IMPORTANT MESSAGE TO TAXPAYERS

This booklet contains your 1995 District of Columbia individual income tax return, other related forms and instructions. It is important that you read the instructions carefully and use the forms in this booklet for faster processing of your tax return. Please make certain that you have signed and dated your return before mailing.

Before you prepare your 1995 District return, you must complete your Federal income tax return. If you itemize deductions on your Federal return, you must itemize deductions on your District return.

Please take a moment to closely review your tax return prior to mailing. You must attach all withholding statements (W-2) forms, a copy of your Schedule A of Federal Form 1040 if you itemize your deductions, and your payment for any tax due. We cannot stress enough the importance of reviewing your tax return and attaching all necessary schedules and documents. An error free return will help expedite the processing of your tax return.

An error free return in which a tax refund is requested will be processed within 6 to 8 weeks from the date of receipt. After eight weeks, if you have not received your refund, you may call (202) 727-6120 for information on the status of your refund.

If you wish to contribute to the Public Trust for Drug Prevention and Children At-Risk enter the dollar amount you wish to contribute on line 28 of Form D-40 or on line 14 of Form D-40EZ. Since its inception in 1991, approximately \$322,000 has been contributed to the Trust through the tax checkoff. Contributing to the Trust gives you an opportunity to help provide our youth with desperately needed drug prevention and treatment services.

The Department of Finance and Revenue is available to provide assistance to taxpayers in the preparation of their 1995 District income tax returns. Please see the schedule of dates and times on the following page.

The Department of Finance and Revenue is happy to be of service to you.

GENERAL INSTRUCTIONS

What is the District of Columbia consumer use tax?

The District of Columbia consumer use tax is imposed by the District of Columbia Use Tax Act (D.C. Code §47-2201 *et seq.*), which was approved in 1949. Generally, this tax is due when you purchase taxable merchandise or services or rent tangible personal property from a seller or rental company located outside the District, and you are not charged any District or state sales tax on the purchase or rental. Typically this occurs when: (1) you order merchandise by mail or telephone (such as clothing, cameras, computer equipment and stereo equipment from a catalogue); (2) you order merchandise or rent tangible personal property in-person at a business outside the District, and the merchandise or rented tangible personal property is shipped to you in the District; or (3) you purchase and take possession of merchandise or rented tangible personal property in a state that does not have a sales tax or does not impose a sales tax on an item that is taxable in the District.

The tax is computed based on the sale price of the item ("sales price"). "Sales Price" does not include separately stated shipping or delivery charges, but it does include a "shipping and handling" charge where this is listed as a single item on the bill.

Who should file this form?

This return should be filed by any individual who during the tax year paid more than \$400 for purchases of taxable merchandise or services or to rent tangible personal property from a business outside the District, and did not pay any District or state sales tax on the purchases or rentals.

NOTE: Businesses, including partnerships and sole proprietorships, must report all purchases and rentals subject to use tax on Form FR-800M or FR-800A, whichever is appropriate. If you do not file District forms FR-800M or FR-800A, but file a schedule C or E with your federal return, you must report on the consumer use tax return (FR-329) any purchases for which you did not pay sales tax.

When and where to file

File your return on or before April 15. If you are filing on other than a calendar year basis, you must file your return by the 15th day of the 4th month after the close of the taxable year. If the due date falls on a Saturday, Sunday or legal holiday, you may file your return on the next business day.

Extension of time to file

There is no extension of time to file Form FR-329. The extension of time to file your District of Columbia individual income tax return does *not* extend the due date for filing Form FR-329. If the return is not filed by the due date, penalty and interest will apply.

Payment

Pay the total amount due, as reported on Line 7 of Form FR-329, by the due date. Make your check payable to *D.C. Treasurer*, attach it to the consumer use tax return, and mail to the D.C. Government, Department of Finance and Revenue, 441 4th Street, N.W., Suite 810S, Washington, D.C. 20001. Write "FR329" and your social security number on the face of your payment.

