

Attach it to your return if you complete the form before filing your tax return. If you complete the D-2220 after filing and receiving a notice of interest assessment, send it to:

Office of Tax and Revenue
1101 4th St SW, 2nd Floor
Washington DC 20024

Completing this form

Line 1

Enter the amount from your 2018 D-20 or D-30.

Line 2

Multiply the amount on Line 1 by 90% (.90). Your estimated franchise tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2017 DC Forms D-20 or D-30. If your 2017 return was amended or corrected, multiply 110% times the corrected amount.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC franchise tax return for 2017, you may only use Line 2. This is your minimum estimated franchise tax payment for 2018.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your tax liability over the four periods of the tax year.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6,000 for the 3rd period and \$8,000 for the 4th period.

Annualized income method: If your income was different for each period, determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts earned by period on Line 6. Accumulate the periodic amounts as shown above. Check the "Annualized Income" box.

Line 7

Enter the amount of estimated franchise tax payments made in each period. Include the amounts from the previous period with the 2nd, 3rd and 4th periods. For example, if your estimated payment amount is \$1,000 in each period, you would enter \$1,000 in the 1st period, \$2,000 in the 2nd period, \$3,000 in the 3rd period and \$4,000 in the 4th period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no underpayment interest. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Underpayment Interest Factors

These are the underpayment interest factors by period.

Line 10

For each period, multiply the amount on Line 8 by the factor on Line 9. This is your underpayment interest amount by period.

Line 11 Underpayment Interest

Add the amounts on Line 10 for each period. This is your total underpayment of estimated franchise tax penalty.

- If you are filing the D-2220 with your D-20 or D-30 return, enter the amount on Line 44 and pay the total amount with the return. Fill in the oval on Line 44 and attach the D-2220 to the return.
- If you are filing the D-2220 form separately, pay the amount you owe and attach to the D-20P Payment Voucher, using the applicable mailing address.

Make the check or money order payable to the **DC Treasurer**.

Important: If the amount of your payment for a period exceeds \$5,000, you shall file and pay electronically.

General Instructions

Declaration of Estimated Franchise Tax for Corporations

Who must file a Form D-20ES?

A corporation must file a declaration of estimated franchise tax voucher if its District of Columbia (DC) franchise tax liability is expected to exceed \$1,000 for the taxable year.

Applying an overpayment from your prior DC corporation franchise tax return.

You can apply the full amount of any overpayment of tax from your prior year's DC corporation franchise tax return to the first payment of your estimated tax.

Could you be charged a penalty or fee?

If you underestimate your tax, you will be charged an underpayment penalty on the unpaid amount of tax at the rate of 10% per year compounded daily, unless your withholdings, credits and estimated tax payments equal:

- At least 90% of your 2019 corporation franchise tax; or
- 110% of your 2018 DC corporation franchise tax for a 12-month period.

What if your estimated tax liability changes during the year?

If initially you are not required to file a declaration voucher but later in the taxable year your estimated franchise tax liability for the year increases to an amount greater than \$1,000, begin filing a declaration voucher. Use the next available voucher. See **“When are the declaration vouchers due?”** on page 3 for the due dates. If your estimated tax liability changes substantially, adjust the next payments accordingly.

Which other DC form may corporate franchise taxpayers need to file?

Corporate Franchise Tax Return (D-20)

You may obtain the D-20 from:

- Website: MyTax.DC.gov
- Phone: 202-727-4829
- OTR Customer Service Administration
1101 4th Street, SW, 2nd Floor
Washington, DC 20024

Extension of Time to File a DC Corporation Franchise Tax Return (FR-120)

You may request an extension of time to file your return by filing DC Form FR-120, available at MyTax.DC.gov, no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied and you may be subject to penalties for failure to file or failure to pay. Do not use the federal extension form for DC tax purposes. For combined report filers, the designated agent shall file.

The submission of the extension of time to file form is subject to the following considerations:

1. If you expect to have a balance due when you file your D-20, **you must pay with your timely filed extension application.**
2. If you do not expect to have a balance due when you file your D-20, you are not required to file a Form FR-120, if you have:
 - a. Correctly estimated your D-20 tax liability and paid the estimated amount of DC franchise tax through estimated tax payments; and

- b. Filed a request to extend the time to file your federal tax return with the IRS. The timely filed federal extension to file form will satisfy the requirement for filing a Form FR-120 with DC.
- 3. If you do not expect to have a balance due and you have not filed an extension of time to file for your federal return and wish to request an extension for your DC franchise tax return, you should submit a Form FR-120.

If there is an amount due, the DC Form FR-120 is required to be filed with the payment. Penalty charges are imposed on any tax found owing and not paid on time with the extension request.

When are your vouchers due?

File your vouchers by the following dates:

- **Voucher 1:** April 15, 2019;
- **Voucher 2:** June 15, 2019;
- **Voucher 3:** September 15, 2019; and

- **Voucher 4:** December 15, 2019

Fiscal year taxpayers should file the declaration vouchers by the following dates:

- **Voucher 1:** The fifteenth day of the fourth month of your taxable year;
- **Voucher 2:** The fifteenth day of the sixth month of your taxable year;
- **Voucher 3:** The fifteenth day of the ninth month of your taxable year; and
- **Voucher 4:** The fifteenth day of the twelfth month of your taxable year.

If the due date falls on a Saturday, Sunday, or legal holiday, the voucher is due the next business day.

Filing your return

This booklet has all the vouchers and instructions you will need. It is mailed to each registered taxpayer who filed estimated tax payments in the previous year, except those who file electronically or use a substitute form. It also contains mailing labels. You are responsible for filing and submitting the amount due on time whether or not you receive the printed forms.

- **Substitute forms**

You may file your DC estimated tax payment using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Check with the software developer to determine if its form was approved by the DC OTR.

- **By mail**

If you file using paper, make the check or money order payable to the DC Treasurer. Write your Taxpayer Identification Number (TIN), D-20ES, and the tax year on the check or money order.

If mailing vouchers send your vouchers and payments to:

Office of Tax and Revenue

PO Box 96019

Washington, DC 20090-6019

NOTE: Please use the mailing labels provided in this booklet when mailing your vouchers.

- **By accessing [MyTax.DC.gov](https://mytax.dc.gov)**

Corporate taxpayers may file and pay the D-20ES by accessing [MyTax.DC.gov](https://mytax.dc.gov).

- **Electronic Filing Instructions**

The instructions in this booklet are specifically for filers of paper returns. When you file electronically, note that the instructions may differ. Follow the “on screen” instructions. If you need further explanations, review the instructions in this booklet.

Electronic Payment Options

If the amount of the payment due for a period exceeds \$5,000, you must pay electronically. Visit MyTax.DC.gov.

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at MyTax.DC.gov for instructions for electronic payments.

Payment options are as follows:

- **ACH Debit**. ACH debit/credit is used for taxpayers who have signed up for MyTax.DC.gov. There is no fee. Bank account information is stored within their online account. MyTax.DC.gov can store multiple bank accounts across multiple tax types. Taxpayers give the right to debit the money from their bank account. Ensure you allow 1-3 business days if entering change of banking information.
- **ACH Credit**. ACH credit is for business taxpayers only. There is no

fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be registered to use this payment type, and does not need to access the website.

Note: When making ACH credit payments through your bank, please use the correct tax type code (00250) and tax period ending date (YYMMDD) for corporate franchise estimated tax payments.

- **Credit/Debit Card**. The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Note: International ACH Transaction (IAT). Your payment cannot be drawn on a foreign account. You must pay by money order (US dollars) or credit card instead.

