INSTRUCTIONS FOR EMPLOYERS OR PAYORS

DEFINITION OF EMPLOYER AND PAYOR

The term "Employer" means employer as defined in Section 3401(d) of the Internal Revenue Code of 1986, and includes any person, firm or corporation, including organizations which may themselves be exempt from income tax, such as religious organizations, as well as the federal or District Governments and any agency, instrumentality or political subdivision of such governments, employing or using the services of one or more individuals for hire, remuneration or compensation of any kind.

A "Payor" is an individual or other entity paying retirement distributions or other payments subject to DC withholding.

Every employer or payor who is required to withhold DC income tax from the wages or other payments subject to DC withholding of his/her employees, former employees or payees should have a Federal Employer Identification Number (FEIN) before completing and filing Form FR-500 (Combined Registration Application for Business DC Taxes/Fees/Assessments). Mail the completed FR-500 to: Office of Tax and Revenue, PO Box 470, Washington, DC, 20044-0470.

Each employer or payor should have only one FEIN and should keep a record of it. ***This number should be used on all correspondence with the Office of Tax and Revenue (OTR) regarding DC withholding taxes.***

Taxpayer Identification Number(s) (TIN)

You must have a TIN, whether it is a SSN or FEIN.

- **A SSN is a valid number issued by the Social Security Administration (SSA) of the United States Government.** To apply for a SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or online at www.ssa.gov. You may also get this form by calling 1-800-772-1213;
- **A FEIN is a valid number issued by the Internal Revenue Service (IRS).** To apply for a FEIN, get Form SS-4, Application for Employer Identification Number online at www.irs.gov. You may also get this form by calling 1-800-TAX-FORM (1-800-829-3676).

You must wait until you receive either number before you file a DC return. Your return may be rejected if your TIN is missing, incorrect or invalid. You could be subject to a balance due or disallowance of credits or exemptions, if your dependent's or other non-qualifying person's TINs are missing, incorrect or invalid.

An employer who has acquired the business of another employer may not use the FEIN assigned to the other employer, but must apply for a new number (unless already assigned a number).

The instructions and procedures in this booklet apply to all employers, including agencies of the United States Government. Federal agencies are required to withhold income taxes from

the wages of employees who are DC residents if their regular place of employment is in DC. Federal agencies are also required to withhold DC taxes from DC residents whose regular place of employment is outside the District, if the employee voluntarily agrees to have the DC taxes withheld, and if there is no law or reciprocal agreement at the place of such employment which already requires withholding on nonresident federal employees.

Employers or payors are required to notify OTR in writing if they intend to:

1. Go out of business;
2. Change their address;
3. Change their entity name; or
4. Change their ownership or structure.

EMPLOYER RESPONSIBILITIES

1. Immediately, upon receipt of this booklet, apply for your FEIN if you do not already have a number.
2. When a DC resident starts in your employ, you should receive a DC Withholding Allowance Certificate, DC Form D-4 from that employee. If a DC RESIDENT EMPLOYEE fails to furnish a certificate, the employer is required to withhold DC income tax as if the employee had not claimed any withholding allowances. An employer or payor is required to withhold DC income tax from all DC resident employees or payees even if not required to withhold federal income tax from certain employees or payees who certify that they have no federal income tax liability because of minimal taxable income. An employer or payor shall base withholding for an employee or payee on zero withholding exemptions if the Mayor notifies an employer or payor that 1) the employee or payee has an unpaid tax liability; 2) the employee or payee failed to file DC income taxes; or 3) the employee or payee is subject to a tax refund interception request. If the three conditions do not apply, the employer or payor may apply to the Mayor to authorize an increase in the number of withholding exemptions to the level at which they would not have resulted in an underpayment of the taxpayer's most recent income tax return.

DC RESIDENT EMPLOYEE includes individuals who are receiving wages and who have a place of abode or who are residing or domiciled in DC at the time the income tax is required to be withheld.

DC RESIDENT PAYEE includes individuals who are DC residents with lottery winnings or receiving other payments subject to DC withholding from any form of retirement plan or account and who have a place of abode or who are residing or domiciling in the District at the time the distribution is made.

3. DC income tax is to be withheld in accordance with either the wage bracket method or the percentage of wages paid method. Tax is withheld from each wage payment in accordance with the information provided on the employee's withholding allowance certificate (DC Form D-4).