Dishonored checks

There is a fee of \$50.00 for each dishonored check issued to the District of Columbia.

For information call 727-6070, or visit our office at 441 Fourth St., N.W., Room 570 (North), Washington, D.C. 20001

Contribution to the Public Trust for Drug Prevention and Children At-Risk

The campaign for the Public Trust for Drug Prevention and Children At-Risk continues this year. Please use the space on the individual income returns Forms D-40 and D-40EZ to indicate the amount you wish to contribute. Any amount contributed can be claimed as a deduction on your 1996 federal and D.C. tax returns if you itemize your deductions. The minimum contribution is \$1.

Consumer Use Tax Return

Generally, you pay consumer use tax if you purchase merchandise or services, or rent tangible personal property from a business or rental company outside the District and you are not charged any District or state sales tax on the purchases or rentals. This may occur when an item is purchased through a catalogue by mail or telephone. If you have purchased merchandise or services, or rented tangible personal property for which the use tax should be paid, please see the consumer use tax return and instructions included in the booklet.

D.C. Metropolitan Police Department Housing Income Tax Credit

D.C. Law 10-70, the "Metropolitan Police Housing Assistance Program and Community Safety Act of 1993," provides that a Metropolitan Police Department officer who is a first time homebuyer in the District of Columbia shall be eligible for a \$2,000 a year nonrefundable income tax credit for five years, provided that the officer remains eligible to receive the credit. Information on qualification for and computation of the credit is shown on page 5 of the instructions.

Contents of this Booklet

This booklet is divided into three parts. Part I contains the individual income tax returns, Forms D-40EZ and D-40; consumer use tax return, FR-329; extension of time to file, Form FR-127; and property tax credit, Schedule H. Part II contains the instructions for the Form D-40 and Schedule H. Part III contains the Low Income Credit Table, Tax Table and Property Tax Credit Tables A and B. Instructions for Forms D-40EZ, FR-329 and FR-127 are on the back of each form.

Columns A and B

Married taxpayers who file a combined separate return must use Column A for the husband and Column B for the wife. Taxpayers who file as single, head of household, married filing jointly, married filing separately, or dependent taxpayer must use Column B.

Names and Social Security Numbers

Married taxpayers who file jointly or combined separately must enter the name and social security number of each spouse in the spaces provided in the upper portion of the return. If you are married filing separately, enter your spouse's name and social security number in the space provided under filing status D. Social security numbers are necessary to identify taxpayer accounts with the District and will be used only for tax administration purposes. The Mayor has the authority to request social security numbers under D.C. Code §47-1805.1(a).

Failure to provide your social security number may result in the disallowance of an exemption(s) and/or may delay the processing of your return.

Refund of Taxes Withheld

If you are a District resident but are not required to file a D.C. return, you must file Form D-40 or Form D-40EZ to request a refund of D.C. taxes withheld.

If you are a nonresident who is not required to file a D.C. return but D.C. tax was withheld from your wages, use Form D-40B to claim a refund. Form D-40B also may be used to request a ruling with respect to liability for D.C. income tax. To obtain a Form D-40B, see instructions on where to get forms.

Penalties

1. There is a 5% penalty for failure to file a return or pay any tax due on time. The penalty is computed on the unpaid tax for each month, or fraction of a month, for the period the return is not filed or the tax is not paid. The maximum penalty is not to exceed 25% of the tax due.
2. There is a 20% penalty on any understated amount of taxes due if the understatement exceeds either 10% of the tax determined to be due or \$2,000, whichever is greater. (Understatement of tax is the difference between the amount shown on the original or amended return and the amount of tax determined to be due as a result of an audit.)

Tax Preparer Penalty provisions enacted in Public Law 10-115 (D.C. Code § 47-162) provide for a tax return preparer penalty when liability is understated. Penalties are assessed whenever a tax preparer prepares a return or claim for refund based on an unrealistic position; where the applicable law or regulation should have been known by the preparer; or where relevant facts for the position are not adequately disclosed. Penalties range from \$50 to \$10,000.