Dishonored Payments

Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Getting started

To complete the paper Form D-20ES, in general you will need:

- ✓ A pen with black ink
- ✓ A calculator

Not all items will apply. Fill in only those that do apply. If an amount is zero, make no entry, leave the line blank.

Taxpayer Identification Number (TIN)

You must have a TIN, whether it is a Federal Employer Identification Number (FEIN), Social Security Number (SSN), Individual Taxpayer Identification Number (ITIN) or Preparer Tax Identification Number (PTIN).

- An FEIN is a number issued by the IRS. To apply for an FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses and click on Employer Identification Number (EIN) under Starting a Business. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).
- An SSN is a valid number issued by the Social Security Administration (SSA) of the United States Government. To apply for an SSN, get form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213.
- An Individual Taxpayer Identification Number (ITIN) is a tax processing number issued by the Internal Revenue Service (IRS). The IRS issues ITINs to individuals who are required to have a U.S. taxpayer identification number but who do not have, and are not eligible to obtain, a Social Security number (SSN) from the Social Security Administration (SSA). ITINs do not serve any purpose other than federal tax reporting.

- The Preparer Tax Identification Number (PTIN) is an identification number issued by the IRS that all paid tax preparers must use on tax returns or claims for refund.

You must wait until you receive a TIN before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid.

General Instructions for the D-30

Who must file Form D-30?

Generally, an unincorporated business, with gross income (Line 10) more than \$12,000 from District sources, must file a D-30 (whether or not it has net income). This includes any business carrying on and/or engaging in any trade, business, or commercial activity in DC with income from DC sources.

- To determine if you need to file, please note that gross income includes revenue from all DC sources after deducting the cost of goods sold, but before taking expenses and other deductions allowed when calculating net income.
- The act of carrying on or engaging in a trade or business in DC is determined by the nature and extent of the unincorporated business' activities in DC conducted by: its owners; members; or through employees, consultants, agents or other representatives.

An unincorporated business with gross income in DC of over \$12,000 from any of (but not limited to) the activities listed below, must also file a D-30 return:

- Rental of real or tangible personal property; or
- Leasing of real or tangible personal property; or
- Any other similar arrangement.

If a business is terminated as the result of the sale of its assets, even if there is no tax due, the business is required to file a final D-30.

If the sale of a business' assets results in termination of the business – the owner(s) must report gain/loss on their individual return. (There may also be depreciation recapture to report on a D-30.)

NOTE: The term “unincorporated business” does not include a trade or business that arises solely by reason of the purchase, holding, or sale of, or the entering, maintaining, or terminating of positions in, stocks, securities, or commodities for the taxpayer's own account.

An unincorporated business with gross income of \$12,000 or less is not required to file a D-30 return nor pay the \$250 minimum franchise tax.

You may have to file other DC returns if you have other business activities with gross income of \$12,000 or less and you operated as:

- A partnership, you must file a Form D-65;
- A DC resident sole proprietor, you must file a Form D-40; or
- A DC resident trust, you must file a Form D-41.

Multiple businesses

If an individual or group of individuals carries on two or more distinct unincorporated businesses in DC (none of which are exempt), they must be reported on one return. Include all income and expenses on that one return. You may provide separate computations to show the net income or loss of each business.

Taxicab/Limo Drivers

Any non-resident taxicab/limo driver who operates a motor vehicle for hire in the District must file a Form D-30. The filing of the D-30 is a requirement for operating or continuing to operate a motor vehicle for hire in the District by a non-resident.

Minimum Tax

The minimum tax is \$250 if DC gross receipts are \$1M or less. Minimum tax is \$1,000 if DC gross receipts are greater than \$1M. DC Gross receipts for purposes of minimum tax includes District gross receipts that are derived from any activity such as sales, rents, services, commissions, etc., from any source within the District. Gross receipts are determined without deduction of any expenses.

NOTE: Each member of a combined group must use the Minimum Tax Liability Gross Receipts (MTLGR) worksheet for the purposes of determining a minimum tax liability of a member whose computed tax is less than the minimum tax.

See Minimum Tax Liability Gross Receipts Worksheet (MTLGR) below. You must complete Schedule F even if your operation is 100% in the District.

Minimum Tax Liability Gross Receipts (MTLGR) Worksheet

DC gross receipts for minimum tax due and only for minimum tax due is computed as follows:

- | | |
|---|---|
| 1 | Amount from numerator of DC sales apportionment factor from Schedule F, Line 1, Column 2 of D-20 or D-30. Financial institutions must use amount on Schedule F, Line 2, Column 2 of D-20. |
| 2 | Add the adjusted basis of any property sold for which the gain is included in Line 1. |
| 3 | Add Non-Business income allocated to DC reported per D-20, Line 33 or D-30, Line 30. |
| 4 | Total DC Gross Receipts (Add Lines 1, 2 and 3) |

1 \$

2 \$

3 \$

4 \$

Minimum Tax

The minimum tax is \$250.00 if the amount on Line 4 above is \$1,000,000 or less.

The minimum tax is \$1,000.00 if the amount on Line 4 above is greater than \$1,000,000.

Who does not have to file Form D-30?

You do not have to file if –

- Total gross income (Line 10) is \$12,000 or less; or
- The trade or business is by law, custom or ethics, unable to incorporate; or
- The trade or business is licensed by DC to a blind person, for operating a stand in a federal building; or
- It is a trade, business or professional organization where:
 - more than 80 percent of its gross income is derived from personal services actually rendered by owners or members of the business; and
 - Capital is not a material income-producing factor; or
- You are:
 - An organization recognized as exempt from DC taxes unless you have unrelated business taxable income, as defined in Internal Revenue Code (IRC) §512; or
 - A professional corporation, incorporated under the DC Professional Corporation Act and, therefore, file a Form D-20.
 - A Qualified High Technology Company (QHTC) business that is not incorporated. A QHTC business that is not a corporation is exempt from the unincorporated business franchise tax. However, you must file a D-65 Partnership Return, or a D-40 Individual Income Tax Return with a copy of Federal Schedule C attached.

NOTE: If an individual or group of individuals is engaged in two or more separate and distinct businesses during the tax year, each business is separate when determining tax-exempt status.

Which other DC forms or schedules may unincorporated businesses need to file?

To download DC tax forms, visit MyTax.DC.gov.

Business Non-Refundable and Refundable Credits, Schedule UB

The various non-refundable and refundable credits available to unincorporated businesses have been consolidated on Schedule UB. The total non-refundable credits from Schedule UB, Line 20 are reported on Line 38 of the D-30. The total refundable credits from Schedule UB, Line 22 are reported on Line 41(d).

FR-130, Extension of Time to File a DC Unincorporated Business Franchise Tax Return

You may request an extension of time to file your return by filing DC Form FR-130 (copy included in this booklet) no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied. Do not use the federal extension form for DC tax purposes. For combined report filers, the designated agent shall file.

D-30ES, Declaration of Estimated Franchise Tax for Unincorporated Business

An unincorporated business must file a declaration of estimated franchise tax if it expects its DC unincorporated business franchise tax liability to exceed \$1000 for the taxable year. See Form D-30ES and the Declaration of Estimated Franchise Tax for Unincorporated Businesses booklet for payment vouchers and details. You will automatically be assessed a penalty for any underpayment of DC estimated tax.

Note: Electronic payment required. If the amount of the payment due for a period exceeds \$5,000, you must pay electronically. Visit MyTax.DC.gov.

