INSTRUCTIONS FOR THE D-65 PARTNERSHIP RETURN

Who must file a DC Form D-65?

Except for partnerships required to file an unincorporated business franchise tax return, DC Form D-30, or corporation franchise tax return, DC Form D-20, or an LLC, or a publicly traded partnership that filed a federal corporation return, all partnerships engaged in any trade or business in DC, or which received income from sources in DC, must file a Form D-65.

The term “partnership” includes a limited partner, group, syndicate, pool or joint venture through or by means of which any business, financial operation, or venture is carried on. The following are excluded by law: 1) a corporation; 2) a trust or estate; or 3) an unincorporated business. The term “partner” includes a member of a syndicate, pool or joint venture.

If the return is filed on behalf of a syndicate, pool, joint venture or similar group, attach to the D-65 a copy of the agreement and all amendments to the agreement.

A limited liability company is classified as a partnership. The only exception is if the IRS has classified it differently. Use the same classification on your DC return as that used on your federal return.

Who must file DC Form D-30 instead of Form D-65?

Every partnership which, during the taxable year, engaged in an “unincorporated business” as defined in paragraph (1) below, and which met the gross income threshold as stated in paragraph (2) below, must file a Form D-30, rather than Form D-65. If Form D-65 is filed instead of Form D-30, attach an explanation to the D-65.

(1)(a) A partnership with gross income of more than \$12,000 which leases real or personal property in DC, regardless of whether services are performed, (including professional partnerships) must file a Form D-30 instead of Form D-65.

(b) “Unincorporated Business.” An unincorporated business is any trade or business, conducted or engaged in by any individual, whether resident or nonresident, statutory or common-law trust, estate, partnership, or limited or special partnership, society, association, executor, administrator, receiver, trustee, liquidator, conservator, committee, assignee, or by any other entity or fiduciary, other than a trade or business conducted or engaged in by any corporation, S corporation, Q-sub, publicly traded partnership or any other form of entity treated as a corporation for District tax purposes. This includes any trade or business which, if conducted or engaged in by a corporation, would be taxable.

(c) Excluded is any trade or business which by law, custom, or ethics, cannot be incorporated or any trade or business deriving more than 80% of its gross income from personal services rendered by owners or members of the partnership or other entity in conducting or carrying on any trade or business in which capital is not a material income-producing factor.

(2) Gross income requirement for filing DC Form D-30. A return must be filed by an unincorporated business if its gross income from engaging in or carrying on any trade or business in DC plus any other gross income received from DC sources amounts to more than \$12,000 during the year, regardless of whether it had net income. For filing purposes, the words “gross income” means gross revenue before deduction of cost of goods, expenses and other deductions allowable in the determination of net income.

NOTE: For District tax purposes, taxpayers are not permitted to claim the 100% federal depreciation per Internal Revenue Code (IRC) 168(k), nor the additional Internal Revenue Code (IRC) Section 179 expenses. Taxpayers should keep a separate depreciation schedule for DC tax purposes.

When is your return due?

You must file your return by:

- Calendar year filer – April 15, 2025;
- Fiscal year filer – the 15th day of the 4th month following the ending of the taxable year you entered at the top of the DC Form D-65; or
- Exempt Organization filer - the 15th day of the 5th month after the end of their tax year.

An organization recognized as a tax-exempt entity by the Internal Revenue Service is not automatically recognized as a tax-exempt entity under the laws of the District of Columbia. You must file an Application for Exemption (FR-164) with the DC Office of Tax and Revenue and be approved.

If the due date falls on a Saturday, Sunday or legal holiday, the return is due the next business day.

If you are requesting an extension of time to file, submit DC Form FR-165, Extension of Time to File a DC Partnership Return, by the due date of your return. Do not use the federal extension of time to file form to request a DC extension.

How To File Your Return

File your DC Form D-65 with the Office of Tax and Revenue, 1101 4th Street, SW, FL4, Washington, DC 20024.

Sign and date the return. Make a copy for yourself. If submitting the return with attachments, you must submit using a USB flash drive unless you are filing electronically.

Include the following on the flash drive:

- The signed D-65 return;
- Any attachments and/or schedules (federal Form 1065, and Schedule K-1). Include copies of all the schedules and statements accompanying the Form 1065. Also attach a schedule showing the pass-through distribution of income for all members of the partnership, and copies of the completed federal K-1 schedule; and
- Write on the flash drive label, “D-65,” your TIN, and the tax year being filed.