Interest

Interest at the rate of 1.5% per month or portion of a month (18% annually) is charged on any tax not paid on time. Interest is com-

puted from the due date of the return to the date the tax is paid.

You must pay all tax due on or before April 15, 1996, to avoid penalties and interest.

If you apply for an extension of time to file, Form FR-127, penalties and interest are assessed if full payment is not submitted with the application even though the extension is granted.

4. Prorate the standard deductions by using the same procedure as in paragraph No. 3 above.
If you itemized deductions on your federal return, you must itemize deductions on your D.C. return. Enter on Line 57 of the D-40 your total deductions from your federal Schedule A (Form 1040). Deceased Taxpayers

If a taxpayer died in 1995, or in 1996 before filing a return for 1995, the personal representative, executor, administrator, or surviving spouse must file a return for the deceased person. The date of death must be indicated on the D-40 in the designated area. If the taxpayer died in 1995, do not prorate his/her personal exemptions or deductions.

Surviving Spouse

You qualify as a surviving spouse if you meet all the federal tax requirements. If your spouse died in 1995, you may file a joint return for the year if:

1. You were entitled to file a joint return at the time your spouse died, and
2. You did not remarry during the tax year.

1. The husband must report his income in Column A and the wife must report her income in Column B.
2. The names of both spouses must be entered in the spaces provided on the upper section of the D-40.
3. Both spouses must sign the return.

Do not claim an exemption for the spouse if he/she is filing a separate return.

Spouses of exempt military personnel, and other spouses of exempt persons such as non-resident presidential appointees, must file Form D-40 and check filing status **married filing separately**.

Change of Address

If you move to a new address after you file your return, make sure that you notify the post office of your new home address so they can forward your refund or any other correspondence from us.

Attachments to the Return

Fill in applicable items for adjustments to income on Form D-40 and attach required schedules. If you need more space, attach statements that follow the format of the official forms. Enter the total on the appropriate lines of the official forms. Be sure to put your name and social security number on all the attachments.

When and Where To File

File your return as soon as possible after January 1, but not later than April 15, 1996. Mail it to the Department of Finance and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C. 20044-7861.

Extension of Time To File

If you require more time to file your return, submit an extension of time to file application, Form FR-127, on or before April 15, 1996. Any tax due, as shown on Form FR-127, must be paid in full with the request. Penalties and interest will be charged on any outstanding tax from the time the return is

due until the tax is paid, even though an extension is granted.

Note: A copy of federal application for extension of time to file is not acceptable.

Amended Returns

Use Form D-40X to correct a previously filed individual income tax return, Form D-40. If an adjustment was made by the Internal Revenue Service on any federal tax return, you must file an amended D.C. return, Form D-40X, within 90 days of the federal change. Amended returns should be mailed separately from your current year return. By filing an amended return as soon as possible, you can minimize any accrued penalty and/or interest charges.

Do not file a D-40X to provide additional information requested by the Department of Finance and Revenue.

Declaration of Estimated Tax for 1996

You must file a declaration voucher of individual estimated tax for the taxable year if you are required to file a D.C. income tax return and in 1996 expect to owe \$100 or more after subtracting your tax withheld and credits.

Married Filing Jointly

Check the box on Line "C" if one of the following is true:

- you were married and you and your spouse were D.C. residents as of December 31, 1995, or;
- your spouse died in 1995 and you did not remarry in 1995, or;
- your spouse died in 1996 before filing a 1995 return. For details on how to file the joint return, see Deceased Taxpayer, page 2 of this booklet.

A husband and wife may file a joint return even if only one had income or if they did not live together all year. However, both persons must sign the return and both are liable for any tax due.

Married Filing Separately

Married persons who were not divorced or legally separated but lived apart, must file as married filing separately. Check the box on Line "D". You must report only your own income, exemptions, deductions and credits. Each taxpayer must enter his or her social security number.

If you have a child living with you, and you lived apart from your spouse during the last 6 months of 1995, you may be able to file as head of household. (See federal booklet for Married Persons Who Lived Apart.)