D-2220, Underpayment of Estimated Tax Installments

You will be charged interest of 10 percent per year, compounded daily, on underpayments of estimated franchise tax installment payments. The charge is computed from the installment payment due date to the date the tax is paid. It is in addition to the penalty imposed for false statements. Interest will be assessed automatically by OTR's integrated tax system. For additional information, see Form D-2220, Underpayment of Estimated Franchise Tax by Businesses. Attach a completed Form D-2220 with your D-30.

FR-1500 Ballpark Fee

If you have \$5 million or more in annual DC Gross Receipts, you must file and pay the ballpark fee, with Form FR-1500, electronically. For details, visit MyTax.DC.gov. Note: Each member of a combined group is responsible for filing and paying its own ballpark fee.

Combined Reporting

The District of Columbia no longer permits consolidated filing for tax years beginning after December 31, 2010. For tax years beginning after December 31, 2010, a corporation or unincorporated business entity subject to tax in the District of Columbia, engaged in a unitary business with one or more corporations or unincorporated business entities, is required to file a combined report pursuant to DC Official Code §47-1805.02a.

Combined reporting is a tax reporting method where all of the members of unitary group are required to determine their net income based on the activities of the unitary group as a whole. Unitary group members will calculate their taxable net income derived from the unitary business as its apportioned share of the income or loss of the combined group engaged in the unitary business.

A "Unitary business" means a single economic enterprise that is made up either of separate parts of a single business entity or of a commonly owned or controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide synergy and mutual benefit that produces a sharing or exchange of value among them and significant flow of value to the separate parts.

If you are filing a combined report, enter the designated agent information and shade the "fill in if Combined Report" oval on page 1 of the return. Complete and submit Combined Reporting Schedules 1A, 1B, 2A, and 2B, along with the Combined Group Members' Schedule, and the Worldwide Combined Reporting Election Form, if applicable. In addition, attach Federal Schedules J, M, M-3, Federal UTP, if applicable, and Federal Forms 851, 5471, 5472, 8833, 8868, 8886, and 8975 (including Schedule A), if applicable.

The combined reporting regulations are contained in DC Municipal Regulations (DCMR) Title 9, Taxation and Assessments, §§156 through 176. Instructions and Schedules for combined reporting are located on our website at MyTax.DC.gov.

When are your taxes due?

If you are a calendar year filer, file your return and pay any tax due by April 15th. If you are a fiscal year filer, file your return and pay by the fifteenth day of the fourth month after your tax year closes. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day.

Taxable year

Enter your tax period ending date on page 1 of the D-30. It may be either a calendar year or fiscal year. You must receive OTR approval to change your taxable year. Combined report filers shall use the designated agent's tax year.

NOTE: The District has decoupled from the section of the American Recovery and Reinvestment Act of 2009 which allows an exclusion and deferral from gross income of a discharge of indebtedness. For District tax purposes, a discharge of indebtedness results in income that is includible in gross income.

Filing your return

By mail

- If mailing a return with a payment, make the check or money order (US dollars) payable to the DC Treasurer. Write your Taxpayer Identification Number (TIN), 'D-30', and the tax year on the payment. Staple your payment to the voucher Form D-30P. Do not attach the D-30P and payment to the D-30 return. Send your return and payment to:
Office of Tax and Revenue
PO Box 96165
Washington, DC 20090-6165
- If mailing a no payment due or refund return, send the return to:
Office of Tax and Revenue
PO Box 96193
Washington, DC 20090-6193

Mail labels for these two post office boxes are on the back flap of the return envelopes included in this booklet.

Send in your original DC return with any schedules, not a copy. Fold your return once. Be sure to keep a copy for your records.

Substitute forms

You may file your DC Unincorporated Business Franchise Tax Return using a computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by DC OTR.

By Modernized e-File (MeF)

MeF offers most DC Corporate taxpayers a full federal/state electronic filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

- Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
- Through a tax practitioner who is an authorized e-File provider; or

- Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC for a fee.

Note: An Unincorporated business must have an FEIN to file through MeF.

Payment Options

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at MyTax.DC.gov for instructions for electronic payments.

Payment options are as follows:

- ACH Debit.** There is no fee. Taxpayers' bank routing and account numbers are stored within their online account. This account can be used to pay any existing liability. The taxpayer gives OTR the right to debit the money from their bank account. The use of foreign bank accounts for business ACH Debit is not allowed.
- Credit/Debit Card.** The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee equal to 2.5% of the tax payment. The fee is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.
- ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account.

Note: When making ACH Credit payments through your bank, please use the correct tax type code (00260) and tax period ending date (YYMMDD).

- Check or money order.** Include a check or money order, (US dollars) payable to the DC Treasurer, with your completed return. Write your Federal Employer Identification Number (FEIN), daytime telephone number, '2018', and 'D-30' on the check or money order. Attach your payment to the Form D-30P Payment Voucher provided in this booklet. Mail the D-30P **with**, but not attached to the D-30 tax return to:

Office of Tax and Revenue
PO Box 96165
Washington, DC 20090-6165

Note: International ACH Transaction (IAT). Your payment cannot be drawn on a foreign account. Pay by money order (US dollars) or credit card instead.

Dishonored Payments

Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Penalties and interest

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;

- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the collection fee are first applied to the collection fee, then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Special circumstances

Special rules on depreciation and §179 property

For federal tax purposes, businesses are allowed to deduct additional bonus depreciation and additional Internal Revenue Code (IRC) §179 expenses. However, for DC tax purposes, you may not claim the 100 percent federal bonus depreciation or additional expenses allowed under IRC §179. Similarly, DC does not allow the acceleration of depreciation deductions currently allowed under the 2008 Economic Stimulus Act.

Office of Tax and Revenue (OTR) rulings

All rulings issued prior to December 31, 2002 were revoked. Taxpayers cannot rely on these rulings unless they were re-submitted to the OTR for review, and if approved, reissued. Direct any ruling questions to OTR, General Counsel at (202) 442-6500.

- **An ITIN, Individual Taxpayer Identification Number is a valid number issued by the Internal Revenue Service (IRS).** The IRS issues ITINs to individuals who are required to have a U.S. taxpayer identification number but who do not have, and are not eligible to obtain, a SSN from the SSA. ITINs do not serve any purpose other than federal tax reporting.

- **The PTIN, Preparer Tax Identification Number is an identification number issued by the IRS** that all paid tax preparers must use on tax returns or claims for refund.

Franchise tax rate and minimum tax

The tax rate is 8.25 percent on your "Total District taxable income" on Line 36. The minimum tax is \$250, even if you have a loss. If your DC gross receipts are more than \$1,000,000, the minimum tax is \$1,000.

The authorization does not:

Explanation of terms

Business income

Income from transactions and activities in the regular course of the taxpayer's trade or business is business income. This includes income from tangible and intangible property if the acquisition, management and disposition of the property are part of the taxpayer's regular trade or business operations. Income of any type — manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating and non-operating income from any class or from any source — is business income if it arises from transactions and activities occurring in the regular course of a trade or business. Whether income is business or non-business depends on the underlying transactions and activities which are the elements of a particular trade or business. In general, transactions and activities that depend on or contribute to the operation of your enterprise constitute your trade or business.

Commercial domicile

The principal place from which you direct or manage your trade or business.

Compensation

Wages, salaries, commissions and other forms of remuneration paid or accrued to employees for personal services.

Non-business income

All income except business income.

Transportation company

Any business engaged in transporting persons, goods or property of others for hire.

Sales

All gross receipts, including dividends, interest and royalties, considered to be business income which are not required to be allocated.