4. **Prior to December 1** of each year, each employer should request the employees to file amended allowance certificates for the next year if there has been a change in exemption status or a change of address since the filing of the last certificate. If an employee or a payee changes his/her address from DC to Maryland, Virginia or another state, the employer or payor should make certain that employee or payee no longer has DC tax withheld by having him/her file with the employer or payor DC Form D-4A, Certificate of Non-Residence in the District of Columbia.
5. Employers or payors must file monthly withholding tax returns, Form FR-900M, by the 20th day of the month following the close of the monthly withholding tax period being reported if the tax liability is greater than or equal to \$1,201. If the tax liability is between \$201 and less than or equal to \$1,200, then a quarterly return, FR-900Q is due by the 20th day of the month following the close of the quarterly withholding tax period being reported. If the tax liability is less than or equal to \$200, an annual return, FR-900A is due by the 20th day of January following the withholding year being reported.
6. On or before January 31 of each year, or at the termination of employment, furnish each employee or payee with a printed withholding statement in duplicate on Federal Form W-2 or 1099 showing:
 - (1) The total wages or payments paid to the employee or payee during the preceding calendar year;
 - (2) The total amount of DC income tax withheld during that year;
 - (3) The employee's or payee's name, address and social security number;
 - (4) The employer's or payor's name and address; and FEIN. No Form W-2 will be accepted by OTR unless the employer or payor indicates clearly that the tax withheld was DC income tax **and** the FEIN appears on the withholding statement.
7. On or before January 31 of each year, or at such time as the employer's or payor's obligation to withhold taxes is terminated other than temporarily, the employer or payor, who files monthly or quarterly, must file an Employer's / Payor's Withholding Tax Annual Reconciliation and Report, DC Form FR-900B and complete the Employer/Payor DC Withholding Tax Reconciliation Schedule.

We encourage taxpayers to use the online data entry or upload process available on our website for submission of W-2's by January 31 of each year. If taxpayers must submit paper submissions, send to:

GENERAL INFORMATION

Many features of the federal withholding law are contained in the DC withholding tax law. The definitions of many of the terms used in connection with the DC withholding tax law conform to specific provisions of the federal withholding tax law. In general, the rules adopted and the policies established for federal withholding will be followed to make administration of the DC withholding tax law conform where practicable.

The wages covered by the DC withholding tax law include all remuneration, whether in cash or another form, paid to an employee for services performed for his/her employer. For this purpose, the term "wages" covers all types of employee compensation, including, but not limited to, salaries, fees, bonuses and commissions. Tips or gratuities which are accounted for by the employer, vacation allowances, bonuses and back pay are considered as wage payments for the purpose of withholding.

Effective for distributions paid on or after February 1, 2011, payors of distributions from retirement plans or accounts are required to withhold DC income tax at the highest DC income tax rate in effect as of the date of distribution.

Every employer or payor who is subject to the DC withholding tax law, is required to keep all records pertinent to withholding available for inspection by OTR. You are liable for the payment of these taxes to DC whether or not you withhold them from your employees.

WITHHOLDING TAX TABLES

Tables beginning on page 10, show the proper amounts to be withheld from weekly, biweekly, semimonthly, monthly, daily or miscellaneous wage payments.

Tables that refer to "married" also apply to "registered domestic partners."

DC WITHHOLDING ALLOWANCE CERTIFICATE (Form D-4)

Whenever a DC resident employee is hired, the employee is required to fill out a DC Form D-4, DC Withholding Allowance Certificate, and file it with the employer. This certificate authorizes the employer to make periodic tax withholdings from the employee's wages based on the information furnished.

For an employee claiming Head of Household filing status use the percentage of wages paid method for Head of Household.

Once filed with the employer, Form D-4 will remain in effect until an amended D-4 is given to the employer or the mayor notifies the employer that zero should be used (see **Employer Responsibilities** section). An employee may file a new D-4 at any time if the number of withholding exemptions to which he/she is entitled increases unless the mayor has notified the employer that zero should be used (see **Employer Responsibilities** section). An employee **must** file a new D-4 within 10 days if the number of withholding allowances previously claimed decreases. The employee may make the new D-4 effective with the next payment of wages but is permitted by law to postpone the effective date until the first status determination date (that is January 1, or July 1) which occurs at least 30 days after the date on which the new D-4 is filed with the employer.