You must file as **married filing separately** if you resided in the District, and you had income whether from wages, investments, or other sources, and at the end of your tax year, your spouse was:

1. A member of the armed forces who is not a resident of the District under the provisions of the Soldiers and Sailors Relief Act.
2. A member of the U.S. Congress, or an employee on the personal staff of a member of Congress, who is a bona fide resident of the Congressman's state of residency.
3. An officer in the U.S. Executive Branch who is not domiciled in the District, appointed by the President of the United States, confirmed by the U.S. Senate, and acting at the pleasure of the President.
4. A justice of the U.S. Supreme Court who is not domiciled in the District.

Married Filing Combined Separate

A combined separate return is a single form that contains the two separate returns of a married couple. Check the box on Line "E". Report husband's income, deductions and exemptions in Column A and wife's in Column B. There is often a tax savings in filing a combined separate return if both spouses have income. You should figure your tax both ways (joint and combined separate) to see which filing status is better for you.

Dependent Taxpayer

Any person who can be claimed as a dependent on someone else's federal return should check the box on Line "F". You do not get a personal exemption for yourself.

EXEMPTIONS

Age 65 or Older and/or Blind

If you and/or your spouse were 65 or over and/or blind by December 31, 1995, enter "1" in each appropriate box. The box marked "H" is for the husband and the box marked "W" is for the wife. Add personal exemptions together with the exemption for age 65 or older and/or blind if applicable.

Total Number of Exemptions

Add the number of exemptions claimed in the various boxes and enter the total in the box under "Total Exemptions". Multiply the number of exemptions to which you are entitled by \$1,370 and enter this total on Line 9, Column A and/or B. If you are a part-year resident, your exemptions must be prorated. It is not necessary to prorate the exemptions of a deceased taxpayer on a final return.

Dependents

List in the spaces provided the full name and relationship of each dependent claimed on your federal income tax return. If the dependent is 1 year of age or older, provide his/her social security number. If you have more than 6 dependents, attach a statement to your return. List the name, relationship and social security number (if required) of each additional dependent.

Line 4— Subtractions

Enter the total subtractions from Line 56, Part II, page 2 of Form D-40.

Line 5 — D.C. Adjusted Gross Income

Total D.C. adjusted gross income is the amount of income after modifications to your federal adjusted gross income.

Lines 6 and 7 — Deductions

You must elect either the standard or itemized deduction. The deduction you elect must be the same you used on your federal return.

Line 6 — Standard Deduction

The standard deduction allowed for filing status (A), (B), (C) or (F) is \$2,000. The standard deduction allowed for filing status (D) is \$1,000. The standard deduction for filing status (E) is \$1,000 for each spouse.

A part-year resident must prorate his/her standard deduction according to the number of months he/she was a resident of the District.

Line 7 — Itemized Deductions

Enter total deductions from Line 61, Part III, page 2.

Line 9 — Exemptions

You may claim an exemption for each of your dependents who was alive during some part of 1995. This includes a baby born in 1995 or a person who died in 1995. Any person who meets all 5 of the tests in the federal income tax instructions qualifies as your dependent. Complete the exemptions area on the front of Form D-40 to determine your total exemption allowance. Multiply the total number of exemptions by \$1,370. Enter amount in Column A and/or B.

Any taxpayer who can be claimed as a dependent on someone else's tax return cannot claim an exemption on his or her tax return.

Part-year residents must prorate exemptions. It is not necessary to prorate the exemption of a deceased taxpayer on a final return.

Line 11 — Tax

If your taxable income is less than \$100,000, enter your tax from the Tax Table. Use the Tax Rate Schedule if your taxable income is \$100,000 or more. Tax Tables start on page 9 and the Tax Rate Schedule is on page 7.

Line 12 — Out-of-State Tax Credit

The District will allow taxpayers to claim credit for income tax paid to another state for income derived from sources outside the District if the income is taxed by the District. The tax paid to another state is the total state tax liability shown on your state tax return, not the tax shown on your Form W-2.

