Installment Agreement capabilities on MyTax.DC

Installment Agreement Parameters

- Raise threshold to $100,000

- Revised term maximum term to 4 years

- Require a down payment equivalent to one monthly payment
    - This Policy change will allow taxpayers that are seeking clean hands to set up an installment agreement, make a down payment using ACH, and receive their certificate without the assistance of an agent.

Installment Agreement Tips

- Taxpayers cannot create online payment plans if any of the following are true:
    - Liability cannot already be in an active payment plan;
    - Taxpayers cannot have non-filed periods
    - Have not exceeded the two online payment plan cancellation for the same debt;
    - Liability cannot be outsourced to a Collection Agency;
    - Cannot be an active bankruptcy, garnishment, settlement, or offer in compromise;
    - Account cannot have a linked liability, (i.e., Officer Assessment);
    - Bills must be in the Assessed Stage to create a payment plan.

- The following will default a taxpayer payment agreement
    - A new liability will cause the payment agreement to default
    - A non- filed return will cause a payment agreement to default.

- Additional Tips
    - Refunds can be applied and or received.
    - Divide outstanding balance (including accruing penalty, interest and fees) by number of months requested.
    - Payment agreements secured by Collection personnel are generally subject to review of Collection Information Statement (PA-1 or PA-2) and review of the latest filed IRS tax return, bank statements and any other documentation necessary to verify ability to pay.

Special Events

- **VENDORS -** participating in these events are liable to file and pay sales tax on items sold during the event. It is the responsibility of the vendor to file a form FR800SE by the 20th of the following month after the event. These are filed online using MyTax.DC.gov

- **PROMOTERS -** are responsible for the timely submission of the Vendor list. A Registration penalty will occur if Vendor list is not submitted timely.

Non-Filer Unit

Individual Non-Filer Program:

❑ Through "discovery" efforts Non-filer leads are generated using external data sources to identify individuals that potentially have a District of Columbia filing obligation. Once leads are generated, they are assigned to Revenue Officers.

❑ Notices are then generated that outline an estimated liability, which can develop into a proposed and then subsequent assessment.

❑ The expectation is for taxpayers that receive letters to respond to our inquiry within 30 days, providing proof of residency, driver license and/or out-of-state resident tax return.

❑ If an assessment has been made, we will reverse it once its established that the taxpayer is not liable for a District return.

❑ The District has numerous taxpayers that are either working for Congress or in the military and file in a different jurisdiction, therefore, they are not liable for a District return.

Outsource Unit

❑ OTR currently partners with two collection agency vendors to collect various tax types including, Individual, Fiduciary, Corporate & Unincorporated Franchise, Sales and Use, Withholdings and others.

❑ The first vendor accounts are assigned to RSI Enterprises. Accounts over 90 days old will be assigned to this company for collection. Accounts will remain with this vendor for 180 days.

❑ The second vendor accounts are assigned to Pioneer Credit Recovery. Accounts over 90 days that have been assigned to the first vendor with limited or no success in collection after 180 days, will go to this vendor for 300 days.

  ❑ Both vendors are subject to OTR oversight and adhere to policies and procedures.

  ❑ The Outsource Unit communicates with vendors daily and handles correspondence and taxpayer disputes.

Offer In Compromise

- ❑ Offer-In-Compromise (OIC) is completed via OTR-10 booklet and related form.

- ❑ The OIC process is to determine if it is in the best interest of the District and the taxpayer to consider the taxpayer's offer for debt resolution.

- ❑ Current and future earnings potential are analyzed, along with completed Collection Information Statement, Forms PA-1 and/or PA-2 and related documentation.

- ❑ Prior compliance history, tax type, and other factors are important in determining feasibility

- ❑ OIC's are not payment agreements and generally require a substantial down payment and minimal time to meet the terms of the OIC.

- ❑ The taxpayer must remain in compliance for five-years after acceptance or the OIC defaults and reverts back to pre-OIC consideration.

  - ❑ Doubt as to Collectability – worked by CEA
  - ❑ Doubt as to Liability – worked by CEA

Revocation of Sales Tax Certificate

TAKE ACTION

- **Revocation of Sales and Use Tax Certificate in lieu of Asset seizure.**
  - **Prohibits taxpayer from continuing sales in the District of Columbia until tax issues are resolved.**

Exporting Judgments

OFFICE OF TAX AND REVENUE

❑ There are scenarios when delinquent taxpayers have assets such as bank accounts, personal property, and real estate—outside the District of Columbia that can be used to satisfy their tax debt (*e.g.*, in Virginia, Maryland, Florida, etc.).