Assembling Your D-65 Return

Do not staple or otherwise damage the Bar Code located in the upper right hand corner of this form or schedule(s) being attached.

Substitute Forms

You may file your DC tax return using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by OTR.

By Modernized e-File (MeF)

MeF offers most DC Partnership return filers a full federal/state electronic filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

1. Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
2. Through a tax practitioner who is an authorized e-File provider; or
3. Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC.

Special Filing Circumstances

Combined Reporting

If the partnership is unitary with a combined group, fill in the "if unitary" oval on page 1 of Form D-65. In addition, provide the designated agent's name and Taxpayer Identification Number (TIN) on page 1 of the form.

Qualified High Technology Companies (QHTC)

If you are a QHTC, fill in the oval on page 1 of the D-65. A partnership claiming QHTC tax benefits must complete the QHTC certification process online via [MyTax.DC.gov](https://www.mytax.dc.gov). For additional information, please see the online publication, FR-399, Qualified High Technology Companies.

DC Ballpark Tax Increment Financing (TIF) Area

If a business entity claiming to be a QHTC is located in the DC Ballpark TIF Area as specified in DC Code §2-1217.12, fill in the "if QHTC located in DC Ballpark TIF Area" oval on page 1 of Form D-65. A business entity located in the DC Ballpark TIF Area cannot receive QHTC tax benefits. See DC Code §47-1817.01(5)(B)(iii).

District of Columbia Opportunity Zone Tax Benefits

The Tax Cuts and Jobs Act of 2017 included a provision called 'Opportunity Zones' which established certain tax benefits for federal taxpayers with capital gains who invest those gains into a Qualified Opportunity Fund (QOF). A QOF is an investment vehicle that files either a partnership or corporation federal income tax return and is organized for the purpose of investing in Qualified Opportunity Zone property. Pursuant to the "Aligning Opportunity Zone Tax Benefits with DC Community Priorities Emergency Act of 2020," the District of Columbia has also acted to establish certain tax benefits for DC taxpayers with capital gains who invest those gains into an approved DC QOF.

The District of Columbia Opportunity Zone Tax Benefits available to a DC taxpayer, if the taxpayer meets certain criteria, are: (1) a deferral of a capital gains tax payment for investing in a QOF; (2) a reduction of capital gains tax liability through a 10% step-up in basis, if invested in a QOF for 5 years prior to December 31, 2026, and an additional 5% step-up in basis, if invested in a QOF for 7 years prior to December 31, 2026; and (3) an abatement of capital gains tax on an investment of capital gains in a QOF for at least 10 years before December 31, 2047.

DC taxpayers seeking the capital gains tax deferral, reduction or abatement at the District level must invest in a QOF that: (1) is a QOF approved by the District of Columbia Government; and (2) has invested at least the value of the taxpayer's investment in the QOF in eligible Qualified Opportunity Zones Businesses (QOZBs) or Qualified Opportunity Zones Business Property (QOZBP) in the District of Columbia.

The District taxpayer-investor will need to submit a DC QOF Approval letter issued by the Office of the Deputy Mayor for Planning and Economic Development (DMPED) with their tax returns, along with IRS Forms 8996 and 8997 for the tax year for which the taxpayer is seeking the benefits. The taxpayer must also submit other relating federal forms, if applicable, such as federal forms 8949, 4797, and federal Schedules K-1 and Schedule D, including any other information that OTR may require to administer the benefits.

If you have capital gain deferred on your federal return due to an investment in a Federal Qualified Opportunity Fund, add back the amount of the deferral on Line 7 of the D-65 return.

If you have capital gain deferred due to an investment in a DC approved DC Qualified Opportunity Fund, subtract the amount of the deferral on Line 21 of the D-65 return, provided this amount is also included in Line 7 of the D-65 return.

See DC Code §§ 47-1801.04(39A), (39B), (39C), (39D); and 47-1803.03(a)(20). For more information about the Qualified Opportunity Funds approval process and eligible investments, contact DMPED at DCQOF@dc.gov or (202) 727-6365. To apply for DC approved Opportunity Zone Tax Benefits, visit [OZMarketplace.dc.gov](https://www.OZMarketplace.dc.gov).