No credit is allowable for franchise tax, license tax, excise tax, unincorporated business franchise tax, occupation tax, or any tax characterized as such by the other taxing jurisdiction.

1. Compute your D.C. income tax liability on all income received while a resident of the District.
2. Determine the income subject to income tax in the other jurisdiction while a resident of the District.
3. The state tax credit must not exceed the lesser of: the actual amount of tax paid to another jurisdiction, or the maximum credit computed according to the instructions below.

The maximum credit is calculated according to the following formula:

$$\frac{A}{B} \times C = D$$

A—is income subject to individual income tax in any jurisdiction other than the District. Do not include income earned in the District of Columbia, nor any income not subject to individual income tax anywhere else during the period of D.C. residency.

B—is your D.C. adjusted gross income (Line 5, Form D-40).

C—is your D.C. individual income tax liability (Line 11, form D-40).

D—is the maximum credit.

Attach to your D.C. return a copy of the tax return filed with the other jurisdiction. Enter on Line 12 of Form D-40 the two-letter abbreviation of the state to which you paid the individual income tax. If individual income taxes were paid to more than one state, enter the number of states to which the taxes were paid and attach a separate list indicating the names and amounts paid to each state. You must attach a copy of each state tax return for which a credit is claimed.

Line 13 — Child and Dependent Care Credit

You may be eligible to claim a credit for child and dependent care expenses on your D.C. return only if you (and your spouse if you were married) were eligible to claim this credit on your federal return. If you are married and filing a separate return, you cannot claim this credit.

If you were a full-year resident, you may claim 32% of the credit allowed on your federal Form 1040 or Form 1040A. Do not enter the credit directly from your federal return.

If you are filing as a part-year resident, you must attach to your return a credit for child

and dependent care expenses, Form D-2441. You must follow line-by-line instructions on Form D-2441 to determine your allowable credit.

Line 14 (a) — Low Income Credit

The District allows a low income credit to eligible taxpayers. To qualify, your federal tax liability must be zero after subtracting your federal standard deduction and personal exemptions. This credit reduces your D.C. tax liability but it cannot be a refund. To determine the amount of low income credit, see the low income tables on page 8 of this instruction book. Find the credit under the correct filing status and personal exemptions column.

Important: There is a special computation of the low income credit for dependent taxpayers claiming filing status F.

If you claim the low income credit, you must attach a copy of your federal return to your D.C. tax return.

Line 14 (b) — D.C. Metropolitan Police Department Housing Income Tax Credit

D.C. Law 10-70, the "Metropolitan Police Housing Assistance Program and Community Safety Act of 1993" provides that a Metropolitan Police Department (MPD) officer who is a first-time homebuyer in the District of Columbia shall be eligible for a \$2,000 per year income tax credit for five (5) years, provided that the officer remains eligible to receive the credit.

In order to receive the income tax credit the officer must be employed as an MPD officer in good standing, and reside in the qualified property. Discontinuance of employment with the MPD or moving out of the property disqualifies an officer for the housing credit.

The MPD housing income tax credit reduces your D.C. income tax liability. It is not a refundable tax credit. If you are eligible for this credit, enter \$2,000 on Line 14 (b).

Line 17 — D.C. Income Tax Withheld

Enter the total amount of D.C. income tax withheld during 1995 and attach to your return the D.C. (State) copy of all W-2 forms or other approved substitute withholding tax statements.

Line 18 — Estimated Tax Payments

Enter the amount of any 1995 estimated tax payments. If a joint 1995 estimated tax was paid, husband and wife may divide the payment between them, or either spouse may claim the total amount paid.

Line 19 — Payments Made with the Extension of Time to File

If Form FR-127 was filed to request an extension of time to file, enter the amount paid with that request.

Line 20 — Property Tax Credit

Enter the amount of any property tax credit to which you are entitled from Line 10 or Line

16 of Schedule H. The credit may not be split between Columns A and B. See detailed instructions for Schedule H.