Forms D-4 will be sent to the employer upon receipt of the employer's completed Combined Registration Application for Business DC Taxes/Fees/Assessments (Form FR-500). Additional copies will be supplied upon request (contact the Customer Service Administration, Forms Distribution Center at 202-442-6546).

Employer – if 10 or more exemptions are claimed by an employee or if you suspect that a Form D-4 contains false information please send a copy to – Office of Tax and Revenue, 1101 4th Street SW, Washington DC 20024, Attn: COMP-ADMIN.

CERTIFICATE OF NONRESIDENCE IN DC (Form D-4A)

Under DC withholding law, employers or payors are required to deduct and pay to the DC Treasurer the taxes required to be withheld, whether or not actually withheld. It is the duty of the employer or payor to determine who is subject to DC withholding. You must withhold DC taxes from any employee or payee on your pay or distribution rolls, if he/she resides or is domiciled in DC when the tax is required to be withheld (that is, at the end of the pay period).

Any employee or payee whose residence status is doubtful should be contacted by the employer or payor to determine the actual place of residence. As a protection against failure to withhold on any employee or payee subject to DC tax, you must obtain from the employee or payee information which will show conclusively that he/she is not liable for payment of DC taxes. A Form D-4A, Certificate of Nonresidence in the District of Columbia, is provided for the employee or payee to certify nonresidence status. Completed Forms D-4A must be retained by the employer or payor.

It is the responsibility of the employer or payor to maintain a record of the current addresses of all the employees or payees. The DC regulations require that the employee or payee furnish this information to the employer. Each year, prior to December 31, employers or payors should request the employees or payees to file, if appropriate, a notice of change of address or change in exemption status.

EMPLOYERS RETURNS AND RECONCILIATION OF INCOME TAX WITHHELD FROM WAGES

Employers or payors required to file DC withholding tax returns must file on a monthly basis, unless instructed otherwise by OTR. Monthly returns (Form FR-900M) must be filed and the taxes paid by the 20th day of the month following the close of the monthly reporting period. Quarterly returns, DC Form FR-900Q must be filed by the 20th day of the month following the end of the quarter being reported. Annual returns, DC Form FR-900A must be filed by the 20th of the month of the following year. Taxes withheld must be reported on the return for the month in which the taxes were withheld. No return may cover more than one reporting period. If a mistake is discovered after a return has been filed, it may be corrected as an adjustment on the FR-900M filed for the following month or the FR-900Q filed for the following quarter. Since adjustments may not be carried over from one year to another, the Annual Reconciliation Report (FR-900B) is the form used for year-end corrections.

The last return of an employer or payor who files monthly or quarterly and goes out of business during the calendar year,

or otherwise ceases to pay wages or distributions (other than temporarily) must be filed on Form FR-900B. This final report must be filed within thirty days after the date on which the final payment of wages or distributions are made, and must show the period and date of the last payment of wages or distributions.

An employer who has temporarily ceased to pay wages, including an employer engaged in seasonal activities, must continue to file the withholding tax returns.

ANNUAL SUBMISSION OF FEDERAL FORMS W-2 or 1099's

A copy of every Form W-2 or 1099 issued by the employer or payor to a DC resident must be submitted by January 31 of each year to the Office of Tax and Revenue (OTR). Quantities of 24 or fewer W-2's or 1099's may be submitted on paper – accompanied by Form FR-900B. Quantities of **25 or more** W-2's or 1099's must be transmitted electronically. The OTR follows the Social Security Administration's EFW2 specifications, which may be found at <http://www.ssa.gov/employer/EFW2&EFW2C.htm>. Note: the RS (state) record must be included in your transmission. OTR follows the IRS Publication 1220 specifications for 1099 reporting.

We encourage taxpayers to use the online data entry or upload process available on our website for W-2's. If taxpayers must submit paper submissions, send to: Office of Tax and Revenue, Attn: RPA, 1101 4th Street, SW, 4FL, Washington, DC 20024.

Submit 1099 information on a CD in a PDF or .txt format attached to the transmittal, Form W-2/1099T to: Office of Tax and Revenue, 1101 4th, Street, SW, FL4, Washington, DC 20024.

Under federal and District law, failure to file the annual W-2 transmission may result in penalty of up to \$50 per missing W-2. Willful failure to provide required tax information is a misdemeanor under the District of Columbia Income and Franchise Act of 1947, subject to a fine of up to \$5,000, in addition to other penalties.

