General Instructions

Estimated Payment for Individual Income Tax

Who must file a Form D-40ES?

You must file these vouchers if you are required to file a District of Columbia (DC) income tax return and, you expect to owe \$100 or more in taxes. See Worksheet to Estimate DC Tax Payments on page 8.

What must be filed?

If you plan to file jointly on your 2021 D-40 return, you should file joint 2022 D-40ES vouchers to ensure that you receive credit for any estimated income tax you pay. Enter both social security numbers.

No joint declaration may be made if spouses have separated under a decree of divorce or separate maintenance or if they have different taxable years, or periods of residency.

If you are filing separately, please enter only one tax identification number and name on your D-40ES voucher.

If you file joint vouchers, but you do not later file jointly on your D-40 return, you may divide the estimated tax paid between you and your spouse/registered domestic partner any way you wish by submitting a written request to:

Customer Service Administration
1101 4th Street, SW, 2nd Floor
Washington, DC 20024

The request must be signed by both spouses/registered domestic partners.

If filing jointly or filing separately on the same voucher, enter the name and tax identification number (TIN) shown first on your previous year D-40 return, then enter the name and TIN shown second on your previous year return. Please be consistent when entering the names on the vouchers with the order used on the return. Failure to do so could delay the processing of your D-40 return.

Applying an overpayment from your prior DC income tax return

You can apply the full amount of any overpayment of tax from your prior year's DC income tax return to the first payment of your estimated taxes.

Could you be charged interest or a fee?

If you underestimate your taxes, you will be charged underpayment interest on the unpaid amount of tax at the rate of 10% per year compounded daily, unless your withholdings, credits and estimated tax payments equal:

- At least 90% of your 2022 income tax; or
- 110% of your 2021 DC income tax for a 12-month period.

What if your estimated tax liability changes during the year?

If you have filed one or more vouchers and you find that your estimated tax liability has changed substantially, use the calculation on page 9 to re-calculate your estimated tax payment. Using your remaining vouchers, adjust your payment amounts to cover the balance you owe.

Filing a return before last payment

If you file your DC individual tax return on or before January 15, you must pay the balance of any tax due with your return before you make your last estimated tax payment for the year. **Do not send in your last voucher.**

Which other DC form may individual taxpayers need to file?

Individual Income Tax Return (D-40): You may obtain the D-40 booklet from:

- Website: MyTax.DC.gov
- Phone: 202-727-4829
- OTR Customer Service Administration
1101 4th Street, SW, 2nd Floor,
Washington, DC 20024

Extension of Time to File for Individuals (FR-127)

An extension of six months to file an income tax return may be granted if a valid extension of time to file is requested. In order to be valid, a

completed FR-127 Extension of Time to File is due by April 18, 2022. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day. The submission of the extension of time to file is subject to the following considerations:

1. If you expect to have a balance due when you file your D-40, **you must pay with your timely filed extension application.**
2. If you do not expect to have a balance due when you file your D-40, you are not required to file a Form FR-127, if you have correctly estimated your D-40 tax liability and paid the estimated amount of DC income taxes through withholding or estimated tax payments.

Interest charges are imposed on any tax found owing and not paid on time with or without the extension request.

When are your vouchers due?

File your vouchers by the following dates:

- **Voucher 1:** April 18, 2022;
- **Voucher 2:** June 15, 2022;
- **Voucher 3:** September 15, 2022; and
- **Voucher 4:** January 15, 2023

If the due date falls on a Saturday, Sunday, or legal holiday, the voucher is due the next business day.

Filing your return

This booklet has all the vouchers and instructions you will need. It is mailed to each registered taxpayer who filed estimated tax payments in the previous year, except those who file electronically or use a substitute form. It also contains mailing labels. You are responsible for filing and submitting the amount due on time whether or not you receive the printed forms.

• **Substitute forms**

You may file your DC estimated payment for individual income tax using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Check with the software developer to determine if its form is a DC OTR approved form.

• **By mail**

If you file using paper, make the check or money order (US dollars) payable to the DC Treasurer. Write your tax identification number (TIN), D-40ES, and the tax year on the check or money order. If mailing vouchers send your vouchers and payments to:

Office of Tax and Revenue
PO Box 96018
Washington, DC 20090-6018

Note: Please use the mailing labels provided in this booklet when mailing your vouchers.