Amount You Owe or Overpayment

Line 22—If the total of your net tax on Line 16 is more than your payments and credits on Line 21, enter amount you owe on Line 22. (Line 16 minus Line 21.) This amount should be paid in full with your return unless it is a combined separate return. Combined separate filers see instructions for Lines 26 and 27.

Line 23—If the total of your payments and credits on Line 21 is more than your net tax, Line 16, enter overpayment on Line 23 (Line 21 minus Line 16.) All taxpayers must enter on Line 25 the amount of overpayment to be refunded. In addition, combined separate filers status E must complete Lines 26 and 27.

Line 24—Enter on Line 24 the amount of overpayment you want to apply as a credit to your 1996 estimated tax. The amounts on Line 24 will not be refunded.

Line 25—To receive a refund, all taxpayers must enter on Line 25 the amount of overpayment from Line 23, minus any credit to be applied to the 1996 estimated tax. In addition, combined separate filers (filing status E) must complete Lines 26 and 27.

Lines 26 and 27—Combined Amount You Owe or Overpayment, Filing Status E Only
Husband and wife who elect to file combined separate returns are the only persons who should complete these lines. The amount owed by or refund due one spouse must be combined with the amount owed by or refund due the other spouse. For example:

1. If the husband owes \$50 (Line 22), and the wife has an overpayment of \$100 (Line 23), the amounts should be combined. In this case the result is a net refund of \$50. Therefore, the husband should not send a check for the amount shown on Line 22.
2. If the husband owes \$80 and the wife is due a refund of \$40, the amounts should be combined. In this case the amount owed is \$40 and a check or money order for \$40 should be sent with the return.
3. If both owe an amount on Line 22, total the amounts and enter on Line 26. Send one check for the combined amount.
4. If both have a refund due (Line 25), combine the amounts and enter combined net refund on Line 27. One refund check will be issued for the combined amount.

Lines 28 and 29 — Voluntary Contribution
You can contribute to the Public Trust for Drug Prevention and Children At-Risk. Enter on Line 28 the amount you wish to contribute. The minimum contribution is \$1.

1. If you are due a refund, reduce the amount of the refund by the contribution and enter the balance on Line 29; or

2. If you owe tax, add the amount of the contribution to the tax due and enter total on Line 29. The total is the amount of the payment you should submit.

Note: Be sure to sign your D.C. income tax return on the back of the form. If your return was prepared by a taxpreparer, he/she must also sign the return.

INSTRUCTIONS FOR SCHEDULE H (PROPERTY TAX CREDIT)

You may qualify for the property tax credit even if you are not required to file a D.C. individual income tax return. If you are required to file a D.C. individual income tax return, you must use Form D-40 to claim a property tax credit.

Who May Qualify

To qualify for the property tax credit you must meet the following criteria:

1. You must have been a District resident the entire year and lived in the property(ies) you owned or rented during 1995.
2. Your household gross income must have been \$20,000 or less for the year.
3. If you were not age 62 or older before December 31, 1995, you must not have been claimed as a dependent on someone else's 1995 federal, state or D.C. income tax return.
4. The house or apartment that was your home must not have been part of a public housing dwelling. If you rented from a landlord whose property was exempt from real estate taxes, or the landlord paid a percentage of rental income to the District in lieu of real estate tax, you cannot file Schedule H.

You may use Property Tax Table B if you are blind or disabled. You may also use Property Tax Table B if you were age 62 or older and you, together with your spouse (if married), provided 50% or more of the household gross income.

A property tax credit may not be claimed on behalf of a deceased taxpayer who died before December 31, 1995.

How To File

If you are required to file a Form D-40, your Schedule H (claim for property tax credit) must be attached to your D-40. If you are not required to file a D-40, the Schedule H may be filed and mailed by itself.

Schedule H is due on or before April 15, 1996. However, a reasonable extension of time may

be granted. See page 2 for instructions to request an extension of time to file.

