**Any voucher that is \$25,000 or more, must be filed electronically.**

D-40ES (REV. 10/04)

**Who must file D-40ES estimated tax vouchers?**

You must file these vouchers if you are required to file a DC income tax return and, after subtracting your tax withheld and any credits, you expect to owe \$100 or more in taxes.

**Should you file joint vouchers?**

If you plan to file jointly on your 2005 D-40 return, you should file joint 2005 D-40ES vouchers to ensure that you receive proper credit for any estimated income tax you pay. If you file joint vouchers, but you do not file jointly on your D-40 return, you may divide the estimated tax paid between you and your spouse any way you wish.

**Where do you make payments?**

You may pay your estimated tax and file your voucher electronically free of charge through the DC Government web site. Go to [www.cfo.dc.gov/etsc](http://www.cfo.dc.gov/etsc), select Taxpayer Service Center, select Individual Income Tax Service Center, and then select DC Online Filing.

If you choose to file by paper, mail the voucher and payment to:

Office of Tax and Revenue  
Individual Estimated Tax  
P0 Box 96018  
Washington DC 20090-6018

**NOTE:** Please use the address labels provided when mailing your vouchers.

Make your check or money order payable to the DC Treasurer. Write your social security number, voucher number, and "2005 D-40ES" on your check or money order.

**When are the vouchers due?**

File your vouchers by the following dates:

- Voucher 1: April 15, 2005
- Voucher 2: June 15, 2005

- Voucher 3: September 15, 2005
- Voucher 4: January 17, 2006

### **How do you determine your estimated tax?**

If you expect your taxes and withholding for 2005 to be approximately the same as last year, your estimated tax is the amount of tax you owed in 2004. Divide this amount by four installments.

If you expect this year's income to be different from last year, use the worksheet on page 6 to estimate your 2005 DC taxes.

### **Can you apply an overpayment from your DC return?**

You can apply the full amount of any overpayment from your prior year's income tax return to the first payment of your estimated taxes or you can spread it across the four installments any way you choose. You may not do this if you have requested or received a refund of this overpayment.

You can use the record of payments worksheet on page 8 to plan how much overpayment you will apply to each installment.

### **Could you be charged a penalty or fee?**

*If you underestimate your taxes:*

You will be charged an underpayment rate of 10% per year compounded daily if your withholdings, credits and estimated tax payments do not equal:

- At least 90% of the amount of tax you will owe on your 2005 DC return, or
- 100% of the amount of tax you owed on your 2004 DC return.

*If you falsely state your estimated taxes:*

You will be charged a penalty if any statement made on the voucher is not true and accurate to the best of your knowledge.

### **Dishonored check**

You will be charged a \$65 fee if your check is returned to us.

### **What if your estimated taxes change during the year?**

If you have filed one or more vouchers and you find that your estimated tax liability has changed substantially, use the calculation on page 7 to recalculate your estimated tax payment.

Using your remaining vouchers, adjust your installment amounts to cover the balance you owe. If you file your DC individual tax return for the year 2005 before you make your last estimated tax payment, you must pay the balance of any tax due with your return. (Do not send in your last voucher.)