❑ In order for the District to reach those foreign assets, the District must first obtain a judgment from the local court—D.C. Superior Court. This entails the Office of the Attorney General (OAG) filing a lawsuit against the delinquent taxpayer under the applicable tax statutes.

❑ Once D.C. Superior Court issues a judgment in favor of the District on the tax debt, OAG obtains a "triple-sealed" copy of the judgment from the Clerk's office and can then take that to another State and go through that State's court system to collect on the debt.

Exporting Judgments

❑ This should not be a second round of litigation in a new State court. For example, if OAG takes the DC judgment to Virginia, the Virginia courts generally must recognize the DC judgment (known as a foreign judgment) as a matter of course under the U.S. Constitution's full faith and credit clause. U.S. Const. art. IV, § 1; After recognizing the DC judgment, the Virginia courts can then issue writs of attachment and garnishment orders so that the District can go after the delinquent taxpayer's Virginia assets.

❑ **Note:** The COVID-19 Response Supplemental Emergency Amendment Act of 2020, Act No. 23-286, which stops the collection of some debts during the pandemic, does <u>not</u> apply to the collection of tax debts owed to the District. *See* D.C. Code § 28-3814(b)(1C).

❑ Judgment is utilized when all other collection efforts have failed.

Bulk Sale and Registration

- ❑ Code Section 47-4461
  - Purchaser of an existing business must notify OTR of the sale and its terms within 15 days of sale.

- ❑ Send a notification of sale via certified mail to:
  - Office of Tax and Revenue, PO Box 37559, Washington, DC 20013, Attention: Special Investigations Unit.

- ❑ The notification can also be emailed directly to the Collection and Enforcement Administration at otr.bulksale@dc.gov.

- ❑ Failure to notify OTR can result in:
  - The purchaser inheriting the seller's debt even if the debt is undisclosed to the seller.

- ❑ Purchaser cannot operate with the previous owners Federal Employer Identification Number

- ❑ Purchaser must file FR-500 – Combined Business Tax Registration Application to identify all tax obligations

- ❑ Seller's returns and taxes must be filed and paid timely to be in full compliance.
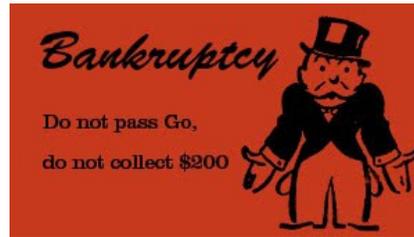

Bankruptcy

❑ **The District of Columbia maintains a priority claim _over all creditors (even the IRS)_ for Sales and Use taxes regardless of when the creditor has filed a claim.**

❑ **Proof of Claims (POC) are filed as soon as OTR is notified of the bankruptcy**

❑ **The Collection Division will file liens to protect the District's interest, so that a secured POC can be filed.**

❑ **Collection works closely with the Office of the Attorney General (OAG) on bankruptcy cases; and are often called to testify and attend bankruptcy hearings to ensure OTR's position is clearly understood by the trustee and the judge.**

❑ **Primary filings are Chapter 7, 11 and 13**

Possessory Interest

OFFICE OF TAX AND REVENUE

❑ District of Columbia Official Code § 47-1005.01 established the assessment and taxation of possessory interest.

❑ When government (non-taxable entity) grants the use of its real estate either for private occupation or control, to another person or entity that uses the real estate in a manner that results in profit for such person or entity, taxable possessory interest is created.

❑ Possessory Interest is assessed against the lessee of the property owned by the Federal or District government.

❑ Possessory Interest cases originate from the Office of Tax and Revenue – Real Property Tax Administration and are assigned to the Collection and Enforcement Administration to collect.

❑ Possessory Interest cases are subject to the same enforced collection activity as other tax types, i.e. lien, levy, seizure, payment agreement, etc.

❑ These cases are subject to the filing of a District Tax Lien. The lien is filed and recorded against the lessee of the government owned property, and not against the Federal or District government.