Taxable in another state

For purposes of allocating and apportioning income among DC and another jurisdiction, you must be subject in that jurisdiction to:

- a net income tax,
- a franchise tax measured by net income,
- a franchise tax for the privilege of doing business,
- a corporate stock tax in that state, or
- that state has the jurisdiction to subject the taxpayer to an income tax regardless of whether, in fact, the state does or does not.

Specific Instructions

Negative amounts

If you enter a negative amount on a line, fill in the oval to the left of the entry where it states "Fill in if minus". **Do not enter a minus sign or parenthesis. Also, do not enter a negative number on a line that does not have a "Fill in if minus" indicator.**

Allocation and apportionment of income

You must complete Schedule F even if your operation is 100% in the District. Any unincorporated business carrying on a trade or business in DC and other jurisdictions must apportion its business income among DC and the other jurisdictions. Apportion the net income from trade or business activities using the appropriate apportionment factor. See Schedule F, page 4 of the D-30. You must allocate your non-business income.

Note: When using the D-30 to file a combined report, do not use or fill out Schedule F on page 4 to derive the apportionment factor for the combined group. Leave Schedule F blank. Use Combined Reporting Schedule 2A instead. Likewise, when each individual member derives its individual apportionment factor, do not use Schedule F. Individual members should use Combined Reporting Schedule 2B instead to derive their apportionment factor.

Non-business income allocation

Allocate items of non-business income to DC. The following gains and losses from sales or other dispositions of property are allocated to DC:

- Real property located in DC (other than realty used in the trade or business whether held for sale or otherwise);
- Tangible personal property (other than any tangible personal property used in the trade or business whether held for sale or otherwise) if:
 - The property had a situs in DC at the time of sale or other disposition; or
 - Your principal place of business is in DC and you are not taxable in the situs state.
- Intangible personal property (other than intangible personal property of any kind used in the trade or business whether held for sale or otherwise) is allocable to DC if your principal place of business is in DC.

Allocate to DC net rents and royalties from real property located in DC.

Allocate to DC interest and dividends from sources in DC unless specifically excluded from taxation and/or subject to apportionment as business income.

Allocate to DC income from rents and royalties, patents, copyrights, trademarks, service marks, secret processes and formulas, franchises and similar property (if not used in the trade or business). These royalties are allocated according to the patent's location or place of use, or where the copyrighted material is published or used. If DC is the principal place of business of a business entity, not subject to tax anywhere else, then the rent or royalty income is allocable to DC.

Income from the sale of tangible personal property to the United States Government by a business that has its principal place of business outside DC is income from DC sources if the property is delivered from outside DC for use in DC.

All other non-business income from DC sources is allocable to DC.

Where income is allocable among DC and other jurisdictions, you must allocate all expenses, losses and other deductions incurred in the production of the income in the same way. Losses incurred in the production of non-business income are allowable if any profit from the transaction would have been taxable.

Gross Income

Note: When OTR requests that a statement be attached, the statement should show the source of the items making up the entries.

Amended returns

You must use the D-30 tax form of the year you are amending. Fill in the "Amended Return" oval on Page 1 of the D-30 and complete the "Tax period ending" box. Attach a detailed statement of the adjustment(s) and the amount of any refund received.

If the Internal Revenue Service (IRS) adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days of the date of the IRS notice. If the federal adjustment makes you eligible for a DC tax refund, you must file for the DC refund within 180 days of notice of the adjustment. Mail the amended return with payment and any additional attachments to:

Office of Tax and Revenue
PO Box 96165
Washington, DC 20090-6165

Mail the amended return if no payment due or refund and any additional attachments to:

Other Form D-30 schedules

Schedule F – DC apportionment factor

All unincorporated businesses engaging in a trade or business both in and outside DC must use the single sales factor formula to apportion its business income. Unincorporated businesses domiciled in DC and not subject to tax elsewhere must report 100 percent of their net business income and allocate 100 percent of their non-business income to DC. Unincorporated businesses carrying on a trade or business in DC and in other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year. Sales other than sales of tangible personal property shall be apportioned to the District by using the market-based sourcing rules.

- **Sales factor**

The sales factor, except for transportation companies, is a fraction. The numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year.

Transportation companies – the sales factor is a fraction. The numerator is the total revenue units the company first received as originating or connecting traffic at a point in DC. Add to this the total revenue units the company discharged or unloaded at a point in DC, at the termination of the transportation movement or for transfer to a connecting carrier. The denominator is twice the total revenue units originated everywhere during the tax year. One ton of freight equals one revenue unit; ten passengers equal one revenue unit. If the company's revenue is predominantly from transportation of passengers, you may use the number of passengers loaded and discharged, in place of originating and terminating tonnage.

Tangible personal property sales, including sales to the United States Government, are considered to occur in DC, no matter where title is transferred, F.O.B. point, or other sales conditions, if the property:

- is delivered or shipped to a purchaser in DC; or
- has an ultimate destination in DC, after all transportation (including any by the purchaser) is completed; or
- is delivered or shipped from an office, store, warehouse, factory, or other storage place in DC to a destination outside DC – and is not taxable in the state to which the property is shipped or delivered.

Except for transportation companies – non-tangible personal property sales are considered as occurring in DC if the income-producing activity or service is performed:

- in DC; or
- the proportion of the income-producing activity or service performed in DC is greater than that performed in any other jurisdiction, based on performance cost.

General

If using the income allocation and apportionment rules results in a tax that does not fairly represent the tax liability arising from your trade or business in DC or from non-business sources in DC, you may petition for, or OTR may require, if reasonable:

- a separate accounting, unless the entity is conducting a unitary business;
- exclusion of one or more of the factors;
- inclusion of one or more additional factors that fairly reflect the extent of your trade or business in DC; or
- use of any other method to effect a fair allocation and apportionment of your income.

New Markets Tax Credit

DC taxable income does not include the gross income of a qualified community development entity as defined in IRC section 45D(c)(1) that has received an allocation or suballocation of new markets tax credits from the federal government under IRC section 45D(f). This exclusion applies to the extent the gross income is derived from one or more qualified low-income community investments as defined in IRC section 45D(d)(1). Complete Schedule G and enter on line 21, Other allowable deductions.

Schedule J – Distribution and reconciliation of net income (or loss) (page 5 of Form D-30)

Under provisions of DC Code §47-1805.01(a), you must enter the TIN of each of the owners. The TIN is necessary for the proper identification of an owner's tax account with DC and will be used only for tax administration purposes. Any additional names, TINs, etc. may be listed on an attachment filed with the return.

The **Organ and Bone Marrow Donor Act of 2006** provides a credit to an employer who allows up to 30 days paid leave to an employee who donates an organ and up to 7 days paid leave for donating bone marrow.

This is a non-refundable credit equal to 25% of the regular salary paid to the donor-employee during the leave period. This credit may not be used to reduce the \$250 or \$1,000 minimum tax. An employer claiming this credit may not also deduct the salary paid the donor-employee for the same leave period.

This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.

The 2011 Budget Support Act of 2010 authorized funds for the **Job Growth Incentive Act** tax credits. The credit must be approved by the Mayor in advance of starting the project. The process for applying for the credit is found in DC Official Code §47-1807.54. The approval will provide the amount of the allowable credit and the periods for which the credit can be claimed if the employer continues to qualify. The allowable approved amount of the credit can be claimed on Schedule UB, Business Credits, Line 4 for D-20 filers or Line 15 for D-30 filers.

