Instructions for Schedule SR Small Retailer Property Tax Relief Credit

For taxable years beginning after December 31, 2017, a qualified corporation, or qualified unincorporated business, may claim a credit against corporate or unincorporated business franchise tax as follows:

- (1) a tax credit equal to 10% of the total rent paid by the corporation/unincorporated business for a qualified rental retail location during the taxable year not to exceed \$5,000: or
- (2) a tax credit equal to the total Class 2 real property taxes paid by the qualified corporation/unincorporated qualified business for a qualified retail owned location during the taxable year not to exceed the lesser of the real property tax paid during the taxable year or \$5,000.

The credit in any one taxable year may exceed the qualified corporation/qualified unincorporated business's franchise tax liability, including any minimum tax due for that taxable year and is refundable to the qualified corporation/qualified unincorporated business claiming the credit.

The credit shall not apply if the qualified corporation/qualified unincorporated business is exempt from or receives any tax credits towards its real property tax or the qualified rental retail location or qualified owned retail location is otherwise exempt from real property tax.