FORMS

FR-900A booklets, with the annual form and instructions, will be mailed to registered employers or payors filing on an annual basis unless you file online or use a substitute form.

FR-900M booklets, with the monthly forms and instructions, will be mailed to registered employers or payors filing on a monthly basis unless you file online or use a substitute form.

FR-900Q booklets, with the quarterly forms and instructions, will be mailed to registered employers or payors filing on a quarterly basis unless you file online or use a substitute form.

These forms are mailed to each employer or payor registered with DC. Failure to receive forms does not relieve an employer or payor of filing and paying on time.

REPORTING OTHER INCOME

Copies of Federal Form 1099 must be submitted to report income of \$600 or more, or other payments subject to DC withholding, other than salaries or wages subject to withholding, paid to a DC resident individual in any calendar year. Dividends, endowment gains and other taxable income of \$600 or more are required to be reported unless excluded by regulations. Returns made on copies of federal Forms 1099 must be accompanied by a copy of federal Form 1096 showing the number of such returns filed. The returns are required to be filed by January 31 of the succeeding calendar year. You must include your **FEDERAL EMPLOYER IDENTIFICATION NUMBER** on all the Forms 1099 and 1096 that you file.

REMITTANCE

Make all payments (checks or money orders) payable to the DC Treasurer and mail them to: Government of the District of Columbia, Office of Tax and Revenue, PO Box 96385, Washington, DC, 20090-6385. Mailing labels are provided in the Employer's/Payor's Withholding Tax Booklets (FR-900A, FR-900M and FR-900Q).

WORKERS' COMPENSATION

Employers should obtain workers' compensation coverage for all of their employees in DC. Employers who have employees located in jurisdictions outside DC are required to have workers' compensation insurance coverage under the laws of those other jurisdictions. People in business for themselves and unpaid volunteers may not be covered. Employees of the federal or District government are covered by somewhat similar laws.

The employer of a domestic worker, who employs a domestic for 240 hours or more during a 13-week calendar quarter (approximately 19 hours per week) must obtain coverage.

The District of Columbia workers' compensation is a no-fault insurance program which provides benefits to workers who are injured on the job. Employees have given up the right to sue their employer in return for the guaranteed payment of medical treatment expenses and cash payments to replace lost wages. In turn the employer gives up the common law defenses of contributory negligence, assumption of risk and injuries caused by a fellow employee.

If you have any questions regarding whether you need such coverage please check with your Insurance Agent Broker, Carrier or the Office of Workers' Compensation, Labor Standards, Department of Employment Services. The office address is 4058 Minnesota Avenue, NE, Washington DC 20019. The telephone number is (202) 671-1000.

DC UNEMPLOYMENT COMPENSATION TAXES

Employers of one or more persons who perform services in DC are required to register for Unemployment Compensation Taxes. When you submit Form FR-500 (Combined Business Tax Registration Application), you will automatically be registered for Unemployment Compensation Tax.

The Form FR-500 is available on our website. Visit www.taxpayerservicecenter.com.

Questions concerning registration status, notification of change of address, name, etc., for purposes of Unemployment Compensation Contributions should be directed to the DC Department of Employment Services, Office of Unemployment Compensation, Division of Tax, 4058 Minnesota Ave., NE, 4th FL, Washington, DC, 20019. The telephone number is (202) 698-7550. The facsimile number is (202) 698-5706.

METHODS FOR DETERMINING WITHHOLDING OF DISTRICT INCOME TAX

Employers may elect to use either of the following methods without prior approval.

- (A) PERCENTAGE OF WAGES PAID
- (B) WAGE-BRACKET

The payroll period used determines the particular withholding table to be used under the method chosen. Payors of retirement distributions must withhold at the highest DC income tax rate in effect at the time of distribution.

PENALTIES AND INTEREST

OTR will charge –

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payment received by OTR on accounts subject to the fee are first applied to the fee then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

ENFORCEMENT ACTIONS

OTR may use lien, levy, seizure, collection agencies, and liability offset if the taxpayer fails to pay the District within 20 days after receiving a Notice of Tax Due and a demand for payment. Visit www.taxpayerservicecenter.com.