In order to apply for the credit, the employer must be planning a project that:

- Will bring a net job growth to DC of at least 10 new jobs with an average yearly wage of at least 120% of the average yearly wage of DC residents;

- Will increase income tax and payroll revenue for the DC;
- Will result in a retention of any new positions for at least one year; and
- Would not have occurred but for the job growth tax credit.

Beginning in 2014, through the taxable year ending December 31, 2026, there are 2 non-refundable credits allowed against DC Unincorporated Business Franchise Tax for: (1) alternative fuel infrastructure installation; and, (2) alternative fuel vehicle conversion. (See DC Code §47-1808.10 and §47-1808.11)

The **alternative fuel infrastructure credit** is a credit in the amount of 50% of the equipment and labor costs attributable to the purchase and installation of alternative fuel storage and dispensing or charging equipment on a qualified alternative fuel vehicle refueling property. The credit is limited to \$10,000 per qualified alternative fuel vehicle refueling property or per vehicle-charging station. The equipment and labor costs for which this tax credit may be claimed may not include costs associated with the purchase of land, access to land, the purchase of an existing qualified alternative fuel vehicle refueling property, or construction or purchase of any structure.

If the amount of this tax credit exceeds the tax otherwise due, the amount of the credit not used may be carried forward for up to 2 tax years. If the alternative fuel storage and dispensing equipment or charging equipment on a qualified alternative fuel vehicle refueling property is no longer used to dispense or sell alternative fuel to the public, any unused tax credit is forfeited and the taxpayer may not claim a tax credit for the portion of the tax year after the date on which the alternative fuel storage and dispensing equipment was no longer used to dispense or sell alternative fuel to the public.

The **alternative fuel vehicle conversion credit** is a credit in the amount of 50% of the equipment and labor costs attributable to the cost of converting a motor vehicle licensed in the District that operates on petroleum diesel or petroleum derived gasoline to a motor vehicle that operates on an alternative fuel.

The term “alternative fuel” means a fuel used to power a motor vehicle that consists of one or more of the following:

- At least 85% ethanol;
- Natural gas;
- Compressed natural gas;
- Liquefied natural gas;
- Liquefied petroleum gas;
- Biodiesel, excluding kerosene;
- Electricity provided by a vehicle-charging station; or
- Hydrogen.

The term “qualified alternative fuel vehicle refueling property” means a property in the District that contains equipment available for use by the public for storing and dispensing alternative fuel, including charging electrically.

If you are claiming one of these credits complete the Commercial Form, Alternative Fuel Vehicle Conversion and Infrastructure Credits, available online at MyTax.DC.gov. Attach it to the D-30, Schedule UB.

The **Employer-Assisted Home Purchase Tax Credit** is a credit equal to 1/2 of the amount of the homeownership assistance provided by the employer to its eligible employees during the taxable year; provided, that: (a) the credit shall not exceed \$2,500 for any one eligible employee who receives homeownership assistance; (b) the

assistance is provided through a certified employer-assisted home purchase program; (c) the assistance is used for the purchase of a qualified residential real property; and (d) the eligible employee is a new homebuyer. “Homeownership assistance” means money provided to an eligible employee for the down payment or other acquisition costs for the purchase of the principal place of residence of the employee. “New homebuyer” means an employee (and, if married or in a registered domestic partnership, the employee’s spouse or registered domestic partner) who did not own a principal place of residence in the District during the previous 12 months. “Certified employer-assisted home purchase program” means a program: (a) through which an employer provides homeownership assistance to its employees; (b) which is provided uniformly to its employees; provided, that the employer may limit eligibility for the program by establishing a maximum income limit and may limit assistance to new homebuyers; and (c) which is certified by the Mayor.

To claim the credit, the employer shall attach to its tax return a statement certifying, for each person for whom the employer is claiming the credit: (i) the person is an eligible employee of the employer; (ii) the employer provided homeownership assistance to the employee under a certified employer-assisted home purchase program; (iii) the amount of homeownership assistance provided to the employee; (iv) the employee used the homeownership assistance to purchase qualified residential property; (v) the household size and household income of the employee; (vi) the address of the qualified residential real property; and (vii), the employee intends to reside in the property for at least 5 years. A copy of the certification by the Mayor of the employer’s employer- assisted affordable homeownership program must be provided. See DC Code §47-1807.07 for further details. A worksheet for computation of the credit is on the reverse side of Schedule UB.

Small Retailer Property Tax Relief Credit. For taxable years starting January 1, 2018, a business that has less than \$2.5 million in federal gross receipts or sales, may claim a credit against corporate or unincorporated business franchise tax equal to the total class 2 real property taxes paid by the business for a retail owned location in the District not to exceed \$5,000; or 10% of the rent paid by the business for rental retail location not to exceed \$5,000. The Small Retailer Property Tax Relief Credit does not apply if the business is exempt from or receives any tax credits towards its real property tax; or the rental retail location or the owned retail location is otherwise exempt from real property tax.

To be eligible for the credit, the business must own or lease a building or part of a building in the District that: is classified, in whole or in part as Class 2 Property as defined in DC Code §47-813; is the primary place of the retail business; has a Certificate of Occupancy for commercial use; and is a retail establishment from which the business of selling tangible personal property is conducted, or in or from which any retail sales are made. Instructions for Underpayment of Estimated Tax by D-20 or D-30 Filers

Estimated Tax Interest

DC law requires any business that expects its DC franchise tax liability to exceed \$1000 for the tax year to file a declaration of estimated franchise tax using the payment vouchers in:

- D-20ES – Declaration of Estimated Franchise Tax for Corporations; or
- D-30ES – Declaration of Estimated Franchise Tax for Unincorporated Businesses.

The law states that any business required to file and pay estimated tax that fails to pay the amount required by the due date is subject to interest on the underpayment of estimated franchise tax.

When is interest assessed for Underpayment of Estimated Franchise Tax?

A 10% interest, compounded daily, is assessed if your total DC estimated franchise tax payments compared to your DC franchise tax liability do not equal at least the smaller of:

- 90% of the tax due on your 2018 DC franchise tax return; or
- 110% of the tax due on your 2017 DC franchise tax return (consisting of 12 months).

You must have filed a 2017 DC franchise tax return to use the 110% exception.

A penalty will be assessed if any statement made on an estimated tax payment voucher is not true and accurate to the best of the signatory's knowledge.

Are there any exceptions?

You are not subject to interest for underpayment of estimated franchise tax if:

- You had no DC franchise tax liability for the tax year 2017 and in that year, you did business in DC for the entire 12 months;
- The franchise tax due for 2018, minus any estimated tax payments, is less than \$1001;
- Your total DC estimated franchise tax payments are equal to or greater than 110% of your 2017 DC franchise tax liability for the entire year; or
- Your remaining tax due after totaling all credits and estimated tax payments is less than 10% of your total DC franchise tax liability for the year.

When do you use this form?

- You may use this form to calculate your underpayment interest. If you do, attach it to your tax return and enter the underpayment interest on Line 44 of Forms D-20 or D-30. Fill in the oval if the D-2220 is attached. If you do not wish to calculate the interest, OTR will do it when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the interest amount assessed by OTR for underpayment of estimated franchise tax is incorrect.

How do you file this form?

Attach it to your return if you complete the form before filing your tax return. If you complete the D-2220 after filing and receiving a notice of interest assessment, send it to:

Office of Tax and Revenue
1101 4th St SW, 2nd Floor
Washington DC 20024

Completing this form

Line 1

Enter the amount from your 2018 D-20 or D-30.

