Annual Return for Withholding Reported on Forms 1099 and W-2G

Future Developments

For the latest information related to FR-900NP and its instructions, after publishing, go to MyTax.DC.gov.

Reminders

You must be registered and logged on via MyTax.DC.gov to file and pay the FR-900NP. All new entities starting business operations in DC MUST register on MyTax.DC.gov using the new business registration process to complete the FR-500 for business income (corporate or unincorporated franchise), Sales and Use, Withholding Wage or Non-Payroll, etc. Business accounts will not autoregister by filing a return or making a payment.

An Federal Employer Identification Number (FEIN) is required and is the only acceptable tax identification number. Beginning with tax year 2017, a Social Security Number (SSN) is no longer allowed.

You are responsible to ensure that tax returns are filed, and deposits and payments are made, even if you contract with a third party to perform these acts. You remain responsible if the third party fails to perform any required action. You are also required to file even when you submit your payment via ACH Credit.

If your tax professional, financial institution, payroll service, or other trusted third-party makes electronic payments on your behalf, ensure your payments are made by the 20th day of the month for the preceding month.

If there is an overpayment situation, there are two options (1) credit carry forward and (2) send a refund. Select only one option.

If you discover an error on a previously filed Form FR-900NP, make the correction by indicating that it is an amended return.

Do not use the FR-900NP to report wage withholding. Register and report these types of withholdings on Form FR-900Q.

The FR-900P, Payment Voucher for Withholding Tax is available if you do not use an electronic payment method. The non-wage oval must be selected on the FR-900P voucher form. Note that if your payment exceeds \$5,000 per period, you must pay electronically.

Refer to the [Electronic Funds Transfer \(EFT\) Payment Guide](#) at MyTax.DC.gov for instructions for electronic payments. MyTax.DC.gov does not allow the use of foreign bank accounts.

Electronic Payment options are as follows:

- **ACH Debit.** ACH debit is used for taxpayers who have signed up for MyTax.DC.gov. There is no fee. Bank account information is stored within their online account. MyTax.DC.gov can store multiple bank accounts across multiple tax types. Taxpayers give the right to debit the money from their bank account. Ensure you allow 1-3 business days if entering change of banking information.
- **Credit/Debit Card.** The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. The taxpayer will be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.
- **ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. A taxpayer does not need to be registered to use this payment type, and does not need access to the website. Note: When making ACH credit payments through your bank, use the correct tax type code (00300) and tax period ending date (YYMMDD).

Note: International ACH Transaction (IAT). The District does not support International ACH Transactions (“IAT”) for payments or direct deposit refunds that are remitted to or received from a financial institution outside the territorial jurisdiction of the United States. (The territorial jurisdiction of the United States includes the District of Columbia, US territories, US military bases, and US embassies in foreign countries.) A foreign address is not an indicator of whether the payment or refund is an IAT.

Dishonored Payments - Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to the Office of Tax and Revenue (OTR).

General Instructions

Form FR-900NP is used to report withheld District of Columbia (DC) income tax from non-payroll payments. Non-payroll payments include:

- Pensions (including distributions from tax-favored retirement plans;
- Military retirement;
- Gambling winnings;
- Voluntary withholding on certain government payments;
- Backup withholding.

In addition, the District requires withholding at the highest DC income tax rate (currently 10.75%) for DC residents on lump-sum distributions from retirement accounts or retirement plans but not including:

- (a) Any portion of a lump-sum payment that was previously subject to tax;
- (b) An eligible rollover distribution that is affected as a direct trustee to trustee transfer;
- (c) A rollover from an individual retirement account to a traditional or Roth individual retirement account that is

affected as a direct trustee to trustee transfer. This is applicable for distributions after December 31, 2011.

The terms “retirement account” or “retirement plan” mean:

- a. A qualified employee plan;
- b. A qualified employee annuity plan;
- c. A defined contribution plan;
- d. A defined benefit plan;
- e. A tax-sheltered annuity plan;
- f. An individual retirement account;
- g. Any combination of the plans and accounts listed; or
- h. A similarly situated plan as defined by the Internal Revenue Code.

Report all DC income tax withholding from non-payroll payments or distributions annually on one Form FR-900NP. The system will not allow you to file more than one FR-900NP for any calendar year unless it is an amended return.

OTR requires you to make your payments on a monthly basis, and report on an annual basis. Deposits are due by the 20th day of the following month. If a payment is required to be made on a day that is not a business day, the payment is timely if it is made by the close of the next business day. A business day is any day other than a Saturday, Sunday, or District legal holiday.

If you go out of business or stop paying wages to your employees during the year, you must file a final return at the time you cease business operations. Indicate your final return by checking the 'yes' box to "Is this your final return?".

Third-party Designee

If you want to allow an employee, a paid tax preparer, or another person to discuss your FR-900NP with DC, check the 'yes' box to "Are you authorizing an individual to discuss this return with OTR?". Enter the name and phone number of the specific person to speak with – not the name of the firm that prepared your tax return. By checking 'yes' you authorize DC to talk to the person you named (your designee) about any questions we may have while we process your return. You also authorize your designee to do all the following:

- Give us any information that is missing from your return.
- Call us for information about processing your return.
- Respond to certain DC notices that you have shared with your designee about math errors and return preparation. DC will not send notices to your designee.

You are not authorizing your designee to bind you to anything (including additional tax liability) or to otherwise represent you before DC. The authorization will automatically expire one (1) year from the due date for filing your FR900NP. If you or your designee want to terminate the authorization, write to the DC OTR.

Penalties and Interest

OTR will charge:

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month or fraction of a month, that the return is not filed, or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