52-53 Week Filer

If you are recognized as a 52-53 week filer with the IRS, fill in the "52-53 week filer" oval on page 1 of the Form D-65. Attach the statement filed with the IRS that describes your accounting period.

Exclusion of Certain Grants From District Gross Income

Pursuant to DC Code § 47-1803.02 the following grants are excluded from District gross income:

- Small business loans awarded and subsequently forgiven under § 7A of the Small Business Act (15 U.S.C. § 636m);
- Public health emergency grants authorized pursuant to section 16(m)(1) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-58; D.C. Official Code § 1-309.13(m)(1));
- Lump-sum payments received by individuals from the Early Educator Pay Parity Program pursuant to DC Code § 1-325.431;

- The following grants awarded by the Department of Energy & Environment;
 - I- Funding received pursuant to the Solar for All Program established by DC Code § 8-1774.16; and
 - II-Sustainable Energy Trust Fund grants awarded pursuant to DC Code § 8-1774.10(c)(22).

The amount received by businesses and individuals pursuant to these grants may be subject to federal income tax and included in federal gross income. For Form D-65 Partnership Return of Income: Do not include the amount of the grant on Line 8 of Form D-65. This is the line you would report the amount of the grant if it was taxable by the District. Therefore, Line 7 on your federal Form 1065 (the line for "Other Income") will be different from your Line 8 ("Other Income") on Form D-65. Submit the 1099G showing the amount of the grant.

DC Apportionment Factor

All businesses other than financial institutions engaging in a trade or business both in and outside of DC must use the single sales factor formula to apportion their business income. Businesses domiciled in DC and not subject to tax elsewhere must report 100 percent of their non-business income to DC. Businesses carrying on a trade or business in DC and other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the partnership's total sales in DC during the tax year. The denominator is the partnership's total sales everywhere during the tax year. Sales other than sales of tangible personal property shall be apportioned to the District by using the market-based sourcing rules.

Report the DC apportionment factor on Schedule F, Line 2, page 2 of Form D-65.

Note: DC Apportionment Factor shall not be rounded; however, truncate to six decimal places.

Amended Returns

You must use the Form D-65 of the year you are amending. Prior year forms can be obtained from [DC Tax Forms/Publications](#). Fill in the 'Amended Return' oval on page 1 of the D-65 and complete the 'Tax Period Ending' box. If the IRS adjusts your federal return or if you file an amended federal return, you must file an amended DC return within 90 days.

Mail the amended return and any attachments to the Office of Tax and Revenue, 1101 4th Street, SW, FL4, Washington, DC 20024.

Final Return

If you are not required to continue filing a partnership return for this entity, fill in the "final return" oval on the return. We will then cancel your requirement to file a partnership return.

Items Exempt From Tax

All items of income received and reported on federal Schedule K (or K-1 if this partnership is a partner in another entity) that are being claimed exempt from District tax must be explained in a statement. Attach the statement and federal Schedule K to your DC Form D-65. Some items of this type are:

- (1) Tax-Free Interest. Attach a statement reporting interest on:
 - (a) obligations of a state, territory of the United States or any political subdivision thereof, or DC; and
 - (b) obligations of the United States, its agencies, or instrumentalities.
- (2) Proceeds from life insurance policies. In general, the proceeds of life insurance policies paid to the partnership due to the death of a partner are exempt. However, if any part of the proceeds is held by the insurer under an agreement to pay interest, the interest is taxable.

Information At Source

Every partnership which in the course of its trade or business, during calendar year 2024, pays (1) interest, rents, commissions, or other fixed or determinable income of \$600 or more, or (2) salaries and wages of \$600 or more, must submit copies of federal Forms 1095 and 1099 unless the payment is specifically exempted by District of Columbia Municipal Regulations (DCMR) Rule 9-111.

No Remittance Due

The D-65 Partnership Return is considered to be an information return which means no remittance is due or should be tendered with the D-65 return, or with form FR-165 extension request. If taxes are due as a result of any activity associated with a partnership, then a D-20 (DC Corporation Franchise Tax Return), a D-30 (DC Unincorporated Business Franchise Tax Return), or a D-40 (DC Individual Income Tax Return) with Federal Schedule C, SE, E and/or F, as applicable, must also be filed to report and pay the taxes which are due.