Line 2

Multiply the amount on Line 1 by 90% (.90). Your estimated franchise tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2017 DC Forms D-20 or D-30. If your 2017 return was amended or corrected, multiply 110% times the corrected amount.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC franchise tax return for 2017, you may only use Line 2. This is your minimum estimated franchise tax payment for 2018.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your tax liability over the four periods of the tax year.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1st period, \$4000 for the 2nd period, \$6,000 for the 3rd period and \$8,000 for the 4th period.

Annualized income method: If your income was different for each period, determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts earned by period on Line 6. Accumulate the periodic amounts as shown above. Check the "Annualized Income" box.

Line 7

Enter the amount of estimated franchise tax payments made in each period. Include the amounts from the previous period with the 2nd, 3rd and 4th periods. For example, if your estimated payment amount is \$1,000 in each period, you would enter \$1,000 in the 1st period, \$2,000 in the 2nd period, \$3,000 in the 3rd period and \$4,000 in the 4th period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no underpayment interest. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Underpayment Interest Factors

These are the underpayment interest factors by period.

Line 10

For each period, multiply the amount on Line 8 by the factor on Line 9. This is your underpayment interest amount by period.

Line 11 Underpayment Interest

Add the amounts on Line 10 for each period. This is your total underpayment of estimated franchise tax penalty.

- If you are filing the D-2220 with your D-20 or D-30 return, enter the amount on Line 44 and pay the total amount with the return. Fill in the oval on Line 44 and attach the D-2220 to the return.
- If you are filing the D-2220 form separately, pay the amount you owe and attach to the D-30P Payment Voucher, using the applicable mailing address.

Make the check or money order payable to the **DC Treasurer**. **Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.**

2019 D-30ES Declaration of Estimated Franchise Tax for Unincorporated Businesses

MyTax.DC.gov

Simpler. Faster. Safer.
File Electronically Today!

Important: If the amount of your payment for a period exceeds \$5,000, you shall file and pay electronically.

General Instructions

Declaration of Estimated Franchise Tax for Unincorporated Businesses

Who must file a Form D-30ES?

An unincorporated business must file a declaration of estimated franchise tax if its District of Columbia (DC) franchise tax liability is expected to exceed \$1,000 for the taxable year.

Applying an overpayment from your prior DC Unincorporated Business franchise tax return.

You can apply the full amount of any overpayment of tax from your prior year's DC unincorporated business franchise tax return to the first payment of your estimated tax.

Could you be charged a penalty or fee?

If you underestimate your tax, you will be charged an underpayment penalty on the unpaid amount of tax at a rate of 10% per year compounded daily, unless your withholdings, credits and estimated tax payments equals:

- At least 90% of your 2019 unincorporated franchise tax; or
- 110% of your 2018 DC unincorporated franchise tax for a 12-month period.

What if your estimated tax liability changes during the year?

If initially you are not required to file a declaration voucher but later in the taxable year your estimated unincorporated franchise tax liability for the year increases to an amount greater than \$1,000, begin filing a declaration voucher. Use the next available voucher. See **“When are the declaration vouchers due?”** on page 3 for the due dates. If your estimated tax liability changes substantially, adjust the next payments accordingly.

Which other DC form may unincorporated business franchise taxpayers need to file?

Unincorporated Business Franchise Tax Return (D-30)

You may obtain the D-30 from:

- Website: [MyTax.DC.gov](https://mytax.dc.gov)
- Phone: 202-727-4829
- OTR Customer Service Administration
1101 4th Street, SW, 2nd Floor
Washington, DC 20024

Extension of Time to File a DC Unincorporated Business Franchise Return (FR-130)

You may request an extension of time to file your return by filing DC Form FR-130, available at [MyTax.DC.gov](https://mytax.dc.gov), no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied and you may be subject to penalties for failure to file or failure to pay. Do not use the federal extension form for DC tax purposes. For combined report filers, the designated agent shall file.

The submission of the extension of time to file form is subject to the following considerations:

1. If you expect to have a balance due when you file your D-30, **you must pay with your timely filed extension application.**
2. If you do not expect to have a balance due when you file your D-30, you are not required to file a Form FR-130, if you have:
 - a. Correctly estimated your D-30 tax liability and paid the estimated amount of DC franchise tax through estimated tax payments; and

- b. Filed a request to extend the time to file your federal tax return with the IRS. The timely filed federal extension to file form will satisfy the requirement for filing a Form FR-130 with DC.
- 3. If you do not expect to have a balance due and you have not filed an extension of time to file for your federal return and wish to request an extension for your DC franchise tax return, you should submit a Form FR-130.

If there is an amount due, the DC Form FR-130 is required to be filed with the payment. Penalty charges are imposed on any tax found owing and not paid on time with the extension request.

When are your vouchers due?

File your vouchers by the following dates:

- **Voucher 1:** April 15, 2019;
- **Voucher 2:** June 15, 2019;
- **Voucher 3:** September 15, 2019; and
- **Voucher 4:** December 15, 2019

Fiscal year taxpayers should file the declaration vouchers by the following dates:

- **Voucher 1:** The fifteenth day of the fourth month of your taxable year;
- **Voucher 2:** The fifteenth day of the sixth month of your taxable year;
- **Voucher 3:** The fifteenth day of the ninth month of your taxable year; and
- **Voucher 4:** The fifteenth day of the twelfth month of your taxable year.

If the due date falls on a Saturday, Sunday, or legal holiday, the voucher is due the next business day.

Filing your return

This booklet has all the vouchers and instructions you will need. It is mailed to each registered taxpayer who filed estimated tax payments in the previous year, except those who file electronically or use a substitute form. It also contains mailing labels. You are responsible for filing and submitting the amount due on time whether or not you receive the printed forms.

• Substitute forms

You may file your DC estimated tax payment for unincorporated franchise tax using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Check with the software developer to determine if its form was approved by the DC OTR.

• By mail

If you file using paper, make the check or money order payable to the DC Treasurer. Write your Taxpayer Identification Number (TIN), D-30ES, and the tax year on the check or money order.

If mailing vouchers send your vouchers and payments to:

Office of Tax and Revenue
PO Box 96020
Washington, DC 20090-6020

Note: Please use the mailing labels provided in this booklet when mailing your vouchers.

• By accessing [MyTax.DC.gov](https://mytax.dc.gov).

Unincorporated franchise taxpayers may file and pay the D-30ES by accessing [MyTax.DC.gov](https://mytax.dc.gov).

- **Electronic Filing Instructions**

The instructions in this booklet are specifically for filers of paper returns. When you file electronically, note that the instructions may differ. Follow the “on screen” instructions. If you need further explanations, review the instructions in this booklet.

Electronic Payment Options

If the amount of the payment due for a period exceeds \$5,000, you must pay electronically. Visit [MyTax.DC.gov](https://mytax.dc.gov).

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at [MyTax.DC.gov](https://mytax.dc.gov) for instructions for electronic payments.

Payment options are as follows:

- **ACH Debit.** ACH debit/credit is used for taxpayers who have signed up for [MyTax.DC.gov](https://mytax.dc.gov). There is no fee. Bank account information is stored within their online account. [MyTax.DC.gov](https://mytax.dc.gov) can store mul-

iple bank accounts across multiple tax types. Taxpayers give the right to debit the money from their bank account. Ensure you allow 1-3 business days if entering change of banking information.

- **ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer’s bank may charge a fee. The taxpayer directly credits OTR’s bank account. A taxpayer does not need to be registered to use this payment type, and does not need to access the website.

Note: When making ACH credit payments through your bank, please use the correct tax type code (00260) and tax period ending date (YYMMDD) for unincorporated franchise estimated tax payments.