CRIMINAL PENALTIES

You will be penalized under the criminal provisions of the DC Code, Title 47 if you are required to file a return or report, or perform any act and you -

- Fail to file the return or report timely. If convicted, you will be fined not more than \$1,000 or imprisoned for not more than 180 days, or both, for each failure or neglect;

- Willfully fail to file the return or report timely. If convicted, you will be fined not more than \$5,000 or imprisoned for not more than 180 days, or both;
- Willfully attempt to evade or defeat a tax; willfully fail to collect, account for, or pay a tax; or willfully make fraudulent and false statements or fail to provide information. See DC Code §47-4101 through 4107.

These penalties are in addition to penalties under DC Code §22-2405 for false statements (and any other applicable penalties). Corporate officers may be held personally liable for the payment of taxes owed to DC.

TAXATION OF COMPENSATION OF MILITARY MEMBERS AND SPOUSES

On November 11, 2009, President Obama signed the “Military Spouses Residency Relief Act” to prevent multiple state taxation on the income and property of military personnel serving within various tax jurisdictions by reason of military service. The act amends sections of the Soldiers’ and Sailors’ Civil Relief Act of 1940 to provide the spouse of the servicemember with some relief related to residency and taxation issues that often arise as a result of frequent duty station transfers for military families.

The act provides that a state or local tax jurisdiction cannot include the military compensation earned by nonresident servicemembers to compute the income tax liability imposed on the non-military income earned by the servicemember. Any compensation earned by the spouse of the servicemember, while accompanying the servicemember to a duty station outside of their legal residence for taxes, pursuant to the servicemember’s military order, would not be subject to income tax in the jurisdiction outside of their legal residence for taxes.

If the servicemember or spouse have withholding to be refunded or otherwise is required to file a District of Columbia D-40 individual income tax return, the following may be used to reflect the proper tax due:

- (1) If a servicemember’s legal residence for taxes is not in DC but the servicemember and spouse reside in DC due to military orders, the military compensation and the non-military spouse’s compensation should be deducted on D-40, Schedule I, Line 15. If this applies to you, a copy of the Department of Defense form providing the servicemember’s legal residence for taxes and a copy of the non-military spouse’s legal residence for taxes driver’s license should be kept with your tax records in case it is subsequently needed.
- (2) If a servicemember’s legal residence for taxes is not in DC but the servicemember resides in DC due to military orders and subsequently marries a DC resident, the servicemember’s military compensation should be deducted on the D-40, Schedule I, Line 15. The non-military spouse’s income is not exempt in this case since the non-military spouse is a DC resident and has not moved to DC to be with a transferred servicemember. If this applies to you, a copy of the Department of Defense form providing the servicemember’s legal residence for taxes should be kept with your tax records in case it is subsequently needed.

- (3) If a servicemember’s legal residence for taxes is in DC and the servicemember and spouse reside in DC in compliance with the servicemember’s military orders, they will file Form D-40 and will report all their income in DC, as either married filing jointly or married filing separately.

A spouse of a servicemember whose wages are exempt from District of Columbia income tax under the new law may file a D-4 with their employer to claim exemption from withholding. Please direct all questions to OTR’s Customer Service Center at (202) 727-4TAX (4829).

STANDARD DEDUCTION AND PERSONAL EXEMPTION

The standard deduction will not be used in the withholding calculation. The 2016 amount for each personal exemption withholding allowance will be \$1,775.

INTERNATIONAL ACH TRANSACTION (IAT)

Electronic banking rules have changed. If a payment will be drawn on a foreign account, you must send a money order (U.S. dollars) or pay by credit card.

WILLFUL VIOLATIONS

Any person who willfully refuses to withhold, collect or pay over any tax which is required by law or regulations, or who willfully refuses to make any return, declaration, statement, or to supply any information as required, or who willfully attempts to defeat or evade the tax imposed under the provisions of the District of Columbia Income and Franchise Tax Act of 1947, as amended, shall, in addition to other penalties provided by law, be guilty of a misdemeanor and shall be fined not more than \$5,000 or imprisoned for not more than one year, or both, together with the costs of prosecution. If additional information is needed, please call (202) 727-4TAX (4829). To report suspected tax fraud with respect to the number of withholding allowances being claimed on a Form D-4, please call OTR at 1-800-380-3495.

 Note: If withholding allowances exceed 10, you must use the PERCENTAGE OF WAGES PAID method to calculate DC withholding.
 Note: If the monthly wage totals more than \$3,940, use the Percentage of Wages Paid Method.