Getting Started

Do not cross out the tax year on the 2024 return. If you are not filing a 2024 D-65 Partnership Return, do not use this booklet. Request a booklet for the specific year you are filing by calling our Customer Service Center at (202) 727-4829, or visit the Customer Service Administration at 1101 4th Street, SW, FL2, Washington, DC 20024. You may also visit [DC Tax Forms/Publications](#) for prior year partnership returns.

Use the same method of accounting on your DC Form D-65 as that used on your federal tax return.

To complete the paper Form D-65, in general you will need:

DISTRICT OF COLUMBIA LOW-INCOME HOUSING TAX CREDIT

The federal Low-Income Housing Tax Credit (LIHTC) was established by the Tax Reform Act of 1986 and is a dollar-for-dollar tax credit for federal taxpayers who invest in the construction and rehabilitation of housing for low and moderate-income individuals and families in the United States.

Pursuant to the District of Columbia Low-Income Housing Tax Credit Clarification Amendment Act of 2020, (D.C. Law 23-149, § 7201), and the District of Columbia Low-Income Housing Tax Credit Amendment Act of 2024 (D.C. Law 25-550 §2161) the District of Columbia has established a low-income housing tax credit for eligible projects located in the District of Columbia. An "eligible project" means a rental housing development in the District that includes more than 5 housing units; and units that will be affordable to tenants at an income level no greater than 80% of the median family income in the Washington Metropolitan Statistical Area.

The District of Columbia low-income housing tax credit (DC LIHTC) can be taken against income tax, franchise tax, and insurance premium tax. The credit can be claimed equally for 10 years or 120 months and subtracted from the amount of District tax otherwise due for each taxable period. The tax cannot be taken against any tax that is dedicated in whole or in part to the Healthy DC and Health Care Expansion Fund established by DC Code §31-3514.02.

The credit is not refundable, but any amount of the credit that exceeds the tax due for a taxable year can be carried forward to any of the 10 remaining subsequent taxable years. The owner of an eligible project that qualifies for the DC LIHTC must obtain an eligibility statement issued by the Department of Housing and Community Development (DHCD) with respect to the project and submit an executed Form D-8609, District of Columbia Low-Income Housing Tax Credit Allocation and Certification.

All or any portion of District low-income tax credits may be transferred, sold, assigned, or allocated to parties who are eligible pursuant to Chapter 48 of Title 47 of the District of Columbia Official Code. There is no limit on the total number of allocations of all or part of the total credit authorized. Collectively, all transfers, sales, assignments, and allocations are subject to the maximum credit allowable to a particular qualified project.

A tax credit earned or purchased by, or transferred or assigned to, a partnership, limited liability company, S corporation, or other pass-through entity may be allocated to the partners, members, or shareholders in accordance with the provisions of any agreement among the partners, members, or shareholders and without regard to the ownership interest of the partners, members, or shareholders in the project. A partner, member, or shareholder to whom a tax credit is allocated may further allocate all or part of the allocated credit or may transfer, sell, or assign the allocated credit. Collectively all transfers, sales, assignments, and allocations are subject to the maximum credit allowable to a particular project.

An owner, transferee, purchaser, assignee, or taxpayer to whom a credit is allocated desiring to make a transfer, sale assignment or allocation to another transferee, purchaser, assignee or taxpayer, must submit appropriate information to the Office of Tax and Revenue (OTR) and report the amount of DC LIHTC transferred, sold, assigned, or allocated, and the recipient of the credit. Follow the steps described in the Instructions for Low-Income Housing Tax Credit (LIHTC) Allocation and Certification booklet on [MyTax.DC.gov](https://mytax.dc.gov).

The District low-income housing tax credit can be recaptured if the owner fails to submit a copy of the eligibility statement issued by the Department with respect to the eligible project at the time of filing the return, or, if under IRC §42, a portion of any federal low-income tax credits taken on a low-income qualified project is required to be recaptured. If a recapture is required, any statement submitted to OTR as required by DC Code §47-4806(b) must include the proportion of the credit required to be captured, the identity of each transferee subject to recapture, and the amount of credit previously transferred, sold, assigned, or allocated to such transferee, purchaser, assignee, or taxpayer to whom a credit is allocated.

Except for unused credits carried forward and for credits claimed under regulations promulgated by the Department consistent with the special rule set forth in IRC §42, an eligible District of Columbia project is not eligible for any District tax credits for more than 11 taxable years.