NOTE: District law requires you to furnish your social security number in the space provided on Schedule H. This number will be used for proper identification of your account with the District and for tax administration purposes only.

Important Definitions

1. The word "home" means your dwelling, whether owned or rented, and the land surrounding it as reasonably necessary for use of the dwelling as a home. The word "home" also includes a multi-unit or a multi-purpose building and a part of the land on which it is located.
2. The word "household" means all the individuals living in the home.
3. The term "household gross income" means the total of all income received by the individuals living in the home, including cash distributions from a business or investment entity in which any member of the household has an interest.
4. The term "rent paid" is the amount paid by a claimant to a landlord solely for the right of occupancy of a home in the District. "Rent paid" does not include advance rental payments for another period; rental deposits, whether or not expressly set out in the rental agreement; any charges for medical services or food provided by the landlord; or payments made to a landlord for the right of occupancy of property which is exempt from District real property taxes.
5. The term "members of a household" means all individuals living in one household whether or not they are related. For example, two or more unrelated individuals sharing an apartment or house constitute the members of a household.
6. The term "age 62 or older" means age 62 or older during 1995.
7. The term "blind" means a central visual acuity that does not exceed 20/200 in the better eye with correcting lenses; or visual acuity greater than 20/200, but accompanied by a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.
8. The word "disabled" means unable to engage in any gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. Certification

of such physical or mental impairment by a licensed physician selected by the claimant at his or her own expense must be submitted each year. Claimant should use the Physician's Certification provided on page 2 of Schedule H.

NOTE: The questions in Part I of Schedule H must be answered. Failure to do so will cause your claim for credit to be disallowed until such time as the information is furnished. If you claim the property tax credit under Section B of Schedule H, you must check the appropriate block(s) as to whether you are age 62 or older, blind, or disabled. You also must indicate if you were the recipient of rent supplements during 1995.

Complete Section A or Section B to calculate your property tax credit. Do not complete both sections.

ONLY ONE MEMBER OF A HOUSEHOLD CAN CLAIM THE PROPERTY TAX CREDIT.

INSTRUCTIONS FOR PAGE TWO OF SCHEDULE H

Taxpayer must complete page two before completing page One.

Line 17: Household Gross Income Schedule— You must report the income of every member of the household for each income category in this schedule. Income must be reported whether or not it is subject to District income tax, otherwise, the claim for property tax credit will be disallowed.

1. List in Column (1) all the income of the applicant (claimant).
2. List in Column (2) all the income of the claimant's spouse.
3. List in Column (3) the total gross income of all other members living in the home you own or rent.

If you live in an apartment, or house, or room where you share kitchen and bath facilities, this is a shared arrangement and is considered one household. The income of all members of such household must be reported

on Schedule H for purposes of calculating the credit. However, if you are a tenant in a house, apartment, or room that has a separate kitchen and/or bathroom, you would be considered to be the sole claimant in a household.

If you rent a portion of your home, be aware of the above instructions as they apply to you. If you share kitchen and bath with a tenant, the tenant's income must be reported by you in your Schedule H.

If you sublet a separate room or apartment within your place of residence, the portion of rent you pay that applies to that space cannot be included in the computation of the property tax credit. The income you receive from subletting such space is subject to tax and must be reported on your individual income tax return.

Line 18: Summary of Household Gross Income Schedule — Enter the totals from Line 17, Columns (1), (2), and (3) respectively on Lines 18(a), (b), and (c). Add Lines 18(a), (b), and (c) and enter total on Line 18(d).

INSTRUCTIONS FOR PAGE ONE OF SCHEDULE H

Section A

Line 6 — Enter amount of household gross income from Line 18(d), Schedule H. If this amount exceeds \$20,000, you are not entitled to the credit.

Line 7(a) — If you owned your home in the District during all of 1995, enter on Line 7(a) the amount of real property taxes you paid.

Note: Your property tax credit must be computed based on your housing status (rent/own) on December 31, 1995.