- **Credit/Debit Card:** The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover ®or American Express®. You will be charged a fee that is paid directly to the District’s credit card service provider. Payment is effective on the day it is charged.

Note: International ACH Transaction (IAT). Your payment cannot be drawn on a foreign account. You must pay by money order (US dollars)

or credit card instead.

Dishonored Payments

Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Getting started

To complete the paper Form D-30ES, in general you will need:

- ✓ A pen with black ink
- ✓ A calculator

Not all items will apply. Fill in only those that do apply. If an amount is zero, make no entry, leave the line blank.

Taxpayer Identification Number (TIN)

You must have a TIN, whether it is a Federal Employer Identification Number (FEIN), Social Security Number (SSN), Individual Taxpayer Identification Number (ITIN) or Preparer Tax Identification Number (PTIN).

- An FEIN is a number issued by the IRS. To apply for an FEIN, get Form SS-4, Application for Employer Identification Number, or get this form online at www.irs.gov/businesses and click on Employer Identification Number (EIN) under Starting a Business. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).
- An SSN is a valid number issued by the Social Security Administration (SSA) of the United States Government. To apply for an SSN, get form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213.
- An Individual Taxpayer Identification Number (ITIN) is a tax processing number issued by the Internal Revenue Service (IRS). The IRS issues ITINs to individuals who are required to have a U.S. taxpayer identification number but who do not have, and are not eligible to obtain, a Social Security number (SSN) from the Social Security Administration (SSA). ITINs do not serve any

purpose other than federal tax reporting.

- The Preparer Tax Identification Number (PTIN) is an identification number issued by the IRS that all paid tax preparers must use on tax returns or claims for refund.

You must wait until you receive a TIN before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid.

District of Columbia (DC) Partnership Return of Income Tax Forms and Instructions

Simpler. Faster. Safer.

The District allows Franchise (D-20), Unincorporated Franchise (D-30), Partnership (D-65), and Fiduciary (D-41) taxpayers to file returns with attachments using a CD. Include the following on a CD:

- **A signed and dated return;**
- **Any DC schedules you are submitting;**
- **Any federal forms that must accompany the return;**
- **Indicate on the CD label, form number, FEIN and tax year being filed; and**
- **Images on the CD should be in PDF format**

Reminder:

- **Modernized e-File (MeF)** - Partnership return filers may now e-file the D-65 Partnership Return of Income through MeF.
- **DC Ballpark TIF Area** - A fill in "if QHTC located in DC Ballpark TIF Area" oval has been added to page 1 of the D-65 return.
- **QHTC Self-Certification on [MyTax.DC.gov](https://mytax.dc.gov)** - Beginning January 1, 2019, existing and new taxpayers seeking QHTC related benefits must complete an online application to fulfill the self-certification requirements. The annual Certification process replaces the existing requirement of filing the QHTC Cert with the return.

GENERAL INSTRUCTIONS FOR THE D-65 PARTNERSHIP RETURN

Who must file a DC Form D-65?

Except for partnerships required to file an unincorporated business franchise tax return, DC Form D-30, or corporate franchise tax return, DC Form D-20, or an LLC, or publicly traded partnership that filed a federal corporation return, all partnerships engaged in any trade or business in DC or which received income from sources in DC, must file a Form D-65.

The term “partnership” includes a limited partner, group, syndicate, pool and joint venture through or by means of which any business, financial operation, or venture is carried on. The following are excluded by law: 1) a corporation; 2) a trust or estate; or 3) an unincorporated business. The term “partner” includes a member of a syndicate, pool or joint venture.

If the return is filed on behalf of a syndicate, pool, joint venture or similar group, attach to the D-65 a copy of the agreement and all amendments to the agreement.

A limited liability company is classified as a partnership. The only exception is if IRS has classified it differently. Use the same classification on your DC return as that used on your federal return.

Who must file DC Form D-30 instead of Form D-65?

Every partnership which, during the taxable year, engaged in an “unincorporated business” as defined in paragraph (1) below, and which met the gross income threshold as stated in paragraph (2) below, must file a Form D-30, rather than Form D-65. If Form D-65 is filed instead of Form D-30, attach an explanation to the D-65.

(1)(a) A partnership with gross income of more than \$12,000 which leases real or personal property in DC, regardless of whether services are performed, (including professional partnerships) must file a Form D-30 instead of Form D-65.

(b) “Unincorporated Business”. An unincorporated business is any trade or business, conducted or engaged in by any individual, whether resident or nonresident, statutory or common-law trust, estate, partnership, or limited or special partnership, society, association, executor, administrator, receiver, trustee, liquidator, conservator, committee, assignee, or by any other entity or fiduciary, other than a trade or business conducted or engaged in by any corporation, S corporation, Q-sub, publicly traded partnership or any other form of entity treated as a corporation for District tax purposes. This includes any trade or business which, if conducted or engaged in by a corporation, would be taxable.

(c) Excluded is any trade or business which by law, custom, or ethics, cannot be incorporated or any trade or business deriving more than 80% of its gross income from personal services rendered by owners or members of the partnership or other entity in conducting or carrying on any trade or business in which capital is not a material income-producing factor.

(2) Gross income requirement for filing DC Form D-30. A return must be filed by an unincorporated business if its gross income from engaging in or carrying on any trade or business in DC plus any other gross income received from DC sources amounts to more than \$12,000 during the year, regardless of whether it had net income. For filing purposes, the words “gross income” means gross revenue before deduction of cost of goods, expenses and other deductions allowable in the determination of net income.

NOTE: For District tax purposes, taxpayers are not permitted to claim the 100% federal depreciation per Internal Revenue Code (IRC) 168(k), nor the additional Internal Revenue Code (IRC) Section 179 expenses. Taxpayers should keep a separate depreciation schedule for DC tax purposes.

When is your return due?

You must file your return by:

- Calendar year filer – April 15, 2019; or
- Fiscal year filer – the fifteenth day of the fourth month following the ending of the taxable year you entered at the top of the DC Form D-65.

If the due date falls on a Saturday, Sunday or legal holiday, the return is due the next business day.

If you are requesting an extension of time to file, submit DC Form FR-165, Extension of Time to File a DC Partnership Return, by the due date of your return. Do not use the federal extension of time to file form to request a DC extension.

How to file your return

File your DC Form D-65 with the Office of Tax and Revenue, 1101 4th Street, SW, FL4, Washington, DC 20024.

Sign and date the return. Make a copy for yourself. If submitting the return with attachments, you must submit using a CD unless you are filing electronically.

Include the following on the CD:

- The signed D-65 return;
- Any attachments and/or schedules (federal Form 1065, and Schedule K-1). Include copies of all the schedules and statements accompanying the Form 1065. Also attach a schedule showing the pass-through distribution of income for all members of the partnership, and copies of the completed federal K-1 schedule; and
- Write on the CD label, “D-65”, your TIN, tax year being filed, and statements accompanying the Form D-65 on the CD.

Assembling your D-65 return

Do not staple or otherwise damage the Bar Code located in the upper right hand corner of this form or schedule(s) being attached.

Substitute forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by the DC OTR.

By Modernized e-File (MeF)

MeF offers most DC Partnership return filers a full federal/state electronic filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

1. Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
2. Through a tax practitioner who is an authorized e-File provider; or
3. Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC.

Special filing circumstances

Combined Reporting

If the partnership is unitary with a combined group, fill in the "if unitary" oval on page 1 of Form D-65. In addition, provide the designated agent's name and Taxpayer Identification Number (TIN) on page 1 of the form.

Qualified High Technology Companies (QHTC)

If you are a QHTC, fill in the oval on page 1 of the D-65. A QHTC claiming exemption for a partnership must complete the QHTC certification process online via [MyTax.DC.gov](https://mytax.dc.gov). For additional information, please see the online publication, FR-399, Qualified High Technology Companies.

DC Ballpark Tax Increment Financing (TIF) Area

If a business entity claiming to be a QHTC is located in the DC Ballpark TIF Area as specified in DC Code §2-1217.12, fill in the "if QHTC located in DC Ballpark TIF Area" oval on page 1 of Form D-65. A business entity located in the DC Ballpark TIF Area cannot receive QHTC tax benefits. See DC Code §47-1817.01(5)(B)(iii).

DC Apportionment Factor

All businesses other than financial institutions engaging in a trade or business both in and outside of DC must use the single sales factor formula to apportion its business income. Businesses domiciled in DC and not subject to tax elsewhere must report 100 percent of their non-business income to DC. Businesses carrying on a trade or business in DC and other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the partnership's total sales in DC during the tax year. The denominator is the partnership's total sales everywhere during the tax year. Sales other than sales of tangible personal property shall be apportioned to the District by using the market-based sourcing rules.

Report the DC apportionment factor on Schedule F, Line 2, page 2 of Form D-65.

Note: DC Apportionment Factor shall not be rounded; however, truncated to six decimal places.

Amended returns

You must use the Form D-65 of the year you are amending. Prior year forms can be obtained from [MyTax.DC.gov](https://mytax.dc.gov). Fill in the 'Amended Return' oval on page 1 of the D-65 and complete the 'Tax Period Ending' box. If the IRS adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days.

Mail the amended return and any attachments to the Office of Tax and Revenue, 1101 4th Street, SW, FL4, Washington, DC 20024.

Final return

If you are not required to continue filing a return for this entity, fill in the "final return" oval on the return. We will then cancel your filing requirement.

Items exempt from tax

All items of income received and claimed as exempt from tax must be explained in a copy of the Schedule K of the federal Form 1065. Attach the copy to your DC Form D-65. Some items of this type are:

(1) Tax-Free Interest. Attach a statement reporting interest on:

- (a) obligations of a state, territory of the United States or any political subdivision thereof, or DC; and
- (b) obligations of the United States, its agencies, or instrumentalities.

(2) Proceeds from life insurance policies. In general, the proceeds of life insurance policies paid to the partnership due to the death of a partner are exempt. However, if any part of the proceeds is held by the insurer under an agreement to pay interest, the interest is taxable.

Information at source

Every partnership which in the course of its trade or business, during calendar year 2018, pays (1) interest, rents, commissions, or other fixed or determinable income of \$600 or more, or (2) salaries and wages of \$600 or more, must submit copies of federal Forms 1095 and 1099 unless the payment is specifically exempted by District of Columbia Municipal Regulations (DCMR) Rule 9-111.

No Remittance Due

The D-65 Partnership Return is considered to be an information return which means no remittance is due or should be tendered with the D-65 return, or form FR-165 extension request. If taxes are due as a result of any activity associated with a partnership, then a D-20 (DC Corporation Franchise Tax Return), a D-30 (DC Unincorporated Business Franchise Tax Return), or a D-40 (DC Individual Income Tax Return) with Federal Schedule C and/or SE, must also be filed to report and pay the taxes which are due.

Getting started

Do not cross out the tax year on the 2018 return. If you are not filing a 2018 D-65 Partnership Return, do not use this booklet. Request a booklet for the specific year you are filing by calling our Forms Center at (202) 727-4829, or visit the Customer Service Administration at 1101 4th Street, SW, FL2, Washington, DC 20024. You may also visit our website at [MyTax.DC.gov](https://mytax.dc.gov) for prior year partnership returns.

Use the same method of accounting on your DC Form D-65 as that used on your federal tax return.

To complete the paper Form D-65, in general you will need:

- Copies of your completed 2018 federal forms as applicable (1065, Schedule K, Schedule K-1, etc.)
- A pen with black ink
- A calculator

Not all items will apply. If an amount is zero, make no entry, leave the line blank.

The return must be filed for calendar year 2018, or other taxable year beginning in 2018, covering the same tax period reported on the return filed with the IRS. Fill in the tax period ending on page 1 as MMY.

All entries on the return and attachments are whole dollars only. Do not enter cents. Round cents to the nearest dollar.

\$10,500.50 rounds to \$10,501
\$10,500.49 rounds to \$10,500

The IRS issues ITINs to individuals who are required to have a U.S. taxpayer identification number but who do not have, and are not eligible to obtain, a Social Security number (SSN) from the Social Security Administration (SSA). ITINs do not serve any purpose other than federal tax reporting.

OTR TAX NOTICE 2011-7

November 17, 2011

**GUIDANCE ON APPLICATION FOR EXEMPTION FROM DISTRICT OF
COLUMBIA FRANCHISE, SALES AND USE, AND PERSONAL PROPERTY
TAXES**

Nonprofit organizations intending to conduct activities in the District of Columbia that may subject them to liability for franchise, sales and use, or personal property taxes are advised to submit an application for exemption from these taxes no later than the time that those activities commence.¹

An Application Is Required to Obtain an Exemption

Under District law, a determination of exempt status by the Internal Revenue Service (“IRS”) does not by itself confer exemption from these taxes. Applicable exemptions from District of Columbia taxes must be secured from the Office of Tax and Revenue (“OTR”). The statutes governing each of these taxes provide that an organization cannot claim the available exemptions from these taxes unless the organization first obtains a letter (in the case of the franchise and personal property taxes) or a certificate (in the case of the sales and use taxes) from OTR stating that it is entitled to an exemption. D.C. Code secs. 47-1508 (personal property tax); 47-1802.01 (franchise taxes); 47-2005(3) (sales and use taxes). It should be noted that the tax exemptions conferred by these statutes generally apply only with respect to activities in furtherance of an organization’s exempt purposes, and no exemption is provided with respect to business activities that are not related to an organization’s exempt purposes. Such unrelated business activities remain subject to tax.

Application Procedures

In order to apply for exemption from these taxes, an organization must submit Form FR-164 to OTR. Filing instructions are provided with the form, which is available through OTR’s Taxpayer Service Center. If an application is hand-delivered to an OTR unit authorized to receive the filing, it is considered filed on the date shown by the OTR date

¹ This notice does not address the process of securing exemption from real property or other District taxes.

stamp placed on the filing. If a properly addressed application is delivered to OTR by mail or private delivery service, it is considered filed on the postmark date shown on the envelope or wrapper. If a properly addressed application is received by OTR via facsimile, it is considered filed on the date that the facsimile is received by OTR.

Effective Date of Exemption

For franchise tax purposes, the exemption, if granted, is effective on the effective date of the exemption determination letter issued for the organization by the Internal Revenue Service.

The sales and use tax exemption, if granted, becomes effective when the exemption certificate is issued.

The personal property tax exemption, if granted, becomes effective on the July 1 following the date of the filing of Form FR-164.

Procedure for Organizations That Do Not Promptly File an Application

OTR encourages any organization that has commenced activities in the District, or that has become liable for franchise, sales and use, or personal property tax prior to filing an application for exemption, to promptly file Form FR-164 so as to help forestall the accumulation of additional tax liability. OTR has instituted a Voluntary Disclosure Program under which noncompliant taxpayers are permitted to pay certain tax liabilities and interest without imposition of civil penalties or fees. An organization that has delayed filing an application for exemption, but that has not been contacted by OTR or its representatives, should consider entering this program to clear outstanding liabilities.