The deferred portion of your real property tax, as defined under D.C. Code §47-845, may be included as part of the real property tax for the purpose of computing the property tax credit.

Line 7(b) — If you were a tenant in the District all of 1995, enter 15% of rent paid (rent \times .15). If you rented more than one home in the District during 1995, divide the

total amount you paid to your last landlord during 1995 by the number of months of occupancy and multiply the result by 12. Multiply this result by 15% (.15) and enter your answer on Line 7(b).

Line 8 — Find the amount of your property tax credit from Property Tax-Credit Table A, or compute the amount of your credit according to the instructions on page 24 of this booklet.

The property tax credit must be reduced by any rent supplements received during 1995.

Section B

Line 12 — Enter amount of total household gross income from Line 18(d), Schedule H. If this amount exceeds \$20,000, you are not entitled to claim the credit under Section B.

Line 13(a) — If you owned your home in the District all of 1995, enter on Line 13(a) the amount of real property taxes paid.

Line 13(b) — If you were a tenant in the District all of 1995, enter 15% of rent paid (rent \times .15). If you rented more than one home in the District during 1995, divide the total amount paid to your last landlord during 1995 by the number of months of occupancy, multiply the result by 12. Multiply this result by 15% (.15). Enter your answer on Line 13(b).

If you claim the property tax credit based on rent paid, but the rent paid exceeds the total gross household gross income, the property tax credit claim will be disallowed unless adequate documentation is provided to support the claim.

Line 14 — Find the amount of your property tax credit from Property Tax-Credit Table B, or compute the amount of your credit in accordance with the instructions on page 24 of this booklet. The property tax credit must be reduced by any rent supplements received during 1995.

1995 INCOME TAX RATE SCHEDULE (Tax Computation for Line 11, Page 1, Form D-40)

This Tax Rate Schedule must be used by taxpayers with a taxable income of \$100,000 or more. The Tax Rate Schedule may be also used by taxpayers whose taxable income is less than \$100,000, however, the easier method for determining your tax is to use the Tax Tables in this booklet.

Use the following table to compute your tax on the taxable income from Line 10, page 1, of the return.

If the taxable income is:	The tax is:
\$10,000 or less	6% of the taxable income
Over \$10,000, but not over \$20,000	\$600, plus 8% of excess over \$10,000
Over \$20,000	\$1,400, plus 9.5% of excess over \$20,000

LOW INCOME CREDIT TABLES — 1995

You must meet the following requirements to be eligible for the low income credit:

1. You must have filed a federal tax return, and your federal tax liability is zero.
2. Your gross income must be less than the sum of your federal personal exemptions and the federal standard deduction.
3. A District tax liability must result because your income is more than the sum of your D.C. personal exemptions and the D.C. standard deduction.
4. You must use the correct low income credit table and the correct filing status.
5. You must furnish a copy of your federal tax return.

NOTE: REMEMBER THAT THIS CREDIT WILL ONLY REDUCE YOUR TAX LIABILITY. NEITHER THE CREDIT NOR ANY PORTION OF THE CREDIT, WILL BE REFUNDED.

LOW INCOME CREDIT COMPUTATION FOR DEPENDENT TAXPAYERS ONLY

Dependent Taxpayers, use this computation. Do not use low income credit tables.

Use this computation if you are a DEPENDENT TAXPAYER whose personal exemption is being claimed on someone else's D.C. return. If you had zero ("0") tax liability on your federal tax return, you may be entitled to a low income credit on your D.C. return. To determine the amount of the low income credit, you must do the following computation:

1. FEDERAL STANDARD DEDUCTION CLAIMED ON YOUR FEDERAL RETURN	\$ _____
2. LESS: D.C. STANDARD DEDUCTION	2,000.00
3. NET DIFFERENCE (Line 1 less Line 2)	_____

Take the "NET DIFFERENCE" from Line 3 and find the corresponding taxable income amount in the tax tables in this booklet. The amount of tax is your low income credit and should be entered on Line 14(a), Form D-40 or Line 9, Form D-40EZ.
